This Month's Newsletter

EDITORIAL NOTES

Different

This Newsletter is different. It is different to accommodate the multitude of Words Jesus has given this month, after all that's what this Newsletter is all about. So you will see that some familiar articles, such as 'The Plight of Others,' 'The Holy Scriptures' etc, have been removed.

The Messages

Wow, the Messages! What can we say? Jesus has given so, so many this month. Why so many? Well, in His own Words, "...I give you these Words at this time because I fear for you,

My children. So few of you are listening, so few of you even read these Words in truth; so few are willing to take on My Truth and live it..."
Thursday 24 December 2015

He is has given these Words for us to PREPARE.

Patrick's writings

The two Patricks have also written an article which lends some understanding to the Messages that Jesus is giving.

Christmas

Because we believe that the spirit of Christmas should live in our hearts all year round, we

have included a couple of articles from which we can learn much. In the words of Howard Thurman:

When the song of the Angels is stilled,

When the star in the sky is gone,

When the kings and princes are home,

When the shepherds are back with their flocks,

The Work of Christmas begins:

To find the lost, to heal the broken, to feed the hungry,

to release the prisoner, to rebuild the nations,

to bring peace among the people, to make music in the heart.

God Bless you all!

We wish to thank everyone for your kind response to our Annual Fundraising Draw. Your support is very much appreciated.

The Messages of Love

Tuesday 1 December 2015

Trust in Me and believe in the Words that I tell you.

You have so little time left and this world falls deeper into darkness as each day goes by. Soon, My children, I will begin to retrieve what has been stolen from Me. Be ready, children, for I will not allow the lies, the deceit, to continue much longer.

I will not allow those, who are destroying My Truth with their lies, freedom to do so much longer.

I will not allow lucifer the freedom to control the media for it is through this that he is destroying My Commandments, My Laws.

Be Warned, mankind, you come to the point where your God will chastise you for your blasphemy, your heresy. I have given you freedom thus far and you walk ever farther away from Me.

You have listened to the serpent and rejected your God.

You murder the innocent in their mothers' wombs; you promote sin as being right and normal. Man fornicates with man and woman with

woman and you try to justify this to be natural; it is an abomination in My Sight; it is sin punishable by the fires of hell.

I say repent, now, while you still have time for your God is close and is about to strike you down in your sin.

Repent, children, repent and come, follow Me in Truth and We, together, will go out and save your brothers and sisters while there is still time.

I, your Jesus, Love you.

**Wednesday
2 December 2015**

Come, My little children, and do not be afraid of the times that you now enter.

These are the times that have been prophesied for many centuries; the time of darkness; the time of sin; the great rebellion.

See My Words as they come to pass.

See, I have Warned you of this time when My people would desert Me in favour of sin.

The corruption has spread deep within the walls of My Church, its leaders have been corrupted with the desires of self; lucifer

plays them like a musical instrument.

All have become blinded with the ways of this world but, soon, I shall put an end to it for mankind has walked freely into the traps of lucifer. You cannot say that you have not been Warned: you have been Warned in My Gospels, in My Scriptures, My Mother has Warned you through Her Prophets, Visionaries and Seers. I have Warned you through Prophets, Visionaries and Seers: you have been Warned.

Yet, you walk freely on into the darkness.

This, I have allowed for you have corrupted the vision of My Love, you have soiled My Laws, My Commandments, My Church with your corruption, your sin. I allow you to grow like a cancer and, when you come to a head, I shall cut you free from My Body. It will be cleansed, purified and will shine bright once again.

You are blind and foolish, children, and you walk freely into the flames of hell by your lies, your deceit.

You have corrupted yourselves in your own free

will, you have listened to the lies of the serpent and have accepted them.

You cannot say that I am a harsh or a severe God for I have Warned you and Warned you and Warned you yet, you have walked freely away from Me.

This earth is darkened by sin: the great rebellion is here, the man of sin walks freely and you cannot see his lies because you have allowed yourselves to be blinded by his corruption, his sin.

Woe to you, mankind, for all generations will fear to walk the path that you have walked in this time!

You do not realise, in your blindness, that you go against the Power of creation. It is I, who have created everything that you know, see and feel and, in your false wisdom, your false knowledge, you have chosen to make war on Me, your Creator.

Woe to you, you foolish generation, the Hand of your God is about to fall upon you in Justice and you shall not hide from Me.

You are but dust and onto dust you shall return for your God has seen the bitterness of your hearts; you have allowed the evil to grow freely. I shall destroy this earth and, in three days, I shall rebuild it and it shall glow, once again, with My Love. My Remnant, those that have remained faithful to Me, shall wonder at its glories; they will sing praise

to their God for they are the ones that you have persecuted, the ones that have remained faithful to Me and their reward shall be great.

I shall renew My Creation in Love and all shall live in peace and harmony, once again.

Trust in Me, your God, and repent now. Turn away from your evil lifestyles.

Obey My Commandments, die to the desires of self and come, follow Me in Truth and My Forgiveness shall be yours.

Continue on this path that you now walk and your reward shall be the flames of hell eternal.

The decision is yours, children, obey Me or disobey Me.

Remember I Love you and My only Desire is that you be with Me in My Father's Kingdom.

Repent!

I Love you.

Wednesday 2 December 2015

Look and see the Truth of what is happening around you.

See the signs of your times culminating around you and begin to prepare. Prepare by dying to self for the more you can control self, the more you will see and understand the Truth of what is happening in this world. The more that self dies away, then the scales, the lies of this world, will fall away and, finally, you will

begin to produce fruit.

I wait on My Army of Love as they prepare to march.

Soon, this world will see My Power as it is wielded by My servants of Love.

I will show this world how futile their knowledge has been.

I will show this world how little they have really understood the meaning of life.

I will bring this world to its knees through those I have chosen for they will be given Power over this earth and creation will obey their commands for they will be the Commands of the Father of All. The elements will bow to their every command and creation will recognise the Will of its God.

You have drawn this down upon yourselves through your evil ways.

You shall beat your breasts and beg for death.

Plague after plague will sweep this earth until you have drunk the Cup of My Justice that you have filled with your sinful lives.

Prepare, now, children of Mine, for what is to come for I shall look after all those who follow Me in Truth. I shall guide My own in these times and you shall know the fruits of your labours. You shall see and understand that My Justice is Good and Holy and fear will have no place in your lives in Me.

Believe, My little ones. Die to the sin in your lives and prepare for all is about to

begin.
I Love you.

Thursday

3 December 2015

I am Coming, My children. Read the signs of your times and see My Footprints are already in the sand. I will not allow this world to be destroyed by man's acceptance of lucifer's lies. Mankind has walked away from his God and blasphemes daily against Me. The governments of this world have listened to the lies of lucifer and now force My people to accept sin as being part of their lives.

Are you blind, My children? Can you not read within My Scriptures how often mankind has went against Me and I have Warned them and chastised them? But still, you do not learn, you do not listen.

I am about to strike this earth with the blood of the innocent that you have massacred in the name of your false truth!

Understand, children, the chastisement that you bring upon yourself, you have created in your acceptance of sin, your murder of the innocent, your corruption of the Truth.

You cannot blame Me, you cannot say that I am an unjust God for I have given you free will and I have Warned you what would happen if you went against My Laws. I must intervene for, if I did not, mankind

would cease to exist: in your hunger and greed you will obliterate yourselves and My Creation.

So, once again, I must pull you back from the brink of destruction. Each and every person upon this earth will be given a chance to repent, a chance to turn away from sin. If this chance is not accepted then I shall cleanse you from My Creation.

These are your final Warnings, children, it is time to wake up and see the Truth for you have angered your God!

Finally, My children, you have brought about your own downfall because of your greed, your lies, your untruth.

Prepare!
I Come, prepare!

Friday 4 December 2015

Children, the days are darkening and the events of this world are culminating and soon you will see things that have never been seen from the beginning of time. Mankind is heading headlong into his own destruction. This is why I must intervene.

You are but children and you do not know what you are doing.

Governments of this world are now controlled by men who have given themselves over to the control of demons in their own free will. They have given control to those whom they believe are highly intelligent but they have been conned

by lucifer. he aims to destroy all that I have created in Love.

Soon, you will see the results of this as these deceivers begin to come to the fore and will guide this world into a war of destruction. I will not allow this to happen for I Love all mankind and I will not allow lucifer to destroy you.

Believe, children, that I must Come to stop this from happening.

I will show this world the error of its ways but few will listen for mankind's greed is great at this time.

Believe, children, you walk in to a 'Time of Wonders.' I will allow man a time of suffering so that he will stop and look and see what he is doing.

Trust in Me, your God.

Look to the skies and see the beginnings of the events I speak of. Know that when you see the heavenly bodies in unrest that all will begin to happen.

Trust in Me and do not be afraid but know that your God is about to free you from the persecution of sin. Trust in Me, your God, for I am close.

I Love you.

Saturday

5 December 2015

Trust in Me and only Me. Do not allow yourselves to become deceived with false truth. Self is always ready and willing to take the easy way out. This is why I say, do not allow yourselves to

become deceived. Look always in truth at everything and understand the desires of self. Self listens to the inspirations of lucifer and is all too willing to walk the path of sin. Trust only in Me, your God, for I will always inspire you to the right Path.

Look at My Church, it has listened to self and now teaches My children to listen to the inspirations of lucifer. It teaches you, My children, to listen to "your own conscience." Your conscience is self, as I have said, it will always take the easy path. This is why I have given Laws in order to protect you from this but, now that you have been taught to listen to your conscience and so abortion is justified, homosexuality is justified, adultery is justified and so on for self will always justify its desires.

You are taught, "if it feels right, it is right" which is a licence to sin.

Can you not see the deceit that is happening around you?

My cardinals, bishops and priests: I listen to them telling My people every day that they must judge with their conscience, that they must vote with their conscience.

Why are they afraid to tell the Truth that I have given Laws to judge right from wrong?

Look, children, and see the state that My Body, My Church, is in and understand

why I say that you must trust in Me and only Me. If you are unsure of anything then look to My Catechism, look to My Scriptures and there you will find your answer. Believe! I will guide you, if you are willing to listen. I Love you.

Saturday 5 December 2015

You do not realise how close I am to you, My children.

I hear your every word, your every thought.

Each word, each thought in My direction, I accept as prayer for prayer is talking to Me or thinking about Me, your God. This is why I say take Me with you in all that you do and say.

When you say to your brother or sister, "God Bless you," I take these words as truth and I place a Blessing, a Grace, upon that person to guide them away from harm. So, understand that you may be responsible for saving countless souls by your little prayer of love; "God Bless you" for it has guided them away from the danger of sin.

Now you see the importance of prayer, children, if a simple little prayer such as this can save a soul from being lost to the fires of hell then what will My Mother's Rosary or the Sacrifice of the Mass said for someone do?

Trust in Me, children, and become My spiritual weapons, My soldiers of Love.

Trust in Me and We, together, will begin to force the tide of darkness back from My people.

Now trust in Me and believe in your prayers for no prayer goes unanswered. When you begin to believe this, you, too, shall become a soldier of Love fighting the darkness of sin in this world. The more you believe, the stronger you will become and your faith will increase for you will begin to see the results of your prayer manifested before you as did My Disciples:

17 And the seventy-two returned with joy, saying: Lord, the devils also are subject to us in Thy name.

18 And He said to them: I saw satan like lightning falling from heaven.

19 Behold, I have given you power to tread upon serpents and scorpions and upon all the power of the enemy and nothing shall hurt you.

20 But yet rejoice not in this, that spirits are subject unto you but rejoice in this, that your names are written in heaven.

Luke 10:17-20

Understand that I train My Army once again for so much has been forgotten. Self has been allowed to take control. My priests have forgotten their role as teachers. Begin to pray for them and believe and I will be able to guide many of them back onto the Path of Truth.

And, so the Battle begins. You have My Instructions, My Army of Love, as you read these Words. Do not forget them; read them often so that you may continue to fight for My Truth.
I Love you.

Saturday

5 December 2015

Truth is what I seek from My children but this world has gone against My Truth. It spirals on a downward path that will only lead all who follow to the fires of hell.

Yes, children, hell is a real place where the fallen reside.

A place of nightmare for, lucifer wanted Me to create a place opposite to Heaven and so I give him his wishes. Do not despair, children, for no one goes to hell except those who do not wish to know Me.

I am not a cruel God.

All who have fallen short are given a chance to cleanse themselves in Purgatory, here their suffering is great for their only desire is to be in My Presence but they take their time away from Me and offer their suffering for the good of My children. They redeem themselves by their sacrifice.

Offer many prayers for them, that their time of exile be shortened.

Do all things in love and remember to make your life a prayer.

Remember to say many

short prayers for those that you meet in your everyday lives.

Become a soldier of Love and begin to fight in the spiritual battle. Trust in Me and We, together, will overcome the darkness of sin.

Believe, My children.

I Love you.

Sunday 6 December 2015

Come to Me, all you who labour and are heavily burdened, and I will give you rest. The times that you now enter are times of great hardship but, do not worry for I will provide for My own.

I will show this world how it has allowed itself to be controlled by lucifer.

I will show mankind how easily he has been deceived.

Trust in Me and believe I am with you and this time will pass quickly.

Do not fear the persecution for it, too, will pass.

I have not forgotten My Promises to you. This earth belongs to Me, as does all creation. You do not understand it but soon, it, too, shall come to aid My Remnant for, all My Creation recognises those who walk with the Creator of All.

Trust, My children, I will guide you.

I will look after My own.

You do not need to store the things of this earth to survive for I will provide all that you need.

Trust only in Me, your God,

and We, together, will enter the Promised Land.

Trust in Me, My children.

I Love you.

Monday 7 December 2015

This Message is a personal one given to the two Patricks but they thought that everyone could benefit from reading it.
Trust in Me and only Me.

Believe that I have called you to this Mission.

I tell you the Truth, My sons, you are about to break through and all will begin.

When you truly realise that I am Real and with you then all will change and I will come to you in a new way and this world will be shocked at My Power. This world must be brought to realise how powerless it is in the events that will take place.

I will show this world what the Power of Creation means.

I will show them how powerless they really are. They have walked far from Me in free will; they have denied Me and those who follow Me but, I will show all how wrong they have been.

The Power of Miracles is nothing, compared to what I will bring to bear on this earth. No one really understands the Power of Creation; no one understands what it means to be the Creator of All but I will show them through you, My sons, for you have listened and so, when I bring both halves of My Jewel

together, this world will be shocked for the Power of the Creator shall shine forth and all creation shall obey. Trust in Me, My sons, trust in Me, your God, and believe that I am with you. Trust, My sons, and do not allow fear to control you. Trust in Me, your God and Friend, and allow Me to enter the temple of your heart, My temple, within you and trust. We will bring an end to the freedom that they who do not follow Me have now. They will know that I am not a dead God and they will shake when they realise that I will not allow them freedom to destroy My Ways, My Laws. Trust in Me, My sons, trust! I Love you.

**Wednesday
9 December 2015**

My children, My children, listen to My calls, My Warnings. Time is short and you have not prepared for My Coming. Unless you begin the Journey by dying to self, you cannot see or understand My Ways. Fight against the desires of self and remove sin from your lives. It is only by dying to sin that the wealth of understanding will come to you. If you prepare, NOW, when My Spirit of Truth comes, all will become simple and your faith and understanding will increase beyond your dreams.

Trust in Me, My children, and believe that I prepare you for what is to come but, if you do not listen, then how can I help? Look at My Words thus far: are they not coming to pass? I have told you of the corruption within My Church and now it begins to reveal itself. Trust in Me and believe! Prepare for little time is left. I Love you.

Friday 11 December 2015

Believe in the Words that I speak and see the events of this world speed up as it runs ever further from Me. See how I have already Warned you of these things. See how Rome is no longer the place where My Love, My Peace, My Truth, is spread out into this world. Rather, now, it preaches a gospel of lies. Its walls, its streets, are filled with the servants of lucifer. Oh, Rome! You shall pay for your betrayal; you shall be shattered and not even a stone upon a stone shall mark your existence! Your greed, your lies and your betrayal shall be your downfall and you shall be cleansed from the face of this earth. You shall be known as the "City of Betrayers where My own turned against Me in their lust for power and wealth." Woe to you and your inhabitants for your days are numbered!

Come away now from your evil ways and repent while there is still time or I will bring My Power to bear upon you as I did with the cities of Sodom and Gomorrah. Trust in Me and My Mercy and My Forgiveness will be yours. Continue with your false Mercy and these Words will seal your fate. Trust in Me and only Me for time is short. I Love you, My children. I Love you.

Friday 11 December 2015

Trust in Me, My children, and believe in the Messages I have given to you throughout this world. Look, children, you argue about Messages. Why? Do they all not speak the same Words? You are looking for false prophets: I will tell you who the false prophets are so you will know. The internet, television, all kinds of media that preach a false gospel; every priest, bishop, cardinal, nun, brother and layperson that speaks a different gospel than Mine and I also mean those who preach a watered-down gospel. Sin is sin and it cannot be accepted into the Kingdom of Heaven. I am the Truth, the Way and the Life and I will not accept the false mercy that My Church promotes. If you want My Mercy

then you must be willing to repent of your sin.

But, now, My Church promotes a gospel of non-repentance and false mercy where all are accepted, sin and all.

Sin is darkness and cannot dwell within the Light.

Look and see the Truth, the "man of perdition," "the man of lies" stalks the corridors of My Church and only My Remnant will recognise him and his lies. He cannot see what he is doing in his lies and deceit but he is separating the wheat from the chaff, the liars, the deceivers, who are willing to accept compromise, from My Remnant.

Prepare, My children, Our Time approaches, when We shall show ourselves for, yes, you will be empowered with My Spirit and We, together, shall go out to find the lost sheep before the Hand of Justice cleanses this earth of all that is evil.

Trust in Me, trust in the Words that I give to you through My Prophets, Seers and Visionaries.

Trust in My Guiding Words. Repent of your sin and come, follow Me in Truth and We, together, will help the fallen children who are willing to listen.

Prepare, now, children, little time is left and Our Time approaches rapidly.

Believe, trust, have faith in Me.

I Love you.

Friday 11 December 2015

Come to Me, all you who labour and are heavily burdened, and I will give you rest from this world of lies.

Children, seek Me in this time of need and see the Words that I speak.

See the danger that you are in.

Do not get caught up in the great deception for you will become lost to Me.

See, My children, I Warn you of the danger.

I Warn you of the great deception where all are accepted into My Truth even those who are not of Me, those who have given themselves over to the lies of lucifer.

My Truth is repentance and love.

I do not accept sin for it is not of My Kingdom.

I do not accept those who are unwilling to change for their kingdom is that of hell. You are being deceived by the liars and cheats, those who would preach a false gospel of lies and call it Mine.

My Words do not change: the wages of sin is the eternal fires of hell.

Do not be taken in by this new gospel of false mercy.

Be Warned, children, and stay vigilant in this time of tribulation.

I will look after those who turn to Me in Truth. I will guide you through this time of sin, this time of darkness. Trust in Me, your God, and do not accept sin as being

Truth.

I Love you.

Monday

14 December 2015

Trust in Me, My children, trust in My Laws.

Be assured that I am with you.

Do not allow yourself to become deceived in these times; do not allow self to guide you on a path of compromise. My Laws do not change, children. Yes, you hear many in these times say that My Church must move with the times but, I tell you the Truth, you must die to self and accept My Laws for I will not change for your modern times.

If you wish to enter the Kingdom of Heaven then die to self, renounce sin, repent and come follow Me. You hear a false gospel being taught in these times where sin is not mentioned, where hell is not mentioned yet, these things are a reality and must be fought against. Where are My true servants who teach the Truth, who teach the danger of sin?

Unrepentant sin is darkness and cannot enter the Kingdom of Heaven.

Read My Gospels and see that I Taught that sin must be repented of before you can enter the Kingdom of your God.

Look at the Words of Garabandal; see how My Mother Warned you of the things that are happening now.

Look in Truth, My children, My Prophets cry out to you; they give you the Words that I give to them yet, still this world runs headlong into its own destruction. Everywhere I look, My followers are being persecuted and the greatest persecution comes from within the walls of My Church. Those who are in power are destroying My Truth with the lies of lucifer. Wake up, My children, and see the Truth!

I have already told you of these things, read the Words of Scripture. See, the father of lies has placed many within My Church in order to destroy it; the man of sin, the deceiver, walks freely within My Church and very few recognise his footsteps.

Scripture is being fulfilled in these days and, soon, the Father of All will put an end to the lies, the deceit. He will cleanse My Church and it shall shine bright once again with My Truth. Great joy shall be felt for it shall be a humble Church of Love. No more will its leaders seek the wealth and power of this world but they shall be humble servants of their God.

I tell you the Truth, children, these false leaders are about to destroy My Truth with their lies. They preach a false mercy, a false love and a false compassion in order to deceive My people into walking the path of lies.

Soon now, they will set out

to destroy My Prophets, Visionaries and Seers but, I tell you the Truth, they only walk the path of their own destruction.

Believe in the Words of My Mother for these Words have been given to Her to Warn you of what is to come. She has given many Words throughout the countries of this world but, very few have believed Her Warnings.

Trust in Me, My children, trust in the Words that I give to you for these Words come from the depths of My Heart; these Words are My Love for you, My little ones.

I Warn you of what is to come and what is happening so that you will remain safe in Me. Much death and destruction will come upon the countries of this world because of the sins of mankind but, I tell you the Truth, I will look after My Remnant, those who have chosen to listen and follow Me in Truth for they will carry My Truth into the Era of Peace that I will bestow upon this earth. Trust in Me, children, trust in My Love for you and do not fear the events that will take place but know your God is with you, guiding your every footstep.

Trust in Me, My little ones, I Love you.

Monday
14 December 2015
From Mary

Trust in the Words of My

Son, My children, and look anew at the Words that have been given. My Son has given Me many Words to spread throughout the countries of this world.

Be at peace and know that your Mother is with you.

I will not leave you, My children, but the Hand of the Father is about to strike mankind for his betrayal of the Ways of Truth.

Be at peace, little Remnant of Love, for your God watches over you, you are His children, you are My children and We will not desert you in your time of need.

Trust in the Words of My Son, Jesus, and know that He is with you every second of every day. Think of Him in your daily lives and know that He is with you, listening to your every thought, your every word. He cherishes you with a Love that you cannot comprehend.

Children, you who follow Him in Truth, will know the Joys of His Love. When the great tribulation comes to an end, you shall experience a Peace, a Love that is beyond your comprehension.

Trust in My Son, My children, trust in His Words of Truth for they are your Guiding Light that will lead you through these times of sin.

Trust in Me, My little ones, for you are My children and I am your Mother.

I Love you.

Tuesday

15 December 2015

What is Truth, My children?
What is My Truth in your lives?

You allow the serpents of doubt to tease and tempt you into a false way.

Those who seek not My Truth, and all of My Truth, do you no favours. Instead, they lead you into a den of vipers that tear your faith in Me apart.

What is your truth, My children?

Are your thoughts of Me when you are alone?

Or is your faith in the stars and in your own strength, received into the world when Adam and his wife were thrown from Paradise?

There are those who serve Me in Truth.

There are those who serve me with lying lips and forked tongues.

Which are you?

41 Jesus said to them:

If you were blind, you should not have sin: but now you say: "We see."

Your sin remains.

John 9:41

Tuesday

15 December 2015

My children, My Army of Love, My Remnant, I call to you! Be ready!

The time is here when each little act of love that you do is necessary. Do not despair when they do not listen to your words for words are

not what they need. They need your action, your acts of love, to show them that I am Alive, that I am not a dead God as they presume. The lights of this world shine brighter to them than yours do.

Shine, My children, shine:

14 "You are the light of the world: a city that is set on a hill cannot be hidden.

15 Nor do they light a lamp and put it under a basket but on a lamp stand and it gives light to all who are in the house.

16 Let your light so shine before men that they may see your good works and glorify your Father in Heaven.

Matthew 5:14-16

Look up to Me, the Light that shines true:

12 Then Jesus spoke to them again, saying, "I am the Light of the World. He who follows Me shall not walk in darkness but have the Light of Life."

John 8:12

Thursday

17 December 2015

Trust in Me, My children, and do not be afraid.

Do not allow fear and worry to hold you back from Me but, rather, place your trust in Me and believe in the Words I give to you.

Read My Gospel. Read a little each day and learn to live it.

Trust, children, trust in My Love for you.

Believe in Me!

I Love you!

Go out into this world and show it that you are a follower of Mine. Have patience with all that you meet and show My Love to them through kindness. A simple smile is all that My children need many times to heal a heart that is in turmoil.

Trust in Me and bring Love back into an ever darkening world of unlove.

Believe, trust and We, together, will change this world.

Trust!

I Love you.

Thursday

17 December 2015

Children, look at My Words. See the Gift that I have given to you in them.

See the Path of Righteousness that stretches out before you, the Path that leads to the Kingdom of Heaven.

Hold on, My children, and stay faithful to Me in these times of great darkness where sin is being promulgated at an ever increasing rate.

See how these Words of Mine are your Guiding Light that will lead you through these times of darkness. I say, hold on, My little children, and do not allow yourselves to become caught up by the glitter, the lies of this world. Rather, trust in Me, your God, and believe that one day you will be with Me in the Kingdom of Our Father.

Trust in Me, My beloved little flock, as I guide you through the turmoil of this world.

Praise the Lord, Our God, praise Him who created all things in His likeness and be patient, little flock, for I am Coming to break the fetters of this world.

I Love you.

Saturday 19 December 2015

Trust in Me, My children, and do not be afraid to walk this Path with Me.

Do not allow self freedom for it will only direct you on the path of sin.

Trust in Me, your God, for your time on this earth is but a trial where you decide whether you want to be in the Kingdom of Your Father or not.

Do not be afraid to walk this Path with Me for it will lead to the Kingdom of God where you will live eternally in the Joy, the Peace and the Love of Your Father.

I tell you, children, you will never feel bored in the Kingdom of Heaven; this thought will never enter your mind. There are no human words to explain what awaits you: its beauty is beyond compare. Never will you be able to explore its Mysteries for, as your life will be eternal, so is the Kingdom of Heaven. It has no beginning and no end. This you cannot understand but you will when you are with Me in the Kingdom of Our Father.

Trust in Me, children, and believe in the Words that I give to you for they are your lifeline in these days of darkness, these days of sin.

Trust in Me, My beloved children, for I, your God, will not desert you.

Trust in Me, I Love you.

Sunday 20 December 2015

My people, I Come to free you from the burdens, the chains of this world, I Come to give New Life to those who are willing to listen to My calls, My promptings.

Trust in Me, My children, and walk this Path of Truth with Me, your God.

Love all My children, pray for My children - your brothers and sisters - and do not let gossip or bad thoughts enter your minds for these are the promptings of the evil one as he tries to get you to spread unlove into this world.

Fight the thoughts, children, do not give him a foothold in you for he will only guide you deeper and deeper into the darkness, the blindness of sin.

Trust in Me and believe! I come to guide you into a New Life in Me where you will find Peace in Me from the turmoil of this life. Understand that I am with you, guiding you upon this Path of Truth where you will begin to see the world in a different light. You will begin to see this world as I see it, a place where My children undergo a trial of

free will, a place where all are given a choice whether to follow good or evil.

Trust in Me and you will become a guide that will help My people make their choice for Me.

Trust in Me for there is the ability in all My children to do good or evil as you can see in this world. Help them to come to know Me so that they will come to know Me in Truth and so go on to Eternal Life in the Kingdom of Our Father in Heaven.

I need your help, children, I need you to become a worker in the Vineyard of Love.

Trust in Me.

I Love you.

Sunday 20 December 2015

Look always to the Truth, children, and do not fear for I, the Lord, your God, am with you, looking after you, guiding you, prompting you, when you make the decision to follow Me. This is why I say trust in Me, believe in the prayers that you say, believe in what you ask for.

Do not ask for things that are not necessary, children, but ask for the things that are necessary and believe.

Remember, I am a Just God and you are My children. I will not leave you orphans.

I will not lead you into hardship or trials in the way that this world advertises.

It advertises Me as a harsh and cruel God.

I am your Father, you are

My children.
I am a God of Love not a
God of darkness.

You blame Me on much
but you do not look at the
Truth: the peoples of this
world give lucifer the power
to create great evil by their
sin. It is he that starts the
wars, murder, rape, lust
and lust for power and then
you wonder why there are
calamities, disasters in this
world.

Look, children, look at what
you give him: you murder
your own children in their
mothers' wombs.

You sacrifice your own
children to him at an ever
increasing rate and then
you wonder why there is so
much evil in this world.

Look, My children, look
and see the truth of what is
happening around you. You
are giving lucifer the power
to destroy this world in your
own free will and then you
blame it on Me.

Oh blind and foolish
generation!

How I struggle to guide you
on the Path of Truth!

I have sent you teachers,
Prophets, Visionaries and
Seers to Warn you of what
is happening but you ignore
them, laugh at them and
think that they are insane.

Can you not see what you
are doing?

You are forcing the Hand of
your God for I will not allow
this generation to destroy all
that I have created.

I will not allow this
generation to destroy My
Remnant who still follow

Me in Truth.

You are signing your own
death warrant by your evil
deeds.

Wake up and see the Truth:
repent of your sin and come
follow Me in Truth.

I Died upon the Cross so that
you could have Forgiveness.
Do not let My Death be in
vain for you, My child, as
you read these Words of
Truth.

Do not allow yourself to
follow the desires of self
that only lead to eternal
damnation.

You are My child and I Love
you.

Come back to Me for there
is little time left.

I Love you.

Monday

21 December 2015

My children, see the Truth
in the Words I give to you.
Understand that I am
guiding you.

You must begin to
understand and know the
most important thing to
do in this life is to prepare
for eternity. Eternity is
everything for eternity is
when Life truly begins.
This life on this earth is to
prove to Me, in your free
will, whether you really
want to live in the Kingdom
of Heaven or not. If you
want to live in the Kingdom
of Heaven then you must
prove it by the way you live
your life on this earth.

If you do not fight against
self then you will not fight
against sin and so you will
choose hell when you stand

before Me for you will
become angry and blame
Me for your sin for you will
not admit to Me or yourself
that you wasted your life
on the foolish glitter of
this world. You will cast
yourselves into hell in your
rage in order to hurt Me for
you will know that this is the
only way to fulfil your angry
and self-righteous desires.

So, children, fight against
self now so that you will learn
humility and understand
that My only desire is that
you be with Me in the
Kingdom of Heaven. If you
learn humility then you will
admit your sin and ask for
Forgiveness and accept it.

Trust in Me, you are My
children and My only wish is
that all My children be with
Me for all eternity. Trust in
Me.

I Love you.

Tuesday

22 December 2015

Trust in Me, My children,
believe that I am calling you
closer to Me through these
Words of Truth for, soon, I
will call you to a new level of
faith in Me; a faith of action
where I will call you out of
your complacency and you
will begin to defend My
Truth with your very lives.

You will show this world
that I am not a dead God
but that I Live in you.

You will show this world
that My Power is not lost
for, by your actions, they
will know that you are a
follower of Mine.

You will become My

Remnant and My Church will live on in you and the cancer that is destroying My Church at this time will be destroyed with My Truth.

Trust in Me and believe that I am with you, preparing you for the 'Time of Battle' where We, together, will reclaim that that was lost because of the lies and greed of those who govern My Church.

Truth will cleanse all the lies that mar its corridors and those deceivers will be ejected from its doors and all will return to the Church of Humility that I first gave to My servant, Peter.

Trust in Me, children, and believe My Words will be fulfilled: My Prophets shall sing My Words of Truth to the four corners of this earth.

Trust in Me, My Love is coming to you, you shall know and feel My Spirit as He rests upon you.

Trust, children, the Day of Truth is soon upon you.

Trust in Me.

I Love you.

Tuesday

22 December 2015

Come, beloved children of My Heart, and take on the Words of Truth that I give to you for I have given much so that these Words be relayed to you.

Soon, you shall see a great sign that will signify the end of man's freedom to destroy My Truth.

Look to the heavens and, when you see the heavenly

bodies at unrest, you will know that the Day of Truth has come.

The Battle of Love will commence and We, together, shall reclaim that that has been stolen through the lies, the deceit of this world.

Lucifer shall fall from power and those that have glorified him shall be cast into the pit for it is they who listened to his lies and promoted them throughout this world. Yes, they have freedom now and it looks as though they cannot be stopped but, I tell you the Truth, their days are numbered and their rule of deception is coming to an end. My Truth shall slay many in this time; there shall be great turmoil upon this earth as those deceivers struggle to hold on to that that slips away from them.

I tell you the Truth, My children, I will bring this earth to its knees and the deceivers will have nowhere to hide: those who have refused to listen to My Truth, those that only think of their own selfish desires.

Trust in Me, My children, for your Freedom is at hand.

I, your God, Come to rescue you from the persecution of the unrighteous. They have placed many burdens upon you but they shall be repaid a hundredfold as they watch their kingdom of sin fall apart before their eyes.

Trust in Me, My beloved children, the Day of your God is at hand.

Prepare, now, before it is

too late.

I Love you.

Tuesday

22 December 2015

Let Love enter you.

I am Love, let Me enter your heart for I am meek and humble of Heart and I wish to give you My Love.

Throw away the selfishness that clings to you for I cannot penetrate it.

Instead, clothe yourself in the Love that Burns in My Heart for you.

You have heard it said that God Loves you but, have you known it?

Have you found that Love within you?

Have you allowed that Love to enter your heart?

Because to you it is given to know the mysteries of the Kingdom of Heaven but to them it is not given.

Matthew 13:11

Look around you, you who hear My Words, those of you who are My sheep and hear My Words, look around you.

Love has grown cold because you, who are My children, have allowed it to. Your life is not in My Hands because you are not alive in Me: trusting Me, loving Me, living Me.

These simple things that I speak with you are the very mysteries of Heaven.

Love is not found in revenge, My children, nor is it found in gossip or in hatred. It is not found in closing your door and feeling safe.

No! It is found only through

the giving of yourself and ALL of yourself.

In these days, Love is cold because it lives only in your heart, locked up by the walls of self.

I tell you the Truth: My Love can only be found in the giving of all of your self; in the reaching out to those who do not know how to Love; in your acts of Love in My Name; in your putting Love first.

My Love is found in those who are selfless. My Love is not in those who only seek self for self is the enemy of My Love.

13 And you will seek Me and find Me, when you search for Me with all your heart.

Jeremiah 29:13

Tuesday

22 December 2015

Trust in Me, believe in Me, have faith in the Words that I give to you for these Words are what will guide you through this time of darkness. These Words I give out of the depth of My Love.

Realise, children, you are surrounded by deceivers.

If you knew the web of lies that has been spun across the countries of this world, you would fear to venture out of your homes.

Trust in Me, children, for I Come with My winnowing fan and I will separate the grain from the chaff and, their web of lies, their deceit will collapse around them

and they shall be uncovered for all to see.

Trust in Me, My children, this Battle is not lost but, I simply allow those deceivers to entangle themselves in their own lies. Be patient, My children, and stay close to Me: stay close to My Truth, read My Gospels and know My Ways, read My Commandments and know My Truth.

Love one another.

Love all those that you meet; speak ill of no one and you shall become a light in this world that shines forth My Love.

Believe, My little ones, believe and be patient a little longer for I am about to reveal what has been hidden from the deceivers and, when I reveal My witnesses of truth, they shall shatter the darkness with the Power of My Love and My Justice.

Trust in Me, your God, I Love you.

Wednesday

23 December 2015

Trust in Me, My children, I say trust in Me and believe for there is little time left. If you do not trust in these Words then trust in My Gospels, trust in My Commandments and believe them and live them; do not allow anyone to deceive you with their liberal teachings for I do not change. I do not bend My Laws for anyone.

I am the same yesterday, today and forever: I do not

change just because man wishes to follow a path of sin in his modern day thinking.

Look at the Truth, children, you are being bullied into believing that sins such as homosexuality are normal for, if you disagree then you are the odd one out and the crowd will turn on you. So, even those who disagree with these sins allow fear of retribution to keep them in silence.

But, I tell you the Truth, all bullies fall and this, too, will fall and there will be terrible retribution because man has allowed love to grow cold and so lucifer can control mankind easily.

Wait and see, children, lucifer has so many plans to destroy you. Your modern day thinking is only a plan of lucifer to entrap you so that he can destroy you by your own deeds. he is a deceiver!

Look! You accept men as being women and women as being men but you only accept this because you fear to disagree. he is corralling you into a revolution and he will ignite the spark of anger against the bullies that he created.

Remember, he is the father of lies, the great deceiver and all he wishes to do is destroy you, My creation. Trust only in Me and believe; do not allow yourselves to be caught up in his deception but follow Me, in Truth. Follow in My Footsteps and do not listen to anyone who tries to teach

you a new path for My Path does not change.
I always remain the same.
I Love you.

**Wednesday
23 December 2015**

Strive, children, to enter the narrow gate, strive to follow My Commandments and you shall find New Life in Me.

Come, children, and follow in My Footsteps, the Footsteps that lead to Life Eternal.

Trust in Me, My children, for there is nothing in this world that does not decay, turn to dust and disappear but, when you gather treasure in Heaven, it lives on for all eternity.

Use your time in this life to prepare for the next for that is when Life truly begins.

Trust in Me and believe for, the more you believe, the more you will understand, the more faith you will gain and then My Spirit will begin to work through you and miracles will be seen once again.

So, trust in Me, My children, and follow the Path of Truth that I place before you and you will see the Power of your God as I use you to help My children who are in need.

Trust in Me and believe, die to self and your Journey will begin in earnest.

Trust in Me.
I Love you.

**Thursday
24 December 2015**

I give you these Words at this time because I fear for you, My children. So few of you are listening, so few of you even read these Words in truth; so few are willing to take on My Truth and live it.

I tell you the Truth, if there were not the few who listen and try to live My Words then I would not be able to stop the destruction of this world but, because of these few, I will save this earth.

Wake up, generation, and see the Truth! Your lives are so short! Feel your own spirit: you know you will live on after death, you know when you die on this earth it is not the end but it is the beginning. So why do you insist on living your lives without Me?

Because, children, lucifer has given you a lie and you have believed him.

he has made Me unpopular and you have believed him.

Look, you can talk about anything and all will listen but, if you mention Me, all want to get away or become angry and begin to argue and blame Me for starting wars, disasters, abuse in My Church but no one sees that it is lucifer doing these things in order to destroy both you and My Church.

Remember, I do not need to be defended because I AM.

It is you who need to be defended; I defend you through these Words; I

defend this world because of the few who follow Me. I will not let My Remnant be punished for the sins of those who do not listen.

Trust in Me, My children, for I will protect those who follow Me in this time.

Trust in Me.
I Love you.

**Thursday
24 December 2015**

Come to Me, My beloved children, and I will give you rest.

Do not listen to the liars of this world who spread the seeds of lucifer so freely. Be patient and strong in Me and know that I have already told you. I have already Warned you of the things that will happen.

Be patient and stay strong, My little Remnant, for I am Coming to give you freedom from the lies, the deceit that lucifer has spread freely throughout this world. This is a 'Time of Cleansing,' a 'Time of Strengthening' when My Church will rise once again from the ashes of that that was tainted by lucifer.

Be patient, My little Remnant, and know that My Church will shine bright once again. It will be a Church of humility and love where the servants of Love will look after My flock in Truth. No more will they think of themselves, no more will they look to the lustre of this world.

You, My priests, I speak to you in Truth, you, who hold

on to My Truth, you who can see the great deception that takes place within My Church; be patient a little longer. Be gentle as a dove and cunning as a fox and ride the rapids of this storm for it will pass.

You know I have told this world within My Scriptures about this generation. You can see the Truth of what is happening for I have placed it within your hearts.

You are the remnant of the servants of My Church: pray for your brothers and sisters who have been blinded by the lies of lucifer, that they may come to see and recognise the Truth before it is too late.

Be patient for all is culminating and My Truth will win this Battle for I am the same yesterday, today and forever. This world has allowed itself to become blinded by self and so it falls easily into the traps of lucifer.

Be patient, My Remnant, pray for your brothers and sisters, pray that they may be enlightened by My Truth in this time of strengthening, of cleansing.

Pray, My children, pray.
I Love you.

Friday 25 December 2015 **Christmas Day**

Look and see as the Words that I speak come to pass. Trust in Me, My children, and allow Me to guide you through these times of great sin.
Do not trust in anyone who

would tell you a different gospel.

Do not listen to those who would tell you that you must change with the times for you know I do not change.

Trust in Me, My children, trust in Me, your God, and believe in the Words I give to you through My Prophets of Love for these are the Words of Life Eternal for these times you now live in. Believe, children, for I Come.

I say, again and again, read the signs of your times and believe in what I say.

Trust in Me.

I Love you.

Saturday **26 December 2015**

Trust in Me and believe for I am preparing you in these Words for what is to come.

Trust in Me, My children, and believe for I am a real God, a God of Truth and I cannot be defeated for I am the Creator of All. So, trust in Me and believe, walk this Path and you will see this Battle come to an end. You will see lucifer fall from power in those who he controls at this time - and there are many - and very few who are prepared to follow Me.

But, very soon, I shall reclaim many of those who have been stolen from Me in the lies, the deceit, of this world. I will not allow lucifer to steal so many souls by the blindness of the glitter he has spread into this world.

Trust in Me, children, and prepare for I will not allow so many of your brothers and sisters to be lost by deceitful means.

I am Coming, children, prepare for time is short.

Trust in Me!

I Love you.

Sunday **27 December 2015**

Trust in Me and do not fear but believe that I am guiding you away from the darkness of this world, that it has surrounded itself with. Trust only in Me, My children, and believe that I am with you, ever guiding you.

Feel Me within, you know that I am Present within your hearts: find Me.

Trust in Me and know that, the more you trust, the stronger you become, the more I will be able to use you to help your brothers and sisters who are in need. My children, you do not see as I see but there is so much lies and deceit that if it were visible to the human eye it would darken the skies so much so that you would not see the sun.

Believe I will Come and cleanse the darkness for mankind has allowed greed and lust to overcome him to the point of blindness and so many will not return from their sin, they will not listen for they have allowed themselves to walk, in free will, into the lies and deceit of lucifer. These are the ones who have seen

and know what they are doing and so have given themselves over to lucifer and his ways.

Trust in Me, My children, and believe that I am with you and will guide you away from the all-consuming darkness of sin that surrounds this world.

Trust in Me.

I Love you.

**Monday
28 December 2015**

This Love that I speak of is a Fire, a Fire of Love that consumes those who search deeply in their hearts for it.

26 Jesus answered them and said: Amen, amen I say to you, you seek Me, not because you have seen miracles but because you did eat of the loaves and were filled.

John 6:26

This Love that I bear, seeks you, My children: I seek you to show you My Love. You could not know what the Love I speak of is.

44 No man can come to Me, except the Father, who hath sent Me, draw him and I will raise him up in the last day.

John 6:44

And on that Day you will know My Love for My Love is already in you and you will recognise it.

For now, as you await that Day, seek Me with all your heart.

12 Then you will call upon Me and go and pray to Me and I will listen to you.

13 And you will seek Me

and find Me, when you search for Me with all your heart.

Jeremiah 29:12-13

I am calling all of My children to seek Me and find Me, while I am to be found. I come in these Words to make you new for I make all things new. This is the time to seek Me, while I am to be found.

Let this Fire, that is My Love, consume you for My Heart is Love.

**Monday
28 December 2015**

My children, I am calling you to New Life in Me. I am calling you to believe in the Power of your God. I am asking you to believe in the Power of Miracles for you have forgotten that I left My Name for you to use. But, if you do not believe or have faith in the Power, the Power of My Name, then it is useless to you.

Unless you believe then I cannot Work through you. Believe, My children, believe in the Words I give to you in these times for therein lies the key to unlock the Power once again.

Remember, the wheat grain must fall into the ground and die before it produces fruit and you must do likewise. You must die to the desires of self.

Remember, 'need and not greed' and you will understand the meaning of Life in Me.

Trust in Me: if you move

towards Me then I will guide, I will help you to understand the Journey you undertake.

Trust in Me: begin by coming to Me in prayer and your Journey will begin.

Trust in Me, My children.

I Love you.

**Tuesday
29 December 2015**

Trust in Me, My children, and believe in My Sacraments for they are your Truth in these times.

The evil one is trying to diminish My Sacraments in order to destroy My Church. he tries to destroy My Truth in order to destroy you, My people.

Look, I have Warned you of these things many times but still you ignore My Warnings.

My children, hold on to My Truth; learn it now while you still have time for, soon, My Truth will be hard to recognise because of the false truths that lucifer is spreading throughout My Church.

Trust in Me now and begin to understand that you have little time left to prepare.

Trust in Me, I say, trust in Me!

Listen to and believe in these Words for, trusting in Me will guide you through the dangers that are to come.

Only those who truly trust in Me will survive the many trials that are to come.

Believe, children, I am helping you, preparing you, in the Words I give to

you through My Prophets throughout this world.
Trust in Me.
I Love you.

Tuesday

29 December 2015

Come to Me, My children, come to Me in this, your time of need and believe. I am with you, My children, I do not leave you.

Trust in Me, your God, and know the times that you now live in.

It is about to begin: the time when I will reclaim those that have been stolen from Me by the lies, the deceit, that lucifer has spread into this world. I can see the deceivers; I can see what they do as they slowly break the will of My people to fight by spreading confusion and lies.

I have prepared an Army of Love throughout this world whom I shall empower with My Spirit and, soon, they shall rise against the deceivers and show their deception in the Light of My Truth for these deceivers are spread throughout all parts of your society and throughout My Church. They think they are hidden but, they cannot hide from Me.

I will show them to this world and they shall be seen in their true light.

Prepare, children, for My Coming and do not be afraid for the 'Time of Truth' is at hand when this world shall recognise what it has done, how it has deserted Me and

followed the lies of lucifer. Sin is sin, children, I do not accept sin and those who try to justify sin as Truth are on the road to hell if they do not repent.

See these Words as Truth! You can read their meaning in My Gospels for I do not change My Words, I do not change My Laws: I do not change.

Soon, you will see these Words come to pass, as do many of the Words I have already spoken come to pass.

Trust in Me, trust in My Words, trust in My Laws and Eternal Life shall be yours.

Trust, children, trust!
I Love you.

Thursday

31 December 2015

Look to the Truth and see the Truth in the Words that I speak.

I prepare you, My children, I prepare you for the great deception for the deceiver is hard at work. The man of lies, the one who has given himself over to the lies of this world, he prepares to destroy all that I have built. I have already told you of these things.

I have already told you of his rise to power.

It is up to you, My children, to search for the Truth and recognise the times that you now live in. I will not force you but, I do Warn you that, if you do not prepare, you too shall be thrown into great confusion and could

be swept away in the tide of lies that he will unleash upon this earth.

I speak many Words to you in this time for there is little time left for you to prepare.

The enemy is at the gate, children, and you have not bolstered your defences in preparation for the Battle that is about to take place.

I say again and again prepare! Prepare! Prepare! You must begin to trust in Me, your God.

The more that you trust, the more you will understand, the more able you will be to run the rapids that are before you.

I give these Words from the deepest Love of My Heart; they are your lifeline, the lifeline that will lead you to Safe Refuge.

Children, do you not realise that if you read My Gospels, My Scriptures, you will be empowered with My Knowledge? I do not speak new Words through My Prophets but I simply speak in a way that you can understand in these times.

These are not new Words but they are the Words I have already spoken to you a thousand times before.

Wake up, My little ones, and see the Truth!

I am a God of Love.

I am a God of Mercy.

I am a God of Forgiveness.

But, I am also a God of Justice and the blood of the innocent cries out to Me every day, louder and louder, for Justice.

You blind and foolish

generation! Can you not see that the Father of All is about to touch this earth for you are destroying all that He has created through your selfish greedy sinful lives?

Do you not realise that sin is darkness and it is sin that is destroying this world?

Look around you: there are famines, earthquakes, floods, wars and rumours of wars; love has grown cold and I am being denounced as a false God, whereas, the false gods are being heralded as truth!

The gods of self reign over you!

Oh, My people, My people! Can you not see what you call down upon yourselves in your blindness?

The blood of the innocent shall be poured out upon creation and only those who have tried to follow Me in Truth will survive this great and terrible chastisement. The Armies of Heaven stand in silence and await the command of the FATHER, to cleanse all evil from His Creation.

Wake up, children, wake up and prepare for these are the last Warnings of your God. Soon it shall be too late for many of you for you shall walk so far into the blindness of lucifer's lies that you will not return to Me but you shall begin to justify your sin and blame Me, your God, as being cruel and evil.

Oh, My people, My people! Wake up, I say, wake up

and begin to fight against the desires of self.

Begin to see the Truth and know that I am with you, ever Loving, ever guiding, ever protecting you from the evil entrapments of the father of lies.

I Love you.

Prepare!

Thursday

31 December 2015

Trust in Me, My children, you enter a new time period when you will see many changes, where I will show this world how it has been deceived and how mankind has allowed himself to be blinded and drawn away from Me. I will show all how they have allowed the lies of lucifer to take them away from the Path of Righteousness and follow a path of self.

You have allowed love to grow cold and now live in fear of those around you.

You fear what others think of you.

You fear to help those around you.

You have allowed lucifer to sow the seeds of fear in all parts of your lives and, so, he can control you for you fear to speak out against that that you know is wrong and, so, sin is freely accepted in your lives and, so, in your society.

Oh, you blind and foolish generation! You cannot say that you have not been Warned.

Now, I will give all mankind a Warning: I will show all

mankind the Truth and all will be given a chance to return.

The seconds tick by and so few have prepared for My Spirit.

Remember, I am God and I will Forgive a repentant soul.

This will be your final Warning then you will have a time to decide.

If mankind continues to walk from Me in sin then the Father of All will send a great chastisement that will annihilate all that has been built in pride and sin.

Prepare, creation, and come!

Prepare! These are your final Warnings before it begins.

Trust in Me, your God, trust in the Words I give to you and prepare for what is to come.

Prepare for the Spirit of Truth and you will become a Soldier of Love for He will empower those who have walked the Path of Truth and they shall go out and gather the harvest, My Remnant. Then all will be cleansed and My Remnant will experience this earth as it was meant to be. Illness shall be a thing of the past for all will understand the Power of My Spirit and all will live in peace and harmony.

Trust in Me, My children. I come to bring Good News to you who wait: your Freedom is at hand and the promoters of sin: your days are numbered, your fall

approaches.
Repent now, while you still
have time.

Your God approaches!
Prepare, die to self and
return to Me, now!

Prepare!
I Love you.

UPDATE ON APPEAL

Again we are letting you know that with Jesus' Graces and your generosity, of prayers and donations, we were able to replace the image setter in the printing department.

We are keeping the appeal open as there is an urgent need to replace other essential equipment which is very old and in poor working order.

We also feel it necessary to report that besides the great need in the printing department there is also continuing need for help with finances in the House of Prayer.

Our debt at this time of going to print is **£5,700** and we humbly request your help through prayer or financially.

We cannot apologise enough for the need to keep burdening you but as you know it is only with your continual help and openness to Jesus' Plan that we can carry on with the Work which He has set us.

If you can help financially, please consider doing so. If you are not in a position to contribute financially then do not worry, please pray and we place all our trust in Jesus. We continue to ask for everyone's much needed and appreciated prayers and a heartfelt thank you to all of you for your continued response.

Thank you for all your support,

The two Patricks and all the servants of the Sacred Heart House of Prayer.

The Shepherd's Voice

By the two Patricks

to know His Voice and learning to recognise it, to know what He is saying and carrying out that instruction. If we KNOW His Voice then we will know that it is Him and what He is saying and we will know what to do. When the

leads them out.

4 And when He brings out His own sheep, He goes before them and the sheep follow Him for they know His Voice.

5 Yet they will by no means follow a stranger but will flee from him for they do not know the voice of strangers."

John 10:2-6

God of Love

We are being told to accept homosexuality by the world at large and, it seems, by the Church, as it stands. Jesus Forgives everything, they say. You are not a follower of a God of Love if you put them down. How can you condemn them? They say. The woman who was caught in the act of adultery was Forgiven by Jesus. His Forgiveness does not mean that He accepted her way of life as to continue in her life of sin. He Forgave her as a means of letting her be free to begin again, to NOT sin anymore. The world shouts at us that we must allow these people to have relationships so that they can continue with their lives without condemnation. Jesus DID NOT say that. He said:

And Jesus said: Neither will

world says we must accept sin, because we recognise that Jesus did not say, "... you must accept sin," then we do not accept it because we know, as sheep that that is NOT the Shepherd's Voice.

Carrying out

Our preparation is not only HEARING what He is saying but carrying out what He is saying. When the world puts down everything that you believe and turns what you believe into what seems to go against God then THAT is the time to believe and DO what Jesus has prepared us for. The preparation is the distinguishing between what the world is saying and what Jesus is saying.

2 But He who enters by the door is the Shepherd of the sheep.

3 To Him, the doorkeeper opens and the sheep hear His Voice and He calls His own sheep by name and

Preparing

Jesus speaks much of 'preparing' in these latest Messages of Love; He is urging us. It is as though we are on a bus and the driver keeps shouting, "we are nearly at your stop, be ready. Make sure you have everything with you!" Or, again, we are going on holiday in six weeks time so we begin to think about what we will take with us; we prepare to go on holiday with everything we need. But, the holiday is tomorrow and we have nothing ready.

His Voice

It is like a woman who is nearing the end of her pregnancy. She does not know when the baby will come so her bag is packed and she is as ready as she will ever be. In the case of what Jesus is saying, it is NOT about having a bag packed and ready to go. It is more like getting

I condemn thee. Go, and now SIN NO MORE.

John 8:11

Knowing

So, our preparation must be in knowing what Jesus has said, in recognising the

Voice of the Shepherd so that, when He calls us, we may know that it is Him who is calling and is not a subtle changing, a mimicking of His Voice.

4..."Take heed that no one

deceives you.

5 For many will come in My Name, saying, 'I am the Christ,' and will deceive many.

Matthew 24:4-5

Christmas A joyous time?

By the two Patricks

The Truth about Christmas

To bring Truth is the Command given to us by Jesus and this is the Truth that we bring to you who would read what we say. The Truth about Christmas is somewhat lost in the annals of human thinking and blindness, lack of thought and lack of reaching out with love. Christmas has become – for many – a time of hell and a time when they learn to hate God: a time when inner suffering becomes the reality that digests all but itself. Christmas – to them - is an abrupt mercenary that tears at the Love of God within them and renders it useless. Christmas – for some – is a time to hate and not to love: it is a time of getting all that you can grab and not a time for sharing, a time for getting nothing and giving nothing. Christmas is a time when we allow

the media and the world to dictate to us the meaning of Christmas. Our children are allowed to demand of us presents — prompted by the world — that bring us and them further from God. Why has it become so?

I deserve to enjoy it

For me, Christmas is sometimes like that. As I write this article the memories flood back like unwelcome guests to invade what peace I have found. They come to threaten the Love of God within me with accusations that my happiness at this time of year is false. And it is false for I am one of those whom I accuse of falsifying Christmas by my lack of love and sharing towards others. I am one of those who, at Christmas, feel that I deserve to enjoy it even though others do not.

As a child, Christmas was a time of continual rowing

between my parents. My father was permanently drunk and inevitably waiting for any opportunity to start another row. At some stage on Christmas Eve Night our Christmas tree ended up in a sorry heap in the corner, amid many curses and fists flying to give the usual gifts of black eyes and bloodied noses. Christmas Day was no exception for the prepared dinner was fed to the ceilings or the walls and we children went hungry.

Walking the streets

Then came the proverbial Christmas exodus. My father would put my mother and us children out of the house. We became adept at finding places to shelter. We had "just in case" places and things to help us when this happened. And so we spent our Christmas either walking the streets at night or holed up in a hiding place out of my father's reach.

This went on until about 4:00 am, when he would fall asleep. Many people knew our predicament but these same doors would close to us when we needed help or a place of shelter or a meal. We could not be allowed to break into their enjoyment for Christmas is a time to enjoy yourself and maybe our misery would have marred their happiness.

Valuable lesson

I do not blame them because I learned a valuable lesson from them. I learned to be compassionate and I felt that when I grew up if they ever needed any of those things then my door would always be opened. This was the reality of my Christmas for the years of my childhood.

How many of you who read this can identify with this story? Hundreds, perhaps thousands. This was the reality that I thought was only mine and I selfishly clung to it and it gave me the excuse to believe that God didn't want me in His Life and I certainly did not want Him. All I saw was that He did not help me in these times in my life. But I was wrong.

Still there

Jesus did carry me, it was His people who were not there for me. They, like me, were the ones who selfishly believed that Christmas is a time to be enjoyed even if there is suffering in the world. It

was His people who should have shown me that Jesus was still there, even if there was great suffering in my life. Picture the scene of a happy family sitting around a table eating Christmas dinner, exchanging gifts and love. The perfect Christmas. The hard reality is that many have no dinner, no home, no parents and no love. They have no chance to love Jesus in that happy scene. They have no chance to learn because there is no one to show them. They do not know the Love of God because the people of God have been caught up in the dictates of the world and have forgotten the Gospel values and left aside the Love that Jesus came to testify to the world.

Love one another

We, the two Patricks, believe that if there is a Truth to be pointed out at this time then it is this: the reality of Christmas is a lie. The people of Jesus, with His Love, would not sit down for a meal at Christmas when they knew that others were starving, suffering and grieving. The people of Jesus have as their very inner hearts the Master's Command: "... Love one another as I have Loved you..." Their very breath is Jesus and there is no bounds to their love, there is no fear. There is only love.

Look at grief. Grief over the death of a loved one is a reality to those who

experience it.

Grief

Christmas time is a time that people remember their dead ones. It is the time when the bite of death hits hard. Many feel the bite and cannot talk or cry about it because no one wants to know, no one wants to listen to the pain inside that fights to be listened to.

The reality

The reality of Christmas is a lie because the people of Jesus think of no one but themselves and their happiness, ourselves included. Jesus came into this world to be a Light in the darkness. He came to Teach the Truth about man's selfishness. He came to tell us the Truth to our faces, with no holds barred. The truth is that while we followers of Jesus close our doors to the suffering of the world, especially at Christmas, then we make Jesus out to be a lie.

The non-believers in this world know what Jesus has said. Do they not throw this in our faces when we are confronted by them: "...Why is there suffering in the world if God is so full of Love?..." The reason, I'm ashamed to say, that there is little Love in this world is because I, a follower of Jesus, do not show it. I do not give up my Christmas dinner to let someone else have a meal; or give up my home to someone who has no home; or give the love that I lavish upon those

closest to me to someone who has no love.

Born for us

The Words of Jesus should ring like the bells of a Church within us, at a deafening pitch:

"...I was hungry and you gave Me food, I was thirsty and you gave Me drink, I was a stranger and you made me welcome, lacking clothes and you clothed Me, sick and you visited Me, in prison and you came to see Me..."

It is about Love

This is the real Truth of Christmas for it is then that we can sing to the Glory of God with the Angels that Jesus is indeed Born for us a Saviour: He is indeed a Light for all those in darkness; He is the Bread of Life, come down from Heaven to feed the world.

Christmas is not about fear, it is about Love. Many people are afraid and they do not know that Jesus

has abolished fear. It is a terrible thought to think that a child may be in fear this Christmas; fear of getting hit or fear of not getting love. For Jesus' Sake show the world on Christmas Day this year that He is Alive by doing something for those who may be in fear, or hungry, or in need. Let the world have a happy Christmas and let it be real.

YOU WILL PLEASE ME...

My children, I Love you. Remember, this season is the time of My Birth and not a time of greed. It is a time to show My Love to all men. I ask each one of you to do a kindness to someone in need and offer it to Me, unknown to anyone. This is a beginning, children, this is like taking your first step towards Me and My Ways. See those who are in need for when you help them you help Me. Remember, I am within all peoples, I dwell within all men's hearts, if you give a cup of cold water to the least of your brothers you give it to Me. Remember the festive season is about celebrating My Birth, remember Me, My children, for I am like a pauper begging you for help. You will please Me, children, if you do this for Me. I, your Jesus, Love you and I thank you. *Sunday 16 December 2007*

Christmas-and-Easter Catholics

Churches will be crowded soon with more people heading to Mass who don't regularly attend. We'll all be seeing some unfamiliar faces in the pews. And I know I'll be seeing people in the Communion line I've never seen before; some will be casual Christmas-and-Easter Catholics, some will be visitors from out of town. And inevitably, I know I'll be seeing people receive the Sacrament in some creative ways.

(In my parish, we stopped distributing the Precious Blood a couple of years ago, during one of our big flu outbreaks and the practice was never restored.)

Reverently and irreverently
People will debate this until the Second Coming but the fact remains: reverent

10 Things to Remember When Receiving Communion

By Deacon Greg Kandra

reception of the Body of Christ goes far beyond kneeling vs. standing or tongue vs. hand. I've seen people receive reverently and irreverently in every way imaginable. Attitude is everything. Catechesis matters. So does local custom.

Don't do this:

But whatever you do, don't do this:

1. Don't hold out your hand if you don't want to receive in the hand. This happened to me recently. The guy in the Communion line nearly fell over trying to bend down and get the host with his mouth before it landed on his hand. I had to stop him. "What do you want to do?," I asked. He sheepishly grinned and held out his hand. "Sorry," he whispered.

2. If you receive in the hand, no gloves.

3. If you receive on the tongue, no biting. Please.

4. No mints or lozenges during Mass. I've given Communion to people on the tongue and couldn't help but notice what appeared to be colourful stains left by cough drops.

5. Remember: you are receiving Communion, not taking it. Don't reach up and grab the Host. (A priest I know refers to these communicants as "The Body Snatchers.")

And do:

1. While in line, reflect on what you are doing and why—and Whom you are about to receive.

2. Make yourself open to awe. Let's face it: this is awesome.

3. Consume the Body of Christ then and there. Don't grab and go. I've lost count of the number of people I've had to stop because they walked away with the Host before consuming it.

4. Allow yourself to be changed - and to grow in Grace. A familiar hymn says "we become what we receive." Think about that. (Again: this is awesome.)

5. Never forget: People died so we could do this. Others around the world are dying for doing it. Still more yearn to be able to do it and, for any number of reasons, can't. This can't be overstated: what we receive is a miracle

and a Gift. We should never take it casually, ever. Eucharist, after all, means “thanksgiving.” So give thanks - and give glory to The One who has made this humbling Gift of Grace possible.

Wonder and love

Finally: No matter how you receive, receive what has been given with wonder and love and joy. At the moment we receive

Communion, we welcome Christ into our world—just as Mary, the shepherds and the wise men did. The same feelings that warmed that stable in Bethlehem all those centuries ago should illuminate our hearts every time we welcome Christ here and now.

Every Mass is Calvary

Every Mass is Calvary. But every reception of the Eucharist is, in a sense,

Bethlehem: the “house of bread,” the place where God enters into our lives, our history, our hearts, our bodies. We should cherish that when we step forward to receive Communion. As God first visited the world and dwelled among us as a Baby, so He comes to us now, in a fragile and humble piece of Bread.

Behold, the Lamb of God! Oh, come, let us adore!

a CHRISTMAS STORY...

A story

Way back in 2005, Jesus told us, the Habit members of the Way of the Sacred Heart, a story. Still, this story makes me cringe. It is about a Traveller who comes a long way to see His friends, those who say they love Him but when He arrives at His House there is no welcome for Him.

Examine our hearts

Reading this story is a chance for us all to examine our hearts and see if we are truly welcoming Jesus within them. We can tell ourselves many lies and convince

ourselves that what we do is for Jesus and, at times, nothing could be further from the truth.

Do we welcome Him?

So, how do we welcome Jesus on the Day of His Birth? Do we welcome Him with our dying to self? Do we welcome Him with a heart full of love to soothe Him? Do we welcome Him by our acts of kindness to others? By the same token, I believe that Jesus will feel unwelcome if we feed the fatted calf of self. He will feel unwelcome by our lack of dying to self. He will

feel unwelcome if we are full of greed and self. Just look at the adverts on the television. There are tables full of elaborate food, it seems that Christmas is all about eating! Yet Jesus tells us to fast and eat little. This is only one of a thousand examples. Have a read of Jesus’ own story and make up your own mind. Christmas is about Jesus.

Thursday

28 December 2005

My children, I will tell you a story.

A traveller set out on a

journey to see his friends. He travelled far over mountains and through forests to see these friends of his. On the way he had to sleep out in the open in the cold nights because when he tried to get into places along the way, many rejected him, he was a man who had once been loved by everybody but now things had changed. He could not understand it. He thought only about his friends and the warm fire they would have for him when he arrived. He thought of the welcome and the joy that he would have. The thoughts warmed him.

When he came to the home of his friends, he was dismayed to see that there was no fire lit and no welcome. The house was almost deserted except for a few who were wrapped up in their own thoughts and had barely time to say "hello."

The man wept, then he lit a fire and warmed himself. He began to tidy up the house and make it fit for visitors. He was lonely. He waited on his friends to return but it was a long time before they did. He had kept the fire lit and the house tidy for them.

When they were all there, gathered before the fire, he spoke to them.

"You are my friends," he said.

"I have given you everything, including the roof that is over your heads and the fire you warm yourselves at. As I travelled here, the world rejected me, they would not let me into their homes and I was cold and lonely. All the time I travelled, I had warm thoughts about how you would welcome me into this house, about how you would warm me and comfort me. But you were not here. A few were here but they only acknowledged me with a lip service and their thoughts were not for me. There was no fire, no welcome; no love. I was cold, lonely and in need of comfort and I found none. Can you tell me why this is so? Can you tell me why this house had no welcome for me?"

A man spoke up from the back of the room. "Jesus, I would have welcomed You but for my family; I had to be with them. What could I do?"

A woman spoke, "Jesus, I am sorry but I was buying Christmas presents for Your Birthday. The shops were only opened until midnight. You know how it is."

The Traveller's Eyes lit up. "Did you buy Me a Birthday present? Thank you. I love surprises. What is it?"

The woman spoke again with her face reddening, "I am sorry, Jesus, I didn't

actually get around to buying You one... I'm sorry."

"Yes," said another voice, "neither did I. I just never thought about You, Jesus, needing a present, like."

"But, how could you not think about My present when it is My Birthday?"

"Well, I never thought about You either," said another voice. "You can't really expect a present when You are not here. I had too much to do to be thinking about a present for You. You are not exactly easy to buy for, you know. What do you buy for the Man who has everything?"

"All my family need presents, you know," an indignant voice called out. "They would complain if they didn't get them."

"Well I thought somebody else was getting You one? I had a lot of work to do for You. You don't exactly have a watch so I'm here 'til all hours."

On and on it went until the Man put His Head in His Hands and wept. While they were all justifying about how they were not there to welcome Him, the Man slipped out of the House unnoticed. He had time to lift His staff for walking and His sandals from where they were warming at the fire. He left them all talking about themselves and went on His way.

Jesus' Messages are coming to pass

Coming to pass

There are so many things happening in the world today and especially within the Catholic Church that I can see Jesus' Messages coming to pass. Every day there seems to be a new scandal or situation and it goes from bad to worse! We are Blessed to have these Messages and, because we believe, our eyes are open to what is going on. Unfortunately that is not

the case with many who do not want to look at the Truth and remain blind!

Away from Jesus

Jesus has told us that the evil one would take over His Church, He told us the abomination would sit in the Holy Place, also that he is the father of lies who speaks with a forked tongue!

Pope Francis and many bishops and cardinals seem to be steering the Church away from Jesus'

Teachings. Things like accepting people in irregular situations (adultery), Mercy without repentance, Holy Communion for divorced, remarried people or non Catholics, homosexual unions and accepting forms of birth control for sensible parenting. To name but a few!

Much persecution

The people who do see what is happening and are trying to warn others

about it are under much persecution from clergy and lay people alike. Recently there was a report on 'LifeSiteNews.com' which claimed an Archbishop had said that those who went against Pope Francis could be excommunicated.

Report

The 'Voice of the Family' made this report on 7 December 2015:

'Archbishop Fisichella, President of the Pontifical Council for Promoting the New Evangelization, has stirred controversy by suggesting that some criticisms of Pope Francis might result in automatic excommunication.

Archbishop Fisichella made his remarks while explaining how Pope Francis's new "Missionaries of Mercy" will operate. The eight hundred "missionaries" will have the power to absolve from penalties previously reserved to the Holy See.

In reference to Canon 1370, which imposes automatic excommunication for "physical violence" against the Roman Pontiff, Archbishop Fisichella said: "I would say that we need to understand well 'physical violence,' because sometimes words, too, are rocks and stones and therefore I believe some of these sins, too, are far more widespread than we might think."

Archbishop Fisichella's comments will be interpreted by many as an

attempt to silence faithful Catholics who are deeply concerned by the direction currently being taken by those who hold offices at the highest levels of the Church. Serious concerns have been raised over the last two and half years concerning:

- The alleged manipulation of the 2014 Extraordinary Synod and the 2015 Ordinary Synod

- The publication of a heterodox Relatio Synodi of the Extraordinary Synod

- The publication of a heterodox Instrumentum Laboris for the Ordinary Synod

- The publication of a heterodox Relazione Finale of the Ordinary Synod

- The radical reforms to the canonical procedures governing declaration of nullity of marriage

- The open collaboration between the Holy See and leading global advocates of population control

- The confusing remarks made by the Holy Father about who is able to receive Holy Communion

- The confusing remarks made by the Holy Father about the relationship between condoms and AIDS

- The confusing remarks and actions of the Holy Father on the subject of homosexuality

- The endorsement, by official bodies of the Holy See, of pro-abortion, pro-contraception UN

Sustainable Development Goals

- The endorsement of the environmental agenda in the encyclical letter *Laudato Si*, without sufficient recognition of the profound connection between environmentalism and the population control movement

- The public association of *Laudato Si* with the most radical elements of the environmental/population control movement and dissent from the doctrine of *Humanae Vitae*

- The appointment, promotion or elevation to ecclesiastical offices or to positions of influence, by the Holy Father, of many openly heterodox prelates including - but not limited to - Bishop Franz-Josef Bode, Archbishop Blaise Cupich, Godfried Cardinal Danneels, John Cardinal Dew, Walter Cardinal Kasper, Bishop Heiner Koch, Reinhard Cardinal Marx, Vincent Cardinal Nichols, Christoph Cardinal Schönborn and Donald Cardinal Wuerl.

In the face of these and other scandals, Catholics have not only the right but also the duty to offer respectful but forceful criticism. This grave duty is outlined in Canons 211 and 212 of the Code of Canon Law:

Canon 211 All the Christian faithful have the duty and right to work so that the Divine Message of Salvation

more and more reaches all people in every age and in every land.

Canon 212 1. *Conscious of their own responsibility, the Christian faithful are bound to follow with Christian obedience those things which the sacred pastors, inasmuch as they represent Christ, declare as teachers of the faith or establish as rulers of the Church.*

2. *The Christian faithful are free to make known to the pastors of the Church their needs, especially spiritual ones, and their desires.*

3. *According to the knowledge, competence and prestige which they possess, they have the right and, even at times, the duty to manifest to the sacred pastors their opinion on matters which pertain to the good of the Church and to make their opinion known to the rest of the Christian faithful, without prejudice to the integrity of faith and morals, with reverence toward their pastors and attentive to common advantage and the dignity of persons.*

Voice of the Family is confident that Catholics at every level of the Church will continue to fulfil their duty.”

Recent Messages

In recent Messages, Jesus has spoken strongly about His Church:

Friday 11 December 2015

Believe in the Words that I speak and see the events of this world speed up as it runs ever further from Me.

See how I have already Warned you of these things.

See how Rome is no longer the place where My Love, My Peace, My Truth, is spread out into this world. Rather, now, it preaches a gospel of lies.

Its walls, its streets, are filled with the servants of lucifer.

Oh, Rome! You shall pay for your betrayal; you shall be shattered and not even a stone upon a stone shall mark your existence!

Your greed, your lies and your betrayal shall be your downfall and you shall be cleansed from the face of this earth.

You shall be known as the “City of Betrayers where My own turned against Me in their lust for power and wealth.”

Woe to you and your

inhabitants for your days are numbered!

Come away now from your evil ways and repent while there is still time or I will bring My Power to bear upon you as I did with the cities of Sodom and Gomorrah.

Trust in Me and My Mercy and My Forgiveness will be yours.

Continue with your false Mercy and these Words will seal your fate.

Trust in Me and only Me for time is short.

I Love you, My children.

I Love you.

Jesus' True teachings

There are many good cardinals, bishops and priests who are still trying to stay with Jesus' True Teachings. These are beginning to show themselves by speaking up for the Truth. This seems to be the time where Jesus is separating the wheat from the chaff. He has told us to hold on a little while longer and follow His True Teachings. We must place our trust in Him and believe He will guide us in these times. He has given us a Light, a Path, to follow in these Messages of Love. We can only be prepared if we die to self and follow Him.

THE LOVE OF THE CHURCH FOR REFUGEES The concern of the Church for all refugees

25. The tragedy of refugees is “a wound which typifies and reveals the imbalance and conflicts of the modern world.” It shows a divided world that is far from that ideal according to which “if one member suffers, all suffer together” (1 Co 12:26). The Church offers her love and assistance to all refugees without distinction as to religion or race, respecting in each of them the inalienable dignity of the human person created in the image of God (cf. Gn 1:27).

Christians, strong in the certainty of their faith, must demonstrate that by placing the dignity of the human person with all his or her needs in first place, the obstacles created by injustice will begin to fall. They are aware that God, who walked with the refugees of the Exodus in search of a land free of any slavery is still walking with today’s refugees in order to

accomplish his loving plan together with them.

The task of the local Church

26. The responsibility to offer refugees hospitality, solidarity and assistance lies first of all with the local Church. She is called on to incarnate the demands of the Gospel, reaching out without distinction towards these people in their moment of need and solitude. Her task takes on various forms: personal contact; defense of the rights of individuals and groups; the denunciation of the injustices that are at the root of this evil; action for the adoption of laws that will guarantee their effective protection; education against xenophobia; the creations of groups of volunteers and of emergency funds; pastoral care. She also seeks to instill in refugees a respectful behavior and an openness towards the host country.

In expressing the concern of the universal Church, each local Church must be able to depend on the charitable activity of other ecclesial communities, especially those with greater resources. When refugees are present in large numbers, the Church will step up its cooperation with

all interested social agencies and with the competent authorities.

The parish

27. The first place for the Church’s attention to refugees remains the parish community, which has the task of sensitizing its members to the plight of refugees, exhorting them to welcome as Jesus taught: “I was a stranger and you welcomed me” (Mt 25:35). It should not view the new arrivals as a threat to its cultural identity and well-being, but as an incentive to walk together with these new brothers and sisters who are themselves rich in particular gifts, in an ever-new process of forming a people capable of celebrating its unity in diversity. Benevolence, respect, trust and sharing are practical expressions of a culture of solidarity and hospitality. The Christian community must overcome fear and suspicion toward refugees, and be able to see in them the Saviour’s face.

Spiritual care for those who live in camps and for groups most at risk

28. All refugees have the right to a type of assistance that includes their spiritual needs during the time of asylum spent in a camp

and during the process of integration in the host country. Thus, they can find the comfort to bear their harsh trial and to grow in their own religious experience. Therefore ministers of different religions must be allowed full freedom to meet with refugees, to live with them and to offer them an adequate assistance. The Church, however, deplors all forms of proselytism among refugees that take advantage of their vulnerable situation, and upholds the freedom of conscience even in the difficulties of exile.

A large percentage of refugees is made up of children, who are the most severely affected by the trauma experienced during their development; their physical, psychological and spiritual balance is seriously jeopardized. Women constitute the largest percentage of the refugee population throughout the world and are often more exposed to a lack of understanding and to isolation. In the face of such situations, priority must clearly be given to a concerted effort to provide specific moral support for these people.

Volunteers among refugees

29. Volunteers who work among refugees also need specific pastoral care. They live in conditions which weight heavily on them. They are almost always far from their own linguistic

and cultural context and are faced with human problems with which they are not always trained to cope. Hence they need encouragement and support, even financially. The refugees themselves are called to join with volunteers, thus enabling themselves to be heard by directly participating in the discernment and expression of their needs and aspirations.

Cooperation within the Church

30. In the work of pastoral care of refugees, cooperation between the Churches of the countries of origin, temporary asylum and permanent resettlement is now more necessary than ever. Meetings between these different Churches are very important, because they allow for the promotion of spiritual and social cooperation as well as for the possibility of making available to refugees priests and religious of the same language and, if possible, of the same culture. Fraternal cooperation between Churches and coordination on the regional level can set in motion or increase dialogue between the various parties involved with assistance to refugees.

31. In this context, the social and charitable organizations of the Episcopal Conferences, particularly the pastoral commissions for specific aid to migrants and refugees,

play an important role and must work in cooperation with other institutions. Cultural institutions, universities, and seminaries are also encouraged to reflect on the plight of refugees and on their living conditions. It is necessary to contribute to the formation of public opinion and to develop instruments of analysis to enhance a sense of hospitality.

32. In view of the worldwide character of their mission and membership, religious institutes are warmly invited to increase their presence among refugees in order to supplement the efforts of local Churches, working in close cooperation with bishops. The often heroic witness of many men and women religious in this apostolic field is a particular source of joy to the Church.

33. The work performed by the international Catholic organizations involved in welfare and development is vital. It must not, however, duplicate but rather support the work performed by local organizations. Their direct experience of the milieu generally makes their service more effective. Besides, it is important not to divide social assistance from pastoral care.

In cooperation with the competent Dicasteries of the Holy See, an effective network can be organized to deal with emergencies and call immediate attention to the root causes that produce

refugees.

Ecumenical and Inter-religious cooperation

34. Aid to refugees offers ample prospects and new possibilities for ecumenical action.

Openness, communication, the sharing of appropriate information, the exchange of invitations to international and regional meetings, all play an important role in ecumenical relations and in the determination of a global response to the problem of refugees.

Cooperation among the various Christian Churches and the various non-Christian religions in this charitable work will lead to new advances in the search for and the implementation of a deeper unity of the human family. The experience of exile can become a particular time of grace, just as it was for the

People, who, when exiled in the desert and came to know the name of God and experience his liberating power.

CONCLUSION: SOLIDARITY IS NECESSARY

35. The tragedy of groups and even of entire peoples forced to go into exiles is felt today as a constant attack on essential human rights. The condition of refugees that reaches to the very limits of human suffering becomes a pressing appeal to the conscience of all.

36. The Church, “a sign and instrument of communion with God and of unity among all men,” accepts the call to build a civilization of love and commits herself to bringing it about through her various internal structures, her initiatives of service, and of ecumenical and inter-

religious cooperation. She offers a disinterested love to all refugees, calls public attention to their situation, and contributes with her ethical and religious vision to restore and uphold the dignity of every human person.

Her experience of humanity acquired in the course of history, enriched by the reflection and work of many people, can offer a decisive help in educating future generations and formulating adequate laws.

37. Human solidarity, as witnessed by any community that welcomes refugees and by the commitment of national and international organizations that care for them, is a source of hope for the real possibility of living together in fraternity and peace.

Interfering

Dear friends,
Please find enclosed a cheque to help a little with the debt. It is horrific, the number of abortions that have been taking place. Amnesty International is now interfering in Northern Ireland and have joined the abortionists instead of trying to save lives. I hope they do not succeed.

May Jesus grant you His Graces on His Birthday and also for doing His Work - thanks. Love to all.

Sincerely,
Maureen.

Prayer Words

by Patrick Rushe

Imbued in me
Is You
And fortune,
Hidden in my heart
And Your Heart,
Is Yours and mine alone.

A trickle begins
To flow and run
Through me;
A river,
Soon freed,
Will leap as I leap.

Hidden still
And yet to come
Is Life that is One
And no longer two.
Consumed in Fire
Breathed in Love.

Alone, can I suffer
Delight in You.
Words are not of this
And pale it
And lose the essence
Of the Flame.
