The Messages

EDITORIAL NOTICES

He is Coming soon
Jesus has given us a lot of Messages in recent times and it only adds to the feeling of urgency, wakening us to the realisation that we must do all in our power now to help Jesus Save His children, leave the world behind and come, follow Him because, as He says, He is Coming soon!

Even Mary, Our Mother, speaks this month and, together, they relentlessly call their children back before it is too late.

Love

Love is what they are and love is what they call us to do in our everyday lives. By loving everyone we meet, every day, we will be preparing, we will be dying to ourselves, and we will be answering that question: do I want to live with Jesus forever or not?

Die to self

There is no point in reading these Messages unless we do them, live them, put them into action. Jesus clearly states this month that it is not good enough to

say our prayers and go to Mass on a Sunday, we need to die to self in order to see! It is only by dying to self, every day, that we can earn the privilege of being called a servant or a follower of Jesus! If the world doesn't hate us, we are obviously not following Him; for the world hated Him when He lived His Life on earth and to follow Him we must live our lives as He did.

He asks us to start simply and tells us that smiling at someone is doing His Work but it is not all.

Fuel

Mass and prayer - in other words, spending time with Him - is our fuel to do this Work of Love He calls us to.

If there is someone we are holding a grudge with or don't like, now is the time to love them! We have been given so freely by Jesus, even though we know we do not deserve it, and we have no right to hold back the Love of God from anybody!

This could be the first step we take on this journey, which will lead

to Joy and Peace and Jesus and Heaven! We will fail many times, make regretful mistakes, but we must get up again when we fall and persevere to the end - that's what Jesus did!

Our best Friend

Spend time with Jesus every day. Let Him show us what we need to look at in our lives, our sins, our lack of dying to self, and take one thing at a time and work on it until it's slain. In prayer He gives us the Grace to see, the fuel to fight, the encouragement to continue. If we're with Him everyday, talking to Him, being honest, listening to Him, allowing our hearts to be full of His Love - we will truly find our best Friend.

The next time we go to prayer, let's go to Jesus with our hands full of gifts for Him: good works, acts of love and kindness, sacrifices, a moment when we resisted sin, denied self, avoided the occasion to sin, were patient, gave comfort or service to someone in need, done without so that someone else could have...

The Messages of Love

The following Message dates back to 2005, however we recently realised that this Message has never been released so we include it now in this Newsletter.

Thursday

3 November 2005

Jesus:

My children, I Love you, come, follow Me into the Wilderness of Love. Do not wait, for there is very little time left to you. The events in this world are unfolding very quickly now and soon the unseen deceiver will make his move. When this happens it will be too late for all those who have not taken the time to listen. he shall deceive this world by the many miracles that he shall perform. he shall take the weak under his wing, those who have not truly listened to Me. The lukewarm shall be swept away in the river of lies that will spew forth from his mouth. Look, children, I have told you, now, it is time for you to understand the meaning of these Words. They are the Words of Life that can only be interpreted through the Gift of My Spirit. Love, children, is the key

that you seek. Do not allow yourselves to be drawn into speculation or sensationalism, only look for Truth that is given through the Gift of My Holy Spirit. Come, children, I Love you. Truth is what you seek. I Love you.

Patrick:

Thank You, Jesus, I love You.

Tuesday 3 August 2010

Jesus:

I am the Lord, your God, you shall not have false gods against Me. Look, children, how many things do you put before Me? How many things come to drive Me out of your lives and you have done this by your own hand? Look in Truth, children. I am your God but do you treat Me as your God? Am I first in your lives or, am I someone who is given one hour on a Sunday and then your obligation is fulfilled until the next Sunday. This is the reality and Truth of most of My children. I am Coming, children. Do you think one hour a week is enough time for you to prepare for My Coming?

For, if you do not know Me then I will not know you. I am the Truth and no lie can enter Me. Look at the Truth, now, children, before it is too late. Come, listen to My Words and repent of your evil ways and come, follow the True Path. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Tuesday 3 August 2010

Jesus:

My children, My Love is with you always even to the end of time. Come, follow Me, for soon, you will see My Love blossom once again on this earth. All evil will be removed and, for a time, this world will shine once again and My people will know Me. Look only to the Truth and see My Love. Look only to Me and you shall know Love. Come, My little ones, and listen to My calls for there is little time left. Come, My children, I, your Jesus, Love you. **Patrick:** *Thank You, Jesus, I love You.*

AN INVITATION TO LOVE JESUS NEWSLETTER
MESSAGES OF LOVE AUGUST 2010 ISSUE 174

**Wednesday
4 August 2010**

My children, look at Me and ask: do you truly believe in Me?

Look at your lifestyle and see, is it what true believers in Jesus should be living?

Look in Truth, children, for there are few true believers in this world of darkness.

All are blinded by self and allow the evil one to lead them into all kinds of self lies for, self is the biggest justifier and so is blind.

This is why I have said: you first die to self and then the lies will be overcome and you will see the Truth.

Trust in Me, children, trust in My Ways for they are the Truth. I Love you and this is Truth, you are My children, My created, and I Love you.

In this Love, I have given you free will to decide if you want to be with Me in My Father's Kingdom.

The choice is yours and made by the way you live your lives.

The choice is yours, children.

I Love you.

**Wednesday
4 August 2010**

Jesus:

Look now, children, to these Words and do not ignore them any longer. I am calling you to the safety of My Ways. Come away from this world and its lies and come, follow Me for I speak only Truth. I am Coming soon and when I

Come it will be too late to change. Listen to what I say for you are in the last hours of this time.

Come, look, what I have told you through My Scriptures, My Saints and My Prophets but you have not taken My Word seriously and still you go denying Me in favour of the lies of this world.

Open your eyes so that you may see all is coming to an end.

All that will be left is Truth. Look now and see.

I Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 5 August 2010

Jesus:

Love is My calling to you, My people, Love is what a servant of your God is. If you do not love your neighbour then you are no servant of Mine.

Now, look in Truth and see whom you serve. Is it Me or lucifer for you cannot serve two masters for you will love one and despise the other.

I say, look in Truth and do not blind yourselves.

Come, My little ones, and see what I am saying to you for time grows ever shorter and still you have not listened.

My Mother calls to you in many countries of this world and still, Her Words are being ignored.

Come, look at the Truth and lift up and do battle and be the Army of Love that

I need you to be. Forget this world and come, follow Me. I am your God and I Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 5 August 2010

From Mary

Mary:

My little children, come listen to the Words of My Son for He is in great Pain for the deaths of so many who are lost to the fires of hell. See the Truth of His Words and rise up out of your complacency and do as He asks.

I Love you and I come to plead with you for there is so little time left before the fall.

Come, children, listen now before it is too late.

Come, I, your Mother, Love you.

Patrick:

Thank You, Mary, I love You.

Thursday 5 August 2010

Jesus:

My little children, love is your goal in life: to love one another as I have Loved you.

Do not allow self to take this goal from you. Self is your enemy. The desires of self can never be fulfilled. The more self acquires, the more it will need and the further I shall be pushed from your life.

Yes, you can say that you are a follower of Mine; you may go to Mass and say your prayers. But, this does not

mean that you follow Me. In Truth, I tell you, unless self is died to, then you will not begin to understand My Ways. A follower of Mine has no desires for the things of this world for, the more you begin to see, the more you will wish to fight the desires of self. When you come to that point, the only desires you will have are those of My Ways.

Look in Truth and begin this Journey and come, follow Me. Love is your goal, children. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 5 August 2010

Jesus:

Truth and trust in Me are the first things that you must look at in order to follow on the Path of Love. If you do not look at the Truth, then you will never know what the true direction is in which My Love lies.

You must come to Me with truth in your heart in order for My Spirit to guide you. When you find this Truth then, you will find the trust that is needed in order to follow Me.

Do not be blind but allow the scales to fall from your eyes and the new life will open to you and you shall know peace and joy, no matter what this world will throw at you.

Come, follow Me, children, and do not fear, I stand with My Hands outstretched

waiting for your return.

I Love you, children, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Friday 6 August 2010

Jesus:

Now, children, allow Me to Teach you. Following Me is not only going to Mass and saying your Rosary. These are your strength that will enable you to do My Work.

I see so many who simply pray and yet do not love their neighbour; in fact, do nothing to show they are a follower of Mine. They are like nice painted walls, white on the outside yet, black hearted tombs on the inside.

In order to be a follower of Mine you must do as I did when I was upon this earth. As I prayed to My Father, He filled Me with Strength and then I went out and gave it to the people. This is what prayer is: it is your connection with your God.

In order to do My Work, you must pray so that I can fill you, then, you give what I have given you to your brothers and sisters. Then, you must return to be filled. Something as simple as a smile is doing My Work. Start simply and I will lead you to greater things in Me.

Remember, fear is your enemy, it will try to pull you away in order that My Work will not be complete

in you. Fear holds most people away from Me and My Work. Trust in Me: We will overcome fear for fear cannot exist in perfect Love.

Come, My little ones, take My Hand and walk this Path with Me. I Love You.

Patrick:

Thank You, Jesus, I love You.

Friday 6 August 2010

Jesus:

My Love is not a game, children, it is the most precious Gift that you will ever have to gain on this earth. Look, now, and see what I am telling you within these Words. Come back to My Way and see what you are rejecting.

I have given My All so that you could have Eternal Life with Me in My Father's Kingdom. Come, now, and listen to My Voice. I Love you, My little ones. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Friday 6 August 2010

From Mary

Mary:

My little children, listen to the Words of My Son, Jesus. He gives you these Words in order to guide you through this world of darkness.

Come, now, and listen to His Voice for there is little time left to you. Come, beloved of My Heart, I, your Mother, call you back to the safety of His Love.

Come, listen now, for He has given His All for Us. Listen to His Voice. I Love you, My children, I Love you.

Patrick:

Thank You, Mary, I love You.

Friday 6 August 2010

Jesus:

Come now and hear My Words. Come now and begin to take My Words seriously for you have ignored them too long.

Come, children, I have much to Teach you and little time is left.

A great force will come upon this earth and mankind will cry out for mercy. This will be the beginnings of My Coming. Then the sky will split and I shall be revealed and Peace shall reign.

My Love shall be seen and known and mankind will know great Peace.

Trust in Me and My Words and you will see this time where no darkness will penetrate. My Love and Peace will be known for a time. I Love you, children, I Love you.

Patrick:

Thank You, Jesus, I love You.

Saturday 7 August 2010

Jesus:

My Love is given to this world so that all may know Peace. If you do not seek this Path, then you will not know Peace.

I will not force Myself on any of My children; all have

free will to decide to accept Me or not. This is My Gift to mankind.

Look, children, at this Gift and you shall find My Love. Look at My Cross and see what I have done for you yet, although I bought each one of you at a Great Price, still you have freedom to follow or not.

You are free men, you are not slaves. You are My brothers and sisters and heirs to the Kingdom of Our Father.

Now look and see what We have given to you: what greater Love is there?

Look, My little ones, and come, follow Me into the Kingdom of Our Father where you will know true Joy and Peace for all Eternity.

Love Me through all that you meet and never judge anyone, simply love all for they are Our creation and all deserve Our Love.

Come, follow in My Footsteps. I Love all of you with an equal Love. I have Loved you for all time. Come, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Saturday 7 August 2010

Jesus:

I am Coming, children, and I need you to listen to My Words. You must prepare for the Master's Return. You must try to help as many of My children as possible. So, so, many will be lost for they are blind and refuse

to see. But, those who are lukewarm and unknowing will see with a little help, a little love from you, My children.

Let My Love flow through you, be My Hands, My Feet and My Lips. Go out to the highways and the byways and invite all My children to the Great Feast for the Master is about to Return. My Mother is about to show My children what She has Promised and soon, the events will begin.

Trust in Me and you will succeed in doing My Will. I Love you, My little ones. Love, Loves you.

Patrick:

Thank You, Jesus, I love You.

Sunday 8 August 2010

Look forward with trust to My Coming. This, I have promised you and your waiting is about to end.

Look, read the signs of the times and see My Coming is imminent. Go forth and rejoice to all nations that your Lord is Coming to free this world from the chains of sin.

Come, children, look to the sky and see the signs: I am about to show the Power of My Love so that you will know that I am near at hand.

I Love you, My little ones, I, your Jesus, Love you.

Sunday 8 August 2010

Jesus:

My Love is given to you freely, it is given so that you

may have Eternal Life. Go forth and spread it to all peoples; do not keep it for yourself for, the more you give it away the more you will be filled.

Trust in Me, children, for I am your God. My Love is all that you need to survive in this world of darkness. All darkness is swept away before the Light of My Love.

Come, trust in Me and allow Me to Teach you in the Ways of Love, there is nothing to fear; simply trust in Me, your God. Trust in My Love for you and all My children.

Come, My people, I am calling you to battle. Go forth armed with Love and show My children that I am Alive in you. Do not judge what someone is or has done, just simply Love them.

This is My Gift to those who truly seek Me. I Love you. Come, follow Me. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Monday 9 August 2010

Jesus:

My Love is Truth and self must be overcome in order to understand. Self desires the glitter of this world which leads only to sin. If self is not overcome then you will never truly understand My Ways.

It is simple: to begin this Journey, simply take the first step and allow Me to guide your every footstep. Do not

become downhearted if you fall but get right back up and continue on the Path.

This is what happens so many when they fall, they allow the evil one to convince them that they are not worthy and so they give up.

Trust in Me; when I fell on the Way to Calvary, I got back up, lifted My Cross and continued. Follow in My Footsteps and trust that I am with you.

Do not fear, children, for this Path will only bring you great Peace and Joy. Whenever you begin to see and understand, My Love will be your only goal.

I Love you, children, come, I Love you.

Patrick:

Thank You, Jesus, I love You.

Monday 9 August 2010

Jesus:

Remember, children, do not become downhearted on this Journey of Love. Many times you will feel as though you are in the dark and not progressing but, trust in Me. The dark times are there to strengthen you. It is like tempering metal, the darkness will harden you against the attack of the evil one and then you will be able to cut through the darkness with a Sword of Truth.

My Love is your goal, children, and this is all you need to survive. Trust in My Love for you. I Love you.

Patrick:

Thank You, Jesus, I love You.

Tuesday 10 August 2010

Jesus:

My children, look at Me, your God, and see what I have given to you. See the Love that I have for you. See the freedom I have given to you to decide if you want to follow Me or not. See how this world rejects Me in favour of sin.

Now, children, will you understand that lucifer has also freedom for I will take no one's free will away and lucifer must live by these Laws; free will cannot be crossed.

Can you understand now, children, the evilness mankind has allowed himself to be drawn into? In his own free will?

Mankind can blame no one but himself for he has the freedom to decide for himself what path to follow. So, so, many follow the path of darkness that leads to hell and eternal suffering where they are lost to Me forever in their own free will.

I cannot stop them, for Love will never force, for then it ceases to be freedom.

I Love you, My children, and My ultimate Gift to you is your free will and you must decide if you wish to follow Me or not. I will not force you and you must do likewise; never force anyone to believe in Me as I have not forced you. I Love you, My children, I Love you.

Patrick:
Thank You, Jesus, I love You.

Tuesday 10 August 2010

Jesus:
My Help is what is needed on the Journey of Love. Without Me, you cannot begin this Journey so this means you must go to prayer each day so that I may fill you with what you need to fulfil this task.

Without prayer, you will not find Me. Prayer is an essential part of your life with Me.

Without prayer, you will stumble and never progress.

Come to Me each day in the quiet of your heart so that you may get to know Me. So many wonder why they do not know and then put the blame on Me. Whereas, it is their own fault.

Prayer is listening, speaking and just relaxing with your God, trusting that I am with you. The more you come, the more strength you will gain so the easier you will find the Journey to be.

Trust in Me, children, and I will bring you through this Life with Me. Never will you want, for you will always be fulfilled in Me.

I Love you, My little children, come, follow Me. I Love you.

Patrick:
Thank You, Jesus, I love You.

Tuesday 10 August 2010

Jesus:
Look only to the Truth and

only see Me, My children, I am your God and I Love you. Do not be afraid to follow Me for I am always with you. I am calling you to walk in My Footsteps and show this world that I am Alive in you.

Show them that I am the Truth and that I Love My people. I am calling to you to help Me bring My people to safety.

Come, children, listen to My calls. Come, I Love you, come.

Patrick:
Thank You, Jesus, I love You.

**Wednesday
11 August 2010**

Jesus:
Look, children of Mine, what I am calling you to. Look and see the Truth I am calling you to: a life of love with Me, when the only thing will matter is the Love of your God and His people.

Come, little ones, follow Me and set this world on fire with the Fire of Love. I have waited so long for this time when My Love will be seen once again in its pure form.

Trust Me, children, the spark has already begun and now I fan it and soon you will see its Flames leap forth to the four corners of this earth.

My Love is Coming, generation, to destroy the evil of this earth. The darkness will be separated and My Coming will be the

destruction of all darkness. I Love you, My people, I Love you.

Patrick:
Thank You, Jesus, I love You.

Thursday 12 August 2010

Jesus:
Love is your goal, children, I am your Goal for I am Love and My Work is Love. The more the scales fall from your eyes, the more you will come to understand what I am talking about. Then, you will not need to see, to understand, but, you will know, for your every desire will be love and all that you do will be love.

Understand, children, I will not force you onto this Path; it must be your decision and you may leave it at any time. You must never force anyone to believe in Me. Everyone must be allowed to decide for themselves. My Love is freedom but this world and its ways will rule over you, the more you give yourself over to it, then the blinder you will become to what I am saying until, finally, you will go against both Me and My people.

Do not allow yourselves to be taken for few return from the path of darkness. I Love you and My only Desire is that you be with Me in My Father's Kingdom.

I Love you, children, and I cry out to you in these Words of Love. Come, follow Me! I, your Jesus, Love you.

Patrick:
Thank You, Jesus, I love You.

Thursday 12 August 2010

Jesus:
My children, I am the Truth and, if you want to be a follower of Mine, you must look only to the Truth. Look, children, I Light the Path before you! Come and find the delights I have laid out for you.

Do not be afraid, My little one, for I will guide your every footstep, I will make the Path stretch before you. If you are willing to seek the Truth, come, My little one, I await your response to My calls. Come, I, your Jesus, await. I Love you.

Patrick:
Thank You, Jesus, I love You.

Thursday 12 August 2010

Jesus:
Come, children of Mine, your Master, Lord God and Friend is calling to you. Come, listen to My Voice for time is near at an end. I am Coming, children, I am Coming soon.

Are you ready? Will you be in the Light or the dark when I Come?

Trust in Me and go against this world and come, follow Me.

I am at hand and I see so few who have made ready for My Return. Come, My children, I Love you. Come.

Patrick:
Thank You, Jesus, I love You.

Friday 13 August 2010

Jesus:
Children, I am Coming to this world to reap Justice on the evil-doers who have dashed My Laws to the ground and trodden them underfoot. They know what they have done and soon their time will come to an end and My Love and Peace will shine once again.

Children, I will not desert you, you who fought for and tried to keep My Laws, My Commandments. My Light shall shine upon you and you shall know Peace. I Love you.

Patrick:
Thank You, Jesus, I love You.

Saturday 14 August 2010

Jesus:
My little children, I Love you. Listen now to My calls. Do not wait but answer My calls NOW! So many are being lost to Me in these times and there are so few willing to help in the Work of Salvation. All are more interested in self and what self can gain.

Look at what I am saying, children. Can you not see the danger that you are in? lucifer creeps about like a roaring lion waiting his chance to draw you into sin and so away from Me.

Look, children, I am telling what is happening in order to keep you safe. Do not ignore My Warnings for there is little time left to you.

Come, now, answer My

calls and do not wait. I Love you and My only Desire is that you be with Me in My Father's Kingdom. Come, little ones, come! I, your Friend and God, Love you.

Patrick:
Thank You, Jesus, I love You.

Sunday 15 August 2010

Jesus:
Love is what I ask of you, children. Do not judge; simply love. I need your hands, feet and lips to claim My children from the clutches of the evil one.

Come, I need your help to save your brothers and sisters. Your God is calling you to help! Will you respond or sit back in your complacency and let My children die?

Come, I Plead with you, children. I, your Jesus, Love you.

Patrick:
Thank You, Jesus, I love You.

Sunday 15 August 2010

Jesus:
My children, all is about to happen and you have not prepared. The evil one has all in place and is about to strike and yet, you have become so blind you cannot see.

Where is My Church? What are they, who call themselves My servants, doing to stop the spread of evil?

Look in Truth: what are you doing, children?

All is about to culminate and mankind will be thrown into a darkness that has not been seen from the beginning of time.

Trust in Me only. My Light will bring you through these times. Come, listen and prepare. I Love you.

Patrick:
Thank You, Jesus, I love You.

Sunday 15 August 2010

See this Heart and how it Bleeds for you, children, see how it longs for you to be within it.

Stop, My children, and look at this Heart once again for you have forgotten its Love, its Power to heal. Sadly, children, you have forgotten many things. I sent My Heart into this world before to reform My Church, I send it again with the same Message. That Message is Love.

See the Flames that Burn bright within it, that Burn there in total, in perfect Love.

See the Love that incessantly flows from it.

See how it shines like many suns – suns that are not created but have always been.

See the Light that shines from it – Light that penetrates your little hearts to burn bright within this world.

See My perfect Love in its Lacerations and the Blood that flows profusely from them.

This is My Heart, this is My Love.

Understand it and you will gain My Treasures.

I Love you.

Monday 16 August 2010

Jesus:
My children, these many Words I have given to you are a guide that will help you to follow Me in Truth. Do not look for things that are complicated for I am a simple God; My Path is Love. Follow this Path and you will find what you are looking for.

Trust only in Me and see the Truth of My Words. See what I am saying to you, see the Love that I have for all mankind and do not reject anyone but know all are My children.

Come now, children, and help your God for harvest time is here. Come, My little ones, and do not be afraid for My Love for you is great. Come, I, your God, Love you.

Patrick:
Thank You, Jesus, I love You.

Monday 16 August 2010

Jesus:
Come to Me, My little ones, and do not despair for all is about to come to pass and My Love shall shine through My Church, once again all will be revealed and Truth shall blossom within her walls once again.

Do not despair for she must be cleansed of the rot that suffocates her at this time.

Trust in Me; My Church will seem to fall and be

destroyed but she will rise again in her true and pure form; the way I meant her to be. She is My Bride and I will not desert her.

Trust in Me, children, trust in My Love. I, your Jesus, Love you.

Patrick:
Thank You, Jesus, I love You.

Tuesday 17 August 2010

Jesus:
Look to Me and My Truth, children, and do not be afraid of the times that you now live in for I am Coming. I will look after My own. Remember, you only live a short while upon this earth. It is simply a time of decision for you in free will whether you want to be in My Kingdom or not: the decision is yours.

If you say 'yes,' then you must prove it by the way you live your lives and do not be afraid to follow Me. Show this world that I am Alive in you: feed the hungry, clothe the naked, and give the thirsty a drink of water.

Be My followers, be My Hands, Feet and Lips.

Be My Love and love all that you meet.

I Love you, so love all without judgment. There must be no strings: be simple. Be as I was when I walked this earth. I Love you, My children, I Love you.

Patrick:
Thank You, Jesus, I love You.

Tuesday 17 August 2010

Jesus:

My children, look at this Heart and see its Pain as so, so many of My children are being lost to it each day. See it writhe in Agony as it Warns its children of the danger, but, they refuse to listen in their free will and continue to hurl themselves into the abyss of eternal fire from which there is no return.

Look, children, I mourn for the loss of so many of My children. Will you not help this God Save even one child by your example? Please, I beg of you, I beg for your help! So many are being lost and I have no Hands but your hands, no Feet but your feet and no Lips but your lips.

Come, listen to Me. I Love you.

Patrick:
Thank You, Jesus, I love You.

Tuesday 17 August 2010

From Mary

Mary:
Help My Son in this Work for He Suffers much in this time. Love Him by the way you live your lives and do not be concerned by the way others look upon you. Self will always be willing to listen to the strivings of lucifer. This is why self must be died to.

In order to overcome self, you must believe in what Our Saviour, Jesus, has done for Us. When you begin to believe, then you can draw

strength from Him which will enable you to follow the Path of Truth that can only lead to the Kingdom of Our God.

Trust, children, and believe in My Son for He has done much for all mankind which can neither be seen or understood. Trust and love Him by your actions. I, your Mother, Love you.

Patrick:
Thank You, Mary, I love You.

Wednesday 18 August 2010

Jesus:
Look, little ones, at My Teachings. They are simple. Love leads to dying to self for, the more you grow to understand love, the less hold this world will have upon you. The desires of self will cease their control over you and My Path will become your only desire. The Path of Love is an exciting Path as the reality of your God opens out before you. Then this world will hate you for it first hated Me.

Look at Love, for when you love I am allowed to live within you. I am allowed to flow through you and out to My other children and then you will be truly following Me.

I Love you, My children, and My only Desire is that you be with Me in My Father's Kingdom.

Come, listen to My Voice and let Me lead you upon this Path. Come, I Love

you.

Patrick:
Thank You, Jesus, I love You.

Wednesday 18 August 2010

Jesus:
Come, beloved children of My Heart, and listen to My calls and do not despair of My Words. Yes, they seem hard but if you truly decide within your heart to follow Me, then the Path is simple. I do not deceive you, for, yes, you will find many trials on this Path that only serve to strengthen you.

Do not be afraid, for it is the evil one that uses fear in order to stop people from entering this Path. Come, children of Mine, do not be afraid for I will be with you every step of the way and fear has no part in Me.

I Love you, children. Come, follow Me, come, children of Mine. I, your Lord and God, Love you.

Patrick:
Thank You, Jesus, I love You.

Thursday 19 August 2010

Jesus:
My children, the time is fast approaching and still you do not realise. My Spirit will show every one of you the Truth of themselves and all will begin. You must be ready for His Coming. If you are ready then you will be imbued with My Power - the Power of Love. If you are not ready, then you will run seeking Me but the

world is filled with deceivers and they will be ready to deceive My people and lead many away on the wrong path.

I need you ready so you can help My children by knowing the Truth and help guide them towards Me, rather than away.

Come, My children, now, and listen to My Voice for there is little time left to prepare. Come, I Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 19 August 2010

Jesus:

Look for Love always, children, look always to show it to those that you meet. Do not reject anyone, but, look only to show love. My Love is a precious Gift that must be shared in order for it to flourish.

Come, look at the Gift that I am offering to you. Do not reject Me for I am in need.

My Sorrow is great when I see so many of My children in need and there is no one to help them. Come, children of Mine, for I have no Hands but your hands, no Feet but your feet and no Lips but your lips. You are what I need to show My people that I am Alive. The more you believe the more I can help through you.

My Power is given to My servants: are you a servant of Mine?

Come, believe and We,

together, can change this world into what it once was and will be again. My Love will be seen again and this world cannot prevent this. For My Father will strike all evil from the surface of this world and Love will flourish once again but, I need you to help Me gather My children to the safety of My Fold.

Come, children, answer My calls, I plead with you for your help. I Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 19 August 2010

Jesus:

Look for Love, children, no matter what comes against you. Show love at all times and never show anger to your brother. Look for love and you will find love if you are loving to others.

Do not lose hope in My people because hearts have grown cold. You can ignite the flame in those you meet if you are willing to show love. Love is your weapon to fight the unlove of this world. There is nothing that can stand against Pure Love. Love is your weapon, trust Me for I am Love and I Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 19 August 2010

Jesus:

Come, My little children, and believe in what I say to you. Too long have you sat

back idly while your brothers and sisters are dragged off to hell by the lies of lucifer. Take up your cross now, and come, follow Me and We together will Save many souls from the eternal fire. Come, My little children, come and help your God in the Work of Salvation. Trust in Me and allow Me to guide you back into the safety of My Fold. I Love you and I await your response to Me. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Friday 20 August 2010

Jesus:

Look to the Truth and never doubt My Presence with you. I am within all My children, good and sinful. If I remove Myself from any living thing it would simply cease to exist. This is why I say love your enemy for when you love your enemy you are loving Me.

Trust in Me and bring the Fire of Love to this world once again by loving all peoples, no matter who they are or what they have done.

Come, follow Me, and I will bring you to good things and you will know Peace. Come, children of Mine, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Saturday 21 August 2010

Jesus:

My Love is given freely so

you must also give freely. Trust always in Me your God and do not be worried about the things of this world. Trust and believe and I will guide you upon a new path and open doors that have been locked to you.

I am your God and all things are possible to Me. So, simply trust and believe and allow Me to guide you. I Love you, My little ones, and I will Bless your Journey towards Me. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Sunday 22 August 2010

Jesus:

Trust in Me, My children, and do not listen to the false teachers of this world. My Laws, My Ways have not changed. My Ways are Truth and Truth does not change; trust in My Teachings.

Sin is still darkness and the path of sin can only lead to the fires of hell. Do not listen to those who choose to ignore this part of My Teaching for they are liars and live in the darkness of sin and only try to deceive you in order to justify their own lives.

Trust only in My Laws, My Commandments, for they are Truth and will lead you onto the Path of Light and that to the Kingdom of Our Father.

Trust, children, for I will not lead you astray, My Love is

yours. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Monday 23 August 2010

Jesus:

My Love is given freely, children. Do not reject it, do not be blinded by this world for it gives you nothing but false glitter in order to deceive you and lead you away from Me and My Ways.

Be with Me, children, and stay vigilant for the evil one has placed many traps in order to deceive you and claim you from Me. Stay close and follow My Ways and you will remain safe.

Trust in Me and My Ways; trust in Me, your God, for I will keep you safe if you but trust in Me. I Love you.

Patrick:

Thank You, Jesus, I love You.

Tuesday 24 August 2010

Jesus:

My Love is what this world needs in order to find rest. Look, children, I offer it, freely, to those who seek.

Come, children of Mine, do not be afraid to come, follow Me. Do not worry what this world will think of you for it is nothing only a fading light whereas I and My Kingdom will shine forever.

Come, do not be afraid! I await your response to My call. All you need is to trust in Me and My Love and you will walk freely through

the many darknesses of this world and they shall have no power over you.

Trust in Me and become a child of the Light where no darkness can touch.

I Love you, My little children, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Tuesday 24 August 2010

Jesus:

Give My Love to My children. Do not be afraid to go out into this world and show My people that their God Lives in you.

Believe, children, and I shall Light the Path; I shall open doors that were once locked and My Love shall flourish.

Come, My beloved children, I call you to war; drive out the evil of this world and love those that do not love you; die to self and My Love will fill the empty spaces that are left.

Come, children, do not be afraid to love: do not be afraid to show compassion to My poor blind children who cannot see the Truth. Place the Spark of Love in them and I shall fan it into a mighty flame and My Love will spread rapidly to the four corners of this earth.

Come, help Me in this Mission. I need your help! I, your Jesus, Love you and call you to Me this day.

Patrick:

Thank You, Jesus, I love You.

Tuesday 24 August 2010
Jesus:

Look, children of Mine, I am Coming and still you have not prepared. I speak many Words so that you will know but you do not listen.

Little ones, you have little time to prepare; the Master is close now and I will only look after My own; those who have listened and kept My Laws. This world may tell you that I do not exist but, I tell you, this world will be brought to its knees for what it has done.

My Commandments are My Laws and you have discarded them. I will hold you responsible for it is blasphemy.

Come, children of Mine, and listen, now, while there is still time.

Come, children of Mine, listen to My calls.

Come, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Wednesday
25 August 2010

Jesus:

I am Jesus and I call out to you this day and tell you to turn away from your evil ways and come back to Me, your God.

I Love you, children, but I tell you the Truth; you are forcing the Hand of Justice to fall upon you.

Look at the world you live in, it is a world of greed and lust. Money and sex have become your gods and

there is no time left for Me. If you do not turn away from your sinful ways, this earth will undergo a great cleansing where all evil will be eradicated. The only life that will be left is that that knows the Truth within its heart. These are your last Warnings for, already the earth begins to rebel against your sin as it suffocates. You shall see this earth change as you begin to see storms, earthquakes and natural disasters increase in their ferocity and in more and more populated places. Be Warned, children, the scales have tipped and you are bringing down great hardship upon yourselves and this earth shall be rocked to its very foundations.

Come back; turn against your evil ways and come, follow Me.

I Love you, children, and I come to Warn you. These Words are Truth. As each season begins you will see a change.

Patrick:

Thank You, Jesus, I love You.

Wednesday
25 August 2010

Jesus:

Look at Me, children, and see the Truth. I am a forgotten God. Yet, I go on giving Life to those who have forgotten Me. Without Me, nothing could survive; this is Love.

Love is what I ask you to be: do not judge those that

you meet. All that I ask of you is that you simply love them. Do this, My children, and you will give life to Me in you then I will be able to fill you and strengthen you with My Strength.

Trust Me, children, for I need you; I need your love; I need you to love My children so that they, too, have a chance to know Me and so go on to Eternal Life.

I Love you. Please help My little ones for they live in the darkness of this world with no one to help them.

Come, listen to My Cries; come help this forgotten God. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 26 August 2010
Jesus:

Love is not a game, children.

You cannot pick and choose whom you will love. My Love Loves all and so, to be My follower, you must love all men.

Remember, I Died for all, so you must love all.

I Love you and I ask for your help. Let My Love shine through you so that the dark places of this world will feel the Light of My Love. The Harvest is great but the labourers are few and the Lord of the Harvest calls to you for help for the time of the Harvest has come and very few are willing to help. Will you help Me, child, in

this Work of Salvation?

I ask this question of you who read these Words.

This is My Invitation to you.

What will your answer be?

It is up to you. I await your response.

I, your Jesus, will Love you just the same, no matter what your response is.

I Love you, come, listen to My calls. I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Thursday 26 August 2010
Jesus:

I am Coming, children, and My Father will strike this earth with the Sword of Justice.

You have not taken on, or listened to My Words and so, there is little time left.

Look at what I am saying: only those who have listened and turned away from sin will be able to stand against the Sword of Justice.

Look I am Coming, but first, My Spirit will come and show you the Truth. If you do not change then, you will be swept away with the darkness of this world.

I do not come to frighten you in these Words but, rather, I come to give you the Truth.

Repent and turn away from your evil ways and come,

follow Me!

You have little time left.

I Love you and I Desire that you be with Me but I cannot force you because I Love you and will not take away your free will.

Come, I plead with you.

Come, I, your Jesus, Love you.

Patrick:

Thank You, Jesus, I love You.

Friday 27 August 2010
Jesus:

Look to the Truth so that you can be saved.

Come, come away from the abyss you now stand at.

I am your God and I call to you, My children!

I try to guide you to safety yet, very few are willing to listen and so are lost to Me, forever.

Come, children, I Love you.

Patrick:

Thank You, Jesus, I love You.

Friday 27 August 2010
Jesus:

My children, I Love you. Come, now, and look at My Words for little time is left to you. Come and seek what is to be found while time is still on your side.

I Love you, My children, and I ask that you follow Me in this.

Come, My little ones, and

do not be afraid for I am Coming soon to remove the darkness of sin from this world. I have not forgotten My Promises to you. I will free this world from the clutches of sin, for a time, and man shall know Peace.

I Love you. Come, listen to My Words. I Love you.

Patrick:

Thank You, Jesus, I love You.

Saturday 28 August 2010
Jesus:

Look and do not be afraid to go against self. Self must be overcome in order to truly follow Me. If you do not overcome self, then you are not truly following Me for self will have the greater control and will lead you on paths that are not of Me.

Although, these paths will seem to be of Me but they will be a watered down form of the Truth and so are lies. Open your eyes and see what I say: in order to follow Me, you must look for the Truth within and overcome the desires that self will use in order to justify the wrong path.

Look! I shine a Light before you so the Path is made straight. Look at what I say. I Love you.

Patrick:

Thank You, Jesus, I love You.

Lightening will strike this earth and all you who do not belong to Me will perish. Thus, I, the Lord Yahweh have spoken and I will not retract My Words. Tuesday 27 June 1995

Urgent Appeal

Update on the House of Prayer in Brussels

"...Today, I do a new thing. I call upon My two sons and My servants to find My House in the city of the seat of power in Europe for there the prayer can thwart what they plan to do with the little ones as yet unborn. This I ask for quickly. Do not be afraid to do this for it is your gift to Me on this, My Feast Day..." Friday 11 June 2010, Feast of the Most Sacred Heart

In our June issue of the Newsletter, we told you of how Jesus had asked for a new House of Prayer in Brussels, Belgium.

Patrick, along with some servants, went to Brussels to find this House; they found the House that they believe Jesus wanted but had to wait some time to see if their offer had been accepted.

We have just been told that the owners have accepted this offer! Praise Jesus!

The full price of the House is €270,000

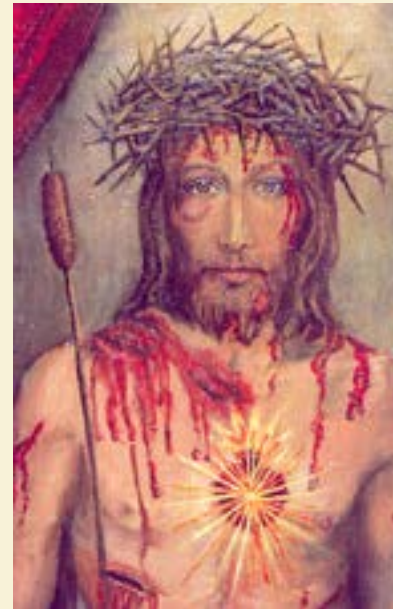

We have six weeks from the date we sign for the House to pay the price in full.

We are asking for your help. We are asking for your prayers and for financial aid.

When we, the two Patricks, went to prayer to ask Jesus was this appeal His Will He gave us these Words.

My little Remnant,
This day I shout your names.
Each one of you I Love.
Look at My Dream,
The Dream of My Heart.
This Appeal, is My Appeal,
children,
For you to share a little of
what you have
So that others may benefit
from
My Dream.

I call upon you
To help My Heart, My House
For much is against It.
The condemnation
Has become the Scourging of
My Body.
Dream My Dream with Me,
children.
Embody yourself in Me
So that
My Plans to bring Truth
To My Church
Is fulfilled.
Help Me fulfil the Desires of
My Heart.

We feel embarrassed

We always seem to be asking you for money for one project or another that Jesus has asked for and to tell you the truth we feel embarrassed by this. But, as Jesus said on Saturday 26 July 2003 when we were appealing for the Printer, "...My servant, why should you feel embarrassed about doing My Will? Is this not what I have asked you to do? Do not worry, for My children who have given to this appeal have given generously for the purpose that I have asked of them. They have heard My Plea in their hearts for the screams of the innocent ones. Many have given a widow's mite and have suffered in doing so but their hearts are with Me and they understand why it must be done. This appeal is also about giving with an

open heart as I have asked...

I Love all of you, My children, and I ask you for this so that My Work might be truly done. I use no threats to ask you, I simply go down on My Knees and I beg you. I am not ashamed to beg nor am I embarrassed as My servant is..."

I seek your help

Again, in July 2007, Jesus said, "...Help Me to find resources that I can use to build this House and My other Houses so that I can ward off the evil that

threatens. For, there emerges one who will seek to dictate and many will be stripped of their faith and will perish because they will believe him and not Me. They will be told many lies. Help Me bring the Truth through My House to My other Houses. I Love you. Darkness gathers in the shadows.

My children, be afraid, for fear, at this time, will help you rise up and do battle. My House can bring Light to this darkness. I seek your help." Saturday 7 July 2007

His children

Jesus needs all of us to help Him. He needs those of us with free time to work in His Houses, He needs those of us who pray and sacrifice to offer such oblations in this time for the establishment of His Houses and He needs those of us who can to help financially with these

Houses. As you can see from the above Message, Jesus is only trying to establish these Houses for us, His children, and our safety.

He does it all for us.

For my part I feel that there is a particular sense of importance on this House in Brussels for two reasons: one is where it is located and two, because of what it is for, i.e. to thwart the plans to do with the little ones as yet unborn. Please, we need your help.

In the Hands of Jesus

Finally we leave this appeal in the Hands of Jesus for as He said, "...My son, do not worry of this appeal that you have sent to My children. It is in My Hands. I desire that this Work be done. Too long has it been hidden in the dark; too long has man been blinded to the Truth of abortion. I mean to let My children see what is really happening. I Love you..." Wednesday 19 February 2003

When Patrick and the servants went to view the House, this Heart was hanging on the door.

The Heart says,
"The House of Love!"

Look back at the changes that have taken place since you were a child

Cast His Light

These are the days of darkness. I believe from reading the Messages that Jesus is trying to cast His Light in the darkness, to eradicate it, to help us see in it. The Messages are lamps for our feet – if we use them.

On Sunday 25 February 2007, Jesus gave the following Message asking us to look back at our childhood to see the changes that have taken place in the Church since then.

Sunday 25 February 2007

...You cannot see what is happening but things are done in secret and plans are made and carried out before your eyes and with your consent for you cannot see what the greater picture is.

Remember, the evil one is the father of lies and his plans are brought together slowly over many generations, they are that slow so that you cannot recognize what is happening.

Look back at the changes that have taken place since you were a child. Look at how My people walk away from Me and then you will be able to recognize the plan of lucifer to totally destroy My people's faith in Me...

Victimised

Only a few years back, it was

considered a disgrace to be pregnant outside wedlock. Homosexuality was an unacceptable sin. Nowadays that thinking has changed and you are victimised for opposing fornication and homosexuality. Our young people are taught to be promiscuous but to protect themselves with contraception. Homosexuality, far from being a sin, is considered 'cool.' Things have turned right round to the opposite side of the spectrum in a short space of time. God is being pushed out and the Church is being forced to change. Jesus is telling us this is the lie, the deceit of lucifer, his plan to destroy what is precious to God: namely His Body, the Church, and thus souls!

European Union

I know that in the organisation where I work we are bombarded with policy from the European Union. There is no room for God in a caring profession! I work with people with learning disabilities. I know one guy, not in my service but another, watches pornography, and no one can say anything about this. When I visited his house one evening I was introduced to him whilst he was watching

a pornographic film. I couldn't wait to get out of there. His support worker told me it is his right to watch it, we can't do anything, this is what he enjoys. And true enough, in our policy, it clearly states this is their right, it's not our business. I'm just glad I don't work in that service! Sex education seems compulsory for people with learning disabilities also. I haven't been at any of these sessions but I do not consider these sessions useful to these people, I consider it to be a violation, an exposure to things that the most of them could do without hearing, as it automatically suggests temptation to sin which previously would not have entered their minds. And because places like Adult Centres are government funded, the staff do not give a Catholic perspective on chastity. Their sex education class is usually always a demonstration of how to put on a condom!

I see Jesus

I remember watching a video of when Pope John Paul II came to Ireland in 1979. The Bishop, Eamonn Casey, got the people to sing to the Pope and the whole crowd were singing 'Bind us Together.' There was such

a joy it would have brought tears to a stone. When I look back at the Church, I see life, I see wonder and awe, I see respect, I see Jesus. When I look now I see change, wealth, fear, greed, sin.

Cast out of His own Church I believe that the Church is changing into something more secularly acceptable, instead of Jesus' Body. He is basically cast out of His own Church in these days. His Truth is being replaced by human thinking. And, He has Warned us over and over again that it will get worse.

Monday 26 February 2007

...all things are about to culminate and you will need My Love to carry you through. You will be cast out from My Churches for believing in My Ways, for believing in My Truth. You shall be excommunicated for your lack of obedience to those who do not follow Me. Do not be surprised by these Words that I speak for I have already spoken them many times before.

lucifer has placed his henchmen within My Church and they change My Laws in order to break My people's faith in Me. It is they who change My Church into a human church and not a church that is spiritual. Belief in My Gifts is all but gone. ...This is what the humanness wishes to destroy, they wish to make themselves and you as an equal with your God. Those that you hear preach

these false doctrines are not of Me, they have followed the lies of lucifer and so have become his instruments...

That 'human church'

I can really see the development of that 'human church' that Jesus is speaking of. When Jesus says "they wish to make themselves and you as an equal with your God" I can see this happen in the way we are told to stand for the initial penitential part of the Mass, the Prayers of the Faithful and the Final Blessing. Humility and respect for God is only to be replaced by a subtle form of arrogance before God – well that's how I feel, if I stand and ask God for Forgiveness, it isn't really humbly asking Him, is it? This has just come into Ireland recently. I know in some parts of Spain I have seen some of the congregation standing during the Consecration, to me, this just does not feel right. I want to kneel in humble respect before my God.

Saturday 24 March 2007

My children, you live in perilous times and you do not realise it. Never has it been this way, even from the beginning of time.

I tell you, many have went before you and believed that they lived in times of danger but, not even in the time of Noah, was man so deceitful. Now you have many who stand upon My altars and call themselves My priests but they are liars, deceivers sent

by the enemy to destroy My Church from within. There are many of My own who are caught up in their lies.

Together, We, My children, must bring them back to the Truth. You must fight fearlessly, to overcome the darkness and bring My children back.

Remember there is one who sits at the top who is not Mine and he is controlled by one who is hidden until all is in place and then will take control and plunge this earth into an era of darkness. The like of which will never be seen again...

Sacrilege

I remember in the late 1990s hearing of goings on in America, moving of Tabernacles, consecrating coke and fruit bread, then slowly but surely, this sacrilege started trickling in here.

I remember a new priest came to our parish, just out of the seminary I believe, he came out of the sacristy, walked past Jesus in the Tabernacle, went in front of the altar and made a magnificent respectful genuflection to the altar. It begs the question, does this priest believe in the Real Presence? Why pay respect to the place where Jesus comes to and not to Jesus, Himself, truly present in the Tabernacle? This particular priest preached about mother god, promoted feminist bibles and, actually, there was little or no Truth and moral

guidance preached from his mouth. Eventually he was moved on from our parish but unfortunately he is one of the leaders in establishing parish councils in the archdiocese. Jesus has told us that things will change so much that the Church will seem unrecognisable, all will seem lost. I can see the Truth of these Words in this one priest who sadly, has lost his way.

Time of the great rebellion

We are in the time of the great rebellion, rebellion against God and His Ways in favour of self:

Wednesday 11 April 2007

Children of Love, I speak to you with Words of encouragement. Do not allow this world to take you from Me with its false doctrines. Do not listen even if you have to travel many miles to find the Truth for the more that you listen to falsehoods the more you will come to believe in what they say. I am with you, I will Teach you to recognise what is not from Me. You are in the time of the great rebellion when many are walking freely away from Me in search of Truth that will suit their selfish lives. Do not be taken in, children, I am the Way, the Truth and the Life...

Swim against the tide

And each and every one of us, living in these times, are in danger of being sucked in, to go with the flow and lose Jesus forever. We have to swim against the tide, we

have to fight for what we believe in, we have to allow Jesus and His Truth to live through us.

Confessions

Part of the false doctrine is that Confessions are not as important, and that some sins are no longer sins, like breaking one of the Ten Commandments – these were once the base for any good examination of conscience.

Monday 28 May 2007

...My people, I call you to repentance. Do not desert the true Ways that I have set out before you but only seek a true repentance of heart. I tell you this because of the false doctrine that is being promoted within My Church, within these times. Those who promote the falsities will tell you that you do not need the Sacrament of Confession but I tell you that you do. You need it to cleanse your souls of the stains of sin in order to follow Me in Truth. The more sin that blocks My Light from entering your soul, the more that you will be willing to believe the false teachings. You must realise these teachings are promoted by those who have lost Me and are being led by lucifer. Come away from such men for fear that you are tainted and begin to believe and take on their lies as truth...

The priests don't see

It is so hard nowadays even to get to Confessions. They used to be available quite frequently but more and

more they are put aside in favour of other things. If the Sacrament of Confession loses its importance for us, and sins are no longer sins and we are only told about how much God Loves us and how good we are for going to Sunday Mass, then what road are we on?

Monday 2 July 2007

...Patrick:

Jesus, someone told me that they went to Confessions and a priest in Confessions told him that breaking the Commandments was not mortal sin. And the priest quoted to him "if I steal one pound, am I going to hell? Do you really think God is going to send me to hell for stealing one pound?" What would You say about this?

Jesus:

My Commandments are Truth and must not be broken in free will. To break one of My Commandments deliberately, in full consent of your free will, is mortal sin for, in the sin, you have decided to turn your back on your God.

What is the difference if you steal one pound from a poor man or one million from a rich man? Is it not equal? Sin is sin and when it is done in full consent, and control of your free will, is punishable by eternal death unless repented of...

Am I in debt

How many times in a day do I choose the world over Jesus? How many times am I inspired to offer a sacrifice or say a prayer and do not

give it to Him? Am I in debt to get the latest fashion or technology or fulfil a worldly desire? How much time do I give Jesus in a day? Am I ashamed of Jesus when I am in the world? Am I going to be caught out in this time?

Monday 2 July 2007

...So, so much is changing and the call of the world is much stronger than Mine. Even within believing in Me, there are many changes taking place, subtle changes, that render My Love useless.

I have Warned you about these things. Soon the Warnings will stop because a time will come when it will be pointless for Me to speak so. Then I will have to watch while the world takes over and destroys the souls that I have created to love Me. I must watch the world become the property of lucifer.

...Stay with Me for there is nowhere safe in these days. I Love you.

Feel the energy

I remember meeting a lovely couple from Dublin in Medugorje. We were climbing up the mountain and got chatting. They were in their bare feet. I commended them on their sacrifice but they explained they were doing it as it stimulated them like aromatherapy and they could feel the energy!

I was somewhat flabbergasted! Where have the beautiful teachings of sacrifice gone?

Friday 20 July 2007

...Soon this world shall be plunged into darkness and it will be all but impossible to fight through the onslaught of the evil one if you do not have Me as your Guide. he will blind this world with his lies and you shall not know what the Truth is if you have not accepted My outstretched Hand.

You can see the changes that take place within My Church, that are not of Me, if you are willing to look. These will multiply a thousandfold, My Church will become unrecognisable. My true followers will be outlawed as heretics and many shall be excommunicated for believing in My Truth.

Look, children, look to the horizon and see the storm clouds approach, do not be caught out for you will be swamped to your death in his lies...

Going to get much worse

The changes are going to get much worse! We have been Warned!

Tuesday 21 August 2007

Patrick:

...It seems to be getting harder and harder to stay focused on You. Is it the world, the times that we are living in? It just seems so hard to latch onto You, Jesus.

Jesus:

Yes, My son, the call of the evil one within this world grows louder as each day goes by. This is not just with you, My son, but it is with all My people. Too many have listened and are being slowly

drawn into the blindness that lucifer has placed upon this earth. All are so involved with self that they have no time for one another or Me. Everyone is getting caught in this web, this trap, that lucifer has laid down for them. It begins slowly but soon becomes like quicksand and it is nearly impossible to free yourself from it. This is why I send My Messages out into this world; they are like lifelines that My children may free themselves from the clutches of lucifer. My Words are My outstretched Hand. All you have to do is listen and begin to live what I say and soon, freedom shall be yours.

...You must be prepared to take the onslaught that lucifer will throw against this world; you must be ready to see through the lies that he will spread.

There are those within My Church that prepare to tear the very foundations of it apart. What you have seen thus far is nothing to what is to come. My Remnant Church knows of these plans and will stay firm and guide My little flock through.

I speak to you who still follow Me; My priests, My cardinals, My bishops, stand strong, for your Master approaches. I am about to descend upon this earth and free you from your struggles. Hold strong and do not be afraid to bring My flock to Me. I Love you and I Come soon.

Patrick:

...You seem so distant and we

seem to be fighting a losing battle. Who really wants to listen to people who receive Messages from Jesus? They look upon us as nutcases, schizophrenics or just sad individuals. The biggest majority of people that say they follow You go to Mass on a Sunday full stop and, if you do anything more than this, you are counted as a religious nutcase, that you are letting religion go to your head. It is very hard to fight through this.

There are not many of your priests who believe even though You state these things in the Scriptures. Even though You say these things, many of them change Your Scriptures into a human document, instead of it being the Living Word. I know, Jesus, I am painting a bleak picture but it always seems to be an uphill struggle.

Jesus:
My little son, so little do you know of what is really happening upon this earth; your little heart would break with sorrow if you could really see what is happening.

Mankind has become barbaric: thousands of innocents die every day; millions are slaughtered every year in all forms of unspeakable, hideous actions.

You do not know what I must watch and yet the time is not yet. Soon, My Father shall utter the Words and the Armies of Heaven shall descend upon this earth and the cries of the wicked shall

resound through the heavens. On this day, mankind shall be cleansed and the earth shall be renewed and Peace will descend once again. But, My Father shall wait until all have been given the chance to return. As My servant, Abraham, pleaded in the times of Sodom and Gomorrah, so I plead for My children...

Any of us can fall

I know a couple of people who participated greatly in leading me to Jesus and sadly they no longer follow Him. I know one of these has committed adultery and broke up her marriage and another man. Another girl no longer believes in organised religion and lives with her partner. Another guy thinks he is now gay. These were once people who would have followed Jesus to their death. They showed me how to love Him! The world can call any of us. It's only by Gods Grace I am still here and I thank Him every day for it. It has taught me we can never be too careful. Any of us can fall. We have to cling so tightly to Jesus in these days.

Wednesday 3 October 2007
My children, My Love is yours. I have given all so that you could enter My Father's Kingdom but so few are willing to accept. Trust in Me and My Laws for these are the key to Eternal Life. Do not reject them (*the Laws*) even though you are taught

by those' who do not know Me.

Children, these are perilous times that you live in. They are the times of the deceiver who tries to take your faith by unfair means. They change My Words and their meaning into things that are not of Me but rather they suit the selfish lives of those of this world. Many of My cardinals, bishops and priests have deserted Me and lead their flocks astray and so on to the fires of hell. I have told you of these things through My Mother but very few are willing to listen.

My children, it is time to wake up and realise that you are in a spiritual battle and lucifer is real and trying to overcome My Church in order to win this battle.

In these times that you now live in you are unwilling to believe in evil spirits but I tell you that they roam this earth in great masses, gorging themselves on the sin of this world. They are everywhere with their traps trying to deceive you and take you away from My Grace. Remember to ask your Angels to guide you in these perilous times for your Guardian Angels are My Gift to you. Ask them for help for they must be obedient to your free will and cannot help unless you are willing to ask. Fight, My children, and overcome these deceivers with the weapons that I have given to you. Do not trust anyone who changes My Laws or the Words of My

Scriptures for they have been deceived and will deceive you. Trust Me, children, see what is happening in this world; see the Truth that I am trying to show you for you have forgotten so much. Trust in Me and My Words and begin to see the truth of what is happening before it is too late. I Love you, children. I, your Jesus, Love you...

¹ *The so-called teachers of laws – those who change the Scriptures, and say things like Jesus did not walk on the water, these false teachings are almost ingrained into the Catholic teaching now.*

To conclude

I want to conclude this article with a reflection written by Patrick in 2007. I feel it sums up what I am trying to say.

Thursday 1 November 2007
...Patrick:

When we look around this world we can see that it is a world without God, that's if we are truly willing to look. Mankind has become so involved with self that he has no longer got any time to look towards Jesus. We simply have to look at the congregations within the Churches, they are diminishing at an ever increasing rate which is very sad. The vocations to the priesthood in the western world have dropped dramatically, convents and monasteries are closing everywhere and the faithful are allowing themselves to be tainted by those who only want to change Gods

Laws into human thinking and so the downward trend continues. It is a very bleak picture that I am painting of this world and it is sad.

Now is the time for all of us who believe to pick up the pace and put our money where our mouths are, so to speak. In other words, to show this world that we still do believe in Jesus and are not afraid to stand up and show this belief in Him by our actions rather than by our Words. It is very easy for us to say that we believe but it is harder to show that we believe in Jesus. It is by our actions that this world will see the Hand of God at work in our lives. We all may ask what is meant by actions and this is very simple. Firstly we must look at what Jesus said, such as; if you want to be a follower of Mine you must do as I do, and what Jesus done in this world was Love, He Loved everyone with an equal Love and was not afraid to show it.

We can begin this through the Words that Jesus spoke in this piece of Scripture:

24 Amen, amen I say to you, unless the grain of wheat falling into the ground die, 25 itself remaineth alone. But if it die, it bringeth forth much fruit. He that loveth his life shall lose it; and he that hateth his life in this world, keepeth it unto life eternal.

26 If any man minister to Me, let him follow Me; and where I am, there also shall My minister be. If any man

minister to Me, him will My Father honour.

John 12:24-26

It will speak fathoms to anyone who is willing to follow Jesus. The first thing that Jesus tells us in this piece of Scripture is that we must die to ourselves and dying to ourselves is begun by removing sin from our lives so that Gods Grace can flow freely into us and through us to other people. We must be willing to take on the burden of Gods Laws and carry them within our hearts and in so doing this world will hate us for it, for it first hated Jesus and will also hate us for following Him. The more that we are willing to look within ourselves and find the things that we have allowed to come between ourselves and Jesus, the stronger we will become. The fears of this world will begin to diminish within us and the true reality of Jesus' Love within us will come to the fore. But as we know we must be willing to take that first step and begin to deny ourselves the things of this world that keep us away from Jesus. For as He says,

25 *Itself remaineth alone. But if it die, it bringeth forth much fruit. He that loveth his life shall lose it; and he that hateth his life in this world, keepeth it unto life eternal. John 12:25*

This must be our aim, to come to the point where all that you see is the Dream of Jesus.

SIGNS OF OUR TIMES

Destruction

Before my conversion at the age of twenty seven, I used to believe that everything in the world was ok. I wanted to be a part of the world and everything it had to offer. I never saw how dark the world was and it never occurred to me that this earth was heading towards its own destruction, that it was full of sin. But that was because I didn't have God in my life and I didn't look at life with spiritual eyes. Over the last ten years I've been reading the Messages of Love and they have really opened my eyes and helped me understand that everything in the world is not ok.

Mayhem and madness

We live in dark times. Everywhere there is mayhem and madness. Every country has problems – earthquakes, hurricanes, floods, fire, famines, civil unrest etc. I could go on and on. It is obvious that something is not right with the world and I believe there will be worse disasters to come, right up until the time Jesus Comes. These are the signs of our times as recorded in Matthew 24 and most people don't even see it.

Because people have grown up with it, it seems normal

to them but this is not the world that God created it to be. This world has become a cesspool of sin. We have become so used to this way of life, so complacent that we just go along with whatever is thrown at us.

Warnings

Over the years Jesus has spoken of these things and given us a lot of guidance and Warnings and He will continue to do so until the door closes.

Children of this world, I Love you and I call you in these urgent Words to return to Me. You have not realised the time that you are in. Already the plans are in motion for the destruction of My Church. I have Warned you of this from the beginning. I have sent My Mother and many other Messengers into this world to tell you of these times. You have read My Warnings and have been greedy for the Words of revelation and destruction. You have sought sensationalism over the Words; the Prophecies of destruction and justice. You have waited for the great chastisements; have waited for the time when the evil one would seize power.

Yet you have not seen or perceived what is happening around you. Sensationalism has blinded you to the Truth

of My Words. Look only to what My Spirit reveals to you and see the Love, the Forgiveness and Justice in My Words.

Look around you, children, time is short. My Mercy is coming to an end and My Justice is beginning. Soon now this earth shall groan, earthquakes, tidal waves and unseen disasters shall rack this earth. Science will try to explain; the scientists will become confounded with no explanation; for all that they understand shall be taken from them. They shall begin to realise what the wealth of their knowledge is. They will see Me in a new light and fear shall take over. They shall beat their breasts but many will not repent and will be hurled headlong into the pit of everlasting fire.

Be Warned, children, I am a God of Love, I am a God of Forgiveness but I am also a God of Justice and you shall see My Justice as it strikes this earth. You shall see things that you never thought possible for I mean to confound this generation and they shall know that I am their God. Take heed, take Warning to the Words that I place before you for time has moved on and none shall be waited on.

I Love you, My children, and I call you back to the safety of

the Fold. I Love you. *Friday 10 June 2005*

Global Warming

Jesus said that science will try to explain away all the disasters. Global Warming is what they call it. Sin is what Jesus calls it. Environmentalists say that the effects of damage that can be caused by Global Warming are as follows: Climate change has been described as “the biggest global health threat of the twenty first century” and is likely to affect the health of millions of people worldwide. Threats include heat waves and flooding, changing patterns of infectious diseases such as malaria and dengue, and water scarcity and rising sea levels, which could displace hundreds of thousands of people. The impacts will be greatest in low and middle income countries.

Unrepentant sin

‘Global Warming’ as they call it, I believe is a result of sin in the world – unrepentant sin. Jesus also told us that, “...Each darkness that hangs over the earth blotting out the Light is unrepentant sin. Each scalpel that cuts life from the child in the womb is unrepentant sin that pride has given to My children... *Thursday 19 October 2000*

And

...This earth is dying, children, can you not see this? As

time passes your seasons will change at an ever increasing rate, famine and desolation shall sweep this earth as the earth begins to rebel. Science cannot see this in their blindness, they make presumptions in their lack of knowledge. Global warming is what they say, rebellion against sin is what I say... *Wednesday 12 March 2008*

Lack of God

Jesus, clearly, is telling us that there is no such thing as Global Warming, it is sin that is causing all these disasters. We have to remember that the earth is spirit and it begins to choke for lack of God.

Many times God is blamed for these disasters when, in fact, we have brought them on ourselves through the sinful lives we live. If our lives are not lived in Grace, i.e. living the Ten Commandments, and the earth is full of unrepentant sin as Jesus says, then in our free will we have chosen

the path that leads to destruction.

Patrick:

Jesus, people are saying why would You let the earthquakes happen and kill so many people. Why did you not prevent it?

Jesus:

My son, I have already spoken of these things. I have already told you that this earth groans under the weight of sin. It is not I that have allowed this but man has turned away from Me and the only time he turns back to Me, is to blame Me for letting these things happen. But if man could see with spiritual eyes and look at what he is doing to this earth, then he would realise that he has allowed this through his own free will and it is only a little of what is to come.

Man has tied My Hands and does not allow Me to help. I have told you that I have given the Gift of free will to all mankind. If he chooses the path of darkness, then many will suffer needlessly for his wrongdoing. It is only in times of need that people come to Me. At other times, they laugh at Me and say that I am nothing but a myth.

I Love My people and how I would love to turn the tide of pain away from them but I am bound by man's free will. The weight of sin grows unbearable for this earth and it begins to rebel. Very few will like the Words that I speak but they are Truth...

Our salvation

Jesus can only speak the Truth and it is the Truth that will be our salvation. Like a father, He is only trying to protect us and keep us out of danger and that is why He has given us so many Messages over the

years. Jesus will never give up on His children. He is relying on us to help Him save souls, to be His Hands, His Feet and His Lips. This is how we can help Jesus. We can go out into our towns, streets, cities and we can feed the hungry, clothe the naked, give the

thirsty a drink of water, visit the sick and imprisoned and let them know that Jesus is Alive and He is Coming soon. Jesus said that we can save our brothers and sisters by our example. Even if we only save one person, we can ease a little of His Pain.

Message Book Eight

This long awaited book is the eighth in the series of the Messages of Love given by Jesus to the two Patricks.

It contains the Messages of Love given in 2001, 2002 and 2003.

This was a very important three years of Teaching and development for the two Patricks and the Houses of Prayer.

In 2001, Soledad, the House of Prayer near Garabandal, was purchased. In 2002, Jesus

gave many Teachings in Soledad, which proved to be a training ground, on the spiritual battle.

2003 contains the Messages from the other Irish Prophets, given during the meeting of the Prophets of Ireland which Jesus asked for.

During these years the Patricks were writing 'Song of the Carpenter' and 'Called in the Night' and Jesus gave many Messages guiding these books, such as explanations on the Nephilim, and He even trained the Patricks to print these books themselves!

The Messages from Jesus, Mary and the Saints in this unique and exceptional book, accompanied by writings from the Patricks, are an absolute wealth of Teaching and guidance. They are the rope thrown from a boat to save us from sinking in these days of darkness.

Sonlight Music's Evening of Prayer through Song in the Glenavon in aid of Holy Trinity Renovation Fund

The concert

It has been a very busy couple of months in the lead up to the concert and, with Jesus, everything fell into place. We started practising about three months before the concert, two nights each week and one month before, three nights a week. In the middle of all that, we recorded a new CD. I did wonder at the time how we would get it all fitted in, again Jesus sorted it.

Put our trust in Jesus

The day of the concert came round and the nerves were high and to make things worse, my throat was killing me. We met at the venue which was the Glenavon House Hotel at 4pm to have a practice and sound check. I couldn't believe how fast 7.45pm came, the concert was to start at 8pm and we were all starting to walk the floors but we said a prayer and put our trust in Jesus.

Trembling with nerves

It all began and we walked up to the stage and took our places. It started off quite slow and on the second song my voice started to break. I was really nervous at that point as I had a solo to do and I honestly didn't know how I would do it. I can remember when it came

round to the time of the solo, I was trembling with nerves, I gave my introduction and closed my eyes and at that moment I felt as if I was on a different planet. Jesus took all my nerves away. I forgot about everybody there. I thank Jesus for that so much and I hope I did His Song justice.

Cephas

After the interval, a group called 'Cephas' from Limerick performed. They are a family of singers, two brothers and three sisters. They were fantastic and so spiritual.

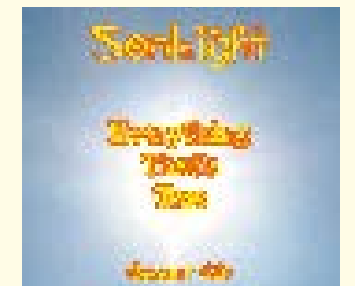

We went back on for a few

more songs and then we finished off the night on a high. Eddie from Cephas did lead vocal on a song called 'Oh Happy Day' and then everyone was on the stage for 'David.' I have to say it was an amazing experience and Jesus was truly present with us and I loved every minute of it. Thank You, Jesus.

The Weekend with the Patricks is always one of the highlights of our year in the House of Prayer. It is a unique opportunity in the fact that it is a chance for you to ask of the two Patricks those questions which have been troubling you and gaining vital help

and assistance on our personal journey through life with Jesus.

There are prayers throughout the weekend and in the evenings there is informal question and answers sessions. This is a great way to recharge your spiritual batteries and find solace and strength through like-minded people on the same tough path of life in these dark times.

On the Saturday we also hold a Walk Against Abortion leaving the House at 3pm and we also hope to have music provided by SonLight!

The Weekend starts on Friday evening at 7pm and concludes on Sunday afternoon. Accommodation is available but limited so make sure you book early and we look forward to spending this time of learning with you.

The Enlightenment

'I Am Coming'

While contemplating what the topic of my contribution to the Newsletter would be and finding it difficult to decide, I happened to notice the book entitled 'I Am Coming' nearby. I opened it and started to read and realised this would be the right time to read again some of the Messages given by Jesus to the two Patricks in 1999.

This is for those who have read them before and for those who have not, welcome to the enlightenment.

Sunday 8 August 1999

My people are crying out for My Teachings in this time. They need them as the air that they breathe and they are being whittled away like the shavings from wood; only for the fire.

I call all My Prophets from their hiding places, from under their stones of fear, to walk forward into this world fearing nothing but Me. I gave them Gifts which they cannot use by earth's standards but I tell them that there are no standards but Mine.

It is time to speak, not in riddles but in Truth. My Prophets are as silent as the calm before a storm. I tell you, Prophets, you must be the very eye of the storm itself, you must storm the world with My Words for **I will hold you responsible for the Truth that is not spoken.**

Time is short. Do not hide, Prophets of Mine, but walk and teach My Truth. Do not sit and dream your idle and selfish dreams but tell My people the Truth as I have told it to you. You cannot be heard from your towers of self but you must go out into the world where you will be heard before it is too late for you.

Friday 8 October 1999 URGENT MESSAGE

The following Message was given by Jesus. We cannot express enough the urgency of it. Jesus did not elaborate on this Message and we do not have the explanation for it.

My people, be Warned. **I tell you this night that your sin is bringing a great war down upon this earth.** Your darkness has given the evil one the strength that he

needs to throw this world into a conflict that has never been witnessed from the beginning of time.

Relent of your evil ways and I shall cleanse this earth of its foulness. But continue as you are doing and I shall be forced to stand back and allow this great evil to take place. Remember, children, I have given you free will to choose. The decision is yours. **In a 'time,' you shall see the sun set in peace and, as it rises, the world that you have known shall be no more. Many nations shall cease to exist. Man shall have all but destroyed himself.**

Then I, your God, shall cleanse all the evil-doers from this earth. No longer shall they hide from Me. I shall rout all out and cast them down to their place of torture. Then My Peace shall descend upon mankind and My Love shall be seen in all truth.

I Love you, My people. Listen to My Words this night for **the time is close.** I Love you.

Sunday 5 December 1999
...Many have spoken about this time but much has been covered up by those in power within My Church. I tell you

solemnly, the time is coming – and very soon – when the Light shall reveal what is spoken of only in darkness. Many thought the darkness their friend but no more. **The Light is Coming.** Abide in Me in these times. I Love you.

**Wednesday
8 December 1999,
Feast of the
Immaculate Conception**

Prepare yourselves and be in readiness for this new time that is upon you, My children. Dress yourselves in travelling clothes and prepare for a journey through the darkness as My people Israel walked through the desert to find the land that I had promised. Do not be like them and wander around for forty years without faith. Have

faith now. I Love you.

Tuesday 9 December 1999
...I see much, My little son. I see My priests, My brides (*nuns*), My brothers (*monks*), all turning away from Me. They listen to the words of the evil one and try to change My Laws. These are written in My Heart and cannot change. I have Warned My people of these times but still they have not listened.

My people look for false prophets but cannot see. They look again and again but do not perceive the Truth.

I will tell you, My son, that when a priest or a brother or a nun stands up and talks of false doctrine such as 'mother god,' or changes the Words of My Scripture, they are false prophets. They lead

the flock into darkness with their lies. They cannot see the Truth, all they can see is their own comforts. They have forgotten Me...

Wake up

Look at where we are now. We have turned our backs on Truth. Jesus has promised us so much if we turn to Him (through our own free will). What has lucifer promised? I doubt he would ever keep a promise made so he doesn't bother promising anything! He just flashes the bling and hey presto there is no need for God. Money then, has become the one thing on which everlasting happiness can be found? Wake up and realise how we are being propelled towards lucifer's abode which is HOT!

IMPORTANT!

Manning the other Houses of Prayer - Help Needed!

Jesus has asked that the other Houses of Prayer are manned now because they are needed. There are five Houses that need manned. We simply do not have enough servants to do this so we are asking any of you who can, to please volunteer to man a House for one month with a servant.

This is a great giving and it is something that Jesus wants. Please, if you are available, contact us here at the Sacred Heart House of Prayer. Thank you all and God Bless you.

Sunday 29 April 2007

...Tell My children of the Houses that I have asked for. Tell them that I need their hands and their hearts in this that I have asked for. I ask for one that will give Me a month of their time... I ask for one who will go with a servant and live there under My Messages for one month. Who will heed Me?

The Plight of Others

People need love

Love one another

Through the Messages of Love, Jesus has spoken much about love. He tells us to love one another and die to self. Jesus continually calls us to love regardless of class, creed or colour. "Children of love, I call you to love. I call you to love your brothers and sisters with an equal love, which is My Love. This, I give freely from My Heart. I give it to you so that you can spread it into this world and so dispel the darkness..." **Wednesday 22 July 1998**

Love has grown cold

If we are followers of Jesus, His Army of Love, then we must love each other as Jesus has Commanded. If we cannot love each other, how can we go out into the world to love His children? Jesus tells us that love has grown cold in the world and it is getting darker. We have to forget about our own worries, concerns and look to the plight of Gods children needing love, the Love of Jesus. They need someone to reach out to them, hold out the hand of friendship.

Even the Church

Since coming to man Houses of Prayer for Jesus, one can

see what Jesus is talking about in the Messages of Love when He said that faith in Europe is all but extinguished. From my experience many of these people do not seem to know Jesus. There is no one to tell them; even the Church does not tell Gods children about sin.

He Died on the Cross

When one is face to face with a brother or sister in Jesus, we must not judge or condemn but love, see Jesus within that soul. Whether they are alcoholics, drug addicts, prostitutes or are very rich or poor they are all in need of love, the Love of Jesus. We have to understand and realise that Jesus is Loving that soul at that moment as He is also loving me. We must see Jesus within that soul and see that He Died on the Cross, the Tree of Love for them as well as me.

I see the need

Jesus asked for all the Houses of Prayer, He sees the plight of His children in their wretched state of brokenness. He sees their need for His Love. "...Do not be alarmed that I am calling for more of My Houses, do not be alarmed that they

are not in the places that you want them to be. I see the need and that need can be greater than yours..." **Sunday 12 July 2009**

Baptised

Recently while I was in the chapel, I saw a young boy and two adults being Baptised. They were welcomed into the family of God, united with the flock. All I could think was somebody, somewhere told them about the Sacraments of the Church, about Jesus. I say to you, that even so there shall be joy in Heaven upon one sinner that doth penance, more than upon ninety nine just who need not penance.

Luke 15:7

To reach out

They set aside their own ideas and opened their hearts to God to reach out to three children of God and allowed the Holy Spirit through them to lead three souls to Jesus. "...I tell you now that you must not spend your time in idle waiting but you must go out into the world and bring My Light to all the nations. You must save as many of My children as you can. You cannot think that you must sit idle as the servant has done. The

servant went out and did the things that were against his master. This is not what I wish you to do! I wish you to be the bearer of the Good News of My Kingdom..."
Tuesday 22 October 2002

We must help Jesus

We often say we don't have time or I couldn't do that or Jesus is not asking me. Jesus has told us over and over that He needs us to be His Hands, His Feet and His Lips. Jesus is opening these refuges to save His children, He is trying to save their souls and we must help Him. He is depending on us. We must help Jesus as He helped us in our plight – our need for love, His Love. "...Many do not see that to love a child of Mine, is to love Me. Keep this in your hearts, children, as you go about your daily lives for it is like a rock that you can cling to. I am the Rock, I am the Sure Refuge, I am the Sure Heart that can never fail you..."
Friday 11 June 2010, Feast of the Most Sacred Heart

So much unlove

One does not have to be in a House of Prayer to see

the plight of souls with so much unlove in their lives. In our everyday lives we experience so so much pain, hurt, rejection in the lives of Gods children, people turn away from God needlessly, the followers of Jesus are not there to reach out to them. We are to carry them spiritually as they are our brothers and sisters.

Look to the truth

We need to reassess, re-evaluate our lives, look to change, look to the Truth. Ask ourselves, could I give time, where can I help Jesus? Could I give a month to work, prayer and sacrifice to help Jesus prepare a path for souls in need of His Grace, His Love, so that they may come to know His Love and to receive the Gift of Eternal Life, not eternal damnation? "...I ask of you to pay heed to all the Words I have given to you for, through your listening to My Words, and the living out of them, I can save many.

Have faith, My children, and open My Houses in Europe in earnest and do not be afraid to do this for they are

neglected. Give Me your time and I will put it to good use. These are the little lights that will create an Army of Love to combat the evil that now reigns there..." *Friday 11 June 2010, Feast of the Most Sacred Heart*

And

"...I am calling you, My children, to help Me. Help Me to save My children and your brothers and sisters from the fires of hell..." *Monday 20 December 2004*

Funny Quote

When a child is 4, mum knows everything.

At 8, mum knows a lot.

At 12, mum doesn't know much.

At 14, mum doesn't know anything.

At 16, mum doesn't exist.

At 18, she's old-fashioned.

At 25, maybe mum knows about this.

At 35, before we decide lets ask mum.

At 45, I wonder what mum thinks about this.

At 75, I wish I could ask my mum about this.

Pilgrimage to Poland Friday 17 to Tuesday 28 September 2010

Taking in visits to Czestochowa (the Black Madonna), Divine Mercy Sanctuary, Child of Prague Shrine, Auschwitz concentration camp, Pope John Paul II's birthplace. We will also be staying at Saint Nikolaus House of Prayer in Colditz, Germany and Saint Stanislaus House of Prayer in Bolkow, Poland.

Cost £425 Twelve Days

Have you thought of going on a true pilgrimage?

We are down on numbers for this year's annual pilgrimage to Poland. This is a very worthwhile trip taking in many Shrines and two Houses of Prayer. Jesus asked for this and we will endeavour to keep it going. If you have the time for a true pilgrimage, please contact us as soon as possible as it leaves the Sacred Heart House in the early hours of Friday 17 September.

At this stage, full fare is required to book. Theme for the pilgrimage – prayers for an end to abortion and for Jesus' new Houses of Prayer.

The price

The pilgrimage will cost £425 or €500. This is priced on a group of

ten people and may vary depending on numbers.

The price includes the overnight cabins. Unfortunately we have to get the more expensive cabins as the cheaper ones have already been booked out.

We will travel by minibus from the Sacred Heart House of Prayer.

The pilgrimage will be run as a non-profit event and will be true and austere as Jesus has asked for in the Message of Love. He said "Tell those who are going on pilgrimage that, to make a good pilgrimage, one must stay with Me within their hearts. If it is possible, then one should fast at least one day before the day the travel begins and even then, eat little until the first prayer

is said at the Shrine. Many go on pilgrimage and only remember Me or My Mother when they pray. Pilgrimage is a time of renewal for the soul; a time when physical things are given up and done without; it is not a holiday. To do this clears the soul of the refuse it collects during everyday life. Be excited, My pilgrims, of being with Me for you are in My company and My Mother's. As you travel, have times of silence from the physical and simply be in silence with Me. I will be with you and it gives Us a chance to be One, without the world. This is most desirable to Me."
Tuesday 17 June 2003

Those travelling from England could meet the group at Newcastle Upon Tyne.

Please note that meals are not provided while travelling. For an itinerary, please contact the Sacred Heart House of Prayer.

The Wisdom of John Paul II

The following article by Pope John Paul II was published in 'L'Osservatore Romano,' the weekly newspaper of the Holy See, on 28 July 1999.

HEAVEN, HELL AND PURGATORY

Pope John Paul II

In three controversial Wednesday Audiences, Pope John Paul II pointed out that the essential characteristic of heaven, hell or purgatory is that they are states of being of a spirit (angel/demon) or human soul, rather than places, as commonly perceived and represented in human language. This language of place is, according to the Pope, inadequate to describe the realities involved, since it is tied to the temporal order in which this world and we exist. In this he is applying the philosophical categories used by the Church in her theology and saying what St. Thomas Aquinas said long before him.

"Incorporeal things are not in place after a manner known and familiar to us, in which way we say that bodies are properly in place; but they are in place after a manner befitting spiritual substances, a manner that cannot be fully manifest to us." [St. Thomas Aquinas, Summa Theologiae, Supplement, Q69, a1, reply 1]

Heaven is Fullness of Communion with God

Heaven as the fullness of communion with God was the theme of the Holy Father's catechesis at the General Audience of 21 July 1999. Heaven "is neither an abstraction not a physical place in the clouds, but a living, personal relationship with the Holy Trinity. It is our meeting with the Father which takes place in the risen Christ through the communion of the Holy Spirit," the Pope said.

1. When the form of this world has passed away, those who have welcomed God into their lives and have sincerely opened themselves to his love, at least at the moment of death, will enjoy that fullness of communion with God which is the goal of human life.

As the Catechism of the Catholic Church teaches, "this perfect life with the Most Holy Trinity this communion of life and love with the Trinity, with the Virgin Mary, the angels and all the blessed is called "heaven". Heaven is the ultimate end and fulfilment of the deepest human longings, the state of supreme, definitive happiness" (n.1024).

Today we will try to understand the biblical meaning of "heaven", in

order to have a better understanding of the reality to which this expression refers.

2. In biblical language "heaven", when it is joined to the "earth", indicates part of the universe. Scripture says about creation: "In the beginning God created the heavens and the earth" (Gn 1:1).

Heaven is the transcendent dwelling-place of the living God

Metaphorically speaking, heaven is understood as the dwelling-place of God, who is thus distinguished from human beings (cf. Ps 104:2f.; 115:16; Is 66:1). He sees and judges from the heights of heaven (cf. Ps 113:4-9) and comes down when he is called upon (cf. Ps 18:9, 10; 144:5). However the biblical metaphor makes it clear that God does not identify himself with heaven, nor can he be contained in it (cf. 1 Kgs 8:27); and this is true, even though in some passages of the First Book of the Maccabees "Heaven" is simply one of God's names (1 Mc 3:18, 19, 50, 60; 4:24, 55).

The depiction of heaven as the transcendent dwelling-place of the living God is joined with that of the place to which believers, through grace, can also ascend, as we see in the Old Testament

accounts of Enoch (cf. Gn 5:24) and Elijah (cf. 2 Kgs 2:11). Thus heaven becomes an image of life in God. In this sense Jesus speaks of a "reward in heaven" (Mt 5:12) and urges people to "lay up for yourselves treasures in heaven" (ibid., 6:20; cf. 19:21).

3. The New Testament amplifies the idea of heaven in relation to the mystery of Christ. To show that the Redeemer's sacrifice acquires perfect and definitive value, the Letter to the Hebrews says that Jesus "passed through the heavens" (Heb 4:14), and "entered, not into a sanctuary made with hands, a copy of the true one, but into heaven itself" (ibid., 9:24). Since believers are loved in a special way by the Father, they are raised with Christ and made citizens of heaven. It is worthwhile listening to what the Apostle Paul tells us about this in a very powerful text: "God, who is rich in mercy, out of the great love with which he loved us, even when we were dead through our trespasses, made us alive together with Christ (by grace you have been saved), and raised us up with him, and made us sit with him in the heavenly places in Christ Jesus, that in the coming ages he might show the immeasurable riches of his grace in kindness toward us in Christ Jesus" (Eph 2:4-7). The fatherhood of God, who is rich in mercy, is experienced by creatures through the love of God's

crucified and risen Son, who sits in heaven on the right hand of the Father as Lord.

4. After the course of our earthly life, participation in complete intimacy with the Father thus comes through our insertion into Christ's paschal mystery. St Paul emphasizes our meeting with Christ in heaven at the end of time with a vivid spatial image: "Then we who are alive, who are left, shall be caught up together with them in the clouds to meet the Lord in the air; and so we shall always be with the Lord. Therefore comfort one another with these words" (1 Thes 4:17-18).

Sacramental life is anticipation of heaven

In the context of Revelation, we know that the "heaven" or "happiness" in which we will find ourselves is neither an abstraction nor a physical place in the clouds, but a living, personal relationship with the Holy Trinity. It is our meeting with the Father which takes place in the risen Christ through the communion of the Holy Spirit.

It is always necessary to maintain a certain restraint in describing these "ultimate realities" since their depiction is always unsatisfactory. Today, personalist language is better suited to describing the state of happiness and peace we will enjoy in our definitive communion with God.

The Catechism of the Catholic Church sums up the Church's teaching on

this truth: "By his death and Resurrection, Jesus Christ has "opened" heaven to us. The life of the blessed consists in the full and perfect possession of the fruits of the redemption accomplished by Christ. He makes partners in his heavenly glorification those who have believed in him and remained faithful to his will. Heaven is the blessed community of all who are perfectly incorporated into Christ" (n. 1026).

5. This final state, however, can be anticipated in some way today in sacramental life, whose centre is the Eucharist, and in the gift of self through fraternal charity. If we are able to enjoy properly the good things that the Lord showers upon us every day, we will already have begun to experience that joy and peace which one day will be completely ours. We know that on this earth everything is subject to limits, but the thought of the "ultimate" realities helps us to live better the "penultimate" realities. We know that as we pass through this world we are called to seek "the things that are above, where Christ is seated at the right hand of God" (Col 3:1), in order to be with him in the eschatological fulfilment, when the Spirit will fully reconcile with the Father "all things, whether on earth or in heaven" (Col 1:20).

Hell and purgatory to follow next month.

Days of Elijah

These are the days of Elijah,
Declaring the Word of the Lord,
And these are the days
Of Your servant, Moses,
Righteousness being restored.
And though these are the days
Of great trial,
Of famine and darkness and sword,
Still we are the voice
In the desert crying:
'Prepare ye the way of the Lord.'

Behold here He Comes,
Riding on the clouds,
Shining like the sun,
At the trumpet call.
Lift your voice
To the year of Jubilee
For out of Zion's hill
Salvation comes.

These are the days of Ezekiel
The dry bones become as flesh.
And these are the days
Of Your servant, David,
Rebuilding a temple of praise.
And these are the days of the
harvest
The fields are as white in the
world.
And we are the labourers
In Your vineyard,
Declaring the Word of the Lord
