An Invitation to Love Jesus Newsletter Messages of Love December 2024 Issue 343

Editorial

Happy new year

A happy new year to you all! We hope and pray you had a peaceful Christmas.

We conclude our thirty years of the Sacred Heart House of Prayer in this issue.

We do have a few more testimonies from servants still to publish and will include these in the coming months.

Front cover

On the front cover we have a picture of the Sacred Heart which artist Roy Drake - may he rest

in peace - painted for us for the first book we sent to print: *The Sacred Heart - An Abyss of Love and Pain.* Jesus dictated this book to the two Patricks in 1995 and it contains very precious Words and laments from Jesus' Heart. He shared His Pain and tells us how we can help and

love Him more.

Jesus has, so generously, poured out the Treasures of His Heart,

in so many ways - His Words, His Songs, His Poems - since this House of Prayer opened. We are so blessed!

Messages

Jesus continues to fill us with wonder and excitement in the Messages. His Plans are about to unfold.

Again, He Warns us of the need to die to ourselves in order that we can both see what is happening and help Him in His Plans.

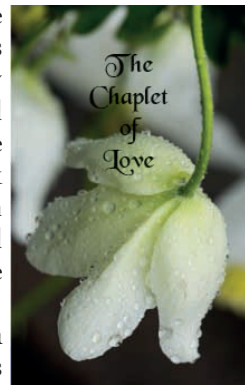

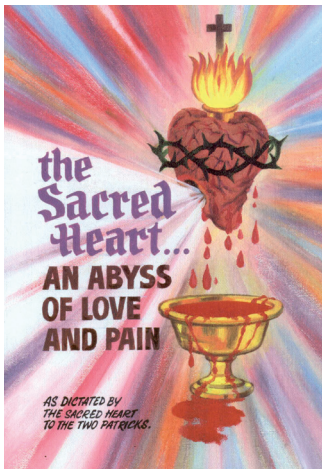

Chaplet of Love

January 2025 is the thirtieth anniversary of the Chaplet of Love. Jesus has spoken quite a few times about it to remind us of its importance. We have put it on our back cover and there is an article inside followed by extracts from the Messages on it. It is also available on a little leaflet which costs 10p.

Thank you and congratulations

We want to thank all of you who took part in our annual fund-raising draw.

We extend our heartfelt congratulations to all the winners.

The Messages of Love

as given to the two Patricks

Sunday 1 December 2024

Children of Love, I call upon you to help My Houses grow. You do not see, nor, do you understand what is happening at this time but, soon, you shall see My Houses as they shine forth into this world. They shall cut through the darkness and the empire of sin will collapse under its own burden.

Trust Me, My children, and listen to My calls within your hearts. I call upon you, My remnant, once again, to give of yourselves and show Me that you want these Pearls of great Price that I give to you.

Trust Me, children, and be obedient to My call; die to self, remove the sin from your lives and follow Me in Truth.

Trust Me.
I Love you

Sunday 1 December 2024

Come to Me, My children, and

walk this Path of discovery that I set before you. I am not a dead God; I see all that takes place on this earth and I will overcome the darkness. I have told you; it has begun for I walk this earth and look upon the deeds of mankind and, truly, I say, never before has there been such an evil generation. I shall put an end to this generation and its ways of sin.

You are a barbaric generation; you murder your young and your old and call it modernism. You are evil and you follow the ways of your god, satan. I will cleanse your stain from My Creation and then I will renew My Creation.

All that you have taken from this earth in your greed, I will replace and My remnant will know True Peace. They will live in a 'Time of Abundance,' they will see the True Power of their God. Love will fill the land and man will live in harmony with all that I have created in Love.

Trust Me, repent and be a part of this time.

Trust Me, children.
I Love you.

Monday 2 December 2024

My children, My Love for you is great and I do not want to lose any of you but, you must remember, I

will not go against your free will. I will force no one to believe in Me. I simply give all a choice. Now, you enter the 'Time of Choosing.' I will undo the lock lucifer has put upon faith and Freedom will be restored. All will have a choice to believe in Me or not. Trust Me, it begins. I Love you.

Tuesday 3 December 2024

Love, My children, is the weapon you must use to overcome the darkness of this time. Trust Me, Love is your only weapon for I am Love and when you have Me then who can stand against you? Seek Me, children. Let Love penetrate your hearts. Forgive all peoples and let My Love replace unforgiveness. Unforgiveness is the weapon lucifer uses against My people. Trust Me and let Me Teach you how to Love, even your enemy. Trust Me. I Love you.

Wednesday 4 December 2024

My children, what so few realise, is that all My Words will be fulfilled. All that I have spoken is true. The Father of All walks this earth and looks upon the deeds of mankind. He it is that sees all that you do in secret. He looks upon the peoples of this world and sees how they so freely accept the lies of lucifer. They, in their blindness, accept the blood of the innocent being injected into their bodies and then call it vaccination. It is the Father of All that

will pronounce the Words of Justice, it is He who will send the punishment that man has created by his own actions. Soon, He will speak the Words of Justice. No man knows the day or the hour of these events for the Father of All has not spoken them but, as I have said, you stand on the brink of a great change for Our Father is about to pronounce the Justice upon mankind in equal measures to the sins of this generation. Children, stay close to Me for only My remnant will survive this Time of Justice. Trust Me. I Love you.

Thursday 5 December 2024

Have faith in Me, children. All My Words will be fulfilled, indeed, many have already been fulfilled if you have the eyes to see. Look around you in Truth, look at this world, look at My Church; see how those, who call themselves the leaders of My Church, have walked away from Me and My people. They have deserted My Truth

and, now, only follow the desires of self, which are inspired by lucifer.

Look, have I not told you about the great falling away? Are My Words not being fulfilled before your eyes? Prepare, children, it has begun. I begin to reclaim what is rightfully Mine.

Prepare.

I Love you.

1 Now concerning the coming of our Lord Jesus Christ and our being gathered together to him, we ask you, brothers,

2 not to be quickly shaken in mind or alarmed, either by a spirit or a spoken word, or a letter seeming to be from us, to the effect that the day of the Lord has come.

3 Let no one deceive you in any way. For that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of destruction,

4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God.

5 Do you not remember that when I was still with you I told you these things?

6 And you know what is restraining him now so that he may be revealed in his time.

7 For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way.

8 And then the lawless one will be revealed, whom the Lord Jesus will

kill with the breath of his mouth and bring to nothing by the appearance of his coming.

9 The coming of the lawless one is by the activity of satan with all power and false signs and wonders, 10 and with all wicked deception for those who are perishing, because they refused to love the truth and so be saved.

11 Therefore God sends them a strong delusion, so that they may believe what is false,

12 in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

13 But we ought always to give thanks to God for you, brothers beloved by the Lord, because God chose you as the first fruits to be saved, through sanctification by the Spirit and belief in the truth.

14 To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ.

15 So then, brothers, stand firm and hold to the traditions that you were taught by us, either by our spoken word or by our letter.

16 Now may our Lord Jesus Christ himself, and God our Father, who loved us and gave us eternal comfort and good hope through grace,

17 comfort your hearts and establish them in every good work and word.

2 Thessalonians 2

Friday 6 December 2024

My children, have faith in Me. Look around you and see the Truth of My Words and be consoled that I will win this Battle. The darkness cannot defeat Me. The power, that lucifer believes he controls, is not even the size of a grain of sand compared to My Power which is infinite. lucifer allows his pride to blind him and, so, he wanders in darkness and can no longer recognise the Light.

Trust Me. I simply allow lucifer to weed the vineyard in his blindness. Only those who have Truth in their hearts will enter the Kingdom of Heaven. Trust Me and die to self. Trust, walk with Me.
I Love you.

Sunday 8 December 2024

Have faith in Me, children. I am not a dead God. I will fulfil all the Words I have spoken and this world and My Church shall be renewed. I Love you, My children, and you have endured much for My Sake in this time and your struggles will be rewarded as I breathe New Life into this world. Trust Me, children, and continue with your love of Me and your neighbour.
Trust Me.
I Love you.

Tuesday 10 December 2024

My children, come close for the day draws near when all will change and this world will no longer be allowed to block My Voice.
Trust Me, children, your Freedom is close now and, once again, the

peoples of this world will be able to hear and comprehend the Words of their God.

lucifer has blocked My Voice with his lies and the peoples of this earth have given him the power to do this, through their sin.

Look in Truth and make ready. You, who are not blinded by the desires of self, for much work is to come, the harvest is ready. Prepare by staying close to Me and fight the desires of self.

Trust Me, children, and make ready.

I Love you.

Wednesday 11 December 2024

Look, children, I have given you so many Words. I repeat Myself over and over again, so that you will know My Truth, My Truth does not change with your times. Look around you, My little ones, and know your God is at work. Can you not see how little time you have in a day? Do you not recognise that time has been shortened.

22 And if those days had not been cut short, no human being would be saved. But, for the sake of the elect, those days will be cut short.

Matthew 24:22

See, My Words are being fulfilled. You stand on the brink of a great change for the Father of All is about to speak the Words of Justice that have not been spoken from the beginning of time.

By His Power, all who wish to be Saved will be Saved and all those who reject the Truth will be consumed by the Fire of Justice and become nothing but the dust

of the earth.

You do not realise, children, what is ahead. The Father will raise His Prophets and His Words will be spoken from the rooftops and this earth shall be cleansed by the Power of the Creator.

Prepare, children, prepare so that you become a part of the cleansing force of your God. Trust Me and walk this Path with Me, children, and, We, together, will call many of your brothers and sisters to the safety of My Fold.

Trust Me.

I Love you.

Thursday 12 December 2024

Have faith in Me, your God. Trust that I will guide you, if you but ask. Trust Me, children, and let Me be the Light that guides you through this time of darkness. I am your God, children, I see the fears of all My children and I say, do not worry about what others will think of you for following Me. Trust in Me and come walk with Me.

I Love you.

Saturday 14 December 2024

Feast of

Saint John of the Cross

My children, I Love you and, so, I give you these Words. I will not force you to read or believe these Words but, they hold the key that will guide you safely through this time. The key is dying to self; the more you die to self, the easier you will find it to overcome the obstacles that lucifer places before you.

Trust Me and be obedient to My Words.

Trust Me.

I Love you.

Sunday 15 December 2024

Children, can you not tell that I am near? Can you not read the signs of your times? If you can see them, why do you not make haste to defend yourself from the darkness that now surrounds you? Children, many changes approach rapidly and so few have prepared. I tell you, there will be an event, very soon, that will change the outlook of the peoples of this world. Then, My children will have a voice and many of the peoples of this world will listen and return to the safety of their God.

Trust Me, children, and prepare. Those who can see already, see the beginnings of the event to come. Make haste, children, make haste. I Love you.

Sunday 15 December 2024

Children, see the Houses of Prayer, all over this world, as a Gift that I give to My remnant. They are a Gift that you must build, along with Me, in your free will. Children, they are being built to withstand the darkness of lucifer and to, also, gather and guide My people to the Promised Time of Peace.

Trust Me, I am about to ignite My Houses for I have hidden them from this world to this point but, now, I will show this world that I have not deserted My people but I, along with you, My chosen, have

been preparing to save My Church and many of the blind from the clutches of satan.

Trust Me, children, the more you help, the stronger My Houses become. Pray and offer many sacrifices that all My Plans come to fruition. Trust Me, children, we will overcome the darkness that has entered My Church. Those blind leaders will stand in shock when they see how We have prepared to overcome the darkness and, yes, many of those blind souls will return, when they realise how blind they have been.

Trust Me and make ready. My Houses of Prayer will become great beacons all over this world and will call many back from the brink of eternal fire.

Trust Me. We, together, will win this battle.

I Love you: trust Me.

Tuesday 17 December 2024

My children, I am with you, I will not desert you. I will not leave you alone. Children, I am at work. Look and see, look at the time in your day, are your days not shorter? I have shortened time so that you, My children, may survive the time given to lucifer to sift this world. This time is fast coming to an end and I will give you, My remnant, a voice and you will gather those who are willing to listen and return to Me. The rest will be gathered together and be cleansed from this earth and there shall be Peace.

Trust Me, children, look and see what I am doing and use this to

strengthen your faith in Me. Look at My Church; is the man of sin not in control? Scripture is being fulfilled. See the Truth and make ready for the days are numbered until the Father of All speaks the Words of Justice.

Trust Me.

I Love you.

Wednesday 18 December 2024

Have faith in Me, My children, and know your God is at work in this world. I will intervene and all will change; be patient a little longer and you will see the results of your prayer and your sacrifice. Trust Me, children, as I have said, it has begun and We will win this Battle.

To this point, it looks as though the enemy is winning but, I say, wait and see, children, all will change and this world will be willing to listen and many will return.

Trust Me.

I Love you.

Thursday 19 December 2024

My children, I am with you. There are so few who are truly willing to listen to Me, at this time. I speak many Words around this world but so few will take on and live My Words. My Words have not changed from I Lived, Died and Rose again. My Words are the same yesterday, today and tomorrow: I do not change.

Children, do not listen to anyone who says that I will accept sin as truth. I do not change with the times, that is up to you, to change by dying to self. Trust Me,

children, I am about to reclaim much that has been stolen through lies.

Be ready and make My Houses of Prayer ready, both spiritually and physically. Trust Me, much is about to happen.

Trust Me.

I Love you.

Saturday 21 December 2024

My children, do not lose hope, do not think I do not recognise your plight. I see all that is happening and I am about to resolve this plight of yours, My children. I will give you back what has been stolen through lies.

Trust Me and make ready for your perseverance is about to be rewarded. Have faith, My people, I have not forgotten you, I have not forgotten My Promises to you. I will fulfil all My Words, those I have spoken and those I have spoken through My Mother.

Trust Me, My children, and prepare.

I Love you.

Monday 23 December 2024

Come forth and let this world know that I am Alive. I renew My

people and open the eyes of the blind so that all may have a chance to return. Trust Me, children, and be ready to reclaim the Power of My Truth so that you may become fishers of men. I will open the eyes of the fallen and many will return to the Light of My Truth.

Trust Me and make ready.

I Love you.

Monday 23 December 2024

My children, listen to these My Words, for, soon, I shall release these, My Words of Love, into this world. Many will be called to read them but, you, My children, who read them now, have been chosen to build the foundations of what I plan for this world. It is your prayer, your sacrifice and your giving, that I use for these preparations.

Trust Me, it is I that hold these Words back from this world that I have spoken through My two sons. lucifer knows I have spoken them and searches this earth for their whereabouts so that he can destroy them but, I have hidden them from both him and his servants until the appointed hour when I shall reveal them to this world.

Be at Peace, children, for you do not truly understand what I do when I release My Words to this world; they will be beyond his power to harm them. It is your prayer, your sacrifice and your giving, that has built the great shield that protects this Work of Mine. I withheld this knowledge so that both you and My Plans remain safe.

Trust Me and continue in the preparation I have asked for, through you. Believe, children, little of your time is left until I will reveal My Words and My Houses to this world. Pray, children, that all those I have chosen remain strong for, already, many have been lost to the lies of lucifer. Trust in Me and stay close to Me. I am with you, My remnant. I Love you.

Wednesday 25 December 2024
Christmas Day

Have patience, My children, I am at work in this world and We will overcome the darkness. My Words will cut through the darkness of this world like a red-hot sword. All My Words will be fulfilled. My two will breathe the fire of My Truth and this world will be changed and My Words will be known in every corner of this earth; all will be given a chance to return before the fire falls from the skies and all evil be consumed. Trust Me. I will free My children. Trust Me. I Love you.

Thursday 26 December 2024

My Words are Truth and this world will be in wonder when it sees how it was convinced by the lies of lucifer to ignore all My Truth, in favour of the glitter of this world. Trust Me, children, times are changing and My Gospels will be accepted, once again, as Truth. Trust Me, all is not as it seems. Trust Me.

I Love you.

Friday 27 December 2024

I will speak the Words that this world waits upon for they are Words of Life and they are Words of Justice. They are the Words that will give My remnant a voice and the liars of this world will lose control; all will see the Truth and realise how they were being controlled by lies.

Trust Me, children, and stay close for there will be times of great unrest when the peoples of this world will rebel against their slave masters. Be ready and I will guide you, My remnant, through these days. Trust Me and prepare for this journey.

Already, the cracks begin to appear and soon the dam will break and the peoples of this world will see the Truth.

Be ready, children.

I Love you.

Saturday 28 December 2024

My children, know that your God is with you in this 'Time of Famine.'

I feed you with these Words and the Words I speak, through the Messengers, I have placed in every country of this world. So many of My Words are rejected by this generation, even though I speak the Words that will protect them from the Great Chastisement that man has created with his own sin. I am a God of Truth and I move solely in order to give the peoples of this world a chance to repent and return to the safety of their God. Trust Me, children, you are about out of time. Make haste. I Love you.

Saturday 28 December 2024

My children, have faith in Me, your God, and be obedient to My Words. Die to self, remove the sin from your lives and you will see the Truth. The scales will fall from your eyes. Trust Me, it is time. I Love you.

Sunday 29 December 2024

Trust Me, My children, and do the things I say and you will begin to see the Truth that this world tries to hide from you. Believe in My Words and die to self; remove the sin from your lives. Sin is like mud on a window, the more sin you remove, the clearer you will see. Trust Me, I have told you this already, many times, within My Gospels and, through My Prophets and Saints throughout this world. You cannot truly follow Me and live a life of sin for the sin will distort My Truth and so you will begin to accept sin as truth. This,

you can see happening within My Church and within your society for there are very few left who can guide by teaching My Truth: to teach Truth you must live Truth. Trust Me, children, and try to remove the sin and you will see. Trust Me. I Love you.

Monday 30 December 2024

Many things have been hidden from mankind in these days. lucifer has entrapped the rich and powerful in so many ways. he reveals himself to them in many ways but, he is a deceiver and, so, they do not understand what they have accepted into their countries. How blind you have become mankind! You walk with your head held high but your eyes have been blinded by the lies of lucifer. You think you understand great knowledge, you have welcomed those who have given you knowledge but, I say, you have welcomed the servants of the dark. It is they who have given you the technology that you revere. How little you truly understand. lucifer is the father of lies and you have supped with him at his table and, now, you walk blindly into his trap. I will free My people and all will have a chance to return, yes, even you, who have supped at his table. I shall wash you clean in the Blood that I shed for you on Calvary for I Died for the sins of all mankind. Repent! Repent, My people, and see the Truth, see the error of your ways.

I Love you.

Tuesday 31 December 2024

Have faith in Me, My children. This incoming year will bring many changes that will be seen by those who have the eyes to see. Die to self, remove the sin from your lives so that you, too, may see the Truth of what is happening around you.

Children, I now begin to change this earth; watch and see and understand with the eyes of Truth.

Trust Me, children, all is as I have said and the Truth will out and the lies will be seen for what they are; lies.

Come walk with Me to Victory and know the Truth of My Words. I Love you.

Tuesday 31 December 2024

Come, listen to Me and prepare My

Houses of Prayer both spiritually and physically. I have chosen you, who read these Words, to do this work because you have been given the means by Me to complete My Work.

Children, you are much stronger than you think. You, My children, have been given many Gifts of the Holy Spirit in order to see and understand. Prayer and sacrifice are the fuel you need on this Journey. The more you die to self, the stronger you become and, the more you will understand.

Trust Me, children, and understand these Words I speak to you.

You, child, I have chosen; do not doubt for I am your God and I have invited you to read these Words of Mine.

Trust Me and believe.

I Love you.

APPEAL UPDATE

We wish to thank all of you, who continue to respond to our appeals, for all your help.

We truly do appreciate it.

As stated last month continual help is needed for day to day running costs of the Houses of Prayer, costs with printing/postage of the Newsletter, renovations and upkeep on the Houses, which are ongoing. At time of going to print our debts amount to £20,150.

Day to day running costs are always high and it is difficult to clear debts. Along with the large utility bills we always have regular Royal Mail bills for postage of the Newsletter and daily postings, for example one of the latest Royal Mail bills amounted to over £4,000. This, coupled with the utility bills such as electric, which averages at £1,200 per month, means that just keeping up with the running costs is a struggle.

Nevertheless, we continue to trust in Jesus and He has not let us down yet.

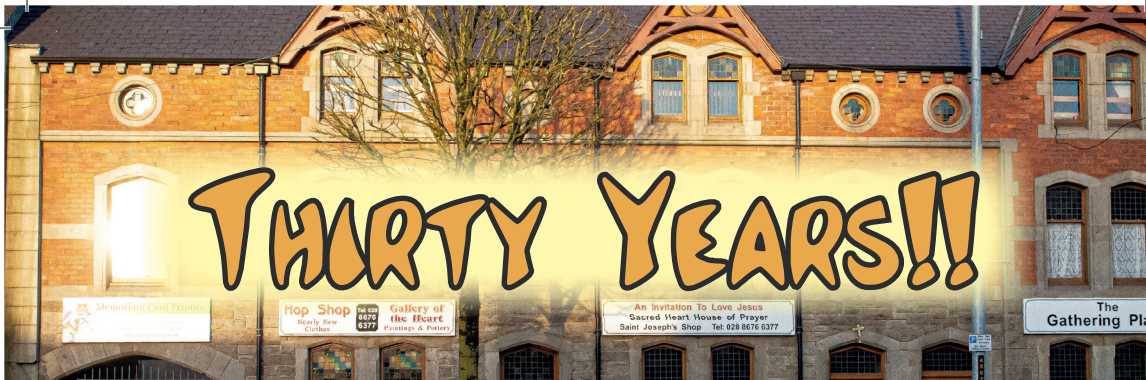

We know you understand that the costs of keeping the Houses of Prayer running will always be ongoing and we rely on your help and support, financially and with prayers, to continue.

Thank you for listening to Jesus' appeal for your help and for your trust in Him and the Mission, He has set us.

Thank you and God Bless,

Patrick Rushe, Patrick O'Kane and all the servants.

Patrick Rushe Patrick O'Kane

The Sacred Heart House of Prayer first opened in February 1994, thirty blessed years ago. Some of the servants have written about their journey to the Sacred Heart House of Prayer. We will print these throughout our Newsletters this year. Here is another one:

A draw to the Messages.

Almost thirty four years ago, I went to Lourdes for the first time. I liked it there, going to the baths, exposition of the Blessed Sacrament, going to the grotto at night, it was quiet at that time, not as many people as there was during the day.

When I returned home, I had a thought; I could go every year and I did for about nine or ten years and I fundraised to take sick people there.

The reason I went to Lourdes was because I had a little girl then that had cerebral palsy and the priest at the time suggested it and that's how it began.

Something like this

However, after I came home, probably about the seventh time, a friend came to visit and, as we were chatting about Lourdes, I said to her, it's a shame we hadn't something like this here rather than going to Lourdes every year.

This was in July. About a few weeks later, my friend came back and told me about these two boys that were talking at a prayer meeting and they were receiving Messages and that particular night she said the taller of the two was sitting in a corner and she saw rays like divine mercy coming from his heart.

So I thought I would go to a prayer meeting and see for myself and the two Patricks were there. I thought they were alright but not the same as Lourdes.

After a few more meetings, the Messages started to grow on me, I had a draw to the Messages. When the Patricks came to the meetings, they had photocopies of the latest Messages in different colours of paper, some change now compared to then.

Day of Love

I continued to go to any meetings that were held locally, then Jesus asked for a Day of Love and it was held in Toomebridge. On this Day of Love, Jesus gave a Message. In it He said:

"...I need all of you to do your part in the spreading of My Messages. Do not worry about anything, do not be afraid, for My Spirit will speak within you..." Saturday 15 January 1994, For the Day of Love
Also, in that same Message, He

said:

“...I have asked My servants to procure a House which shall be called a House of Prayer, a House of Love. In it will be the centre of My Word. In it many shall come and be healed. From it shall My Word go forth. From it will many more refuges be made. I ask your help in this, My children. I ask you to help to procure this House. I will help if you ask Me. It shall be a House where prayer is taken seriously, where My Message groups shall meet and many will come. Do this in My Name soon...”

An hour of prayer

Some time later, the House of Prayer opened in 1994, it was a House of work and prayer, mind you, I preferred the work. I thought an hour of prayer was very long but now it's different, I can't do without the hours prayer. Maybe a year later, Jesus asked for the Habit. The Habit was made up of a Crucifix and the Blue Cord of Our Lady, the Grey Habit represented Humility and the Red Scapular was for the Sacred Heart. This was the beginnings of the Way of the Sacred Heart.

Dying to self

When I started to wear the Habit and serve in the shop, it was so embarrassing, that also got easier. The Messages in Book One were all 'I will reward you hundredfold,' 'I love you,' then the Messages were 'dying to self' and I thought: 'what is this all about?' I soon found out, for me to get closer to Jesus, I had to die to anything that

was not Him: my ways would not get me to Heaven, I had to learn how to forgive, to love, no matter what, to die to the ways of the world, it wasn't easy. I didn't like it but I knew it was the only way.

The House of Prayer was just one House but, as time went on, it expanded each side as in, when a house became empty, we took it over then we started to build an accommodation block at the back to have people coming on retreat. Then Jesus asked for a printing press and it just grew and grew.

Jesus asked for a House in Garabandal which was purchased, after much searching, in 2001. And by 2010, we had six Houses all over Europe. Why I am talking about the Houses, I was involved with them and I loved it because I never travelled in my life, just to Lourdes and now I was going lots of places.

It wasn't always easy, flights were cancelled, we had to find other ways home but, in all of this, Jesus never let us down, He was always with us.

Stays with me

There is one Message that always stays with me and that's the Message of Friday 23 November 1990:

“...Come to Me for I long to take you away from ...your worthlessness...”

That's says it all!

Friday 23 November 1990

Within My Heart there stands a Well, a Well so deep that no bucket can be dropped to its depth. It is a Well of Love. To you who wish to

seek this Love, must find, within himself, the source that carries him to Me. The Love that is there is incomprehensible to man but in your search for Me - for that light that grows within you - search, My children. I Died to show you what My Love consists of. Fly, fly to Me and let Me show you these things. The longings within your breast that drive you to Me - it is I, My child, knocking at the door of your heart. I, too, long to live

in you, just as you long to be with Me. Feel Me within you now. Feel the passion that grows there for it is My Love. I can give you Freedom, My children, from the ways that the world shows you. Come to Me for I long to take you away from this ruin that you set yourselves up in. Come, let Me free you from your worries, your worthlessness. I long, I yearn for you every day that you live.

The Chaplet of Love

Thirty years

It will be thirty years, in January 2025, since the Chaplet of Love was given by Jesus to the two Patricks. I remember my mum bringing home a leaflet with the instructions on how to say it in the early months of 1995. I tried to memorise it and say it on my way home from college each evening which was usually around 6pm (the time when Jesus asked for it to be said). But I hadn't learned it right so, for a good number of months, I would say "Jesus, Heart of Tenderness, save the hearts that do not love You" in place of "Jesus, Heart of Love, I love You, let my love appease Your Pain" and vice versa!!!!

My 'go to' prayer

After the Rosary, the Chaplet of

Love has been my 'go to' prayer in times of need, and when people have asked me to pray for a special intention. And especially in the last few years when Jesus asked for people to say it "in earnest for its power, that I have placed within it, will allow many to see the Truth" (8 November 2016)

Messages

Here are the Messages that Jesus has given about the Chaplet of Love

Tuesday 17 January 1995, Rotherhithe, London,

My sons and all My children, say this Chaplet of Love for Me and let it be given to My Heart with all the love and sincerity that is in you and it, too, will appease My Pain in this time of great tribulation

and Sorrow that is in Me. Say it now at the Hour of Justice (6pm) and say it continually through the three days of darkness while I rebuild this world with Love. It will stem the flow of My Tears that are cried eternally for this world. Through it, amass a great vessel of love so that I may drink it so as to quench My thirst for souls for a great number will be saved through it. Say it for your families and for your priests. Say it for yourselves and all of My children and I will hear it and be moved to grant many miracles through it. Say it on My Mother's Jewels (rosary beads). Say these Words.

Say it in this way:

First: On the Crucifix. Kiss My Cross of Love, the symbol of great tenderness and say:

Oh, Most Adorable Heart, I love Thee, save us.

Second: On the first bead say:

Oh, Most Sacred Heart, I love Thee profoundly pour upon us Thy Merciful Love.

Third: On the next three beads say:

Jesus, Heart of Tenderness, save the hearts that do not love Thee.

Fourth: On the next large bead say:

Oh, Most Sacred Heart, I love Thee profoundly pour upon us Thy Merciful Love.

Fifth: On the medal. Kiss the image of My Mother and My own and say:

Infinite Love, fill us so that we

may love Thee profoundly.

Sixth: On the large beads say:

Oh Great Vessel of Love that holds only Love, offer to the Father of All the little love that I give to appease the Pain that is in Thy Most Sacred Heart, that He may see its profound love and save us in His infinite Mercy.

Seventh: On the small decade beads say:

Oh, Jesus, Heart of Love, I love Thee, let my love appease Thy Pain.

End: Pray the fifth, fourth, third, second and first stages on the appropriate medal, beads and Cross.

Wednesday 18 January 1995

...Say My Chaplet of Love often and await the events of this world. DO NOT BE AFRAID, but remain in MY PEACE which I have bequeathed to you until I come. I Love you.

Sunday 22 January 1995

...Come, prepare for the dark times in this way. Say often, My Chaplet of Love in preparation.

Wednesday 25 January 1995 For America

...Say this Chaplet of Love for the darkness has already encroached you...

Thursday 26 January 1995 Explanation of the Chaplet

...I give My Chaplet of Love to all in these last times as a last act of Love before the final curtain draws. Much Love will pour from

Its depths if only a great number would say it with love, sincerity and fervour. Then would this Pain of Mine be greatly appeased. In the coming time I will use its Words of Love to rebuild My Church in a perfect way so that it would never be called imperfect again. Would it, that all of My loyal ones would take this Gift of much grace to their hearts so that I, Myself, could draw them into the All-Consuming Love of My Heart, I crave many souls to cling to My Heart. I crave them to say it so that they could be drawn back to My Sacraments with a new fervour within their hearts. I crave and desire that all hearts be united with Mine through it. If the most hardened sinners will say it, I will shower them with a perfect sorrow for their sins and I will draw them into the bosom of My Church. A special Grace will I grant to priests, My beloved priests, if they say it and promote it. To all who say it, I will grant My Love in abundance for Love is what I am and Love is what I give. O, if only it were being said by many then I could begin to draw men into My Heart through it. These Words of Love are the very ventricle of My Most Sacred

Heart and I give it willingly even though I know that many will mock Me through it. I do not shy away from insults, My sons, but I accept them as I did upon the earth in the time of My Passion...

Monday 3 April 2006

...I ask of you to make a little leaflet with My Heart exposed on its cover so that many can be given it. Put on the reverse side, My Chaplet of Love for none of you yet know its Power...

Thursday 3 November 2016

Now it has begun, now the tendrils squeeze the throat of My Bride, hoping to kill her. The darkness is here, the darkness is darker and the lies that seem like the truth will try to crucify My Bride but, it will not succeed. A darkness that blinds is about to descend on My Church.

Now is the time to say My Chaplet of Love in earnest for its power, that I have placed within it, will allow many to see the Truth, it comes into its own. It is the 'Time of Justice'.

Pamphlets of the Chaplet of Love are available from the Sacred Heart House of Prayer.

SOME LIGHT FOOTSTEPS

This article is from "The Flame of Love of the Immaculate Heart of Mary - Excerpts from the Spiritual Diary of Elizabeth Kindelmann." It really highlights how precious our time spent with Jesus is.

January 19, 1964

Today, I attended only one Holy Mass. My old chilblains on my feet began to bother me again, keeping me away from the evening Holy Mass and I couldn't do the evening adoration either. I thought that I should rest today. So I spent the afternoon and evening in my little warm house doing minor tasks. At some point, I went out into the garden, and immediately, I heard some light footsteps on top of the icy snow. I looked around thinking it must be a small hungry animal looking for food, and I went on walking a few more steps. Then suddenly the presence of the Lord filled my soul. I was startled because He allowed me to feel that He was present next to me. My whole body was shaking under the effect of the graces emanating from Him. My physical strength abandoned me so much that I almost collapsed. It is only hesitantly that I was able to take a few steps. Many times now, the Lord has surprised me with

His presence, but this time went beyond all the previous ones. My body shook as never before until now. I did not see and I do not know how, nevertheless I perceived the touch of His garment. It was like an extraordinary breath of graces filling my heart with the feeling of God's presence. All this happened in the garden covered with snow. When I returned to my tiny dwelling, I realized how long I had been gone. Afterward, the Lord Jesus began to speak kindly to me.

Jesus: "You know, I was alone, and since you were not coming, I came to you. I rejoice to be with you. I am grateful for the number of times you think about Me. Oh, how it pleases Me when you meditate on My Precious Blood with such devotion and when you make reparation and adore Me. I gather that it is only fair on My part to honor you in this particular fashion. Oh, the loneliness! The loneliness and coldness are surrounding me constantly. That is why I stay close to you now. I do not disturb your rest, I am here with you in silence. May our hearts beat in unison.

Keep on doing what you are doing. I will stay with you for quite some time because... what

would I do all by Myself. No one comes to worship Me, or to make reparation, or to ask, or to give thanks. I know that you never miss without a valid reason. You never have any unjustified absence. My Elizabeth, I am giving you the gift

of My Divinity. Hold Me close to your heart because I also have human feelings. I wanted to give you as a reward the sacred surge that you felt just now, as a sign of My gratitude towards you.”

An update on the Houses of Prayer

Visiting the Houses

At the beginning of November, three of us visited the Poland and Germany Houses of Prayer just to check if they needed any maintenance or a tidy up.

Poland

Poland was first. Poland is not so bad because it was renovated some time ago. It has dual central heating, oil and a coal/log burner. The oil heating is set on a timer in the winter so that the pipes won't freeze and burst. This keeps the House in a better condition with much less damage done in those cold winter months.

However, the coal burner does need attention. It needs cleaned and serviced and, possibly, a new flu. As this House had been a school, it is quite big, it has about sixteen rooms that include bathrooms, kitchen and a large entrance hall with reception area. The church is right next door. There was not a lot to be done in it. The garden had to be tidied, a few trees cut down to

stop the pine marten getting into the House, he is very messy! We have asked a man in the village to get a builder to check if there are any holes in the roof and to repair it, if there is. We have also asked him to fix the fence around the House and to keep an eye on the general maintenance.

Message given for the House in Poland

"...Stay with Me on this mission for I wish to strew petals of My Love wherever you go in this country to heal the hurts of My people, Poland. They are strong hearts in My Love but their oppression they wear like clothes. I wish to give them My Invitation to love Me. I wish them to be free...You, My children, I have given the work of this preparation. You lay Me, the Foundation Stone, of My Houses in this country that I have longed for, a city besieged on all sides. But this day I give them hope for My House is here, My House of Hope. Its prayers should be for hope for

all nations that are oppressed."

Saint Nikolaus House

Saint Nikolaus House in Germany is a different story. It was bought at the same time as Saint Stanislaus, it also is quite a big House. It has a different layout than Saint Stanislaus House and is maybe not just as big. However, a year ago when we were there, we discovered that it badly needed a new roof. At that time we could not afford a new roof so we got a temporary roof on it, just to stop the water getting in and ruining the House. When we arrived this year, the House was dry but it needs central heating and a lot of work other as well.

On Thursday 12 October, Jesus gave the following Message:

**Thursday 12 October 2023
Saint Nikolaus House of
Prayer, Colditz, Germany**

My Heart is with you; My Heart will never fail you. It is your heart that fails Me, My little children, when you let go of My Hand. I will never let you go until you choose to let go of Me.

This House you are in, My servant, is worth everything you can do in it. It is worth much to My Heart. I wish to tell all My children, who listen to My Words, that the wounds of this House, ITS wounds are My Wounds. Like My Church, it is wounded: its roof is fallen like the roof of My Church. Soon it will be ruined and left for dead. Those who are capable of repairing My Church

are destroying it. What will come will not be of Me.

My House here can and will be repaired unlike My Church for those who do not repair it seek to build another church, a church that is full of hypocrisy. You will need to pluck out your eyes in order not to see the lies.

I have made and I am making provisions for what is left of My Bride. She has been severely beaten and parts of her have been removed. I will heal her.

As you bind up the wounds of this House, so I will bind up My Church but I need your help, My children, to bind the wounds of both. Help Me! Help Me to heal by being My people at last.

As you can see from this Message, the work here is very important and we will try to get it completed as soon as finances and time allow. We ask for your continued prayers for this and all the Houses that Jesus has asked for.

From the Catechism of the Catholic Church

2145 The faithful should bear witness to the Lord's name by confessing the faith without giving way to fear. Preaching and catechizing should be permeated with adoration and respect for the name of our Lord Jesus Christ.

2146 The second commandment forbids the abuse of God's name, i.e., every improper use of the names of God, Jesus Christ, but also of the Virgin Mary and all the saints.

2149 ...[God's] name is great when spoken with respect for the greatness of his majesty. God's name is holy when said with veneration and fear of offending him. (*St. Augustine*)

The Plight of Others

THE PLIGHT OF PRO-LIFERS

In 2020 the UK's abortion laws were extended to Northern Ireland in the absence of a sitting Executive. In 2022, buffer zones around abortion facilitators were also introduced. By 2024, all the five Trusts in Northern Ireland offered abortions.

In such a short space of time we have gone from being a relatively safe haven for the unborn to persecuting those who stand up for the rights of the unborn.

COLERAINE, Northern Ireland (LifeSiteNews) — A Catholic woman from Northern Ireland was convicted of praying outside an abortion mill in a “buffer zone.” Claire Brennan was fined £750 (\$953) on Monday, December 2, by the Coleraine Magistrate Court for praying and holding a pro-life sign inside of a so-called “buffer zone” outside Causeway Hospital in Coleraine on October 3, 2023. The video of Brennan’s and associate David Hall’s arrest in October 2023 was published on the YouTube channel of the legal advocacy group Christian Concern.

Not guilty

According to a report by the Belfast-based newspaper News

Letter, Brennan had pleaded not guilty to the charges, asserting that her actions were protected under the right to Freedom of Religion under the European Convention of Human Rights (ECHR).

District Judge Peter Kind ruled against Brennan, referencing a 2022 Supreme Court of the U.K. decision that upheld Northern Ireland’s abortion protest restrictions because the law supposedly “balanced the rights of protestors with those of women seeking privacy and dignity at abortion clinics.”

My moral duty

After Brennan was sworn in on the Bible, she gave an impassioned speech in defense of the unborn.

“I am a Christian and a pro-life activist, so my moral duty is to stand in the gap for the least of these little ones,” she stated.

“No men have the right to take life, and it is my moral duty to defend the rights of the Bible,” which she had just sworn on, she continued. Brennan continued by quoting the Book of Proverbs: “It is my duty to rescue those being led to death, to hold back those staggering towards slaughter.” (*cf. Proverbs 24:11*)

“These children are being blotted

out,” she said. “God had a plan for these children, and it is my duty to stand in the gap and protect these children. So, yes, I was there. I was doing my duty just like a policeman or fireman who protects life.”

“The government, in their pride, thought they were above God and they made a law that is against the Sacred Scripture to take life; and they have brought a great condemnation upon themselves and a chastisement will come for this.”

“They have made a law that prohibits my right to worship, to speak the Gospel to these women, to speak truth to them that their baby is a precious gift from God.” “I intended to be the last prick of their conscience to help them to choose life,” the 53-year-old pro-life advocate said.

Betrayed by the government

Brennan said that she would appeal the verdict. She told News Letter that she felt “betrayed by the government” and compared it

to “a dictatorship.”

The government would “try and censor all Christians out,” she said. “They’re trying to zone Christians out around abortion facilities and then they will try to zone them out of the public square and town centres.”

The News Letter noted that “An increasing number of Christian street preachers have been arrested in Northern Ireland and England” because they offended the so-called “LGBT community.” “I feel proud of myself that I had the courage to speak (in court) on behalf of my brothers and sisters in the womb and I pray that these truths spoken reach the hearts of those who are not walking in Christ,” Brennan stated.

She added that she has been receiving support and prayer “from across all of Ireland and beyond.”

I will be love

(From the autobiography of St Thérèse of Lisieux)

In the heart of the church I will be love

Since my longing for martyrdom was powerful and unsettling, I turned to the epistles of St Paul in the hope of finally finding an answer. By chance the 12th and

13th chapters of the 1st epistle to the Corinthians caught my attention, and in the first section I read that not everyone can be an apostle, prophet or teacher, that the Church is composed of a variety of members, and that the

eye cannot be the hand. Even with such an answer revealed before me, I was not satisfied and did not find peace.

I persevered in the reading and did not let my mind wander until I found this encouraging theme: Set your desires on the greater gifts. And I will show you the way which surpasses all others. For the Apostle insists that the greater gifts are nothing at all without love and that this same love is surely the best path leading directly to God. At length I had found peace of mind.

When I had looked upon the mystical body of the Church, I recognised myself in none of the members which St Paul described, and what is more, I desired to distinguish myself more favourably within the whole body. Love appeared to me to be the hinge for my vocation. Indeed I knew that the Church had a body composed of various members, but in this body the necessary and more noble member was not lacking; I knew that the Church had a heart and that such a heart appeared to be aflame with love. I knew that one love drove the members of the Church to action, that if this love were extinguished, the apostles would have proclaimed the Gospel no longer, the martyrs would have shed their blood no more. I saw and realised that love sets off the bounds of all vocations, that love is everything, that this same love embraces every time and every place. In one word, that love is everlasting.

Then, nearly ecstatic with the supreme joy in my soul, I proclaimed: O Jesus, my love, at last I have found my calling: my call is love. Certainly I have found my place in the Church, and you gave me that very place, my God. In the heart of the Church, my mother, I will be love, and thus I will be all things, as my desire finds its direction.

"...Giving should be your motto, for giving is the greater part of love and love is what Jesus wants. Be innocent as a little child. These are my words to you. I love you..."

Message from Saint Thérèse*

Lord, I believe,
help my unbelief

He might die on his own

Just after my mother died, I was left at home with my father whom I didn't really get on with. He was a workaholic and a drinker and I never really spent time with him other than when I was working with him. He was always a habitual drinker and after my mother died he went from drinking weekly to drinking daily.

A lot of things happened that shouldn't have but I don't really want to go into them.

Divine Mercy prayer

When I found out my father had lung cancer, I was worried about the fact that he might die on his own, with no one there who actually knew him, because he was in a nursing home. So I would stop in at the chapel on the way home from work, and talk to Jesus.

To be honest I wasn't a great

believer and I would say so as I sat in the chapel. I said that I wasn't sure if anyone was even listening but if there was someone listening I wanted to make sure I was with my father when he died, for two reasons.

The first reason was that although we didn't get along, he was still my father and I didn't want him to die surrounded by people who were paid to be there and didn't actually know or care about him. And secondly, because I wanted to say a Divine Mercy prayer for him as he died. Jesus said that if this prayer was said when someone is dying then He would stand between the person and the Father as a Merciful Judge and not a condemning Judge.

I knew it was over

About six months after his diagnosis, I got a phone call from the nursing home to inform us that his condition had deteriorated and that I should come to be with him, as soon as possible. When I got there, it didn't look good to me but a doctor examined him and told me to go home because his heart was strong and he would live for another six months. For some reason, I didn't believe him and asked if I could stay the night. They put me in a room and

sometime after midnight I was wakened by a male nurse who told me to come to his room quickly. At this point, his breathing was fast with very little time between inhalations. The nursing attendant left the room to go somewhere else and that gave me the opportunity to say the Divine Mercy Prayer. Not long after I had entered the room his breathing stopped, and, as I had never been so close to a dying person before, I didn't know whether he was dead or not. I moved my head closer to his face and still couldn't hear him breathing. Then he breathed out his last breath, and I knew it was over.

From the Catechism of the Catholic Church

2143 ...God confides his name to those who believe in him; he reveals himself to them in his personal mystery. The gift of a name belongs to the order of trust and intimacy. "The Lord's name is holy." For this reason man must not abuse it. He must keep it in mind in silent, loving adoration. He will not introduce it into his own speech except to bless, praise, and glorify it.

Give glory to God

My reason for writing this is to give glory to God because I believe that Jesus answered my prayer in the chapel, even though my faith was not great. I believe He answered me because I prayed from the heart and He cannot fail to answer such a prayer. I didn't say rosaries or any other prayers. I simply spoke from the heart, with a deep longing to do something for someone in need, as well as the need I had in me to be with him when he died. Not only was I with him but I was the only person there.

Thank You, Jesus, for answering my prayer.

Lord, I believe, help my unbelief.

Song of the Carpenter

The following is a serialisation of the 'Song of the Carpenter,' a novel inspired by Jesus and written down by the two Patricks. It is about the Life of Jesus and is full of spiritual teachings as well as a simply fantastic read.

If you cannot wait to read it all, then you can order it from the Sacred Heart House of Prayer. It costs £6.99.

Matthias Ben Eli entered the Temple. He was the High Priest and all turned to look at him in the outer courts as his assistant priests went ahead of him to clear a path through the crowds that gathered there for Morning Prayer. His white robe looked dazzling and spotless in the morning sun and he had a blue cord around his waist. Matthias Ben Eli proceeded up the steps to the inner court.

In his retinue that day were some students whom he was teaching. He would take them into the inner court so that he could explain the teachings on the Altar of Sacrifice and how it should be done according to the Law of Moses. He would teach them the precision of the Law.

As he and his entourage entered the doors of the inner court he saw

it. The small statue of Diana, the Roman goddess, had been placed along the wall. Matthias Ben Eli froze. He froze into the ground below him. Profanity had entered the inner courts of the Temple of the Holy One of Israel!

"Who brought this pagan thing into the Temple." Matthias Ben Eli said turning away from the statue, its naked breasts blinding him, "The Lord our God is one God." he said and tore his robe from the neck to the waist. "Who put this abomination here?"

Priests began to move from all parts of the Temple now into the inner court. A small humble priest walked up to Matthias Ben Eli and said in a low voice, "Forgive me, Matthias Ben Eli, but Herod's men arrived here a few hours ago and said that Herod had given them expressed orders that this statue be placed along the wall in the inner court. I presumed that all of you knew for it is usual that Herod calls the priests before he carries out his plans."

"Herod! That explains it. Do not worry," he said placing a hand on the other priests shoulder, it is not your fault."

He turned then to the students, who were open mouthed at the events that had taken place,

“My sons, learn a fine lesson here today. This Sanctuary is Yahweh’s Temple and no other god is welcome here, not even on the whim of a king. Take this... this abomination out of here and smash it on the street. Herod has gone too far. He is not content with surrounding this Temple with pagan gods, now he invites them into God’s own Sanctuary. Remove this thing from my sight and the sight of God.”

“I do not think that you can do that,” said a thick voice behind the group and it echoed in the high walled chamber. They turned to see whom it was that had spoken. A man, a Jew stood there and they recognised King Herod’s bodyguard, Caleb. His thickset body rippled with muscles.

“This is the Temple of Yahweh and it will not be desecrated by pagan gods as long as I am High Priest.” Matthias Ben Eli said to the big man.

“Then I must report this incident to the King,” said Caleb.

“Do that.” the High Priest retorted. Caleb turned and left them and went out through the gate.

Two hours later Matthias Ben Eli was arrested along with his students and priests who had been with him that day. On Herod’s orders they were tied to a stake and burned outside the walls of Jerusalem.

King Herod called his sister, Esther, to him. Herod was weak and low and in much pain. “Esther,”

he panted for breath “when I am gone, have the Romans execute the men in the racing ground. I have told Maximus that he must obey your word if I send you to him. Israel will not mourn me but they will mourn them. Will you do this for me, Esther?”

“Yes, my brother.” she said.

As the sun descended to make way for the darkness, King Herod began to scream. All his family were gathered there to be with him, his nine wives and his three sons. Some of the younger wives cried at the sight of the King but most just watched.

He lay on the couch, pallid and weakened by the disease as it devoured the last of his body. His liver could no longer function and the bile within it began to leak out through the perforated walls and his innards began to burn. Poisonous waste material burst through the weakened walls of his organs and his body screamed. A stench arose from him and few would go near him. Herod screamed for three hours as the fluids of his body burned their way through him. He fell into a state of unconsciousness and a gurgling sound invaded his breathing. Many within the palace were glad. After one hour of the gurgling Herod gave three short puffs of breath as though trying to catch it, then he stopped breathing altogether. All present watched as the colour and the life drained from his face. Herod was dead.

A Continuous Striving for Holiness

Happy, peaceful new year!

We wish you all a happy, peaceful new year and we hope you had a Blessed Holy Christmas.

We have been through Advent, trying to prepare for Christmas, preparing to celebrate Jesus' Birth, the Saviour who came into the world to give us Life and to give His Life for us.

Worldly preparations

The worldly preparations were buying food and presents, decorating Christmas trees and arranging family gatherings etc but did we prepare our hearts and souls through sacrifice and the dying to self? Maybe we prayed or attended Mass more and went to Confession? Were we open to Him, to allow Him to come to birth in us? Are we now allowing Him to live in us each day?

By doing these things we are also preparing for His Second Coming. But it doesn't end at Christmas, it has to be a continuous striving for holiness and staying with Jesus every moment of every day.

In the twinkling of an eye

"...We say in the Creed, He will come again in glory to judge the living and the dead. This truth flows directly from Scripture

which teaches clearly two things on which we must reflect. First, He will come again in glory. Second we cannot know the day or the hour that he will return. In fact, though some signs will precede His Coming, the emphasis of Scripture falls upon the suddenness of the event:

1. He will appear like lightning (*Mt 24:27*),
2. With the suddenness of the pangs of childbirth (*1 Th. 5:3*)
3. In the twinkling of an eye and the sound of a trumpet (*1 Cor 15:52*).
4. It will take place when we least expect (*Mt 24:44*),
5. Just when everyone is saying, "There is peace and security!" (*1 Th. 5:3*).

What does it mean to be ready?

Since this is to be the case we must live lives of readiness for that day..."

"...But what does it mean to be ready? To be ready is to be living faithfully, holding to God's unchanging hand in the obedience of faith and trust. To be ready is to be living a holy life and a life of repentance. If we do this we not only have nothing to fear about the Last Day, we eagerly anticipate

it and cry out, "Amen, Come Lord Jesus!" (Rev 22:20)..."

"...At every mass, the following prayer is said, 'Deliver us Lord from every evil and grant us peace in our day. In your mercy, keep us free from sin and protect us from all anxiety, as we wait in joyful hope for the coming of our Saviour, Jesus Christ.' This beautiful prayer recalls that it is entirely God's work that we be ready for his glorious return. Only he can deliver us, free us from our sin, and remove anxiety about that day. Only he can give us joy and make us holy. We have but to yield to his saving work.

Yearning

And this brings us back to where we started, longing and yearning for our saviour. To yearn for him is to know how much we need him. To long for him is to constantly seek his face and call upon his name. Therefore, cry out with the Church, "Come Lord Jesus!" For it is written, The Spirit and the Bride say, "Come." And let him who hears say, "Come." And let him who is thirsty come, let him who desires to take the water of life without price... He who testifies to these things says, "Surely I am coming soon." Amen. Come, Lord Jesus! (Rev 22:17, 20)"

(Excerpts from Monsignor Charles Pope, 5 Advent themes. Spiritual Direction.com 9th December 2024)

Prepare

Jesus is always asking us to prepare in the Messages of Love. He has given us, His remnant, a Way to live and stay with Him

both in Scripture and through the Messages. Let us find Jesus through our prayer that we may come to know and love Him in truth and allow Him and the Father to make Their home within us.

I pray that 2025 will be the year His Army of Love will emerge and we will be ready and waiting to serve Him and do His Will.

God Bless you all.

John Paul II

APOSTOLIC LETTER: NOVO MILLENNIO INEUNTE Of his Holiness Pope John Paul II to the bishops, clergy and lay faithful at the close of the Great Jubilee of the year 2000

47. At a time in history like the present, special attention must also be given to *the pastoral care of the family*, particularly when this fundamental institution is experiencing a radical and widespread crisis. In the Christian view of marriage, the relationship between a man and a woman — a mutual and total bond, unique and indissoluble — is part of God's original plan, obscured throughout history by our "hardness of heart", but which Christ came to restore to its pristine splendour, disclosing what had been God's will "from the beginning" (*Mt 19:8*). Raised to the dignity of a Sacrament, marriage expresses the "great mystery" of Christ's nuptial love for his Church (*cf. Eph 5:32*).

On this point the Church cannot yield to cultural pressures, no matter how widespread and even militant they may be. Instead, it is necessary to ensure that through an ever more complete Gospel formation Christian families show convincingly that it is possible to live marriage fully in keeping with God's plan and with the

true good of the human person — of the spouses, and of the children who are more fragile. Families themselves must become increasingly conscious of the care due to children, and play an active role in the Church and in society in safeguarding their rights.

Ecumenical commitment

48. And what should we say of the urgent task of fostering communion in the delicate area of *ecumenism*? Unhappily, as we cross the threshold of the new millennium, we take with us the sad heritage of the past. The Jubilee has offered some truly moving and prophetic signs, but there is still a long way to go.

By fixing our gaze on Christ, the Great Jubilee has given us a more vivid sense of the Church as a mystery of unity. "I believe in the one Church": what we profess in the Creed has *its ultimate foundation in Christ, in whom the Church is undivided* (*cf. 1 Cor 1:11-13*). As his Body, in the unity which is the gift of the Spirit, she is indivisible. The reality of division among the Church's children appears at the level of history, as the result

of human weakness in the way we accept the gift which flows endlessly from Christ the Head to his Mystical Body. The prayer of Jesus in the Upper Room — "as you, Father, are in me and I in you, that they also may be one in us" (*Jn 17:21*) — is both *revelation* and *invocation*. It reveals to us the unity of Christ with the Father as the wellspring of the Church's unity and as the gift which in him she will constantly receive until its mysterious fulfilment at the end of time. This unity is concretely embodied in the Catholic Church, despite the human limitations of her members, and it is at work in varying degrees in all the elements of holiness and truth to be found in the other Churches and Ecclesial Communities. As gifts properly belonging to the Church of Christ, these elements lead them continuously towards full unity.

Christ's prayer reminds us that this gift needs to be received and developed ever more profoundly. The invocation "*ut unum sint*" is, at one and the same time, a binding imperative, the strength that sustains us, and a salutary rebuke for our slowness and closed-heartedness. It is on Jesus's prayer and not on our own strength that we base the hope that even within history we shall be able to reach full and visible communion with all Christians.

In the perspective of our renewed post-Jubilee pilgrimage, I look with great hope to the *Eastern Churches*, and I pray for a full

return to that exchange of gifts which enriched the Church of the first millennium. May the memory of the time when the Church breathed with "both lungs" spur Christians of East and West to walk together in unity of faith and with respect for legitimate diversity, accepting and sustaining each other as members of the one Body of Christ.

A similar commitment should lead to the fostering of ecumenical dialogue with our brothers and sisters belonging to the *Anglican Communion* and the *Ecclesial Communities born of the Reformation*. Theological discussion on essential points of faith and Christian morality, cooperation in works of charity, and above all the great ecumenism of holiness will not fail, with God's help, to bring results. In the meantime we confidently continue our pilgrimage, longing for the time when, together with each and every one of Christ's followers, we shall be able to join wholeheartedly in singing: "How good and how pleasant it is, when brothers live in unity!" (*Pss 133:1*).
