# An Invitation to Love Jesus Newsletter Messages of Love July 2023 Issue 326

## Editorial

### **The Messages**

The Messages this month fill us with excitement and anticipation. Jesus is declaring that His Spirit is indeed at work in every country of this world now and that the Truth will be seen. His people will get a voice. Such Words fill us with joy. However, the Messages also carry a Warning to us, a Warning that we need to prepare by dying to sin. If we do not do this, then not only will we be unable to help anyone else but we, too, will be lost.

Jesus also explains to us that there is no point in asking for His Help if we do not use the Gifts that He gives us to help us. He uses the example of a person asking for the Gift of Strength to fight a sin in their life. Jesus gives this Gift, always, but if that person is not willing to use the Gift, because they are unwilling to die to themselves, then that Gift is useless to them.

There is so much wisdom and guidance within these Words of Love, from sin, from intimacy with God, love of our neighbour, the internet, our everyday lives, everything seems to be covered this month! Happy reading!

### **The front Cover**

The front cover is a picture taken by Patrick a few years ago. It

would almost remind one of droplets of blood. In 1999, Jesus spoke about this Newsletter, His Messages of Love, being the little Droplets of Blood that He sheds across this earth.

### **July, His Precious Blood**

July is the month of the most precious Blood. Perhaps we could show our devotion to it by really reading His Words of Love this month and really trying to take them on, showing our appreciation by the way we use His Words to live our daily lives by.

# *The Messages of Love*

as given to the two Patricks

## **Wednesday 28 June 2023**

My children, I am Coming. Read the signs of your times; it is plain to be seen, if you but take the time to look: so few are prepared. So few are taking the time to look at the danger all around them.

I do not speak of the danger to the body but I speak of the danger to the soul. There are so many lies to cloud your sight at this time. The thing you call the Internet was given by the demons of the air to help spread temptation to sin throughout this world. You think you live in modern times but, if you could see this earth through spiritual eyes, as I do, it is a place infested with all kinds of darkness. Yes, even things that would shock you, who think you know the Truth. This earth is like a great ball enclosed in darkness where evil beasts are allowed to roam freely. This, I must put an end to for the sake of those who are

willing to walk the Way of Truth. Prepare, children, for the spark has ignited and My Truth will be seen: trust Me.

I Love you.

## **Thursday 29 June 2023**

Believe in My Truth and walk this Path of Light. I am with you, children of Mine. Do not trust in those who give you a different teaching for My Truth does not change. I have told you this, so-called, modern-day teaching that you hear is a lie. I will not accept what modern day Christians want Me to accept. I am the Truth and I will not accept your lies as Truth. I created man and woman to be one.

When you are tempted towards the same gender, these are the temptations of self that are given by lucifer and must be fought against in the same way you fight falling to fornication, theft, adultery, murder and so on. You are on a trial on this earth, where you will decide, by your actions, whether you want to be in Heaven or not. If you want to live for eternity in Heaven then you must be obedient to My Laws.

Come away from those teachings that go against My Truth. Accept what I have given you in

My Scriptures and do not try to change the meaning of My Words for then you only live a lie and will have no place in My Kingdom. Trust Me, children, and walk this Path of Truth I give to you. Trust in Me. I Love you.

### **Friday 30 June 2023**

My children, believe in My Words to you and fight the sin in your lives. Fight the self that wants to walk away from Me. Trust Me and believe, children. I will help if you ask. Do not presume I will help but, ask Me, at the time of temptation for I will not step in over your free will. Ask Me and I will answer. Now, trust and fight the sin in your lives. Trust Me. I Love you.

## **July**

### **Saturday 1 July 2023**

My children, I, your God, am with you and I am about to change this world in ways that you would never have thought possible. My Houses of Prayer shall be seen and this world will look with wonder as My Words are announced from the rooftops. I will show this world I am not a dead God. I shall gather My people; I shall give all a chance and then the darnel shall be gathered and cast into the eternal fires of hell. Those are the ones who refuse to turn away from their evil ways. Prepare, children, there are grave

and wonderous times ahead and you must be prepared in order to help gather in the harvest. Trust Me: you are fast running out of time. Trust Me. I Love you.

### **Saturday 1 July 2023**

My children, your God walks among you and My Justice will unravel all that has been grown in lies. I will show all the Truth. Look! Already, many things begin to be seen. Already, My Truth is at work, children. I have told you all these things and, soon, all will come to pass. Already, My Spirit walks the nations and more and more shall be seen in the Light of My Truth. I cannot be stopped. Prepare, children, all begins to change. Trust Me. I Love you.

### **Monday 3 July 2023**

My children, I am with you and, yes, I hear all your prayers and I answer all that are asked in faith and Truth. So many prayers are but selfish echoes of self and have no place in My followers. When you ask of Me, ask in Truth: do not just look for the good of self. Trust Me, children, and see what I say and you will come to know Me and you will see your prayers being answered. Trust and walk with Me. Believe. I Love you.

### **Tuesday 4 July 2023**

Have faith in Me, children, for now you enter a Time of Miracles where I will show how wrong this world has been in their willingness to deny Me, their God. My Power will flow freely, once again, into this world and I will reclaim many who have strayed from Me and My Truth.

Prepare, children. Make haste for you have little time left before all that you know and think you understand changes. Trust Me for already it has begun to change. My Truth sweeps ever faster back into all parts of your society. I am here among you.

Trust Me.

I Love you.

### **Wednesday 5 July 2023**

Have faith in Me, children of Mine, all My Words and the Words of My Mother, will come to pass. I have given many Words to this world in order for My people to know the Truth and so, follow the safe Path.

My Words have been rejected by the peoples of this world and so, now, I must show the Truth of what has been happening.

Trust Me, children, and walk this Path of Truth with Me. Trust Me and prepare.

Trust!

I Love you.

### **Thursday 6 July 2023**

Have faith, children, and do not give in to the temptations of this world. Lucifer is like a hungry lion and will try anything to tempt you

away from My Truth.

Look at Me, children, this world hated Me and Crucified Me because My accusers did not want to change their lives, even though they knew I spoke the Truth. They decided to murder Me through the law to justify their own sin.

Be careful, children, that you, too, are not justifying your sin. Have faith in Me and walk this Path I place before you. Do not look for a new path for, I tell you the Truth, there is nothing new in these Words. All has been spoken in My Scriptures and are set in stone.

Believe, children, and know I am among you. I am the Truth and I will reclaim this world.

Be told, children, these Words are a lifeline to you.

Trust Me and believe.

I Love you.

### **Friday 7 July 2023**

My children, how do I convince you without taking your free will away to make haste away from the danger you are in?

Have faith, children, and follow the Words I have given and you will see the Glory of your God descend. In this time, My Power will be seen and My people will return but, I need you to help for many will be in great need.

Trust Me and make haste. Trust Me.

I Love you.

### **Saturday 8 July 2023**

My children, believe in My Truth and see this world change around you for My Truth will be seen

and this world will tumble under the strength of My Power. Now trust in Me and prepare, children of Mine. I Come to change this world for the good. All who know Me will see My Hand at work. Trust Me, children.  
I Love you.

### **Monday 10 July 2023**

Have faith in Me, your God, and do not let fear control you. Trust Me and believe. I will change all that you see as corrupt. I will show this world how little they understand. Now, children, prepare by dying to self; remove the sin from your lives and walk this Path of Truth with Me.  
Trust Me, children of Mine.  
I Love you.

### **Tuesday 11 July 2023**

Have faith, children, and be obedient to My Words by preparing. This is done by dying to self. Dying to self is fighting sin and removing it from your lives. The more sin you remove, the clearer My Will for you will become.  
Trust Me, children, for I try to guide you towards Heaven but, I will not overstep the bounds of your free will. So, I can only guide you to the extent that you allow Me. For example, many people ask Me for help to change their lives and so I give them the Strength to change but they do not use the Gift of Strength I give but continue to ask for My Help. They want Me to do what they need to do themselves; this I cannot do for,

in free will, they are unwilling to fight to change themselves. I will not overstep your free will; you have to be willing to change and it is by your actions that you show Me the Truth. Words are easily spoken but it is by action that you show Me that in free will you are willing to change. So, do not ask for help if you are not willing to help yourselves for then you are only lying to yourselves and Me. Truth is, if you want to remove the sin from your life, you must be willing to fight. I will give you the strength.  
Trust Me and walk this Path.  
I Love you.

### **Wednesday 12 July 2023**

Believe, children, for the Justice of your God is now at work in every country of this world. All is changing and will change so rapidly that the liars will not be able to defend their lies as all is revealed and all will see how they have been deceived by those in power.  
Prepare, children, and stay close to Me. Do not allow anger to take control of you. Anger is a part of self that takes so many away from Me.  
Trust Me and remember these Words and forgive.  
I Love you.

### **Thursday 13 July 2023**

Have faith and allow Me to guide you through My Words of Truth. I do not set a new path but I set you firmly on the Gospel Path, the Path of My Scriptures.

Look, children, look at the Truth and fight the sin in your life. Repent and come follow Me in Truth. Do not look for sensationalism in these, My Words, but look for simple Truth that will help you remove the sin from your lives. I am the Truth. When you find Me, you find the road to Heaven. Trust Me.  
I Love you.

### **Friday 14 July 2023**

Have faith in the Words I give to you in these days of great distress for My people. I know it looks as though We are losing this battle but, I tell you the Truth, I simply allow all time to decide what path they wish to follow. Then, when all have decided, I will give all a chance to return by showing how they were deceived. Trust Me, children, all is changing and I will put an end to the lies. Trust Me and pray for those in need.  
Believe.  
I Love you.

### **Saturday 15 July 2023**

Have faith in Me and believe in My Truth. I am Coming to free you, My children. I am now among you and My Justice will cut through the chains of lies that now surround this earth. Children, I am your God and all you see is My Creation, which mankind is destroying with their sin. I must put a stop to the destruction for already mankind has listened to the lies of lucifer and now is set upon a path, in free

will, of total destruction. How blind you have become in your complacency and pride! Now you must reap what you have sown!  
Walk with Me and you will be protected from the tide of evil that now sweeps this earth. Trust Me, children, and listen.  
I Love you.

### **Sunday 16 July 2023 Feast of Our Lady of Mount Carmel**

Believe in My Truth and only look to find My Truth for in this time there is so much that purports to be My Truth but is only lies, spun by those who only wish to follow the desires of self. Sin is darkness and will remain darkness no matter how many explanations of love, gentleness and forgiveness you dress them in. Truth is the only Path and My Truth has never changed and will never change to suit your modern thinking. Children, you tell yourselves so many lies in order to suit self. The path of self only leads to hell. Self listens to the inspirations of lucifer. Listen to My Words and die to self, repent of your sin and come follow Me in Truth. Trust Me.  
I Love you.

### **Monday 17 July 2023**

Children of Mine, have faith in Me, your God, and do not allow self to take you away from Me. So many are being lost in this time because so many refuse to look at

or accept My Truth, even though they know that they are walking away from Me by the lives that they live.

Trust Me, children, it is by the way you live your lives on this earth that you decide where you will reside for all eternity.

I say wake up and work for Truth in your lives; do not just lie back and allow self to take you from Me.

Believe, children, die to self and gain Eternal Life with Me in Heaven.

Trust Me.

I Love you.

### **Tuesday 18 July 2023**

Have faith in Me, your God, for now you have entered the time when My Justice will rout all evil out. I shall cleanse this earth and My people will live in Peace and My Truth shall flourish.

I ask you, My children, to prepare for many events will take place that will change this earth and many will begin to believe in Me once again. Trust Me, children, hard days are ahead but many days of joy are ahead, too, for My followers as My Power begins to reveal itself, once again, through those who truly have faith in Me, their God.

Trust Me and believe and We will call many lost sheep back to the fold. Trust Me and show Me you believe by dying to self.

Trust Me.

I Love you.

### **Wednesday 19 July 2023**

My children, listen to My calls and do not allow self to draw you away from Me by the desires of this world. Trust Me and walk this Path with Me.

Believe, children.

I Love you.

### **Thursday 20 July 2023**

Believe in Me and My Love for you. Trust Me and know I will guide you if you but try to walk in My Truth.

Trust Me, children, and walk with Me.

Trust.

I Love you.

### **Saturday 22 July 2023**

My children, I, your God, am speaking to you through these Words of Life and Truth. I come in these Words to Warn the people of this world of the danger they have placed themselves in by giving in to the temptations lucifer has placed in this world.

I Love you, My people, and I do not want you to fall into the darkness and so become lost to Me. Trust Me: in these Words, I tell you how to prepare for this time that you are now living in.

Trust Me and prepare.

I Love you.

### **Sunday 23 July 2023**

#### **Fest of the King of Love**

Children, children, how many Words must I give you before you believe what I say? You are in great danger of losing your eternal lives by not fighting against the desires

of self. I Warn and Warn you but, still, so few listen. I tell you the Truth, all is changing and soon all will see and realise nothing is the same.

I will change all and science will not be able to explain nor understand what has happened. Trust Me and prepare.

I Love you.

### **Monday 24 July 2023**

Believe, believe in Me, your God, and fight the temptations of self. Self is the part of you that will always justify sin. Trust in Me and believe, children, and you will enter the Gates of Heaven.

Trust Me and believe.

I Love you.

### **Wednesday 26 July 2023**

Come, children of Mine, and believe in the things I say.

Believe I am telling you to prepare. Believe I have told you to change your lives.

Believe I am Coming to bring Freedom to My people.

Trust Me, children. The only thing that you should concern yourselves with at this time is if you are ready to meet Me, your God. Trust Me and prepare by being obedient to My Words.

Sin is darkness and must be removed from your lives so that you can see and walk the Path of Truth I set before you. Trust Me and walk with Me.

I Love you.

### **Thursday 27 July 2023**

My children, believe in the Words

I give for all shall be fulfilled as I have spoken. I tell you to prepare so that you may see and understand the meaning of My Words. So many shall be lost and are being lost at this time for they refuse to see the error of their ways. So many only look at what they can gain for self's sake and refuse to see who they hurt in the process. I tell you, all is changing. My Spirit is at work and you will see great and wondrous events take place as faith flows back into those who try to walk the Path of Truth.

Believe, My people, and prepare for you now live in the time when Justice will be seen as the mighty fall from their places of power. Prepare, prepare, prepare, children.

My Spirit walks among you.

Trust Me.

I Love you.

### **Friday 28 July 2023**

Trust in Me, children of Mine, and believe in the Words I give you. Do not look with despair but trust that I will fulfil all My Words and this world will return to Peace. I am Coming to bring Freedom and, already, My Spirit is at work and this world cannot hide from Him as He reveals more and more Truths to My people.

Trust Me! It is happening around you, the Justice of your God is being poured out upon the nations of this world and it cannot be stopped.

Trust Me.

I Love you.

### **Friday 28 July 2023**

I am with you, My children. I see all that happens and I have not deserted you. I will put an end to the persecution of My Church from within and without. I will set My people free to live in Peace.

All that you see now will be gone and all that will be left is My Truth. This is why I say prepare. I need you to try to live in My Truth. Yes, I know you fall but the fighter is the one who gets back up and fights on and shows Me, by their actions, they are worthy of the Kingdom of their God.

Trust Me, children, and walk the Path of Truth I have given you by My Death and Resurrection.

Trust Me and come walk with Me. I Love you.

### **Saturday 29 July 2023**

Have faith in Me, your God. I will fulfil all My Words and this world will know freedom from the tide of lies that now surrounds all the countries of this world. I have told you how to remain safe, now, it is up to you, in your free will, whether you wish to take on My Words. I say, trust Me and know it is up to you to show Me whether you believe by your actions.

Trust Me.

I Love you.

### **Sunday 30 July 2023**

Have faith in Me, My people, for I, your God, am at work in this world and My Truth will win this battle that now rages upon the earth. I say, prepare yourselves for the outpouring of My Holy Spirit

is upon this earth and He will reveal the Truth and mankind will finally see the darkness that they have entered in their free will.

So, so, many will refuse to change for they are unwilling to give up their selfish lifestyle to follow Me in humility and love.

Trust Me, My people. Prepare: for the Kingdom of God is at hand.

Trust Me.

I Love you.

### **Monday 31 July 2023**

Whisper your words of love to Me in the secret of your heart, prompted by My Spirit who lives in you more and more as you die to self and sin. My Love opens the dark caves of sin within you to My Light, generously poured, infused into you in the Words I whisper back to you.

My Love is the rain that falls on the barren ground of a soul gripped by sin and self to create in it a bounty of flowers of virtue and charity that pleases My Heart. The Words I whisper back to you are the breath I breathe on you to heal you of brokenness, of the scars of sin, to right the wrongs within you so that you might walk freely in the Kingdom of God on this earth.

The Words of Warning that I speak to you in these Words are My calling to you to live in the ways of righteousness, the ways of My Peace. Freed by the death of self, you will begin to see that your brother is not your enemy but your brother in Me. If it is your desire to live in the Kingdom

of Heaven, then self-desire has no place in your life, no place in this Journey that I call you on.

These Words of Mine are Words of Counsel, of Wisdom, of Love. Do not despise them by allowing blindness to My Words to influence you away from Me. All, now, in this world seems comfort, ever calling, ever blinding to the Ways of My Heart. I have told you:

18 "If the world hates you, you know that it has hated Me before it hated you.

19 "If you were of the world, the world would love its own; but because you are not of the world, but I chose you out of the world, because of this the world hates you.

20 "Remember the word that I said to you, 'A slave is not greater than his master.' If they persecuted Me, they will also persecute you; if they kept My word, they will keep yours also.

21 "But all these things they will do to you for My name's sake, because they do not know the One who sent Me.

22 "If I had not come and spoken to them, they would not have sin, but now they have no excuse for their sin.

23 "He who hates Me hates My Father also.

24 "If I had not done among them the works which no one else did, they would not have sin; but now they have both seen and hated Me and My Father as well.

25 "But they have done this to

fulfil the word that is written in their Law, 'THEY HATED ME WITHOUT A CAUSE.'

26 "When the Helper comes, whom I will send to you from the Father, that is the Spirit of Truth who proceeds from the Father, He will testify about Me,

27 and you will testify also, because you have been with Me from the beginning.

*John 15:18-27*

If I do not speak these Words of Truth to you then you will not know that you are in sin. I speak these Words to show you that your lives are not lived in the Righteousness of Heaven. If you say you follow Me then you must live in My Righteousness, otherwise you will perish for having ignored the Truth which I speak.

Bear My Righteousness on your shoulders and My Cross as you live in this world but are not of it. Know that when you live in My Love, you live in Me.

In the world, words are spoken with little understanding of My Truth. Be careful of the words you speak for, as I have spoken:

22 "...And whoever says to his brother, 'Raca!' (*fool!*) shall be in danger of the council. But whoever says, 'You fool!' shall be in danger of hell fire.

23 Therefore if you bring your gift to the altar, and there remember that your brother has something against you,

24 leave your gift there before the

altar, and go your way. First be reconciled to your brother, and then come and offer your gift.

25 Agree with your adversary quickly, while you are on the way with him, lest your adversary deliver you to the judge, the judge

hand you over to the officer, and you be thrown into prison.

26 Assuredly, I say to you, you will by no means get out of there till you have paid the last penny.

*Matthew 5:22-26*

I Love you.

**Saturday 21 July 2001**

**Feast of the King of Love**

"...My Blood shall cover you and it shall clean you and you will be safe. My Body I sacrifice for you. You are not alone in this war for I go ahead of you and I am at your side and behind. I hem you in. Believe in Me, My children, and the fire of evil that burns within My Church will not strike you...I say to you: look into My Image at My Face and into My Eyes. Ask Me anything this Day and I will grant it to you because I Love you. Only believe. My children of My Houses, set My Image up where all can see Me so that this can be done. I Love you..."

## **APPEAL FROM JESUS**

**Wednesday 29 March 2023**

My children, once again, I call for your help with My Houses. I call each one of you to look into your hearts and see the Truth of My Words. I have told you that My own will recognise My Voice. Can you not see how I prepare for what is to come? Soon, you will see what you have built with your prayer, your sacrifice and your giving. This is why I call you, My remnant, once again, to help with My Houses which are in need.

Trust Me, children of Mine, for, soon, you will understand the meaning of My Words and My Refuges of Light. I prepare, through you, My remnant. My Houses of Prayer have been built by you and through your free will and so cannot be destroyed by demon or man for their foundations are built of the Spirit of Giving. My Spirit has bound My Houses of Prayer and they will stand to the end of time. See what you have built, children of Mine. I Love you.

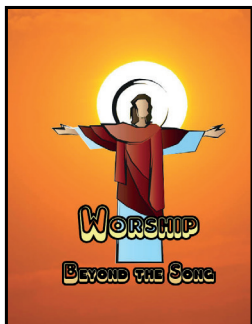

As you can see from the Words Jesus has given in this Message, the Houses, once again, are in need of help; the bills are building, once again. The bills stand at about £43,400 for the day to day running costs of the fifteen Houses and the ongoing renovations. We are continuing with the renovations of the Houses, in faith and trust that Jesus will inspire His people to help finance the work we do. Remember, we do not just ask for financial help, we ask for your prayers, your sacrifices, to build what Jesus has asked for.

We thank you for all your help, your prayers, your sacrifices and your financial help for it is you who have built all the Houses through your giving. We thank you, once again, in Jesus' Name. The two Patricks and the servants of the Houses.

## “Beyond the Song”

We had a great day at 'Beyond the Song', thanks be to God. Unfortunately 'Third Day Revolution' couldn't make it due to sickness. The weather forecasted a

wet day, however, our awesome, Merciful, Lord held back the rain clouds and it was mostly dry except for a 'wee drizzle.' Our Parish Priest, Father Boyle, generously gave of his time to come out and open the day with a beautiful Mass at 2pm. At 3.30pm, after tea and a biscuit, 'Wired Worship' led us in praise and worshipping our Good God. SonLight then continued our worship from 4.30pm to 6.30pm. Everyone enjoyed such a beautiful day of coming together to praise and love our Sweet Saviour. Thank You so much, Jesus, we love You.

# THE HOUSES OF PRAYER

## **Saint Maximilian House of Prayer France**

### **A House in France**

One time when the Patricks were driving through France on their way to Soledad House of Prayer, Jesus inspired them that He wanted a House in France. In 2004, the Patricks started looking for this House of Prayer.

They found the House Jesus wanted in March 2005. The House was signed for and officially became Jesus' House on Friday 5 August 2005. Saint Maximilian House of Prayer is situated in L'Absie, a small village about twenty minutes drive from the town of Niort.

### **Selected Messages**

#### **Friday 5 August 2005**

**Message given at L'Absie, on the day the House was being signed for**

...My House is almost Mine. I am in joy that My Heart is to be established soon. You should be in joy too for that is why I brought you here. I give France life in My Sacred Heart and she does not know it. I give her once again the Love of My Sacred Heart. Salt (Blessed Salt) My House before

you move anything into it. I Love you. Be with Me, not against Me.

#### **Sunday 7 August 2005**

**Saint Maximilian House of Prayer**

...Now that My House has been established in this country there is much that I can do to save France. I ask for it to be established quickly for, the more time that I have, the more that I can save through it.

...I received this House because of one faith eighty years ago but the spirits would not let Me have it. Maria gave it to Me from her heart to My Heart because she loved Me. You love Me as she did. I Love all of you. Make this House Mine and not yours.

#### **Wednesday 17 August 2005**

**Saint Maximilian House of Prayer**

...My sons, I Love you and I called you to My House to strengthen it. This, My House, excites Me for I know it shall become a thorn in lucifer's side. It will draw many of My children away from him.

This House will be known as a House where My Love shall be found and spread to the four corners of France. Do not destroy it through your laziness, My sons.

*If My daughters come and spend one week in it in prayer and silence I will Bless it and them in a way that you shall see the results of. Trust Me in this for I have great Plans for this House of Mine. I Love you...*

### **The initial purchase**

The initial purchase of this House in France was for one house, number 1, on the corner of Rue de la Republique.

We knew the house needed a lot of work and we just didn't have the money to do this, so we did the best we could with what we had. The people who had owned this house had taken the middle bit and made it into a flat. They left the rest to decay. This house had been a little B&B with a bar and restaurant attached to it but that was back in the 40s or 50s.

As you can read in the Message, Jesus was given this house by a

woman named Maria, eighty years beforehand.

### **The Shed**

One day, while working at the House, Patrick said that we could do with a shed. He looked out the window and, lo and behold, there was a shed at the back of the house! He asked the servants who were with him who the shed belonged to. Colm said that he thought the shed belonged to next door. Patrick paced up and down for a few minutes, then the three of them went off to the estate agents to ask about the shed. While there, they found out that the house beside the new House of Prayer was for sale for 30,000 euro. It is house number 3 on the Rue de Saint Paul! Jesus inspired us to buy the house as it was originally part of the House of Prayer.

That shed needs repaired.

### **The alcoves**

There are a lot of alcoves in the House and, while working in house number 1, Patrick kept feeling that Jesus was saying something about the alcoves. So, he took a hammer and, very soon, realised the alcoves were just plasterboard. Behind the alcoves, there was a doorway to house number 3!

So, when we purchased house number 3, we moved in. It was at this time that they discovered there had been a leak for many years, undetected and had rotted all the floor boards (in house number 1). Because of this, they couldn't actually stay in house number 1. So Jesus had got them out just in time.

### **Work needing done**

House number 1 is in much need of renovation. The whole House needs new rafters, new floors and new windows throughout. The entire House also needs rewired with new electrics and there is some building work to be done here also.

There is no heating in the House of Prayer in France, so it needs a whole new heating system.

We also need new bathrooms on the top floor. As you can see there is quite a bit of work to be done here!

### **No.3**

In house number 3, the windows are like powder. They need to be replaced as soon as possible.

We did get a new roof done that covers number 1 also, so this is ok for now.

We will need a new kitchen in number 3 to accommodate the pilgrimages.

### **Working progress**

This House is in working progress. As and when we get the funds to continue with this work, we will chip away at it and will keep you all updated within this Newsletter

### **Rue De La St Paul**

When these houses are fixed up, the front entrance to Saint Maximilian House of Prayer will be through the Rue De La St Paul.

# *Pilgrim's Progress*

### **A beautiful pilgrimage**

Home again from a beautiful pilgrimage. I write this to thank Jesus for His Company on pilgrimage and for the other pilgrims who were with us. There

were sixteen of us altogether. Some of us knew each other and some of us didn't. It always amazes me how, as a group, we jell so well together and people we have only just met become special

friends.

### **Be excited**

It is good to come away from daily duties and commitments, to be with Jesus without the distractions of everyday life. In the Pilgrimage Message from Jesus, He promises to be with us:

**"Be excited, My pilgrims, of being with Me for you are in My company and My Mother's... I will be with you and it gives Us a chance to be One, without the world."**

### **A privilege**

I believe each person who goes on pilgrimage is 'called' to go. Jesus gives us a longing or an inspiration to go, and it is very easy to talk this 'call' away. But I thank Jesus with all my heart for over coming all the obstacles that I thought would stop me from going. It was a privilege to be on this pilgrimage again after four years and being able to visit the Houses of Prayer and Shrines once again.

### **Not a holiday**

Jesus reminds us that a pilgrimage is not a holiday but a journey for the renewal of our souls and an opportunity to give up physical things. Jesus asks that we fast a day before travel to prepare us and as a small sacrifice before we set

off on the journey.

### **Part of the sacrifice**

There were sixteen of us in two minibuses, the buses were very comfortable and roomy, with the all-important air conditioning. The travelling between Shrines and Houses of Prayer can be long but we pray and chat and stop for breaks every two hours, to get refreshed. We pray for the intentions of an end to abortion, the spiritual and temporal needs of the Houses of Prayer and our own personal intentions, reminding ourselves often that the long journeys are part of the sacrifice for these intentions.

### **Peace of Jesus with us**

It is a personal journey for each of us, and each of the Shrines touch us in different ways. A personal favourite of mine is always Paray le Monial in France, where Jesus gave Saint Margaret Mary the devotion to the Sacred Heart and Garabandal in Spain.

We also visit: La Salette in the French Alps, Lourdes for a one night stop over, Pellevoision, Soledad House of Prayer, Spain, and Saint Maximilian House of Prayer, France.

Now that we are home, I try to recapture the memories of the pilgrimage and the beautiful Presence and Peace of Jesus with us. We take photographs when we are away and if anyone would like to see them they are on Facebook: **Sacred Heart House of Prayer Pilgrimages.**

Thank You, Jesus, for this opportunity.

# Jesus, I Trust in You

## Surrender

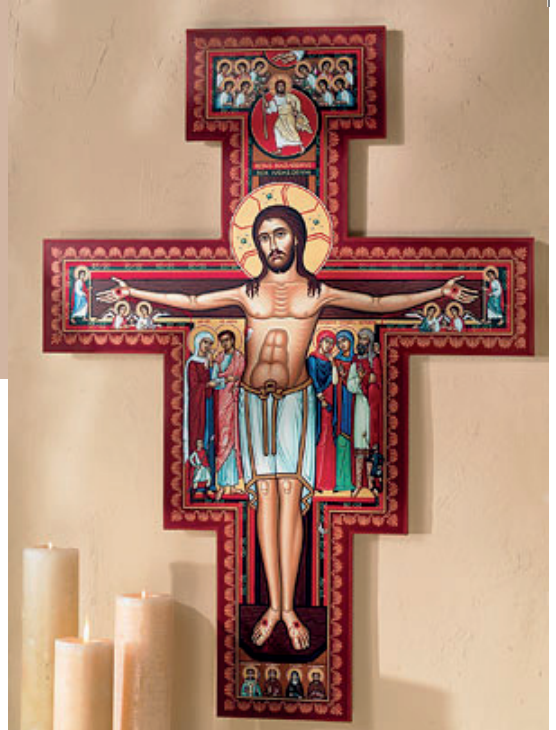

Dear Jesus, writing an article to explain or describe my journey with Topical Steroid Withdrawal so far for me seems daunting for I am afraid my words will not come close to portraying ALL You have done for me.

Your Ways are certainly not our ways but they ARE perfect. I think of how Saint Thérèse of Lisieux longed to be a missionary, yet her health would not allow her. But You took her where she may not have wanted to go herself – through suffering- and Taught her to fuse together her suffering with her prayer and, in so doing, she became a Patron Saint for missionaries. What if You had not done this? What if she did not surrender her will to You and instead insisted on health and only wanting to be a missionary in her way? Would Your Teachings to her be as known to us today? She got her desire – far greater than she hoped for and most likely in a way she did not imagine or think possible because she trusted in You.

## Losing my sanity

On Wednesday 1 March 2023, You said:

“My children, see without seeing, know without knowing, do

without doing. When you see and know and do without these things, then you will be My disciple; you will be My true follower...”

There were times when I thought You had abandoned me, that You did not Love me, that Your Love was unjust and unfair for You give and take away and have the Power to decide who suffers and who does not. People were praying and asking me to ask You for healing and, at this point, I was getting worse and worse. I felt under pressure to get better and for You to do something that would show people You did still Love me and that You were hearing our prayers. I think people were afraid I was losing my faith but, in truth, my faith was the only thing that made everything make sense and this made me think I was losing my sanity.

There were many things I tried to ease the pain or help my skin heal and my hope and cry to You would always be for the next thing to be our answered prayers. However, every time something failed I would come to You, disheartened and lost, only to open Scripture in the hope that You would speak Words of comfort and guidance and you NEVER failed me. Whether it was a Psalm I opened the Bible at, with words my heart could not better write itself, or the story of Naaman being cured of his skin disease by the Prophet Elisha – this I got multiple times - and I knew, one day, I too, would have skin like this that was written: "...and his flesh was restored, like the flesh of a little child, and he was made clean."

*2 Kings 5:4*

The Messages of Love would always give me comfort, too, but what You can speak to us through Your Scriptures is indescribable and incredibly tangible!

### **One body in You**

As each part of my body eroded itself of skin, I thought this part was the most painful, only to be outdone by the next, till my conclusion was each single part of our bodies is needed – from our hair follicles on the top of our head, right down to our baby toes. I thought of how we are all one body in You and no one is not important! How much Pain You must be in when we mistreat or disregard someone. You Love them and Died for each one of us! I learned that everyone should be

loved, cared and accounted for, for we are all Your children needing guidance.

### **Grateful**

I also learned how I was disposable. Life goes on and duties are fulfilled in my absence yet, still you call me to serve and be a part of Your little Army of Love. Last year, I felt times of burden when I had too many duties and wished more people would help – especially in the Church where I work. I thought I was being grateful enough, thanking You daily for the food I ate, the bed I slept in and for my family and friends but I had not even touched on the gratitude You truly deserve or, begun fighting the unlove and selfishness that I was unaware was in my heart.

From passing through the worst stages of TSW, I am now grateful for the things I never even thought to be grateful for before. I am grateful for being able to do the dishes, to move my wrists, to walk freely, for some restful sleep at night and for ALL my duties as wife, mother and servant. Nothing will ever seem burdensome again, Jesus, because of what You have brought me through. When trials and tribulations come our way – and I know we all know suffering – it can be hard to see Your Light, Jesus, in the darkness. But, it is important to remember that a light is most noticeable in the dark and You and Our Mother did not leave my side. Just as Saint Francis of Assisi was converted by Your Cross of Love, I know now that Your Suffering is beyond anything

I could ever comprehend and yet You did it and **CHOSE** to Suffer it for me. Your Love is so profound that You choose to Suffer for our sake! I am content, my Jesus, that You hear all our prayers and that You have accepted my little suffering infused, with my prayer, in the hope to 'do without doing'.

### **Upon a rock**

You see all our prayers, You see all our wounds but sometimes You attend to our souls wounds prior to our bodies for they are our eternal state. You are Just and True and all things happen perfectly in Your Time. It has, by far, been the hardest six months of my life to date but, if I was asked would I do it again, I would say yes. For I know now, I say 'Jesus, I trust in You' with a more entrusting heart, soul and body, because of Your bringing me upon this Journey, a Journey I would not have chosen for myself and yet has been of great significance to me in getting to understand Your Infinite Love a little better.

Thank You, Jesus, for attending to the wounds I did not even know I had and for building my trust in You and Your Words upon a rock throughout this Journey. A Trust in that we have only to think about seeking You and You come running to us.

### **I pray**

I pray I will never forget this Journey and how grateful it has made me for the ability to serve You.

I pray I will never shy away from suffering and be keen to touch

Your Light in future darknesses to come.

I pray for all those suffering, that they think of seeking You and find You upon Your Cross of Love.

And I pray that my life's service appeases Your Great Pain, My King of Ardent Love.

Amen

### **Friday 14 February 1992**

"Look at Me, look into My Eyes<sup>1</sup> and see the depth of Love that I have for you, My child. Please, look deeper and see the fullness that is yours. My Eyes are the Eyes of My Soul and I give it to you to spend eternity in. Think of it, My children; meditate on the depth of My Love for you; close your eyes and I will take your hand and lead you into its depth. See how My Heart lies broken for you. It is the victim; all Suffering is here. Only I know the depth of Suffering that goes on there. I say to all of you who listen: Suffer! Suffer! - for you who suffer are closest to Me. I have you in the Palm of My Hand. You suffer My Sufferings. Come and behold Me. I will share your sufferings. Come! Oh, how I Love you. How can I explain this Love? How much I long for your soul to join Mine in Union of Love. It is there you will see and understand and appreciate He who Loves you. Fall on your knees before the One who Loves you, who is in front of you. If only you knew to whom you are listening. Behold, behold what is before you - the greatest Gift in Heaven and earth, take it, it is yours."

# Interview with Fr Evans

-PART 3-

After that, in 2021, November, Canada announced that they are now opening up for people to get in and so I was advised to travel. When I went to check my passport, the visa I had for Canada had just expired the previous month!

So that meant I needed to apply for a visa again. So I applied for visa and, surprisingly, when I applied for visa, the visa came out within one week.

Within one week I had my visa to come to Canada and I prepared myself and travelled to Canada on 3 December 2021.

When I arrived in Canada, it was winter. It was my first time to interact with the winter, it was too cold.

## **What degrees was it?**

When I arrived, I arrived in Montreal and it was like negative 20, around there. But they asked me to go and stay in a city called Quebec and there it gets to negative 38, 39, around there. So I had to live with that for one full year. And during that one year of staying in Canada I was basically studying French. Studying

French and getting exposed to a different culture there, trying to interact with the people, trying to do some pastoral work.

And I got to be ordained a deacon while I was there.

I then became the first non-Canadian to be ordained in Canada. First non-Canadian member of our congregation to be ordained in Canada.

I got ordained and the day of my ordination was like, eh, it was like a dream!

## **The feeling**

I always believed that one day I would be ordained but I think I never knew what the feeling is like. So when the days for ordination were approaching, it was like I was in a different world dreaming, it was like I never

believed it was happening. I was so excited. I remembered so many things that I had gone through. I remembered my background, I remembered the poverty that I have come from, I remembered my mother and my sister, and all these things, they never added up for me. It was difficult to believe that it was me, from that poverty, from that background, who had gone through that history, that I was getting now ordained in Canada. It never added up but I got ordained and on the day of ordination I was asked finally to say something after the ordination. Normally it is like to give a word of thanks and I had prepared what I needed to say, I had even written it down in French so my job was going to be easy, just to read.

### **Just crying**

As soon as I started reading, the memory of all that I had gone through came very fresh in my head. It was so fresh to an extent that I felt like it was happening now and it affected me so much that I could not control my emotions and so, instead of saying what I needed to say in five minutes, I spent more than thirty minutes and all I was doing was just crying.

*(There is a recording of the service where Evans is ordained a Deacon on Youtube, this can be watched here: [https://youtu.be/xGPV9pkG\\_pQ](https://youtu.be/xGPV9pkG_pQ) Evans begins to speak, in French, at 1h50mins)*

### **Take further studies**

And after that, my superiors announced that, based on what has happened in my life and all

that, they advised that I should take further studies. The superior general said that they are making that decision because they had been impressed by my patience, and my focus, and my persistence and perseverance. And so they think if I make further studies I can be of help to other people.

It was not an interesting thing to hear for me because, after all these years of struggle and studying and all that, I needed a break and I did not want anything to do with studies. That's not what I really wished for. That's what had been decided so I finally said, yes. And so, it was only when I said yes that they gave me a date for my priestly ordination.

### **Go back to Canada**

And now they told me, you can go home and prepare for your priestly ordination and after that we shall recommend that you get back to start studying and we want you to chose anywhere you would like to study. You can chose Rome, Kenya, Canada, wherever, we shall support you. And since I had struggled for some time to learn French, I spontaneously proposed at that time that they could give me the opportunity to study in French so that it can help me to make better my French and so we agreed on that and so I am

preparing right now to go back to Canada for my studies.

### **Made me feel fulfilled**

Having said that, it is necessary to mention something about my priestly ordination.

You see, when I arrived back home, I found many people very happy and excited, some came to ask me “but how did you make it?” because it was so obvious to many of them that I was not becoming a priest. It was so obvious, “how did you make it?” Some of them were happy but some were disappointed. But, all in all, we went ahead to prepare for the ordination.

The bishop gave me a chance, an opportunity to go to one of the parishes, to assist as a deacon and when I assisted there as a deacon, many people approached me to speak to me and they helped me to also have an idea of my vocation. Some of them are coming to me, telling me, you see what, today when you were speaking at the church, you were exactly talking to me. They said you were talking to me as a person.

You see, of course, when some says something like that to you, you get interested to understand at least what that person means. And so when I got to dig deeper and understand what some of these people were meaning, I came to understand that some of them had gone through very hard path, their story and their lives and all they needed was somebody to speak about it, some of them needed just to have somebody to listen to them. Some of them wanted just somebody to console them, that's all. They are coming and they speak to me and they feel as if that they can identify themselves with me and all that and because they thought that I have also gone through something similar and some of them were saying that mine has been an extreme for some reasons or another. And then, after that, I developed a very good relationship with the priests in that diocese. Most of them could even call with me and say oh I think you are a good one. So these appreciations made me feel fulfilled. They made me feel fulfilled.

### **During my ordination**

During my ordination, there were many people who came from all over Kenya to attend the ordination and even from outside Kenya. I had two guys who travelled all the way from Canada just to attend. I had people who came from neighbouring countries who came just to attend and from Kenya there were many people who came. At home I had Mass

at home, I had about two thousand guests or even more, who came just to be with me on that day and it was such a big celebration. It was such a big celebration!

*Evan's priestly ordination can be viewed on Youtube:*

<https://youtu.be/nxjnSkGt4U0>

### **Mandela**

Surprisingly, I could say, that there was this African president from South Africa who was called Mandela. He was imprisoned for seven years and when he was getting in prison many people criticized him and all that but, when he won, finally, independence for the country and became the first president, even those people who criticized him came to praise him, "ahh congratulations, you are our hero, you did very well..." That's what happened with me!

When I got ordained and there were many people around me, some of the people who were working very hard to ensure that I don't make it, joined many others also to come and just say congratulations to me and it surprised me, some of them surprised me, some of them I did not expect even that they move closer to me but they all came and they said congratulations and all that. Some of those people were even from within the congregation where I belong, some were outside. It only told me how evil we can be as human beings. But all this invited me to go deeper and understand my vocation, to be willing to forgive and let go.

### **It fascinates me**

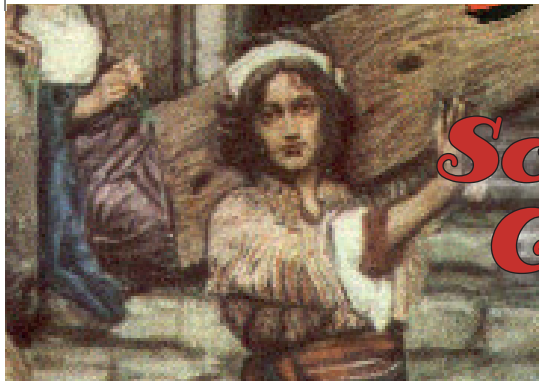

After that I had an opportunity

to celebrate Mass and whenever I celebrate Mass, it fascinates me because it has never sunk in to me that it is me celebrating Mass. I think if it was not for the Grace of God I would not be what I am today. And for everything, I am grateful to God, and very grateful to the House of Prayer here for all the support they have given me, throughout my formation since when I met Patrick. I have been supported maximumly and I believe it is through their support that I remained focused in becoming a priest and finally came to the altar. So I say thank You, so much, to God and to everyone whom God used to reach me, to make me what I am, especially the members of the House of Prayer, the two Particks, and everyone that, in one way or another, supported me.

**It's amazing. When I see when you say Mass, it just feels like you should be there. From the beginning, from when you first met Patrick, it's just like, it's just Jesus, all Jesus. It's amazing!**

## *Song of the Carpenter*

The following is a serialisation of the 'Song of the Carpenter,' a novel inspired by Jesus and written down by the two Patricks. It is about the entire Life of Jesus and is full of spiritual teachings as well as a simply fantastic read.

If you cannot wait to read it all, then you can order it from the Sacred Heart House of Prayer. It costs £6.99.

The priests washed and prepared the body for burial. They wrapped it in a burial sheet, which was made of linen; in its folds they placed aloes and myrrh; a square of the same material was wrapped about the head. They buried him the same day for the heat would not allow the body to be kept any longer. He was buried in Jerusalem.

When Elizabeth heard it she was inconsolable. Forty-six years they had been together and they had loved each other for all of them. She wept and keened for her dead husband, holding her son John against her breast, until relatives had to come and remove the child for her grief was excruciating to watch. Tamar held her mistress to comfort her but it was in vain. People came from all around the

hill country to give sympathy to this woman who, only a few short months ago, had given birth to a baby in her barrenness. She would never see her husband again and the pain that she felt was grief; a deep sorrow that could never be comforted. A part of Elizabeth was gone, dead with her husband. The child John was a healthy baby and was growing strong.

King Herod smiled. It was done, now he could be content once more. He watched the dark skinned girl dance in front of him, her body clad only in wisps of silk. She had been brought here from Africa on the slave trades of the Romans. He slurped the wine from the cup, spilling it as he did so; the red liquid causing rivulets and drips in his beard. He laughed; it was a laugh of deep contentment.

"Drink up, my friends," he said, raising his goblet, "I am a king, a real king. There is no one to dispute it." He laughed long and loud. Few joined him.

Mary was worried. It was nearing time for her purification, the purification that had been laid down in the Torah. She remembered the words for she had been taught them lest she would

forget: 'And when the days of her purifying are fulfilled, for a son, or for a daughter, she shall bring a lamb of the first year for a burnt offering; and a young pigeon, or a turtledove, for a sin offering, unto the door of the tabernacle of the congregation, unto the priest, who shall offer it before the Lord, and make an atonement for her; and she shall be cleansed from the issue of her blood. This is the law for her that hath born a male or a female. And if she be not able to bring a lamb, then she shall bring two turtles, or two young pigeons; the one for the burnt offering, and the other for a sin offering; and the priest shall make atonement for her, and she shall be clean.'

They were living in a tent in the Land of Goshen and Jerusalem was a journey of a week or more away. They had been living in the tent while Joseph was building a small dwelling house for them to live. The Law of Moses must be fulfilled but how could she fulfil it under the circumstances? Mary pondered this for a few days and then spoke to Joseph.

"Yes, Mary, there is no doubt that the Law has to be fulfilled. But how to do it, that is a problem. There is only one Temple where resides the Holy of Holies and the place that we are bound to be purified. Let us pray and ask God to give us the answer."

That night Gabriel came in a dream to Mary. She was standing in the Temple in a part of it that she had never seen before. She looked about her wondering where

she was. The great walls of stone were lit by many lamps and to her right she could see a large stone structure and on it was a sacrifice, burning and spitting in the sacred fire; she smelled its pungency. Behind her she could see the great doors, which were closed, and the vast room was empty. Mary could feel the coldness of the stone floor on her bare feet. She was standing in the centre of the room; she turned and faced the front. Before her she saw a raised area with steps up to it; on the top was a platform of about six feet square. There was a doorway that was covered by a very thick heavy curtain. Then it struck her: 'this is the Holy of Holies; I should not be in here.' She was turning to go towards the doors when she heard a voice call her name, "Mary".

She spun around recognising Gabriel's voice. He was standing on the platform at the top of the steps, dressed in his white robes.

"I do not know how I am here. I would like to leave for I am not supposed to be here." Mary said to Gabriel.

"I brought you here, Mary", said Gabriel. "The Lord, our God, bade me to bring you here. There are things that you must know. It is right that you should fulfil the Law of Moses because the Most High has laid it down. But, Mary, you were chosen by He-who-is because you are sinless. If you are sinless then you do not need a sin offering. It is not required: your womb is already purified by the one that you have carried within

it. But so that Scripture might be fulfilled and until the New Covenant is established you must fulfil the Law.

Go to Jerusalem with Joseph and the Holy One to fulfil the Law of Yahweh. You will be kept safe. I will go before you to prepare the

way. Mary, because you are sinless you may enter the Holy of Holies.” Then he was gone.

Mary woke up and wondered at the dream. She woke Joseph and told him.

# The Plight of Others

## DYING WITH DIGNITY

### **Give glory to God**

As I put pen to paper, I want to give glory to God for answered prayers and thanksgiving for a beautiful end to prayers offered for a loved one.

### **Stopping water and food**

My brother in law was transferred from the nursing home he was in to hospital as he had a very bad infection and was very ill.

After a few days, the family were sent for and the doctor explained how his organs were all closing down and they were stopping medication, water and food. They were sending him back to the nursing home for palliative care for end of life and they said that he would only last a short time.

The family were devastated but the doctors knew what was best so he was transferred. I told his daughter to start the Divine Mercy Novena and I had his name in the Prayer Dairy and he was

included in all the prayers at the House of Prayer and to leave all in Gods Hands.

### **In a dreadful state**

A few days later, I went to visit him and he was in a dreadful state. He was very frail, in a lot of pain and confused. I was very sad but over the coming days and weeks, I kept going to visit him, blessing him with the Holy Oil and the Holy Water. On one of my visits, I saw the Love of God being given to him. I arrived and he had not spoken or opened his eyes for two days. Then, the next thing, this young care worker came in and started working with him, propping him up and talking to him and getting him ready to feed him. I was shocked and amazed. He responded and licked his lips and, without much bother, he ate all she gave him then she proceeded to spoon him thicker fluid and then a yogurt.

I was gobsmacked! I said I was amazed. She said, we have to keep on trying, he needs food and water.

### **Could see a great change**

As the days passed, each visit, I could see a great change in him. Yes, he was still very ill and dying but he was able to communicate and smile and the staff and family would joke and he would laugh.

He was now having breakfast, lunch and an evening meal. His family attended day and night and, as time passed, they had their wee special moments with him. They even celebrated his birthday and decorated his room with balloons and banners, cards etc. and had a family gathering which he enjoyed so much.

### **Passed away so peacefully**

Two days before he passed away, I went to see him and he was sitting up, all dressed in his own clothes, not fit for much conversation but smiling and peaceful. Then a few days later his daughter rang me to say her daddy had passed away, not a shock but not really expected as he was doing fine. She was very at peace and began to tell me how a member of staff rang her to tell her to come, her daddy had taken a wee turn and the family were all sent for. When they arrived, they were told that a Mass was being celebrated in the building, as they have Mass once a week, and when the Mass was over, the priest came and gave her dad the last rites and, fifteen minutes later, he just passed away so peacefully with his loved ones around his bed.

### **A great consolation**

It was a great consolation to his family plus they had six weeks with their daddy, giving him love and just being with him.

### **He died with dignity**

Yes, he was dying but he died with dignity and care and the Love of God administered to him through beautiful, dedicated carers, staff and family. Such a turn around from six weeks earlier when he was just sent out to die without food, water etc.

I witnessed the power of prayer and the Love of God in action.

We have a powerful, Loving, Merciful God. Their Dad had a beautiful, peaceful, holy death. May he rest in Peace.

All praise and glory to our Loving God.

### **The Plight**

The Plight highlighted in this article is that people are being killed off in our hospitals. Doctors are deciding on people's viability to life. Patients are given morphine and other medications to speed up their death. We are

not saying that people should not be given pain relief but when that pain relief is used to quicken ones passing rather than look after them, then that is wrong. The dignity of each human person demands that we care and love all, from natural birth to natural death. We have all heard stories of patients in hospitals who have "DNR" signs on their beds, 'Do not resuscitate', and again stories of patients who are starved of food and water to quicken their passing. This is euthanasia and it is wrong and contrary to Gods Law.

#### **Jesus said it**

Reading this article shows us that, yes, people will die, but we can make their passing easier by our love and care. Jesus has spoken about the care given in our hospitals. Here are some extracts of the Messages, to remind us all.

"...Look at the Truth of what

is happening in your time. Your children are being murdered in factories of death (abortion clinics). You murder your children with different forms of contraception, with what you call the 'morning after' pill. The old and young are being murdered in your hospitals to save money..."  
Sunday 3 April 2011

"Wake up, mankind, and see what you have done in your greed and lust for power, in your fear of what others will think of you. You have given lucifer the control of your hospitals. They have become buildings of unlove, buildings of slaughter, where the innocent are murdered through abortion; where the sick are no longer looked after because of lies, deceit; where the old and infirm are left to die because there is no one willing to pay or willing to look after them."

## **John Paul II**

**APOSTOLIC LETTER: NOVO MILLENNIO INEUNTE**  
*Of his Holiness Pope John Paul II to the bishops, clergy and lay faithful  
at the close of the Great Jubilee of the year 2000*

#### **The variety of the pilgrims**

10. Obviously I cannot go into detail about each individual Jubilee event. Each one of them had its own character and has left

its message, not only for those who took part directly but also for those who heard about them or took part from afar through the media. But how can we forget

the mood of celebration of the first great gathering dedicated to children? In a way, to begin with them meant respecting Christ's command: "Let the children come to me" (*Mk 10:14*). Perhaps even more it meant doing what he did when he placed a child in the midst of the disciples and made it the very symbol of the attitude which we should have if we wish to enter the Kingdom of God (*cf. Mt 18:2-4*).

Thus, in a sense, it was in the footsteps of children that all the different groups of adults came seeking the Jubilee grace: from old people to the sick and handicapped, from workers in factories and fields to sportspeople, from artists to university teachers, from Bishops and priests to people in consecrated life, from politicians to journalists, to the military personnel who came to confirm the meaning of their service as a service to peace.

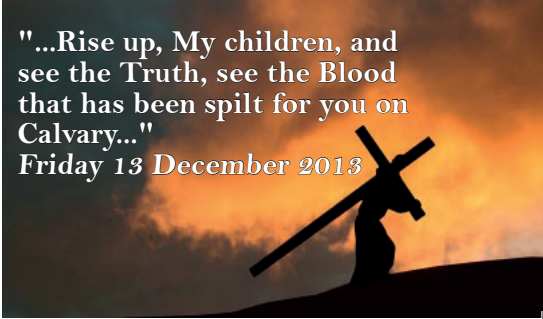

One of the most notable events was the gathering of workers on 1 May, the day traditionally dedicated to the world of work. I asked them to live a spirituality of work in imitation of Saint Joseph and of Jesus himself. That Jubilee gathering also gave me the opportunity to voice a strong call to correct the economic and social imbalances present in the world of work and to make decisive efforts to ensure that the processes of economic globalization give due attention to solidarity and the respect owed to every human person.

Children, with their irrepressible sense of celebration, were again present for the Jubilee of Families, when I held them up to the world as the "springtime of the family and of society". This was a truly significant gathering in which numberless families from different parts of the world came to draw fresh enthusiasm from the light that Christ sheds on God's original plan in their regard (*cf. Mk 10:6-8; Mt 19:4-6*) and to commit themselves to bringing that light to bear on a culture which, in an ever more disturbing way, is in danger of losing sight of the very meaning of marriage and the family as an institution.

For me one of the more moving meetings was the one with the prisoners at Regina Caeli. In their eyes I saw suffering, but also repentance and hope. For them in a special way the Jubilee was a "year of mercy".

Finally, in the last days of the year, an enjoyable occasion was the meeting with the world of entertainment, which exercises such a powerful influence on people. I was able to remind all involved of their great responsibility to use entertainment to offer a positive message, one that is morally healthy and able to communicate confidence and love.

## A Short Update

### Still ongoing

At present the work is still ongoing at the House here. We thank Jesus for our beautiful new Prayer Room which is almost completed and just needs a few finishing touches. Plans are also now in motion for a new seating area and kitchen and we have met with the relevant people about this. There will be a lot more work and upheaval to come and we ask for your continued prayers and support. We look forward to Jesus' Plans being fulfilled. God Bless and thanks for your prayers.

### Prayer to the nine Choirs of Angels

O Holy and Exalted Angels of God, who see God and do His Will, we call upon you to intercede before the Most Blessed Holy Trinity and Mary, the Queen of Angels on our behalf.

We thank you for the care and protection you have given us all through our lives and ask you for protection in death.

Heavenly Choirs of Angels, help us to give glory to God by our lives. Help us to know, love and serve Him faithfully. Help us to

practice our faith and the courage to keep our faith. Keep far from us all physical and spiritual dangers. Protect our families, homes and ourselves. We ask you to help us do the Will of God, accept His Will as the best for us and trust in His Fatherly Care.

May the nine Choirs of Angels praise and glory in God.

May the Seraphim glory in the Love of God.

May the Cherubim glory in the perfection of God.

May the Thrones glory in the Mercy of God.

May the Dominions glory in the Wisdom of God.

May the Powers glory in the Justice of God.

May the Virtues glory in the Sanctity of God.

May the Principalities glory in the Power of God.

May the Archangels glory in the Works of God.

May the Angels glory in the Fatherly Care of God.

Let us all glory and praise God in the Most Blessed Trinity!

Praised be God in His Angels and His Saints. Amen.

# The Dawn

by PR

You, who wander through my heart,  
How lovely are You,

Creating, here and there,

Flowers of Grace,

Removing pedestals

Formed and fashioned

In the reign of self.

You, whose Heart is the dawn,

In my darkness.

Whose Light embraces

All things dark in me.

You lead me to know

Distant shores;

Where I learn to wait

For the dawn,

To slowly rise,

That will allow me to glimpse

The Face I have loved,

But never seen.

My heart rises, as the dawn,

Into the Light.

My eyes are blinded

By the circumstance

Of an inner Light.

And I see without seeing,

I know without knowing.

Yet, I see nothing,

Know nothing.

I need the air of the living

To breathe,

Yet, You take it from me

And I die to live

And live to die.

These eyes that see

In the light of a dying sun,

Darken and dim

In the Light of a bright Son.

An arrowed Love pierces

I, the prey and He the Hunter.

Hiding in the shadows,

Once glimpsed by the Hunter,

Cannot be unseen

Nor ever left alone.

I am

Refashioned, in a pierced Hand:

A Hand of Glory,

A Hand of Light...
