

*“Did you buy Me  
a birthday present?”*

# An Invitation to Love Jesus Newsletter

## Messages of Love November 2021 Issue 306

### Editorial

#### Front cover

On the cover of this month's Newsletter are the stark words: **"Did you buy Me a birthday present?"** These were the Words of Jesus in a Message on Thursday 28 December 2005. In this Message, Jesus told a story where He was a traveller who had come a long way to see His friends. He suffered much hardship and rejection en route but the warm thoughts of the welcome He would receive spurred Him on His journey. But when He arrived, there was no fire lit, there was no welcome, no love for Him; hardly anyone was there, only a few, who were caught up in themselves. When His friends gathered, Jesus asked them why they hadn't welcomed Him. They made excuses, one said their family needed them, another said they were out buying presents for His Birthday. Jesus said He loves surprises and asked if she got Him a present but her face reddened as she said she hadn't. Whilst His friends started arguing about how they couldn't get Him the present, Jesus slipped off, out the door, unnoticed by them all.

Let's not let this happen to Jesus this year! Let's prioritize a present for Jesus for His Birthday. An idea could be to give up a sin, a

favourite thing, an attachment this Advent or we could invite someone who is living alone to our table on Christmas Day, maybe we could help the homeless. Whatever we decide, let's do something for Jesus this year.

#### The Messages

In this month's Messages, Jesus asks us to believe, to trust, not to fear and to die to ourselves. He is calling us to our Freedom in Him, to Truth. These beautiful Words are a lifeline to many of us. If we live them, they are our way back to the perfection that God created us to be. They are to be lived.

#### Within the Newsletter

There are several articles about Advent, which, we hope, will help us all to prepare for the birth of Jesus within us. We have also included selected Advent and Christmas Messages.

#### Tickets

Thank you for all returned tickets, which are gratefully received. We would encourage all of you who still have tickets to please return them as soon as you possibly can. Thank you all for your help.

#### Happy Christmas

We pray you will have a holy and happy Christmas and a peaceful New Year! May God Bless you all abundantly.

# *The Messages of Love*

as given to the two Patricks

## **Monday 1 November 2021**

Believe, children of Mine, and fight for My Truth in your lives. Do not listen to those in places of power that preach a message contrary to My Teachings.

Believe in Me and believe in My Truth. Change the parts of your lives that you refuse to give over to Me.

Believe, children of Mine.

I Love you.

## **Tuesday 2 November 2021**

Trust Me and believe in who I am. I am your Creator, your God. You cannot fully understand Me but I am a part of you. I know your thoughts, your feelings. Begin to trust in Me and I will guide you in the Ways of Truth.

Believe, children of Mine, the 'Time of Justice' has begun and I will bring Justice to every part of this earth. Every country must account for its actions. I will see

Justice brought to all My children. My Truth will reign, once again. My people will be freed from the injustice handed out by those in power.

Justice is coming to the nations for I will free My people from the persecution. I will see freedom come to all the nations.

Trust Me, it has begun: I am here.

Trust Me: I Love you.

## **Thursday 4 November 2021**

Believe, children of Mine, and do not doubt My Words of Truth that I give to you through My two. Believe, children, for the time is upon you when My Justice will sort the lies from the Truth.

Believe, children of Mine, and know I am among you. I will bring freedom to My people. Trust Me.

I Love you.

## **Friday 5 November 2021**

Come to Me, children of Mine, and walk this Path of Truth that I set before you. Believe in My Words and do not be afraid. Believe, children of Mine, it has begun. Already, I begin to break the web of lies, it will crumble and fall.

Trust Me, children, I come to bring freedom to My people.

Trust Me.

I Love you.

**Sunday 7 November 2021**

Believe in the Words I speak and do not fear the coming events for I simply begin to show this world how little they know and understand about My Creation. I will bring this world to its knees and science will not be able to explain. I will show all the Truth and I will reclaim My Creation. Trust Me, My children, and believe in My Words and live them in Truth. I have Warned you of this time and now it is upon you. Believe and prepare in the little time left.  
Trust Me.  
I Love you.

**Monday 8 November 2021**

Believe, children of Mine, and do not fear the Truth but embrace it and allow it to guide you deeper into the Ways of your God. Trust Me, children, and do not fear the events that take place around you rather, know the Hand of your God begins to bring the mighty from their pedestals as all that they think they know and understand crumbles before them. They have created their own downfall through their blindness. Trust Me, I will show all their lies. No longer will they be able to hide from My Truth.  
Trust Me.  
I Love you.

**Monday 8 November 2021**

Trust Me and believe in the Words I give to you.

Self is your enemy: the more you can control self, the more you will see and understand My Truth. Trust Me and do this for Me.  
I Love you.

**Tuesday 9 November 2021**

Look always to the Truth, My children. Read My Scriptures, read My Gospels so that you know the Truth and do not listen or get caught up in the lies of this world. Trust in Me and do as I am telling you, die to self. The more you can control self, the more you will understand the Ways of your God.  
I have told you that My Justice has begun to eat into the lies of this world and you will begin to see as the towers of lies begin to collapse around this world and the blame will begin as those involved panic, as more and more of their lies begin to collapse in on them.

All welcome

This world will be shocked at how easily they were deceived by those in power as they only looked after themselves in their greed and blindness.

Look, children, I have told you the way it will be.

Trust Me.

I Love you.

Prepare.

### **Wednesday 10 November 2021**

Trust and believe in My Love for you, My children. I have told you to prepare: now you enter the 'Time of Reclaiming' when many of those who were lost will return. Trust Me, I will reclaim much of that, that has been lost through greed and lies.

Trust Me and do as I say.

Prepare.

I Love you.

### **Thursday 11 November 2021**

It begins, children of Mine, watch and see as the lies begin to crack and crumble. Watch as those of this world try to justify their part in the deception and fail. I will bring all their lies out, I will show all what they have been doing through themselves.

As I blinded Pharaoh, so shall I blind the liars so that they show themselves and what they have been doing to the peoples of this world; as one falls so shall the rest around them like a stack of cards. Prepare, children, prepare and stay close for I will be the only One who will be able to guide you through this time as I cleanse this earth.

Trust Me.

I Love you.

### **Friday 12 November 2021**

Believe, children of Mine and walk in the Light of My Truth. Show this world you are a follower of Mine by the way you love your neighbour.

Trust in My Ways and you shall find Peace.

Trust Me.

I Love you.

### **Sunday 14 November 2021**

Trust and believe in My Words of Truth. The days of lies are coming to an end. I will show their lies. I will show all what they have done, those who believe they control this earth.

Already My Truth begins to penetrate the web of lies they have spun and it begins to unravel; slowly, at first.

Watch and see, children, it has begun. My Justice has begun to cleanse this earth.

Trust Me.

I Love you.

### **Monday 15 November 2021**

Believe, children of Mine, for now you have entered the 'Time of My Justice' where I will bring Justice to My people that have been held in chains of silence. I will break the chains and give you, My people, a voice, once again. I will bring Justice to those that are held in the bondage of lies. I will destroy their lies and all shall come tumbling down as the slavers try to justify and blame each other for

their actions. Truth will be seen once again.

Trust Me! My Justice is Holy and will seek out all darkness and destroy it.

Believe, your freedom is here!

Believe.

I Love you.

### **Tuesday 16 November 2021**

I go out to the nations of this world to bring Truth to My people. I bring this earth freedom, I show My people what has been taken from them. So many will be lost, so many are unwilling to listen, so many will not change, so many are so engrossed in their lives of self that they will refuse to see or accept My Truth.

All that will be left is a remnant and I shall gather them from the nations and I shall lead them to safe refuge while I renew this earth with My Truth and free it from the evil that has infected it for so long.

Trust Me, My children, and prepare. The harvest is ready and the labourers are few. I need your help.

Be ready.

Prepare.

I Love you.

### **Tuesday 16 November 2021**

Trust Me, children, I come to bring freedom to the nations of this earth. My Justice is My Truth and Truth will be given to all the nations and My people will be set free from the chains of lies that lucifer has given to those in power to bind the peoples of this earth

with.

Look and see as My Truth begins to penetrate the web of lies. Watch as it begins to unravel and those who helped to spin the web begin to panic as it comes tumbling down around them.

I am not a dead God. You have been sifted by lucifer and so few have stood firm with My Truth.

It is upon you, children, the Justice of your God seeps slowly into every dark corner of your society. Stand firm with Me, children, and I will guide you through the turmoil that will befall all the nations of this earth.

Trust Me.

I Love you.

### **Wednesday 17 November 2021**

Believe in My Power to overcome. Believe that I can defeat the lies of this world and you will begin to recognise the cracks as the web of lies begins to falter.

Trust Me, children, for already it begins to fall and it will collapse.

The lies and the liars will be seen and this world will shudder at how easily they were blinded and believed in their lies. Trust Me and prepare by dying to self.

Trust Me, children.

I Love you.

### **Thursday 18 November 2021**

Believe, children of Mine, and do not fear the events that take place around you. I come to bring freedom and I shall break the chains that have been placed on My people through the unjust, who are supposed to guide the

countries through just laws. They have turned against the Truth and now seek to control the peoples through lies. These I will shatter and all will see what has been done in the Name of Truth.

Prepare, children, for turbulent days are ahead where many people who have not got My Light will rage at what has been done to them.

Stay close and I will guide you through this time.

Believe, children, and prepare by removing sin from your daily lives. Trust Me.

I Love you.

### **Friday 19 November 2021**

Come, children of Mine, and believe in the Words I give. Believe I am with you. I have given this world the freedom to decide whether to follow Me or not but, those who have chosen not to follow Me, now force the ones who would follow Me to believe in unjust laws that keep all away from My Truth. It is time, children. I am about to change everything that this world thinks they know and understand.

Trust Me and do not fear for I must take those in high places, who force My people to believe in

their lies, off their pedestals.

Prepare, children of Mine, it has begun.

I Love you.

### **Saturday 20 November 2021**

Believe in My Truth and live it, My children. I am with you and I will guide you if you allow Me to. Trust Me, children, for I am about to show this world the Truth and all will be shocked at how little they know and understand about My Creation.

I will show this world what true faith can do as I send My servants of Love out into this world to call My sheep back to the safety of My Fold. Trust Me, children, mankind thinks he has power but all are about to realise how little power mankind truly has.

I am the Power, I am the Creator, I am the Alpha and the Omega and I understand all creation and what man has done in his greed and lust for power. It has begun and you will see all begin to change as My Truth begins to seep into all parts of your society.

My Justice is My Truth and this world does not yet understand what it has done by blaspheming its God, its Creator. Prepare, mankind, repent and you will be guided through this time. Choose to remain blind and you will know the chastisement of your God.

Repent.

I Love you.

### **Sunday 21 November 2021**

Trust and believe in My Truth for it is My Truth that comes to bring

you freedom from the persecution, the tyranny, of those who force My people to believe in unjust laws that only lead to sin.

I am Coming, children, to bring true freedom to My people, to those who are willing to listen and, chastisement to those who refuse to listen. Believe, for I have Warned this world for centuries and still you have not listened.

Look at your countries: they are being torn apart by the ungodly who are controlled by the whims of lucifer.

Open your eyes and see the Truth. Change your ways!

Repent of your sin and follow Me in Truth.

Trust Me.

I Love you.

### **Monday 22 November 2021**

I have Warned this world of this time when Justice would be poured out on the nations. The time when the deceivers would be shown in the Light of My Truth. I have come to sift the darnel from the wheat.

You are now in the 'Time of My Justice' and I will sort the good from the bad and bring many back from the brink.

Now, be Warned: no one can hide from My Truth.

I will fulfil all My Words.

Repent, die to self and come follow Me in Truth.

Trust Me.

I Love you.

### **Tuesday 23 November 2021**

Come to Me, My children, and

believe in My Truth. I have told you My Justice is My Truth. The more you die to self, the more you will understand the meaning of these Words that I have given to you.

Believe, My children, the more you defeat the sin in your lives the clearer the Path will become for the scales of blindness fall from your eyes as you remove sin. Sin is what stops you from seeing. If you truly want to see, die to self for self will always accept the easy path, the path of sin.

Believe and accept My Justice into your life and all will be revealed.

Trust Me.

I Love you.

### **Wednesday 24 November 2021**

Look to the Truth and see it seep slowly back into this world. Watch as the chains of lies begin to shatter as My Truth begins to erode their links.

Trust Me, My Justice is upon this earth and the Light of My Truth will be seen in every dark corner of this earth.

Trust Me, My people, your freedom is upon you.

Prepare.

I Love you.

### **Thursday 25 November 2021**

Come to Me, children of Mine, and believe in the Words I give you for already it has begun and this world will fall into confusion as My Justice penetrates the lies that have hidden the Truth from the peoples of this earth.

I come to bring Truth so all may

have a chance to return before I cleanse this earth with a Great Chastisement so that mankind will be afraid to ever walk the path of this generation again. It has begun, prepare, children. I Love you.

**Friday 26 November 2021**

Trust Me, My children, and believe in the Words I give for these Words are precious for they are the Path that lead you back to My Truth. I have already given these Words within My Scriptures; I do not speak different Words but I go out to call you back for no longer do you read or believe in the Words of My Scripture.

Rather, you choose to listen to historians, theologians; men and women of great learning who, in their wisdom, have decided that I did not speak the Words within My Scriptures but they are only fables and fairy tales. They say that My Apostles did not write My Gospels but that they were written down many hundreds of years after their deaths. I say: how blind this generation has become for it only listens to the lies of

lucifer and accepts these as truth. My Scriptures are My Truth, My Gospels are My Truth. I have given them to you to believe in or not; the decision is yours.

Heaven and hell do exist, they are real places. You choose, by your actions on this earth, where you will spend eternity, the decision is yours. You are on this earth to make that decision. In your free will you can choose to believe in My Words or not. I offer you Heaven, an eternity of joy and happiness. lucifer offers you only what you can gain on this earth.

But, now, you force My people to believe in sin, this I will not accept. So, My Justice is upon this earth and - within a time - a chastisement will come to those who refuse to listen for this is My Creation, you are My creation and I will not allow you to take others' free will away through your lies. The decision is yours, to listen and follow My Truth.

Repent and come follow Me in Truth and the wonders of Eternity shall be yours. I Love you.

# APPEAL AND UPDATE

We initially thought to put out an appeal in this Newsletter for an urgent need of equipment in JPP. We were also aware of the increasing debt in the House of Prayer. Alongside all of this we are also trying to do our best, to fulfil Jesus' request that the Houses of Prayer be made ready, so repairs and renovations are needed to do this.

Jesus has given a Message for the appeal and in it He makes it clear that it is in our giving that He can Work. That giving can be in prayer, sacrifice or financially. We all have gifts, some of us can pray, some of us can sacrifice and some of us have the means to provide financially. All are of equal importance.

Since each of the needs are of great importance, we have decided to furnish you with the details of each of them and we very humbly request that you consider helping us financially. We continue to ask your prayers that we will all fulfil the important Mission which Jesus has entrusted to us.

## **Sacred Heart House of Prayer**

The House is of course an ongoing need, and it is only through your generosity of spirit and support that we can continue to do the Work here.

Our debts are rising and currently stand at £20,729.

## **JPP Printing**

JPP is crucial in the getting out of Jesus' Messages of Love and has been sadly neglected by us for many years.

Some time back we put out an appeal for a binder which was necessary to finish the Message Books needing to go to print. Through your unfailing help we received the £20,000 which we estimated as the cost. We are currently investigating binders and hope to secure one very soon.

As we have explained in previous Newsletters all the equipment (printing press, collator etc) in JPP is very outdated and not in good working order. Parts and engineers which would be needed are virtually impossible to source.

With all this in mind we have made the decision to move to digital printing for all our needs. This means that we need further equipment to be added to our digital printer, such as a booklet maker, collator, etc. We do not have exact costs but from what we have researched we feel we may need upwards on £30,000 in order that we can continue to put out the Messages of Love. We ask for your help.

### **Other Houses of Prayer**

We are all aware that the world is in a very dark state at this time and in recent Messages Jesus has, again, asked that we prepare His Houses of Prayer. We are currently doing all we can to finish the Houses in Ireland. As I am sure you will appreciate this is an expensive endeavour, not helped by the rising costs of materials, at this time. Once we get Ireland finished, we can then look at the Houses in Europe. Some of the Houses do not need a lot more renovation to complete them but equally quite a few requires major repairs. We cannot complete this work without your prayers and financial help, so please keep this in mind.

We totally understand that in these turbulent times we are all struggling financially.

We simply step out in faith and ask for your help as Jesus has told us to.

Your ongoing support and prayers are what enables us to carry on this Mission and we put our complete trust in Jesus. Jesus has no hands but our hands, no feet but our feet and no lips but our lips.

Thank you and God Bless.

# JESUS' WORDS FOR THE APPEAL LETTER

**Sunday 31 October 2021**

Trust Me, My children, as I build the foundations of the Order of the Way of My Truth that will last for a thousand years. You, My children, through your giving, your sacrifice and your prayers, lay the foundations of the Order of The Way of My Sacred Heart.

I ask, once again, for your help for already the time is late and the Way of My Heart is about to be seen in this world as it begins to shine bright. It shall reclaim so many souls that have been blinded through the lies of lucifer.

You build a fortress of Love, My children, through your prayers, your sacrifice, your giving. I see all that you have done, My children, and We, together, are about to split the darkness. My Light shall be seen in this world, once again. My children will know Love, they will find Love through My Words of Love that I have given over many years.

Prepare, My children, prepare for the Battle of Love is begun and I will reclaim many of those that have been blinded through the lies of lucifer.

Trust Me in this Work that I do for, through your sacrifice, I build the foundations of the Way of My Sacred Heart. It shall become known as the Way of Truth and many priests, brothers and sisters will go from its doors to the four corners of this earth, spreading My Truth to the nations.

Pray and sacrifice much, children, for, the more you pray and sacrifice, the stronger the foundations will become.

Trust in Me, it has begun.

I Love you.

## *The relationship between Advent and Christmas*

### **The preparatory season**

Advent is the preparatory season leading up to Christmas. Themes of readiness, watchfulness and anticipation mark these days of penitential and austere preparation before Christmas. The purpose of Advent is to prepare us for a deep, personal, life-changing, world-shaking encounter with Christ this Christmas.

### **Penitential seasons**

Monsignor Charles Pope writes that the color purple (violet) used during Advent is akin to its use in Lent, as both are considered penitential seasons. Hence we are to give special attention to our sins and our need for salvation. Traditionally we would take part in penitential practices of fasting and abstinence. Of course, in recent decades Advent has almost

wholly lost any real penitential practices. There is no fasting or abstinence required. Confession is encouraged and the readings retain a kind of focus on repentance.

### **Long gone**

Long gone are the days of a 40 day fast beginning on November 12. The observances were every bit as strict as Lent. And the fast and abstinence were far more than the token observances we have today. In most places, all animal products were strictly forbidden during Advent and Lent.

### **Had a lot less**

What is most remarkable is that such fasts of old were undertaken by men, women and children who had a lot less to eat than we do. Not only was there less food but it was far more seasonal and its supply less predictable. Further, famines and food shortages were more a fact of life than today. Yet despite all this, they were able to fast twice a year for 80 days total....

Check out Busted Halo's two-minute video that describes why we celebrate Advent and wait to celebrate Christmas. Here is the transcript from this video:

### **Advent in two minutes**

Advent begins four Sundays before 25 December, lasts about four weeks and prepares us for Christmas.

We all know Christmas, right? Shopping, planning, buying, baking, parties, dinners, cookies, Santa, cards, gifts, decorating, carolling, stressing...?

### **Entering our world**

There's a lot more to it.

**Christ-mas** is entering our world and Advent is the expectant waiting, hopeful anticipation and cheerful preparation of God breaking into our lives, in all moments, all places, all times...past future, present, commemorating the Birth of Jesus, preparing for Christ's return and welcoming God into our lives everyday.

Advent prepares us for these events. It reminds us there's joy in waiting and it begins the Church year.

Advent is not stressing about Christmas.

Advent is not rushing around shopping.

Advent is not a race to 25 December.

Advent is also not Lent.

It's about hope, not repentance. Lent is more of a spring cleaning of our lives and Advent is a cozier getting your home ready to welcome a special guest...Jesus. The One we've been waiting for.

### **Rejoice**

Advent colours aren't red and green. They are purple and pink, like the Advent wreath. A new candle is lit each week. The third week is pink for Gaudete Sunday. Gaudete means rejoice, don't lose heart. The expected Guest has almost arrived.

### **Remember**

...Remember Advent is not about shopping, stressing, planning or buying. Advent is about expecting, waiting, hoping and praying.

If you're sick of Christmas by 25 December...you haven't done Advent correctly!

# “...Embrace Me in My Word...”

## **No excuses**

For a while now I have been struggling to dedicate time to reading scripture. The thought of only fifteen minutes a day seems so easy but with every day comes many new excuses. I want to have no excuses this Advent! I want to be prepared for the business ahead but never let it disrupt the time I am setting aside for scripture meditation.

## **About You, Jesus**

I read this message lately and I think it is perfect to encourage me to start again this Advent and keep giving this time to Jesus. Not only does He Love us spending time with Him but we gain so much from doing so. I pray that I will make this Advent and Christmas time about You, Jesus, despite my many broken promises in the past. Oh, King of Ardent Love, Reign over my soul.

## **Friday 1 December 1995**

“...Look at Me as you read for I am within you now because when you read Me as the Word then I am in you. I am speaking the

words with My own Voice and I am real for I am the Word and I am speaking, Myself, to you. In this way I am giving Myself to you as though I were the very blood that flows through your veins. The more that you allow Me, as Word, to penetrate and permeate and filter into you the more that you gain; you gain Me; you gain Jesus; My whole self - for I would give you nothing less. Let Me bring Myself to birth in you as these weeks of Advent Peace begin and I will enfold Myself into you. Let them be the safe place that you wish to run to; to hide with Me...Embrace Me in My Word, embrace My Presence and do not just pay homage to Me in your prayer but show the world - without fear - that I am indeed the Lord your God. I am the Word and I am in you when you read Me. Let Me burst forth into others through you. Then, and only then, will you know the Advent Peace. Hear the Word, all you who have ears, and embrace Me. I Love you.”

“God’s love calls us to move beyond fear. We ask God for the courage to abandon ourselves unreservedly, so that we might be molded by God’s grace, even as we cannot see where that path may lead us.”

~ Saint Ignatius Loyola

# Meditation for Advent

by St. Alphonsus Liguori

## The Eternal Word is made Man Part 1

"I am come to cast fire on the earth; and what will I but that it be kindled?" ---Luke, 12:49

THE Jews solemnized a day called by them dies ignis, [*2 Mach. 1:18*] the day of fire, in memory of the fire with which Nehemias consumed the sacrifice, upon his return with his countrymen from the captivity of Babylon. Even so, and indeed with more reason, should Christmas Day be called the day of fire, on which a God came as a little child to cast the fire of love into the hearts of men.

### Who loved God

I came to cast fire on the earth: so spoke Jesus Christ; and truly so it was. Before the coming of the Messias, who loved God upon earth? Hardly was He known in a nook of the world, that is, in Judea; and even there how very few loved Him when He came! As to the rest of the world, some worshipped the sun, some the brutes, some the very stones, and others again even viler creatures still. But after the coming of Jesus Christ, the name of God became everywhere known, and was loved by many. After the Redeemer was born, God was more loved by men in a few years than He had before

been in the lapse of four thousand years, since the creation of man.

### Preparing their hearts

It is a custom with many Christians to anticipate the arrival of Christmas a considerable time beforehand by fitting up in their homes a crib to represent the birth of Jesus Christ; but few there are who think of preparing their hearts, in order that the Infant Jesus may be born in them, and there find His repose. Among these few, however, we would be reckoned, in order that we too may be made worthy to burn with that happy flame which gives contentment to souls on this earth, and bliss in Heaven.

### Inflame us with His Divine love

Let us consider on this first day how the Eternal Word had no other end in becoming man than to inflame us with His Divine love. Let us ask light of Jesus Christ and of His most holy Mother, and so let us begin.

### Adam, our first parent, sins

Adam, our first parent, sins; ungrateful for the great benefits conferred on him, he rebels against God, by a violation of the precept given him not to eat of the forbidden fruit. On this account God is obliged to drive him out of the earthly paradise in this

world, and in the world to come to deprive not only Adam, but all the descendants of this rebellious creature, of the heavenly and everlasting paradise which He had prepared for them after this mortal life.

### **Losing man, I deem that I have nothing**

Behold, then, all mankind together condemned to a life of pain and misery, and forever shut out from Heaven. But hearken to God, Who, as Isaias tells us in his fifty-second chapter, would seem, after our manner of understanding, to give vent to His affliction in lamentations and wailings: And now what have I here, saith the Lord, for My people is taken away gratis. [*53:5*] "And now," says God, "what delight have I left in Heaven, now that I have lost men, who were my delight?" My delights were to be with the children of men. [*Prov. 8:31*] But how is this, O Lord? Thou hast in Heaven so many Seraphim, so many Angels; and canst Thou thus take to heart having lost men? Indeed, what need hast Thou of Angels or of men to fill up the sum of Thy happiness? Thou hast always been, and Thou art in Thyself, most happy; what can ever be wanting to Thy bliss, which is infinite? "That is all true," says God; "but" (and these are the words of Cardinal Hugo on the above text of Isaias)—"but, losing man, I deem that I have nothing; I consider that I have lost all, since my delight was to be with men; and now these men I have lost,

and, poor hapless creatures, they are doomed to live forever far away from me."

### **His immense love**

But how can the Lord call men His delight? Yes, indeed, writes St. Thomas, God loves man just as if man were His god, and as if without man He could not be happy; as if man were the god of God Himself, and without him he could not be happy. St. Gregory of Nazianzen adds, moreover, that God, for the love He bears to men, seems beside Himself: "We are bold to say it, God is out of Himself by reason of His immense love;" so runs the proverb, "Love puts the lover beside himself."

### **I will not lose man**

"But no," then said the Lord, "I will not lose man; straightway let there be found a Redeemer Who may satisfy My justice in behalf of man, and so rescue him from the hands of his enemies and from the eternal death due to him."

### **In order to deliver man**

And here St. Bernard, in his contemplations on this subject, imagines a struggle to ensue between the justice and the mercy of God. Justice says:

"I no longer exist if Adam be not punished; I perish if Adam die not." Mercy, on the other hand, says: "I am lost if man be not pardoned; I perish if he does not obtain forgiveness." In this contest the Lord decides, that in order to deliver man, who was guilty of death, some innocent one must die: "Let one die Who is no debtor to death."

### **One voice alone is heard**

On earth, there was not one innocent. "Since, therefore," says the Eternal Father, "amongst men there is none who can satisfy My justice, let him come forward who will go to redeem man." The Angels, the Cherubim, the Seraphim, all are silent, not one replies; one voice alone is heard, that of the Eternal Word Who says, Lo, here I am; send Me. [Is. 6:8] "Father," says the Only-begotten Son, "Thy majesty being infinite, and having been injured by man, cannot be fittingly satisfied by an Angel, who is purely a creature; and though Thou mightest the satisfaction of an Angel, reflect that, in spite of so great benefits, bestowed on man, in spite of so many promises and threats, We have not yet been able to gain his love, because he is not yet aware of the love We bear him. If We would oblige him without fail to love Us, what better occasion can We find that that, in order to redeem him, I, Thy Son, should go upon earth, should there assume human flesh, and pay by my death the penalty due him.

### **Lo, here I am, send Me**

In this manner Thy justice is fully satisfied, and at the same time man

is thoroughly convinced of Our love!" "but think," answered the Heavenly Father - "think, O My Son, that in taking upon Thyself the burden of man's satisfaction, Thou wilt have to lead a life full of sufferings!" "No matter," replied the Son: "Lo, here I am, send Me." "Think that Thou wilt have to be born in a cave, the shelter of the beasts of the field; thence Thou must flee into Egypt whilst and infant, to escape the hands of those very men who, even from Thy tenderest infancy, will seek to take away Thy life." "It matters not: Lo, here I am, send Me." "Think that, on Thy return to Palestine, Thou shalt lead a life most arduous, most despicable, passing Thy days as a simple boy in a carpenter's shop." "It matters not: Lo, here I am, send Me." "Think that when Thou goest forth to preach and manifest Thyself. Thou wilt have, indeed, a few, to follow Thee; the greater part will despise Thee and call Thee impostor, magician, fool, Samaritan; and, finally, they will persecute Thee to such a pass that they will make Thee die shamefully on a gibbet by dint of torments." "No matter: Lo, here I am, send Me."

**“Be strong and kill yourself with the sword of hate and love, then you will not hear the insults and abuse which the enemies of the Church throw at you. Your eyes will not see anything which seems impossible, or the sufferings which may follow, but only the light of faith, and in that light everything is possible; and remember God never lays greater burdens on us than we can bear.”**

# *JESUS Speaks: Advent, Christmas*

## **Friday 15 December 1995**

Look at Me, My little ones. Look into the depths of Me and see Me. These Words are the calling of you to My Side. I wish you to grow into Me.

My children, pause for a moment as you read these Words and look at Me. Do you see a God who is all powerful? Or do you see a God of Love?

Consider, little ones, why am I calling you? I have given you more Truths in these Messages of Love than in any other throughout history. You have heard My Mercy, My Justice, My Tears, My Pleadings, My Calls and most of all My Love. Had you read these Words with your hearts you would have felt My Pain.

Look to this time of Advent. Let it be your Advent of Peace. Let you feel the birth of the Saviour within you. Ready yourself through the Advent of Peace for the Advent of Love. Be pierced with My Love. I Love you all. My Peace is yours. I leave it with you. Peace to all hearts.

## **Thursday 21 December 1995**

My little ones, I greet you and I give Love to all men at this time. My children, what does it mean to you? Does it mean that the things of this earth may be fulfilled? Or does it mean that My Ways are fulfilled? If you are for Me, then do not be against Me.

I am your Way. All of you, who seek a Way, then come through Me. Let Me be born in you at this time. Not only let Me be born in you, but also let Me live.

I am calling all of you to live Me at this, My Time. My Birth was given to give goodwill to all men, to give Love, to show Love. Let My Mother give Birth to Me in you. I ask this of you. I beg this of you, for I have Warned you of what is to come and the world does not believe.

How can you say "Happy Christmas" when you know that the One that you speak of is not happy? Meditate upon this, My children. I Love you.

## **Thursday 21 December 1993**

My little children, My Gift to you this night is Love. My Gift is My Spirit. I give each one of you My Life and I ask you to take it and

live it. You give gifts to celebrate My Coming upon this earth but you forget the real meaning of the Day of My Birth. My Birth was unknown but today is the time to make it known. I was Born for you, little ones, Born as Saviour to Save. Be My little children and allow Me to be Born in you this night. Christmas is a time to be Holy, a time to be in silent reflection, a time of honouring, worshipping, adoring. On this night, I Love you.

#### **Tuesday 21 December 2004**

In these Words, My children, I give you My Love. I call you to be obedient in these days of My Birth. If you are within My Houses, then be obedient to all that I have asked of you. If you are in the world, be obedient to My Commandments. Wherever you are, let your commitment to Me be how you love Me and your preparation for My coming.

Even though I am in great loneliness at this time, let your joy in Me be complete. You will find joy in your obedience to Me. Let Me draw you to Myself in this Christmas time. Listen not to the world as it draws you ever closer to itself.

Let Me be born in you. Let My Light surround you. Let the Light of My Birth be a new time for you to begin again. Let My Words soothe you. Let My Words change you. Let My Words be recognised in you. Let your heart be open to Me. Let your heart be enriched by My Birth so that you might begin

to follow Me and to serve Me the way that I have called you to.

I come to you with My Heart in My Hands as a Beggar to beg you to return to Me. I have nothing to give you but My Heart. In it is contained My Love. It is why I came; it is why I still come.

Come, little child, and be born into this Heart of Mine. It is for you. Let Me Touch you, let Me live in you. Reach out to others who do not know Me yet for, if you keep Me to yourself, what good will that do to the others who do not know Me yet?

Love Me.

#### **Monday 11 December 2006**

My people, I Love you and I call you into the safety of My Fold. Look around you, My children, and see the Truth of the Words that I have spoken to you. You are caught up in the season of Christmas, it is now a time of self. You do not celebrate the time of My Birth. It is supposed to be a time of goodwill, of remembrance but what have you turned it into? A time of greed, a time of self. I am Dying upon this earth, My children, and it is you who are killing Me. You even push Me out of My own churches in favour of the new age lies that you would rather believe in, in order to excuse your lives of lies within My Body. Remember who I am, children, I am your God and I can see all things. You do not fool Me with what you do and what you say you believe in. Wake up and see the Truth of what you are doing. You

are bowing to the lies of lucifer. You are supping at his table and you refuse to see or believe this. You who call yourselves My priests, turn away from the lies of lucifer and come back to My true path. Reread My Gospels and see the path that I have put before you for you will account for the souls that you have taken from Me with the lies and profanities that you profess to be My teachings...

### **Tuesday 9 December 2008**

Prepare! Prepare, My children! These Words I do not speak, I shout them to ears that can hear Me. I come in these Words to prepare you. I come like John came, to prepare you for what is to come.

All you who wait for Me, I say to you: you must do more than wait. I give you a Precious Jewel in My Gospels; a Jewel that you must not keep for yourself. No! You must share it with those who do not know.

How much do you prepare for My Coming at Christmas? Have you forgotten the real meaning of Me? Have you forgotten that My Birth is a time of renewal, a renewal of body, mind and spirit? It is time for a love that is meant, a love that is real and true.

### **Thursday 24 December 2009 For Christmas Day**

Children of Mine, I Love you. Today, I open My Most Sacred Heart and I give you My Light and My Love in this dark time in this world. It is My Blessing to

you on this Christmas. My Heart is open and shines forth its Light like My Birthplace was open to all those who came to visit Me. Each presented Me a gift and each left with the Gift of My Love. My Heart is open wide to you to come and receive My Love. I Love you. Remember Me this Christmas.

### **Sunday 16 December 2007**

...Remember, this season is the time of My Birth and not a time of greed. It is a time to show My Love to all men. I ask each one of you to do a kindness to someone in need and offer it to Me, unknown to anyone. This is a beginning, children, this is like taking your first step towards Me and My Ways. See those who are in need for when you help them you help Me. Remember, I am within all peoples, I dwell within all men's hearts, if you give a cup of cold water to the least of your brothers you give it to Me. Remember the festive season is about celebrating My Birth, remember Me...

### **Monday 20 December 2004**

...Do not doubt these things that I tell you for you do so at your peril. These are Words given to you to bring you out of your complacency, to give you a way through the tumult that approaches.

You wait for the Day of My Birth, My children, but I tell you that by the time it comes, millions more will be lost to Me. Your own children grow up without Me for you have taught them to live in the world. Will they be lost because

of your complacency?  
I am calling you, My children, to  
help Me. Help Me to save My

children and your brothers and  
sisters from the fires of hell...

# THE CONTEMPLATIVE ROSARY

## **A new way**

In an Apostolic Letter in 2002, Pope John Paul II added five Luminous Mysteries. Did you know that in that same Letter he also called for a new way of praying the Rosary? Saint John Paul II's new way of praying the Rosary was based on the teachings of Saint Teresa of Avila and has become known as the Contemplative Rosary because it more perfectly unites vocal prayer and meditation, transforming the prayers of the Rosary into a contemplative meeting with God. The book 'The Contemplative Rosary' by Dan Burke and Connie Rossini goes into detail about this but I want to share with you one way it has helped me in hope it might also help you.

## **Unholy thoughts**

During the Weekend with the Patricks it was discussed how, when we pray the Rosary, we can easily be thinking about what we need from the shops in our mind and not be focusing on the mystery our lips are praying. One way to help overcome this is by adding a sentence concerning the mystery after 'Jesus' in the Hail Mary. An

example I've used in the past for the third sorrowful mystery, the crowning of thorns is:

Hail, Mary, full of grace,  
the Lord is with Thee.

Blessed art Thou amongst women  
and blessed is the fruit of Thy  
womb, Jesus.

(who was crowned with thorns for  
my unholy thoughts)

Holy Mary, Mother of God,  
pray for us sinners,

now and at the hour of our death.

Amen.

## **This Advent**

When I pray each Hail Mary this way it helps me focus on the mystery more and has made me more aware of my unholy thoughts throughout the day and encouraged me to kill the first thought quicker. I have found praying the Rosary this way very beautiful and has even moved me to tears as opposed to knowing my shopping list for the day. This Advent I want to try and promise (even if it's only one or two decades a day), to say yes to giving this little offering to Jesus, so He can come to birth in me this Christmas.

**Tuesday 13 December 1994**

My children, Love is yours this day. Great Love is given to you in this Advent of Love.

Soon I come among you as a little child. I take on your humanity and I become the Divine Humanity. Soon the joy of My Birth will ring within your hearts as you celebrate this glorious day.

Behold your Saviour as a weak and helpless child. Behold! Behold!

Embrace this time and feel this joy that is given, for in it is many Graces for you. Behold too the Woman of women whom I choose to be My Mother. Her who said yes. Like Her you must say yes and I will come to birth in you. Come, My little lambs, and I will recreate you. I will spring to life within you. Come, let Me regenerate your weary spirits. Love is given to you, accept it.

# ADVENT THOUGHTS

**A Journey back**

Jesus constantly asks us to die to the sin within us. This dying to sin is a Journey, a Journey back to the Garden of Eden where we were once pure and holy, where we resembled the God who made us.

We have been taught through the Messages that if we try to do too much at once, the chances are we will fall flat on our faces, it is better to take one vice at a time and really try, with all our effort, to kill that sin within us. The more we deny that sin within us, the stronger we will become against it until eventually, it will have no more power over us. It is like we are building our spiritual muscles to run the race.

**Not a time of greed**

As we approach Advent, our thoughts should be turned

towards preparing our hearts to greet our Saviour. On Saturday 14 December 2002, Jesus said:

“Children of the Light, I call you to recognise My Voice. I call you in these days of Advent to turn away from this world and its ways. I tell you, My children, Christmas is not a time of greed. It should be a time to celebrate My Birth in this world.

In Truth, I tell you, the only thing that is celebrated is the birth of sin in this world. You go out into this world, children, and you spend more money than you have. This is greed. Greed is not My Way, it is the way of lucifer. Too long have I watched My children celebrating this time of My Birth in greed and self; while others go hungry; while you sit at your tables eating meals that you cannot

finish; consuming great quantities of alcohol, which brings about the downfall of many.

I say wake-up, children, and realise what you are doing. Lucifer dances around you, laughing at how you celebrate My Birth. He taunts Me, jeering and laughing at My people as they go to celebrate the Holy Sacrifice of the Mass, on the Day of My Birth and all your minds are full of, children, is food, television, alcohol and self. I am nowhere to be seen.

Think, My children, before this Day of Great Holiness, what you are about to do. I Love you."

### **Control the urges of greed**

What is Jesus saying in this Message? For me, the sin of greed is very much the subject here. What is very sad is that I recognise all these things that Jesus speaks of within me. Would it not be a lovely gift to Jesus to control the urges of greed during this holy season? To prepare during Advent with giving of

ourselves rather than taking, of saying no to all those chocolates, selections boxes, tins of sweets and biscuits that are stacked high in supermarkets? Not getting into debt to buy things that we probably don't need anyway.

There are many, many faces to greed. It can be food, money, alcohol, chocolates, our time, clothes. Most of us will be guilty of at least one of these. Let's fight back with our Love, our generosity of heart and spirit, our temperance.

Let's make Advent about Jesus!

And, remember, love is the most important thing!

"...Stay with Me in these dark days and let only My Heart be your guiding light for, without it, many stumble and fall. Many do not see that to love a child of Mine, is to love Me.

Keep this in your hearts, children, as you go about your daily lives..."

## **BEAUTIFUL STORIES HEARD OUTSIDE PLANNED PARENTHOOD**

The following article, written by Patty Knap was published recently in the National Catholic Register. It is really encouraging for all those who stand outside abortion clinics. Our efforts never go wasted.

### **Why we're there**

I have been part of a group praying in front of a Planned Parenthood abortion center on Long Island every Friday for the past several years. We pray the Rosary and the Divine Mercy chaplet, and a few

sidewalk counselors try to talk to the young women (and sometimes men) heading in or coming out. Now and then we're reminded of why we're there.

### **'Life is sacred'**

About two years ago, we were just finishing the Rosary when a woman crossed the street with a young man beside her. She approached us and said:

**"I just want to thank you for being here! Seventeen years ago I came to a place like this planning to have an abortion, and there was a bunch of people praying outside that day just like you. There signs were so beautiful. ... I remember one said, 'Life is sacred.' It got me thinking, and I decided to go home and think about it. I just couldn't go through with it after that. So I had that baby, and here he is!"**

She beamed as she introduced her 17-year-old son. The two of them joined in praying with us.

### **The effects of abortion on men**

A young man started showing up to pray with us. He had a sign that said, "Life is sacred," and tried especially to reach the men bringing their girlfriends to the abortion center. None of us knew him, and one day we got around to asking what prompted him to join us. Dan, 30, shared that he'd pressured a girlfriend into aborting their child in college. He started drinking too much and

acting out in anger, not connecting any of it with the abortion.

Not until a few years later did he recognize the life of his unborn child, when his older sister shared her baby's ultrasound pictures with the family. That led him researching the effects of abortion on men and eventually attending a men's postabortion healing retreat. In learning just how many young men go through with aborting their child without realizing the ramifications,

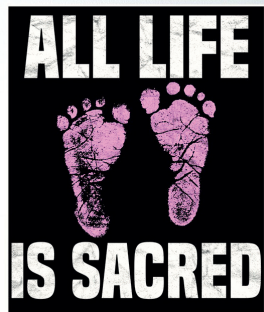

Dan decided the best thing he could do with his regret was to try to reach some of those men. That's when he started coming out to pray at Planned Parenthood an hour or two a week.

I've seen the looks on the faces of the guys dropping off their girlfriends for abortion when Dan says to them, "I was just like you. I thought everything will be the same as it was before if I just have this abortion. Please give me a few minutes. You will always regret this, and they won't let you see the ultrasound." They listen to him in a way they're not going to listen to an older woman like me.

### **The "choice" mantra**

Just recently a woman pulled into the parking lot. One of the sidewalk counselors gestured for her to roll down her window and she did.

"We can help you, whatever you're here for," he told her.

She began crying and said, "It's too late! I did it last week."

"You had an abortion last week?"

"Yes," she said. "I didn't want to but I had to..."

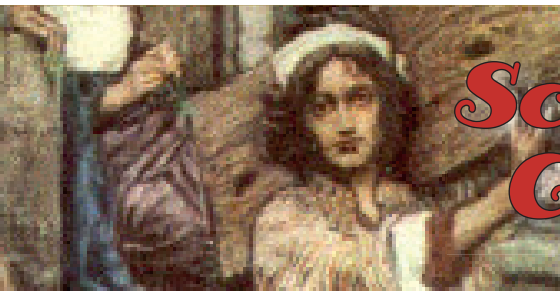

We asked her to pull over, and one of the counselors offered to sit and talk with her. At a diner a few doors away, the distraught woman said she'd felt overwhelmed by a third pregnancy and the baby's father was pressuring her to abort. She'd come back to PP for a "follow-up visit," which we've learned usually means getting the woman on birth control.

In asking about her abortion the week before, we learned that, as usual, the abortion center never mentioned any of the negatives of having an abortion, and turned the

ultrasound screen away from her so she couldn't see her own baby moving with a beating heart. This tactic is appallingly hypocritical to the "choice" mantra, with the ultrasounds done only for the abortionist's purposes of seeing the size of the baby and therefore how much they're going to charge. The woman talked about her regret that now her 3-year-old wouldn't have a sibling.

We asked if she'd like to talk to a priest, and through her tears she said yes. Within a few hours we arranged for her to meet with a priest experienced in post-abortion trauma...

## Song of the Carpenter

'Song of the Carpenter' is a novel inspired by Jesus and written down by the two Patricks. It is about the entire Life of Jesus and is full of spiritual teachings as well as a simply fantastic read. The characters are really brought to life for us in this age and we can learn much from them. We have decided to serialise this book for the Newsletter and will print a little of it each month. If you cannot wait to read it all, then you

can order it from the Sacred Heart House of Prayer. It costs £6.99. This is the thirtieth instalment.

\*\*\*\*\*

Rome cooked slowly in the noonday sun. All plant life and animal life gasped for air and water. There was no coolness in the shade of the poplar trees that populated most of the city. All human life that could afford to sleep slept through the agony of the day's humidity. Those who

could not afford it worked and served their masters, preparing the baths and clothes that would be demanded when their lords and ladies awoke in the cooler afternoon. The whiteness of the stone buildings almost blinded the observer when the sun shone like this. The pillars and statues that dotted the city seemed to sag in the blistering heat. In the evening, the city would burst into life and the bustle would begin again, and like termites all forms of life would scuttle through the city, so that the hum would begin that would last into the night.

The man who observed this stood overlooking Rome in his purple toga, his laurel wreath on his head and a goblet of wine in his hand. Augustus drank deeply from the goblet. The wine had been taken from the cellars deep under his palace and it was cool in his mouth. It was a good wine from the vineyards of Gaul. He did not like the Gaulish tongue but their wine was excellent. They had sent him their best as a tribute to him. The great walls of stone were many feet thick and they, too kept him cool. "I wonder how many people there are in this empire that I have. If I knew that then I could make it better." he said aloud. "I could use the information with regard to the trouble spots still left. It would not be so easy for the rebels to hide then." He laughed to himself and raised the goblet to his lips. The idea was germinating in his mind and he let it grow. All countries in the empire would be subject to a

census, whether they liked or not, and each would present himself to the town where he was born for his name, occupation and status to be taken. Augustus laughed again. This was getting better. If he knew the status of each one then he could gain higher taxes and no one could hide their money from him or the empire. The idea seemed better and better. It would be the ultimate grasp that he needed to fulfil his plans. It would show them that he was worthy to take his place among the gods. He would have full control over the empire and no one would oppose him. Julius always said he had a brilliant mind.

He would speak to the Senate about it, no, he would tell them to do it. It seemed to him that the Senate, although most of them liked his ideas and leadership for he had given them peace on almost all fronts, were always gaggling about something. They needed something to disagree with and they picked on everything that was brought to them.

He looked out again over Rome. He saw the changes in its seven hills since he had come to power. Clay had now become stone. Architecture had become a fad under his reign. He had shown them how to build buildings and shown them that they need not be content with clay. If you would build, then build in stone. Use marble to make it beautiful. He had done just that.

He loved Rome and since he had come to power through being the

favourite of Julius, he had purged it of its enemies. Rome was a safer place to live in. Julius had bequeathed the throne to him although it was only after he had died that he learned that he was his favourite, adopted son. He never had a chance to thank him. He had loved Julius and he had been a father to him. He had seen his political potential and he was paying it off.

Augustus Octavius Caesar had vowed at a tender age that no one would ever take again what was rightfully his, the way his guardians had taken his inheritance left him by his father. He drained the cool wine and walked out of the chamber to gather the Senate for an emergency meeting. They would be angry but politics was politics.

### **Something not right**

#### **Experimental injection**

To most people, we can see there is something not right with the world at this time. For some of us trying to maintain our religious rights to freedom and refuse an experimental injection that contains the cell line of an aborted baby (HEK293) or at least has been tested on it, we are seen as selfish anti-vaxxers. We are told that if our religious leaders have said it is ok for us to receive them, then what is our problem?

#### **Story of Daniel**

Recently at Mass, I heard the scripture story of Daniel and his three companions, Hannaniah, Mishael and Azariah, who were taken as captives by King Nebuchednazzar. The King wished to train them, amongst

others, to work for him at the Palace. They were given the best food and wine from the King's own table during their three years of training. However, Daniel and his friends refused to eat the food or drink the wine as they did not want to be defiled. They asked to eat vegetables and drink water instead. The Steward, worried that the King would see them thinner and weaker and thereby endanger his life if he agreed, gave them a ten day test to ensure they remained as strong and healthy as the other youths being trained. By the end of the test they looked healthier than all the others who ate the King's food so the Steward agreed to Daniel's request.

#### **Knowing the dangers**

It made me think of today's

coercive nature of trying to force everyone into having this vaccination. Many are holding out for different reasons, some religious, like Daniel, others knowing the dangers of the experimental nature of this vaccine and the risks it poses to healthy people now and in the future.

### **A Path of no return**

On 26 March 2004, Jesus said "... This world is set on a Path of no return. It is like a train cascading down the side of a mountain with no brakes. It cannot be stopped for there was no one willing to stop it before it reached the side of the mountain, although many Warnings were given no one paid attention or took heed. All have become so blind in their complacency that they no longer see or want to see the danger that they are in..."

### **Guilty and selfish**

It feels like the net is tightening for people who don't want to take this injection. Nurses and Carers who looked after the elderly and sick throughout the height of the pandemic are told 'No Jab, No Job'. My own husband was told his company's policy may be changing and this could affect his job if he is not vaccinated. Another family member, who was infected by Hepatitis C due to medical failings in the late 70's, has been refused access to visit her husband who has been hospitalized for 9 months. Not even PCR testing will allow her access and she was intimidated and made to feel guilty and selfish

about her choice by the hospital staff.

### **Why the bullying**

You have to ask why the bullying and urgency to get everyone vaccinated?

Jesus also said on 26 March 2004, "There are those who believe the population is too great and are willing to do anything to deplete it.

There are plans in the high places of your governments, plans that have been implanted and nurtured by lucifer and his henchmen. Can you not see, children, the danger that you are in for they believe if a strategic war takes place, then all shall have a greater share. Many of those that you have elected into power have planned much for the destruction of life."

### **Keeping us strong**

Jesus has given us many Warnings over the years, but He has also been giving us much hope in these difficult days. I believe Jesus has given us all the strength to persevere. In His most recent Messages He is keeping us strong and encouraging us to keep our faith and trust in Him.

"...Believe in My Words and continue to know you are Mine and that I will look after you, that I will guide you through this time of darkness.

Trust Me, children, and allow Me to be your Guide.

Trust Me.

*I Love you." Tuesday 5 October 2021*

# The Plight of Others

## THE PLIGHT OF ABORTED BABIES

### Abortion

We have often spoken of the evil and horror of abortion in our Newsletters, even displaying graphic images of aborted babies. We all know that abortion is a great evil that should not be. The very fact that abortion exists is horrific enough but it does not stop there.

### What they plan to do

On Friday 11 June 2010, Jesus asked us to find His House of Prayer in Belgium **"...for there the prayer can thwart what they plan to do with the little ones as yet unborn..."**

I remember wondering at the time what Jesus meant by 'what they plan to do with the little ones yet unborn.' Remember, back in 2010 we knew of experimentation on aborted babies but it was very hard to get any real facts on it. There were whispers of vaccinations such as the MMR using cell lines from an aborted baby and rumours of companies such as Pepsi using aborted babies to enhance the flavour of their drink. But it was all quite hush hush. It seemed like isolated, far off cases that may or may not have been true. The very thought that someone would actually use aborted babies in

experiments was too gross to even consider.

You really needed to know your stuff to be able to even investigate this.

### True horrors will soon emerge

But now, here we are in 2021, and I am reminded of a Message Jesus gave in 2004 where He said **"... The influence of the evil one in this new country is greater than you could ever know. Things that will come will seem insignificant to begin with but, as with the Jews not so long ago, the true horrors will soon emerge..."** Friday 2 July 2004

I stand here now surrounded by the emergence of these true horrors.

### Tested on live cell lines

Through the whole Covid-19 pandemic, much has come to the fore. We are discovering that the vaccines developed against Covid were tested on cell lines of aborted babies and some even have the cell lines within them.

If you think about this, this didn't just happen overnight. Scientists have been using aborted babies for experiments and tests for years now, they know what they are looking for. There is actually a group in America called, Children

of God for Life, who dedicate their lives to fighting against the use of aborted babies in research.

### **Babies for vaccines**

In our October 2021 Newsletter, we printed an article by the President of Children of God for Life, José Trasancos, 'The Cell Lines Used for COVID-19 Vaccines.' In this article, José explains that abortions are planned and carefully co-ordinated to ensure desired tissue harvesting for viable embryonic cell lines. These cells had to come from live babies, not those already dead by abortion. Babies are delivered live, in their sacs, so that the desired tissue can be extracted.

### **Babies for taste enhancers**

Debi Vinnedge, founder of 'Children of God for Life,' spent years researching the use of aborted babies and discovered that the cell lines were not only used in medicine but also **to test food**.

Debi brought to light a company called Senomyx who use aborted fetal cells in their research and development of artificial flavour enhancers. These aborted fetal cells possess proteins that express taste receptors which produce a chemical signal that lets Senomyx researchers know they have achieved the exact flavour they are trying to develop.

Among companies using Senomyx to enhance their food flavours are Nestle, all of whose refrigerated coffee creamers were tested. Maggi Brand instant soups, bouillon cubes, ketchups, sauces, seasoning, instant noodles.

While there IS NO aborted fetal material IN any food products, these have been tested on foetal cells. There are many more products which you can find on Children of God for Life website.

### **The Plight**

The Plight that we are highlighting here is not abortion itself, but the next disgusting step of it which is using the babies, alive, as guinea pigs for the profit and benefit of customers, that's you and me.

### **Babies born alive**

Another example of this is detailed by Stacey Trasancos, (<https://faithscience.org/covid-19-vaccine/>)

She explains that, in the past, vaccines, like for Rubella, started off with aborted foetal research. There were hysterotomies done on "feeble-minded" women, where they took the baby out and killed it, or they killed it before they took it out. Some of these babies were dissected while still alive.

To investigate how much amino acids were needed in pre-term formula milk, Nestlé Corporation partnered with researchers in the Netherlands who found the women who had babies far enough along; they gave the mother anaesthesia, took her baby out, held it up in the room still alive, heart beating, legs kicking, injected amino acids into the umbilical cord, let the baby's body process it for ten minutes before they killed the baby, took out its organs to see how a pre-term's body would process amino acids.

This seems to be going on around

the world. We are all horrified by what Hitler and his men did to the Jews but here we are with a holocaust going on all around us, with unspeakable atrocities committed against these babies, yet the world is largely silent.

### **Conclusion**

Yes, the true horrors are emerging. We live in an evil world and it

seems that we are powerless to do anything about it. But this is not so. Jesus has told us to die to ourselves and He can use our efforts to do His Work, to rid the earth of evil. Maybe if all who read this would continue or begin to pray and sacrifice a little, it would help Jesus and these little ones yet unborn.

## John Paul II

### **ENCYCLICAL LETTER: VERITATIS SPLENDOR**

*Addressed by the Supreme Pontiff Pope John Paul II to all the bishops of the Catholic Church regarding certain fundamental questions of the Church's moral teaching continued.*

#### **Martyrdom, the exaltation of the inviolable holiness of God's law**

90. The relationship between faith and morality shines forth with all its brilliance in the unconditional respect due to the insistent demands of the personal dignity of every man, demands protected by those moral norms which prohibit without exception actions which are intrinsically evil. The universality and the immutability of the moral norm make manifest and at the same time serve to protect the personal dignity and inviolability of man, on whose face is reflected the splendour of God (cf. Gen 9:5-6).

The unacceptability of "teleological", "consequentialist" and "proportionalist" ethical

theories, which deny the existence of negative moral norms regarding specific kinds of behaviour, norms which are valid without exception, is confirmed in a particularly eloquent way by Christian martyrdom, which has always accompanied and continues to accompany the life of the Church even today.

91. In the Old Testament we already find admirable witnesses of fidelity to the holy law of God even to the point of a voluntary acceptance of death. A prime example is the story of Susanna: in reply to the two unjust judges who threatened to have her condemned to death if she refused to yield to their sinful passion, she says: "I am hemmed in on every side. For if I

do this thing, it is death for me; and if I do not, I shall not escape your hands. I choose not to do it and to fall into your hands, rather than to sin in the sight of the Lord!" (Dan 13:22-23). Susanna, preferring to "fall innocent" into the hands of the judges, bears witness not only to her faith and trust in God but also to her obedience to the truth and to the absoluteness of the moral order. By her readiness to die a martyr, she proclaims that it is not right to do what God's law qualifies as evil in order to draw some good from it. Susanna chose for herself the "better part": hers was a perfectly clear witness, without any compromise, to the truth about the good and to the God of Israel. By her acts, she revealed the holiness of God.

At the dawn of the New Testament, John the Baptist, unable to refrain from speaking of the law of the Lord and rejecting any compromise with evil, "gave his life in witness to truth and justice", and thus also became the forerunner of the Messiah in the way he died (cf. Mk 6:17-29). "The one who came to bear witness to the light and who deserved to be called by that same light, which is Christ, a burning and shining lamp, was cast into the darkness of prison... The one to whom it was granted to baptize the Redeemer of the world was thus baptized in his own blood".

In the New Testament we find many examples of followers of Christ, beginning with the deacon Stephen (cf. Acts 6:8-7:60) and the

Apostle James (cf. Acts 12:1-2), who died as martyrs in order to profess their faith and their love for Christ, unwilling to deny him. In this they followed the Lord Jesus who "made the good confession" (1 Tim 6:13) before Caiaphas and Pilate, confirming the truth of his message at the cost of his life. Countless other martyrs accepted persecution and death rather than perform the idolatrous act of burning incense before the statue of the Emperor (cf. Rev 13:7-10). They even refused to feign such worship, thereby giving an example of the duty to refrain from performing even a single concrete act contrary to God's love and the witness of faith. Like Christ himself, they obediently trusted and handed over their lives to the Father, the one who could free them from death (cf. Heb 5:7). The Church proposes the example of numerous Saints who bore witness to and defended moral truth even to the point of enduring martyrdom, or who preferred death to a single mortal sin. In raising them to the honour of the altars, the Church has canonized their witness and declared the truth of their judgment, according to which the love of God entails the obligation to respect his commandments, even in the most dire of circumstances, and the refusal to betray those commandments, even for the sake of saving one's own life.

## HOLY OIL

For many years I had melanoma on my hand and had freezing treatment in hospital two times but it always came back, so I put on the Holy Oil, Blessed by Jesus,

making the Sign of the Cross. Since I used the Blessed Oil, the problem has not come back again. Thank You, Jesus!  
Phelim.

“I looked for you, Jesus!  
I heard you weeping for joy  
at the birth of a child.  
I saw you seeking freedom  
through the bars of a prison.  
I walked close by you  
while you were begging for a piece of bread.  
I heard you howling with sorrow  
when your children were laid low by the bombs.  
I discovered you in the rooms of a hospital,  
subjected to treatments without love.  
Now that I have found you,  
I do not want to lose you again.  
I ask you, please, teach me to love you.”
