would be written, etched and  
burned into your hearts...

# An Invitation to Love Jesus Newsletter Messages of Love October 2021 Issue 305

## Editorial

### **The Messages**

The word 'consolation' springs to mind as I read Jesus' Messages this month.

Yes, they speak of His Justice, of the terrible wrongs in the world, of evil abortion that is rampant now. But they also calm us who try to follow Him. He tells us that He is walking with us and that if we are trying to follow Him, then we have nothing to fear from His Justice for He will look after us. There is a peace that comes from His Words and a knowing that we need not fear for we are His children and He is coming to Free us. Thank You, Jesus!

### **The Newsletter**

You will see that the Newsletter is back up to its 36 pages this month. Within it there are a variety of articles which we hope you will find both interesting and helpful on your spiritual journey.

As it is November, we have included a few Messages about Purgatory and our departed.

### **Tickets**

We want to thank all of you who have sent Christmas tickets back to us. These have been gratefully received. Every ticket you sell goes towards helping with the running costs of the House of Prayer. We would also encourage

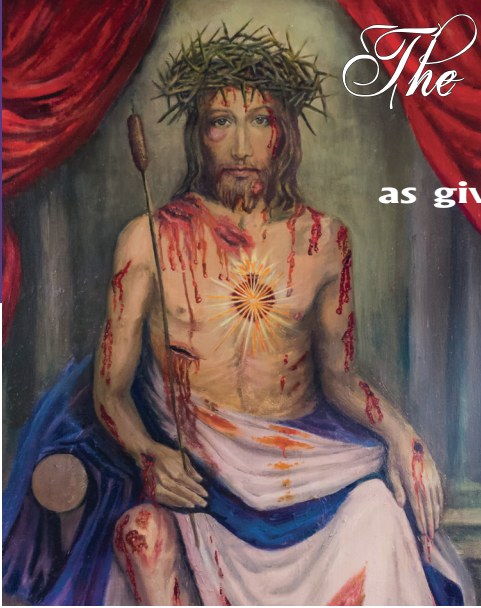

all of you who still have tickets to please return them as soon as you possibly can. Thank you all so much for your help.

### **Gift aid**

Thank you to all those who have returned the new gift aid forms.

This is just a little reminder to some of you who have Gift Aid forms still to be returned. As you know Gift Aid allows us to claim back tax on any donation you send us. Please, if you could return them, we would be very grateful. If you are no longer eligible for Gift Aid or if you wish to become a Gift Aider, please do let us know. Thank you again.

# *The Messages of Love*

as given to the two Patricks

## **Friday 1 October 2021 Feast of Saint Thérèse**

Trust and believe in Me, My children, and watch as My Words come to pass. Remember, My Justice is Good and Holy, it is not to be feared by My followers. My Justice comes to bring Peace to My people and rectify the wrongs that are committed right across this world.

I come to bring Justice to those who are being murdered by abortion.

I come to bring Justice to those who are being forced to believe in sin.

I come to bring Justice to My Church that has been taken over by evil men and women.

I come to bring Justice to My Creation that is being destroyed by man's greed.

Look, My Justice is Holy and needs not to be feared by those who truly try to follow Me in Truth.

Prepare, children. Mankind, you cannot imagine what you have called down upon yourselves in your sin.

Mankind, you have allowed yourselves to walk the path of evil and now is the time you must account for your actions.

Prepare; the second Angel calls out and is prepared.

Repent, mankind!

I Love you.

## **Saturday 2 October 2021 Feast of the Guardian Angels**

Come to Me, children of Mine, and do not fear for I am with you. Trust Me.

I Love you.

## **Sunday 3 October 2021**

Believe, children of Mine, and trust in the Words I give to you. Do not refuse to walk the Path of Freedom I set before you.

Believe, children of Mine.

I Love you.

## **Tuesday 5 October 2021**

Believe, children of Mine, and know I am with you. Know I will guide you when you try to walk the Path of Truth with Me. Believe in My Words and continue to know you are Mine and that I will look after you, that I will guide you

through this time of darkness.  
Trust Me, children, and allow Me  
to be your Guide.  
Trust Me.  
I Love you.

#### **Thursday 7 October 2021**

Believe in Me, children of Mine,  
and do not allow doubts to  
overwhelm you. Trust Me, My  
children, all is about to change and  
I will give you a voice. I will show  
all the Truth.

Believe, children, I have spoken  
so many Words, many have been  
fulfilled but all will be fulfilled.  
Mankind does not realise what he  
has called down with his sin.  
Prepare and stay close to Me,  
children.  
I Love you.

#### **Friday 8 October 2021**

Believe in Me, My children, I  
am not a dead God. I have not  
forgotten you; trust Me, I will  
show you the Truth. I will let all  
My children know My Truth,  
then it will be up to all to decide  
whether to follow Me or not. Then  
I will put an end to the evil reign  
of those who control the world  
with their lies.

I will show them to this world  
and all will be shocked at how  
they listened to them and were so  
easily deceived by them. Trust Me  
a little longer and you will see and  
understand. Trust Me.  
I Love you.

#### **Saturday 9 October 2021**

I have called you to read My Words  
of Love; this Grace has been given

to you as a Gift from Me to you.  
It is not an accident that you read  
these Words. I guided you to them.  
Believe, child of Mine, and live  
these Words: die to self, fight the  
sin in your life and try to follow  
Me in Truth. I will guide you if  
you allow Me.  
Trust Me.  
I Love you.

#### **Sunday 10 October 2021**

**Patrick:**

*Jesus, there seems to be so many  
lies surrounding this so-called  
pandemic; what is happening?*

**Jesus:**

I have already Warned this world.  
I told all to prepare for the tide of  
lies that would sweep across this  
earth. Look at how many times I  
have told you to prepare for the  
dark times that you now live in.

lucifer inspired the leaders of  
your countries and their scientists  
with a lie and they panicked in  
fear and so they did the same to  
the populations of their countries,  
without first checking the  
evidence whether this virus was as  
dangerous as they first thought.  
All ran in fear and so a mountain  
of lies grew; then they began to  
see the Truth but it was too late  
and, so, now they promote the  
lie in order to cover up the truth  
of their mistakes for it was they  
who spread fear and panic through  
their people of their countries.

Only those with My Light in  
their hearts see the Truth and  
those with no Light promote the  
lies and are willing to promote a  
vaccine developed through using

the bodies of children, murdered by abortion. The mark of sin is being injected into the bodies of those who have chosen to reject Me and My Truth in free will. There are those who accept their medication who are innocent for they trust their governments, doctors, media, scientists, these I will show the Truth to and they will turn to Me and I will cleanse them of the mark of sin.

I will cleanse any who ask Me with a truly repentant heart for I Love all My people. The mountain of lies builds but, as you know, you can only build something so high before it collapses when it has no foundations.

Now, you can see the cracks beginning to form for their medications do not work for they fight against a virus which is a disease that has always been among you, you know it as colds and flus and, as you know, this is with you every year and has never been stopped by man's efforts.

This is what those in power are trying to hide their mistakes behind but, soon, it will all fall apart and the people of this earth will see how their governments, scientists, doctors, media and so on, have lied to them. Anger will reign in those who have rejected Me and lucifer's power will grow in those poor souls.

Pray much for those who have rejected Me that they repent before the end. Pray, pray, pray, children, for this world does not realise what it has done. Believe.

I Love you.

### **Monday 11 October 2021**

Believe in the Truth of My Words and do not look at those who I speak through but look at My Words which I speak all over this world. Trust Me and believe.

You worry about false prophets. You know My Words, if you truly want to follow Me in Truth. Look at your televisions, media, cardinals, bishops, priests, scientists, governments and so on, who preach against My Truth for there are many in this time. So many of My priests have turned against the Truth of My Words and now preach a gospel of lies that only suit the way of this world.

Look at My Church and see how little faith is in those who say they follow Me. They sit before Me and cover their faces in fear, sit apart in fear. They removed the holy water in fear which I have given to protect you from attacks. They listen to false prophets who call themselves My servants who even promote a vaccine created from the murdered bodies of the innocent.

Look and see, open your eyes: the false prophets stand before you. I am your God and I come in these Words to shine My Light into the darkness of this time that you now live in.

Prepare for all is about to change. Prepare, My people will need your help.

Trust Me.

I Love you.

**Tuesday 12 October 2021**

Believe, children of Mine, and do not fear the events that now take place in this world but know I am with you and will guide you upon a Path that only leads to the Kingdom of Heaven, if you try to follow Me in Truth.

Trust Me, I will look after My own, I will help those who you pray for. Trust Me, children.  
I Love you.

**Wednesday 13 October 2021**

Believe, children of Mine, and know My Love for you, walk forward in My Truth.

Know Me, children, and let My Love penetrate your hearts.  
Know Me for I am with you.  
Believe, children.  
I Love you.

**Thursday 14 October 2021**

Trust, children of Mine and do not fear for your God walks with you. Believe in the Words I give you and die to self. Sin is your enemy and is what blocks My Light from penetrating deep into your hearts. Your soul is like a jewel, the more My Light enters it, the brighter it shines and the more you can see and understand the Ways of your God.

Trust Me and let these Words guide you onto the Path of Truth. Believe in Me, My children.  
Trust in Me.  
I Love you.

**Friday 15 October 2021  
Feast of Saint Teresa of Avila**

Believe, children of Mine, and

trust in Me. Believe in My Love for you and know I want to guide you but it is up to you in free will if you want to let Me.

Believe, children of Mine, and let Me Love you. Simply know I am with you.

Believe in Me.  
I Love you.

**Friday 15 October 2021**

**For the**

**Weekend with the Patricks**

How can I get through to you, My children? How do I gift you My Heart, My Love, My Joy?

There is not room for Me - and these things I wish to give you - in your hearts; there are too many other things that are your collective god. The world and its offerings are the god you worship because you allow it to blind you into thinking that you know Me, but, you do not.

I stand before you and I speak to you as I have done before and I say the same things to you for My Word does not change; not yesterday, nor today and it will not change tomorrow for I am the Word and I do not change.

You have watered down My Word because you do not wish to come away from those things that you love; you have pushed Me aside. Judas loved Me yet he pushed Me aside in favour of the pieces of silver because those were his god. Look at these Words that I give you to ponder:

6 For I desire mercy and not sacrifice

And the knowledge of God more

than burnt offerings.

*Hosea 6:6*

Do you understand these Words, My children?

These Words are the intentions of My Heart for mankind. I ask you to have mercy on all peoples, even your enemy; mercy enough to be reconciled to those whom you call enemy. I ask of you to have mercy on those who do not know Me, the way that you think you do: for, if you knew Me then Mercy would be written, etched and burned into your hearts and this, because you KNEW Me. It is in dying to all things that are not Mine that you come to have knowledge of Me.

You view the world from your own point of view and not Mine. How can you harbour hatred – or even dislike – for another if you say you know Me?

If you do not die to the things of this world then you cannot know Me for the Ways of God and the ways of the world are incompatible; they cannot mix, they cannot work together.

I say again to you:

24 ... "If anyone desires to come after Me, let him deny himself, and take up his cross, and follow Me.

25 For whoever desires to save his life will lose it, but whoever loses his life for My sake will find it.

26 For what profit is it to a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?

27 For the Son of Man will come in the glory of His Father with His angels, and then He will reward

each according to his works.

*Matthew 16:24-27*

These Words I speak in your hearing, these Words I speak to your heart for I call you on this day, in this time, to follow Me by dying to the self that lives within you, the very self that keeps you from knowing Me, the very self that prevents you from accepting My Gifts, the very self that leaves you deaf to My Words.

**Saturday 16 October 2021**

**Feast of Saint Margaret Mary**

Believe in Me, My children, and fight for My Truth in your life. Do not allow sin to cloud your vision of My Truth. Sin destroys My Truth in your thoughts and this is when you will try to justify sin.

Sin cannot be justified; it is darkness and it blocks you from seeing My Truth. This is why you must die to self so that you can remove the sin from your lives. Sin is the scales that must be removed from your eyes in order for you to see.

Trust Me, children, and walk this Path with Me.

Trust Me.

I Love you.

**Tuesday 19 October 2021**

Come to Me, My children, and believe in My Power to guide you on the Path of Truth. Look at My Words and My Mother's Words that We have spoken all over this world. They are being fulfilled as each day passes.

If you begin the Journey of dying to self you will be able to begin

to see what is truly happening in this world. All are caught in the web of lies. Those in places of power are lying to the people of this earth but they have spun such a complicated web of lies that now it begins to collapse.

Prepare for all will see and this world will shudder in shock at how they have been deceived by those who they trusted in.

Prepare, children, I have told you the Truth, now prepare.

I Love you.

### **Wednesday 20 October 2021**

Believe in My Truth and come walk with Me. I am with you, My children. I am guiding you when you step towards Me.

Trust in Me to guide you through these dark days of sin.

Trust Me.

I Love you.

### **Thursday 21 October 2021**

Trust Me, children, and know I am with you. I will look after you if you but trust in Me. I have told you many times in these Words that I look after all those who choose to follow Me in Truth.

Look and see where you refuse to let Me enter your life and rectify this. The more you remove sin from your lives, the more you will see and the easier it will be to place your trust in Me. Do as I say and your life will change for the better. Trust Me. I Love you.

### **Friday 22 October 2021**

#### **Feast of Saint John Paul II**

Believe in My Words of Truth

for you are about to feel the might of your God. Too long has this world offended Me, too long have I allowed mankind freedom to walk a path that will result in the destruction of all life on this earth. I must put an end to this.

Mankind, you have listened to the father of lies and in free will you have chosen to listen to and now walk the path of lies he placed before you. You have closed My Churches to My Truth.

Look at yourselves, you cover your faces as you sit in front of your God for you no longer believe that I can keep you safe. You listen to a man of heresy who calls himself My Pope, he freely speaks heresy and you choose to listen and believe, he goes against My Laws and tells My people that they must accept paths of sin.

He tells you to accept a vaccine developed from the bodies of the innocent children, murdered through abortion and he still calls himself My servant? I say, he has allowed himself to be blinded and is now only serving the father of lies. Pray much, My children, that he repents before it is too late. Those who try to walk the Path of dying to self can see the path he walks.

Open your eyes and see the times you now live in and prepare for you have such little time left before I put an end to the lies. I will give all a chance. I will show all the Truth and give all a time to return before I renew this earth and bring it back to what I created it to be. Believe, children of Mine,

and prepare.  
I Love you.

### **Saturday 23 October 2021**

Believe, children of Mine. Do not fear the events that now take place but turn to Me for your protection. I am the Creator and I can protect you from anything that will come against you. Place your trust in Me and My Words. Follow Me in Truth. Do not justify sin. Sin is darkness and, if you choose a path of sin in free will, then I cannot help. I will only do as you ask in Truth and, remember, I can see within your hearts, I can see what is Truth and what is your false truth that you tell yourselves to be Truth. Open your eyes and come follow Me in Truth.  
Trust Me.  
I Love you.

### **Sunday 24 October 2021**

Come, children of Mine, come back to My Truth. Look at this world and understand how it has walked away from Me and become a dark, evil place where greed, murder, lies and lust grow. Come, stay with Me where I can keep you safe. I have prepared for this time and soon you will see My Witnesses begin to spread My Light and the darkness will flee as it spreads out into this world. Trust Me, I have not forgotten you.  
I have not forgotten My Words or My Promises to you. I will fulfil all My Words.  
Trust Me, My children.  
Trust Me.

I Love you.

### **Monday 25 October 2021**

Come, children of Mine, and perceive the Truth of My Words. See, the days of darkness as they really are. Mankind has given themselves over to murder, greed, lust and lies and no longer walks in the Ways of their God. I am not a dead God; I have allowed the peoples of this earth to be sifted as were My Apostles. You see, mankind, lucifer asked for you to sift you to test your resolve to follow Me and you have listened to his lies. You think I do not exist and so you fear death. It is time, children, to strengthen those of you who still wish to follow Me and cast those who only wish to follow the ways of lucifer into the abyss.

I will cleanse My Church, I will renew all My Creation. I will show this world the strength of their God and the generations of the future will fear to follow the mistakes of this generation. Prepare, mankind, for you have truly angered your God who created you, the Father of all. Prepare, I Come to reclaim My own and now I walk this earth as a God of Justice.  
Prepare.  
I Love you.

### **Tuesday 26 October 2021**

Believe, children, and watch for the signs of My Truth as they begin to penetrate the darkness. I will show the lies of this generation in My Light. No more will I allow

the lies to cloud My Truth. Watch, I will now begin to destroy their web of lies, it will begin to unravel and My Truth will be seen once again.

Trust Me, children, I know you say I have spoken many Words and few have come to pass, I say, they have.

You, children, fail to look with eyes of truth in the same way My people, Israel, did not see or recognise Me for they expected someone different than My Scriptures had foretold. Look, children, die to self and the scales will fall from your eyes and you will see this world and My Words in a different light.

Trust Me and hurry for you are running out of time rapidly.

Trust Me, children.

I Love you.

### **Wednesday 27 October 2021**

Trust Me and believe in the Words I speak. This world has overstepped the bounds of free will and now forces My people to believe in the lies of lucifer. This, I cannot allow. So, as I have said, prepare for I am about to put an end to the control you have given lucifer in your free will.

Believe in the Words I speak for they are the Words I have given to guide you through these times.

Trust Me and do as I say.

Trust Me.

I Love you.

### **Thursday 28 October 2021**

Come to Me, My children, often in prayer. Let Me fill you with My

Strength. Let Me open your eyes so that you can see the Truth of what is happening in this world. Come walk this Journey of Truth with Me so that you can truly see this world as it is.

My Church has forgotten Me and the leaders of My Church have betrayed Me; they no longer believe in My Power, they only believe in the wealth, the greed, of this world.

I have told of these times in My Scripture, I have told how My Church would be taken over by a man of sin. If you take the time to read My Scriptures you will see I have told and Warned you of these times you now live in.

Now comes the rise of My Prophets: My Witnesses of Truth will shine My Light into this world. I have prepared My Prophets all over this world for this time. Many will hear My call and answer.

Children, not all My cardinals, bishops and priests have deserted Me, there are many who still follow My Ways, My Truth and they will come to the fore when the time is right.

Trust Me, children, We have won this Battle. Those who think they are in control become so confident that now they speak about their sin, they no longer hide their sin. The leaders of My Church who say they follow Me but truly follow the lies of lucifer can be seen in their true light now.

I cleanse My Church, My children. I will prune the dead wood away and the vine will grow in Truth,

once again.  
Trust Me, children.  
I Love you.

**Friday 29 October 2021**

Trust Me and believe in My Words. Do not allow anyone to influence you away from trusting Me. Trust Me in all that you do. Trust Me, children, let Me be the One you look to, let Me be your true Friend. Trust Me and We, together, will overcome all obstacles. Trust Me, children.  
I Love you.

**Sunday 31 October 2021**

Trust Me, children of Mine, and do not let self take you from Me. Fight for My Truth in your life and do not be afraid. Trust Me, My children, and believe. I come in these Words to guide you in My Truth and to show you that you must let Me guide you in the Truth. Never place your trust in mankind for you will lose your way if the person you place your trust in walks off the Path of Truth. Trust only in Me and do not listen to those in power who now teach in false truths. Believe and stay away from false teachers who speak with forked tongues. Believe in My Laws, My Commandments. Believe in My Gospels, My Scriptures. Believe in Me, children, I am the Truth.  
Trust Me.  
I Love you.

**Sunday 31 October 2021**

Believe, children of Mine, and walk this Path that I set before you. Believe in the Words I speak and live them for all is changing and My Power has begun to reclaim that, that was stolen through man listening and acting upon the lies of lucifer.

I am not a dead God.  
I am a God who is slow to anger.  
I am a God who can see all the abominations, the lies that are being placed into this world through those who are supposed to guide the people in safe conduct so that all are kept safe.

But, all I see is lies, greed, lust and lust for power; they only think of themselves and have forgotten their charges.

I have not forgotten you, My children, I am here to rescue you from the clutches of the evil men who have given themselves over to the lies of lucifer. I come to rectify the wrongs of this world both within My Church and within this world.

Trust Me and believe.  
I Love you.

**Sunday 31 October 2021**

Come to Me, My children, and allow Me to show you the Path of Truth that stretches out before you in these Words. I will not allow you to be taken from Me if you listen to Me and begin to live My Words.

I have given many Words to this world and so few have listened. It is time, children, to rectify the wrongs of this generation, it is

time for the Power of your God to be seen.  
Prepare, children, prepare.  
I Love you.

**Sunday 31 October 2021**  
**Jesus' Words**  
**for the Appeal Letter**

Trust Me, My children, as I build the foundations of the Order of the Way of My Truth that will last for a thousand years. You, My children, through your giving, your sacrifice and your prayers, lay the foundations of the Order of The Way of My Sacred Heart. I ask, once again, for your help for already the time is late and the Way of My Heart is about to be seen in this world as it begins to shine bright. It shall reclaim so many souls that have been blinded through the lies of lucifer. You build a fortress of Love, My children, through your prayers, your sacrifice, your giving. I see all that you have done, My children,

and We, together, are about to split the darkness. My Light shall be seen in this world, once again. My children will know Love, they will find Love through My Words of Love that I have given over many years.

Prepare, My children, prepare for the Battle of Love is begun and I will reclaim many of those that have been blinded through the lies of lucifer.

Trust Me in this Work that I do for, through your sacrifice, I build the foundations of the Way of My Sacred Heart. It shall become known as the Way of Truth and many priests, brothers and sisters will go from its doors to the four corners of this earth, spreading My Truth to the nations.

Pray and sacrifice much, children, for, the more you pray and sacrifice, the stronger the foundations will become.

Trust in Me, it has begun.  
I Love you.

## Writing from the two Patricks

### JESUS IS BEAUTIFUL!

**He is beautiful!**  
**beautiful**  
adjective  
adjective: beautiful  
pleasing the senses or  
mind aesthetically.

He is beautiful! How else can you describe Jesus? What other words in the English language or, indeed, any other language, could give meaning to what Jesus is, was and always will be? There are none for He exhausts every word known

to mankind; exhausts and goes far beyond it. Yet, He is the Word.

How then do we speak to Him? How do we express our feelings, our belief in Him?

Nothing compares to Him, anywhere, known to us. No words have been invented to do that. The only way we could describe Him would be to see Him but that is not possible this side of Heaven, at least, as He really is.

### **Only His handiwork**

The stars that we look on in the night sky are indescribable, yet the beauty of the heavens are only His handiwork, they are not HIM! We know that even if we try to describe the night sky, we fail; we fail to put into words what our eyes see. We can only stand in awe and silence and look. If the stars are only His creation then what must He be like?

Through Him and with Him and in Him all things are made and, I think, express what He is in some way. He is an artist. Look at a sunset. He paints it with relish - it seems to me - and abandon; burning the sky with colour that fires the imagination of earthly artist and writer alike trying to describe or paint what they see: myriads of shades of the same colour, too close for the human eye to see, yet He sees it and knows it: knows each shade as He knows each person who has ever lived, living or will live. But His creation is not Him, nor, in my opinion, does not describe Him.

### **The call of the depths**

We live - I believe - in the shallows

of a great sea. Very few venture to the depths to explore, to seek, to find, yet, the call of the depths are within us, calling us to be a part and even one with the depth. We only see the shallows that are the world but do not see the depth of the colours created for us to see: the shades that lie beside one another to make one vibrant colour.

Jesus is beautiful! Just as we cannot describe the myriads of shades of a colour, we cannot describe Him or know Him with earthly words. A cook is not the meal they cook, a photographer is not the photograph they take but it is an expression of what is within them, a shade within the colour of what they are.

### **No words possible**

Anything that we see on this earth, that God has created, there are no words possible to understand the seeing of it, the comprehension of the seeing. As with the night sky and the fire of the sunset, as we stand in awe, we are called to the depths to find the One who created what we see. The silence and the awe are the call of the deep.

We cannot describe Him with our words, we cannot understand from the point of view of the shallows so we must stand in awe of this Jesus and be silent and, in the silence, Jesus will describe Himself to us without words but we will understand, without understanding. We will know, without knowing that Jesus is beautiful: He is pleasing to the heart. The silence will become loud with Him and the dark will be full of light.

# APPEAL AND UPDATE

We initially thought to put out an appeal in this Newsletter for an urgent need of equipment in JPP. We were also aware of the increasing debt in the House of Prayer. Alongside all of this we are also trying to do our best, to fulfil Jesus' request that the Houses of Prayer be made ready, so repairs and renovations are needed to do this.

Jesus has given a Message for the appeal and in it He makes it clear that it is in our giving that He can Work. That giving can be in prayer, sacrifice or financially. We all have gifts, some of us can pray, some of us can sacrifice and some of us have the means to provide financially. All are of equal importance.

Since each of the needs are of great importance, we have decided to furnish you with the details of each of them and we very humbly request that you consider helping us financially. We continue to ask your prayers that we will all fulfil the important Mission which Jesus has entrusted to us.

## **Sacred Heart House of Prayer**

The House is of course an ongoing need, and it is only through your generosity of spirit and support that we can continue to do the Work here.

Our debts are rising and currently stand at £20,729.

## **JPP Printing**

JPP is crucial in the getting out of Jesus' Messages of Love and has been sadly neglected by us for many years.

Some time back we put out an appeal for a binder which was necessary to finish the Message Books needing to go to print. Through your unfailing help we received the £20,000 which we estimated as the cost. We are currently investigating binders and hope to secure one very soon.

As we have explained in previous Newsletters all the equipment (printing press, collator etc) in JPP is very outdated and not in good working order. Parts and engineers which would be needed are virtually impossible to source.

With all this in mind we have made the decision to move to digital printing for all our needs. This means that we need further equipment to be added to our digital printer, such as a booklet maker, collator, etc. We do not have exact costs but from what we have researched we feel we may need upwards on £30,000 in order that we can continue to put out the Messages of Love. We ask for your help.

### **Other Houses of Prayer**

We are all aware that the world is in a very dark state at this time and in recent Messages Jesus has, again, asked that we prepare His Houses of Prayer. We are currently doing all we can to finish the Houses in Ireland. As I am sure you will appreciate this is an expensive endeavour, not helped by the rising costs of materials, at this time. Once we get Ireland finished, we can then look at the Houses in Europe. Some of the Houses do not need a lot more renovation to complete them but equally quite a few requires major repairs. We cannot complete this work without your prayers and financial help, so please keep this in mind.

We totally understand that in these turbulent times we are all struggling financially.

We simply step out in faith and ask for your help as Jesus has told us to.

Your ongoing support and prayers are what enables us to carry on this Mission and we put our complete trust in Jesus. Jesus has no hands but our hands, no feet but our feet and no lips but our lips.

Thank you and God Bless.

# JESUS' WORDS FOR THE APPEAL LETTER

**Sunday 31 October 2021**

Trust Me, My children, as I build the foundations of the Order of the Way of My Truth that will last for a thousand years. You, My children, through your giving, your sacrifice and your prayers, lay the foundations of the Order of The Way of My Sacred Heart.

I ask, once again, for your help for already the time is late and the Way of My Heart is about to be seen in this world as it begins to shine bright. It shall reclaim so many souls that have been blinded through the lies of lucifer.

You build a fortress of Love, My children, through your prayers, your sacrifice, your giving. I see all that you have done, My children, and We, together, are about to split the darkness. My Light shall be seen in this world, once again. My children will know Love, they will find Love through My Words of Love that I have given over many years.

Prepare, My children, prepare for the Battle of Love is begun and I will reclaim many of those that have been blinded through the lies of lucifer.

Trust Me in this Work that I do for, through your sacrifice, I build the foundations of the Way of My Sacred Heart. It shall become known as the Way of Truth and many priests, brothers and sisters will go from its doors to the four corners of this earth, spreading My Truth to the nations.

Pray and sacrifice much, children, for, the more you pray and sacrifice, the stronger the foundations will become.

Trust in Me, it has begun.

I Love you.

## **Only for today**

Only for today, I will seek to live the livelong day positively without wishing to solve the problems of my life all at once.

## ONE DAY AT A TIME...

Only for today, I will take the greatest care of my appearance: I will dress modestly; I will not raise my voice; I will be courteous in my behavior; I will not criticize anyone; I will not claim to improve or to discipline anyone except myself.

Only for today, I will be happy in the certainty that I was created to be happy, not only in the other

world but also in this one.

Only for today, I will adapt to circumstances, without requiring all circumstances to be adapted to my own wishes.

Only for today, I will devote 10 minutes of my time to some good reading, remembering that just as food is necessary to the life of the body, so good reading is necessary to the life of the soul.

Only for today, I will do one good deed and not tell anyone about it.

Only for today, I will do at least one thing I do not like doing; and if my feelings are hurt, I will make sure that no one notices.

Only for today, I will make a plan for myself: I may not follow it to the letter, but I will make it. And

I will be on guard against two evils: hastiness and indecision.

Only for today, I will firmly believe, despite appearances, that the good Providence of God cares for me as no one else who exists in this world.

Only for today, I will have no fears. In particular, I will not be afraid to enjoy what is beautiful and to believe in goodness.

Indeed, for 12 hours I can certainly do what might cause me consternation were I to believe I had to do it all my life.

Let's start with today, friend. One day at a time.

## Gossip

### **Stood out to me**

At the weekend with the Patricks, one thing that really stood out to me was when Patrick was talking about the sin of gossip. He talked of how gossip spiritually damages our brothers and sisters and of how you do not have to physically murder someone to kill them because we can kill with our tongues.

### **Cut and tear**

It reminded me of a Message Jesus

gave on Friday 25 September 2020 where He said:

“The arrows of gossip pierce deep, My children. They cut and tear the flesh and render the spirit incapable. Do not take part in gossip for, participating in it, means you are causing grave harm. I call you, who follow Me, away from even the slightest hint of gossip.

As I have told you before, speak only of the good of those around you. Do not allow the evil one to lead you into this for it is a tool he uses often to bring My children down.

You, who sit in little groups, you who think you innocently speak the truth! I say to you that you only destroy with the power of your tongue. Use your tongue only to free a person with My Truth and not to bind them in your hate and scorn.

Your sin will out!

13 "Then the king said to the servants, 'Bind him hand and foot, and throw him into the outer darkness; in that place there will be weeping and gnashing of teeth.'

14 "For many are called, but few are chosen." Matthew 22:13-14"

### **A very serious sin**

Gossip is indeed a very serious sin but one which we can fall into so very easily. Gossip can be a thought in our minds, a 'simple' criticism, on our lips; it can be a disapproving look behind backs, it can be in the sharing of information. It can arise as we sit in harmless groups discussing events, people, places, things. It

can also be in spiteful and violent words.

Gossip doesn't just apply to us not speaking ill of family or friends, it applies to prime ministers, pop stars and famous people also. We think it is our right to judge and talk about famous people because they are in the public eye. No! It is our duty to pray for them and love them as children of God. The well known phrase "If you can't say anything good, don't say anything at all" is a good motto to live by.

### **Die to ourselves**

Jesus constantly asks us to die to ourselves and the sin within us. Controlling our tongue is dying to ourselves, it is ridding ourselves of some of the sin within. When we become aware of what we speak, we begin to see how much gossip we partake in. Being aware is half the battle. Jesus has given us the tools we need to fight gossip in the knowledge contained in His Words. On Saturday 28 March 2015, He said:

“Look only to Me, My children. See Me in all that you meet. Look with love upon your neighbour, not scorn. Do not gossip or think badly of anyone for these are like dark prayers that the spirits can use to do harm. Become a child of the Light and only speak with love in your heart. See Me in your brother and sister. If they are in darkness, ask Me to guide and help them back to the Light. This is loving your neighbour. In these days, this earth is surrounded by darkness which is sin but,

remember My Light, My Love can cut through the darkest sin and, so, bring joy.

Trust in Me, My children, trust in the Love that I have for you and give this Love to all that you meet. Instead of having dark thoughts of someone, ask Me to help them, to bring joy, love, into their lives. This is the first step in becoming a warrior of love. I Love you.”

### **Truth is very important**

Jesus also talks about how we should never grow used to or justify sin. Truth is very important. If we are talking about someone but in our minds thinking, ‘well, I’m only telling the truth...’ or we are thinking, ‘I’m only saying...’ Then we are justifying the sin, which means we are not dying to it and the sin remains with the potential of growing. Jesus gives us sound advice in the following Message.

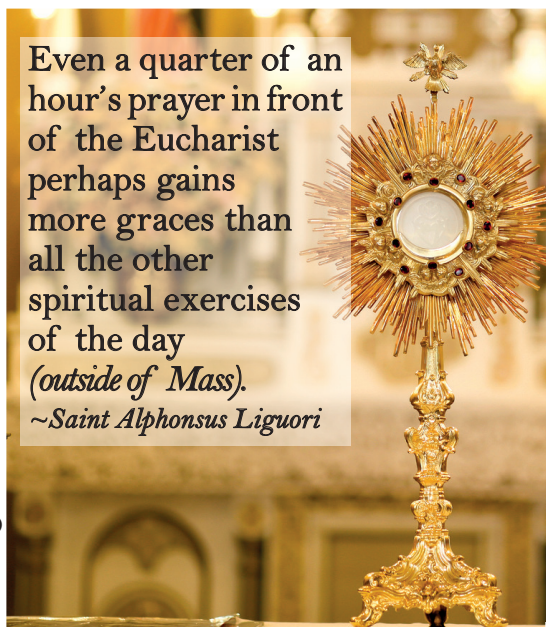

### **Monday 21 October 2002**

...Children of Love, always look to the Truth. In looking for the Truth within your own lives, you will find the Journey towards Me will become easier. Always look within yourself. The evil one places many seeds within the heart, if you find these seeds, then they can be destroyed with Truth. You must recognise what is within your heart: murder, theft, adultery, possessiveness, gossip, lust. These are but a few of the seeds that he places within My children. You might say, ‘but I do not want to murder anyone!’ You do not have to murder a person with a sword, you can do it with

your tongue, children. You have heard the saying, ‘assassination of character.’ Think how many times you have done this with gossip. It is very easy to destroy a man with your tongue, children. You must look within your heart and find these seeds. Find your jealousies, for it is jealousy that will bring about your own destruction the quickest. For you will justify all to yourself in jealousy: ‘I do not feel this,’ or ‘I do not feel that,’ or ‘That is not within me’ or ‘but I only feel that because...’ or ‘Yes, the real Truth is,’ or ‘I know but I am only telling the truth.’ Do you recognise these, My children? These are the things that I hear coming from your lips and from your heart most often. Humility is the True Path that leads towards Me. When you cease justifying the things that you find within your heart and begin to see them in the real Truth, then you will find true Freedom and you will soar on the Wings of My Love...

Even a quarter of an hour's prayer in front of the Eucharist perhaps gains more graces than all the other spiritual exercises of the day  
*(outside of Mass).*

# The Cell Lines Came from Carefully Planned Abortions, Not Miscarriages

The following article was published on 30 April 2021 and written by José L. Trasancos, Ph.D., the President of the Board and Chief Executive Officer of Children of God for Life. In this article, José explains that human embryonic cell lines cannot come from babies who have been miscarried but come from deliberately selected aborted babies, within minutes of the abortion.

## **THE CELL LINES USED FOR COVID-19 VACCINES CAME FROM CAREFULLY PLANNED ABORTIONS, NOT MISCARRIAGES**

In an article published last year, M.I.T.-trained scientist Fr. Nicanor Austriaco passed along speculation that the HEK-293 cell line may have been developed using tissue from a miscarriage. This cell line is in the news because it has played a role in the development and/or testing of the three vaccines currently authorized for emergency use for COVID-19.

The point of Fr. Austriaco's conjecture, I presume, was to reduce worry that this cell line started with an abortion. But worry we should.

### **A Nonsense Claim**

This conjecture seems to have become a full-fledged rumor. In

recent months, many Catholics and other Christians have cited that rumor when defending these vaccines.

But the rumor, to put it bluntly, is nonsense.

There's nothing in the scientific literature dealing with this claim, and for good reason. No competent biologist would even try to establish a living cell line from dead tissue.

This fact becomes clear when we examine two things:

1. The biological process of miscarriage and stillbirth
2. Post-mortem changes at the cellular level

Take the first point. A mother's body tends to expel tissues related to pregnancy between four and twenty days following fetal demise. Most spontaneous abortions in early pregnancy (1st trimester) are caused by abnormalities in the chromosomes. In these cases, an embryo does not form. What tissue is expelled would be useless for establishing a cell line.

The other causes of miscarriage and stillbirth result in the death of the embryo or fetus. This demise happens several days to a few weeks before the expulsion of tissue.

That time gap is critical, and bears

on the second point.

### **Cell Death**

When an embryo or fetus dies, its cells change fast. Autolysis begins within minutes after the vital functions of the brain, heart and lungs cease. This is a process of decomposition or “self-digestion,” where the cell membranes break down and release enzymes. Since oxygenated blood has ceased to circulate, the levels of carbon dioxide in the cells begin to rise and the pH within cells becomes ever more acidic. This rising acidity causes membranes within the cell to rupture. This includes the membrane of the lysosome, which contains a variety of enzymes for the digestion of nucleic acids, fats, proteins, and so forth.

The rate of autolytic spread varies throughout the organism. Two of the main variables are the concentration of enzymes in the type of tissue and its temperature. Some organ tissues have relatively high concentrations of enzymes. The liver, kidneys and pancreas are examples, given their functions within the body. Smooth muscle tissue and lung tissue, in contrast, have relatively low levels of these enzymes. This is key, since researchers seek organ tissue as the source of cells for a cell line. Scientists can't reverse this process. As a result, they can't establish a living cell line using the tissues expelled from a miscarriage or stillbirth.

### **Temperature**

Temperature is also a major factor in miscarriage, since it

has the greatest impact on the spread and progress of autolysis. The higher the temperature, the faster the autolytic reaction. Very low temperatures can slow the autolytic process dramatically, which explains how people have been revived after apparently drowning in very cold water, suffering no permanent ill effects.

In the case of a miscarriage or stillbirth, the temperature of the expired fetus remains at core body temperature inside its mother until it is expelled. This warm setting speeds up the progress and spread of autolysis.

Now, recall that the time between the fetal demise of a miscarriage and expulsion of the pregnancy tissues is measured in days. That means that by the time the tissue is expelled, there is no metabolic function anywhere in the fetal body. In fact, the expired fetus goes through a process of maceration (autolytic fermentation) prior to expulsion. This has the appearance of putrefaction: The skin separates and the tissue underneath becomes darkly discolored — though putrefaction is bacterial decomposition, whereas the amniotic sac is a sterile environment.

These are gory details of course. But they should make it clear why scientists would not use tissue from a miscarriage to establish a living cell line.

### **Carefully Coordinated Abortion**

But what about perfectly-timed fetal death and then delivery in a hospital? Could that provide

material for a living cell line? Almost certainly not. In fact, even a run-of-the-mill abortion probably wouldn't suffice. For research purposes, fetal tissue must be harvested and cooled within minutes of the abortion. The scientific literature strongly implies that the abortions are carefully coordinated with tissue harvesting. One gets the clear sense that the abortion and the harvesting of the desired tissue were planned to preserve the integrity of the tissue.

In summary, establishing a living cell line from dead tissue is not possible. **The cell lines used to test and/or develop the available COVID-19 vaccines came from abortion and deliberate planning, not spontaneous miscarriage or stillbirth.** Resurrection of the dead requires far more than a medical degree or a PhD. It requires the direct power of God.

*How good and how delightful  
is your spirit, Lord, in all men!*

*From the dialogue On Divine Providence by Saint Catherine of Siena, virgin and doctor*

How good and how delightful is your spirit, Lord, in all men!

The eternal Father, indescribably kind and tender, turned his eye to this soul and spoke to her thus:

'O dearest daughter, I have determined to show my mercy and loving kindness to the world, and I choose to provide for mankind all that is good. But man, ignorant, turns into a death-giving thing what I gave in order to give him life. Not only ignorant, but cruel: cruel to himself. But still I go on providing. For this reason I want you to know: whatever I give

to man, I do it out of my great providence.

'So it was that when, by my providence, I created man, I looked into myself and fell in love with the beauty of the creature I had made – for it had pleased me, in my providence, to create man in my own image and likeness.

'Moreover, I gave man memory, to be able to remember the good things I had done for him and to be able to share in my own power, the power of the eternal Father.

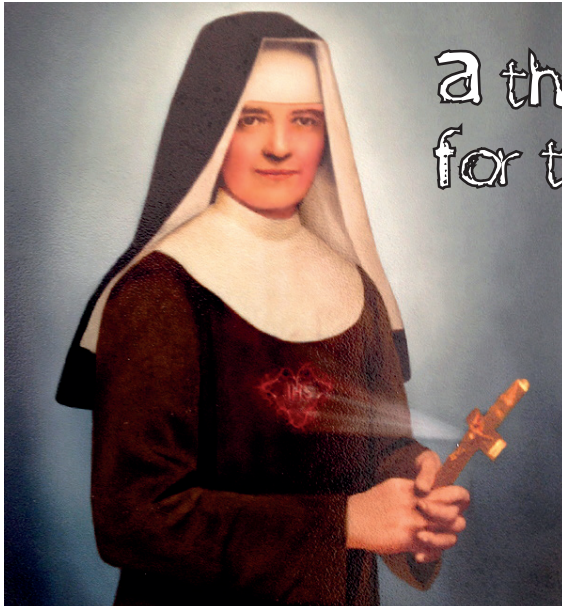

'Moreover, I gave man intellect, so that, seeing the wisdom of my Son, he could recognise and understand my own will; for I am the giver of all graces and I give them with a burning fatherly love.

'Moreover, I gave man the desire to love, sharing in the tenderness of the Holy Spirit, so that he might love the things that his intellect had understood and seen.

'But my kind providence did all this solely that man might be able to understand me and enjoy me, rejoicing in my vision for all eternity. And as I have told you elsewhere, the disobedience of your first parent Adam closed heaven to you – and from that

disobedience came all evil through the whole world.

'To relieve man of the death that his own disobedience had brought, I tenderly and providently gave you my only-begotten Son to heal you and bring satisfaction for your needs. I gave him the task of being supremely obedient, to free the human race of the poison that your first parent's disobedience had spread throughout the world. Falling in love, as it were, with his task, and truly obedient, he hurried to a shameful death on the most holy Cross. By his most holy death he gave you life: not human life this time, but with the strength of his divinity.'

## a thirst to win souls for the divine heart

### **A THIRST TO WIN SOULS FOR THE DIVINE HEART**

During the night of January 21, 1890, I seemed to see a very touching picture in my sleep. It was a living, life-size crucifix. From the hands to the feet, the body was framed with a wreath of thorns. A wreath of thorns in the shape of a heart was impressed into the left side of the heart. There was no crown of thorns on the head. The arms were not lowered; they were stretched out, as a sign of life. This vision was a shocking and pitiful sight, as well

*From the Autobiography of Blessed Maria Teresa of St. Joseph, founder of 'Carmel of the Divine Heart of Jesus'*

as horrible and jolting. There are no words to describe it. While my eyes rested on it, my heart trembled with pain.

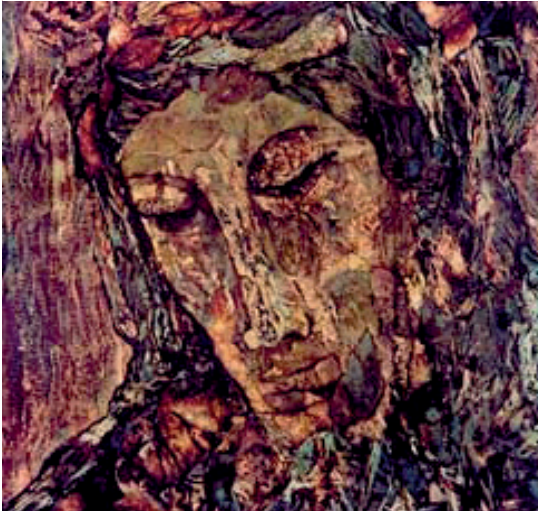

I understood this picture to mean that the Divine Savior is the head in heaven, without pain or thorns. The Body is His holy Church, not only affixed to the cross by earthly powers but also wounded by lukewarm, lapsed Catholics, indicated by the thorns framing the body. The thorns impressed upon the heart are those consecrated to God, who have become the tepid and disloyal priests and members of religious Orders.

That morning I arose quite early and hurried to the church. My heart was profoundly moved by pain and compassion; no, it was

wounded. It was clear that God was asking of me prayer and atonement! I was to pray for the conversion of sinners and to move the mercy of God for the freedom of Holy Church.

From that morning on my heart was filled with a new hunger and thirst, not only for God's pleasure or for perfection, but with a burning hunger and thirst to win souls for the Divine Heart. That crucifix is stamped on my memory, and it not only keeps my zeal for the salvation of souls alive, it increases its fire and creates in me the desire to arrive soon at the throne of God, where my longing for souls may be satisfied.

As it is November, the month of the Holy Souls, we have included some Messages where Jesus speaks about Purgatory and also about our departed loved ones.

## *JESUS Speaks: Purgatory and our departed*

Sometimes we forget that true life only begins at death. It is good to remember the souls in Purgatory, to pray and sacrifice for them but it is also good to remember that we should hope for Heaven and aim to get to Heaven. Also bear in mind that our departed friends and family can help us if we ask.

### **Thursday 26 January 1996**

The Medal of Love was struck in January 1996 with the help of a benefactor of the Sacred

Heart House of Prayer. The following Message was given on its completion.

I further wish to express My Love for those who will wear this Medal. I wish to tell all who wear it with love that I will Live in their hearts. For My priests and religious who wear it and promote it - they shall know great holiness in their vocation and bring many to My Side.

Those who wear it and call out to Me when they are in danger of losing faith or have lost it, I will bring them to My Side in an instant. I am Love and this is a Symbol of My Love. Those who wear it to appease My Pain will never know Purgatory. I Love you and I give you this Symbol.

### **Monday 9 September 1996**

...I ask that the prayers here be dedicated for those souls in Purgatory who have been forgotten, especially Bishop souls, Priest souls and religious souls. Many of these remain there needlessly. It shall be called Sanctuary of God House of Prayer...

### **Sunday 11 July 2021**

Trust in Me, My children, and trust in the Gifts I have given to you and use them. Less and less do you use the Blessings I have given to protect you from evil. Use holy water, blessed salt, blessed Crucifixes, blessed Medals and so on. There are so many forms of protection.

Ask your Guardian Angels to

guide and protect you.

Ask your spiritual friends such as Saints and your friends and relations who have departed the earthly life to help you.

Look, children, how much I have given to you.

Look, children of Mine, and believe and no evil will be able to come against you.

Believe. I Love you.

### **Friday 28 March 2003**

...Many are in danger of leaving this world without ever having known Me because there are not enough who will speak My Word to them. Many are afraid in these days to speak My Name because it has become a swear word to be used in vain. The vainglory of this world has become more worthy than the glory of Heaven.

Many of My own children do not think of Heaven anymore, they feel that they will never make it there so they give up and only hope for Purgatory. I tell you that those in Purgatory hope for Heaven and that hope and many prayers will bring them to My Side.

After all that I have done for mankind many will not hope for Heaven. This hurts Me. I opened the Gates of Heaven to all who would follow in My Ways.

When a soul begins to hope for Heaven, his attitude to the world around him changes, he begins to see it with new eyes and realises that he must change to come to Me. Hoping only for Purgatory gives little hope, only that of suffering. I tell you, My children,

that you must hope for Heaven. Look at My Little Flower. Did she not hope for My Kingdom. She believed that I would take her to Me and her life changed through many hard lessons until there was little self within her. Let her show you her Little Way if the great ways are too lofty for you. Come to Me as children whose parents are lost and hope in Me...

**Saturday 5 December 2015**

...Do not despair, children, for no one goes to hell except those who do not wish to know Me. I am not a cruel God. All who have fallen short are given a chance to cleanse themselves in Purgatory, here their suffering

is great for their only desire is to be in My Presence but they take their time away from Me and offer their suffering for the good of My children. They redeem themselves by their sacrifice.

Offer many prayers for them, that their time of exile be shortened.

Do all things in love and remember to make your life a prayer.

Remember to say many short prayers for those that you meet in your everyday lives.

Become a soldier of Love and begin to fight in the spiritual battle.

Trust in Me and We, together, will overcome the darkness of sin.

Believe, My children.

I Love you.

## *Song of the Carpenter*

'Song of the Carpenter' is a novel inspired by Jesus and written down by the two Patricks. It is about the entire Life of Jesus and is full of spiritual teachings as well as a simply fantastic read. The characters are really brought to life for us in this age and we can learn much from them. We

have decided to serialise this book for the Newsletter and will print a little of it each month. If you cannot wait to read it all, then you can order it from the Sacred Heart House of Prayer. It costs £6.99. This is the twenty-ninth instalment.

\*\*\*\*\*

The couples life together began that day. Joseph showed Mary around her new home so that she could familiarize herself with all its nooks and crannies, telling her

that she could change it all to suit herself. Mary did not change much but kept it as much as possible the way that Joseph had kept it.

When Joseph returned from the workshop that evening, Mary had prepared him a stew for his evening meal and afterwards they sat outside in the cool of the evening.

"The evenings are beautiful," said Mary, "it is my favourite time of the day. I love the colours of the sky when the sun begins to set. I think sometimes that the Lord, our God, has written his name in the sky to let us know that he has created the day for us."

"Yes, it is a beautiful time. I like it when the work is done and there is that quiet when the whole world seems to go still. I like to sit here in the silence and watch the foxes come out of their hiding places to begin to sniff around for food. If you are quiet enough, they will not notice you until they are quite close to you."

"I would like to see that, Joseph. God is so good to us to provide all these things for our benefit. I notice that sometimes people are so busy doing work that they do not notice these things. I think that the passing of the day is a good time to pray and be in touch with God. These moments are precious times to be spent with him."

Joseph looked around him. The birds in the olive tree above where they sat were making their roosting sounds as they prepared to sleep in the hours of darkness.

A silence that was created only for evening invaded him and he felt the hand of the Lord brush his heart through the creation that was before him. He spoke aloud the words of Scripture that whispered softly in his soul; "They also that dwell in the uttermost parts are afraid at thy tokens: thou makest the outgoings of the morning and evening to rejoice. Thou visitest the earth, and waterest it: thou greatly enrichest it with the river of God, which is full of water: thou preparest them corn, when thou hast so provided for it. Thou waterest the ridges thereof abundantly: thou settlest the furrows thereof: thou makest it soft with showers: thou blessest the springing thereof."

"That is beautiful, Joseph. It reminds me of a Psalm of David that my father used to sing." Mary began to sing and her sweet voice echoed into the quiet of the evening; " ' Man goeth forth unto his work and to his labour until the evening. O Lord, how manifold are thy works! In wisdom hast thou made them all: the earth is full of thy riches. So is this great and wide sea, wherein are things creeping innumerable, both small and great beasts. There go the ships: there is that leviathan, whom thou hast made to play therein. These wait all upon thee; that thou mayest give them their meat in due season. That thou givest them they gather: thou openest thine hand, they are filled with good.

Thou hidest thy face, they are

troubled: thou takest away their breath, they die, and return to their dust. Thou sendest forth thy spirit, they are created: and thou renewest the face of the earth. The glory of the Lord shall endure for ever: the Lord shall rejoice in his works. He looketh on the earth, and it trembleth: he toucheth the hills, and they smoke. I will sing unto the Lord as long as I live: I will sing praise to my God while I have my being. My meditation of him shall be sweet: I will be glad in the Lord.’ ”

“I am glad that you are here, Mary. It is a beautiful Psalm of the evening.” Joseph said.  
“I am glad to be here too, Joseph.”

“Mother...Mother”, called Mary in a squeal of delight, “the child kicked me.” Her mother looked up from her mending and smiled.

“He will kick you a lot more by the time he is born. Enjoy it while you can, my daughter, for when a child is born there is little time for a woman. Her time is taken with its needs. She must see to its needs before her own. She must try to see herself as two people and not one.”

“Yes, mother. I wish he were born so that I could see him. It seems so strange that he is growing inside me. Sometimes it feels as though he is not there but yet he is. It seems so long to wait.”

“You’ll see him soon enough. Meanwhile he must grow inside you and take from you what he needs to grow into a healthy child. If you do not eat then he will have

nothing to eat.”

“Oh, yes”, said Mary with a grimace, “Sometimes I do not feel like eating. I just feel ill.”

“Your body is adjusting all the time to accommodate the little one. It is how God designed it to be.”

Anne folded up the clothes she was mending and walked over to the fire to stir the pot that hung there. The vegetables were hissing at her and she knew they were cooking nicely. The aroma caught her sense of smell as she lifted the lid to prod and stir them. She picked up a small bundle of twigs from the supply at the side of the fire and began breaking them. The fire crackled and sparked as she placed them on it.

Mary sat with her hand on her belly feeling for any movement that might be the child. She was about four and a half months pregnant and the changes in her body were becoming apparent. Her breasts had begun to prepare themselves for the milk that would suckle the child and give it life. Her face was fuller and had taken on that glow that belonged only to a woman who carried a child. The roundness of her belly was becoming more pronounced as the days passed. When she was with Elizabeth, she had wondered if her belly would ever begin to grow. Now she could see and feel the changes. Her body felt different; it felt like a flower that was about to bloom. Mary pondered within her heart these things and wondered at them.

## Weekend with the Patricks

### Prayer meeting

I recently attended the 'Weekend with the Patricks' at the Sacred Heart House of Prayer.

It was a busy weekend, the rooms were fully booked and many new people joined us who had never been to the House before.

On Friday night the Weekend began with a Prayer Meeting/concert with Exposition of the Blessed Sacrament. SonLight played the music and we lifted our hearts and voices in praise of Jesus.

After the Prayer Meeting we gathered in the kitchen for tea and biscuits and Patrick joined us and was available to answer questions. It was a good night and many people were touched and moved spiritually.

### The Holy Spirit was moving!

The next morning I was up early

and I felt a buzz in the atmosphere. I noticed people chatting and sharing their stories with each other. Others commented they were deeply moved by the previous evening. The Holy Spirit was moving!

### Walk Against Abortion

At 3pm we gathered in the yard for the Walk Against Abortion. After praying we did a silent march around Cookstown with banners showing the real Truth of abortion. We stopped twice as some of the members of SonLight sang the song 'Never Felt the Wind' for those babies killed by abortion. Many more people joined us for the walk.

Hopefully by our witness and sacrifice for the unborn, many babies will be saved from abortion and given the chance to live.

### Baptism of the Unborn

When we arrived back at the House we went into the Prayer Room and did the Special Baptism of the Unborn for the babies who have been killed by abortion. Each person lit a candle and sprinkled some Holy Water and gave a name for a baby to be baptised.

### We are blind

After dinner the two Patricks gave

a talk and answered questions. The Message (15th October) Jesus gave for the Weekend was read out. It is a reminder to us that because of the lack of dying to self we are blinded to the truth. Jesus cannot give us His Gifts because we have too many other things more important in our lives. We must deny ourselves, take up our cross and follow Him.

The other thing that touched me in the Message was that Jesus asked us to have mercy on others and to forgive even our enemies. Many people would have been touched and opened up to healing by this Message. It was very appropriate to all of us in our own individual circumstances.

### **Question and answer session**

On Sunday, SonLight sang at the 12 O'Clock parish Mass. The songs were very meditative and helped me to focus more on Jesus during the Mass.

At 3pm we went into the Prayer Room for the Divine Mercy and Glorious Mysteries of the Rosary. This was followed by another

question and answer session with the two Patricks in the Conference Room. Many topics were covered about Jesus' Messages, prayer, the times we are living in, the Church, the Houses of Prayer, and the abundance of lies in the world. Also false prophets, being those who speak against the Truth and against the Laws of God, i.e.: media, TV, governments and many in the Church!

### **An Oasis of Peace**

There was much sharing, love, laughter, joy, tears, friendship, unity and lots of serving! One of the participants mentioned the fruits coming from the House of Prayer and called it an Oasis of Peace. Jesus brought us all together for this time and for His purpose, we are part of His Remnant. Anyone who comes to the Houses of Prayer has been invited by Jesus. I look forward to my next visit and thank Jesus for calling me to be part of 'The Way of The Sacred Heart' and the privilege of being His servant.

## John Paul II

### ENCYCLICAL LETTER: VERITATIS SPLENDOR

*Addressed by the Supreme Pontiff Pope John Paul II to all the bishops of the Catholic Church regarding certain fundamental questions of the Church's moral teaching continued.*

89. Faith also possesses a moral content. It gives rise to and calls for a consistent life commitment; it entails and brings to perfection the acceptance and observance of God's commandments. As Saint John writes, "God is light and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not live according to the truth... And by this we may be sure that we know him, if we keep his commandments. He who says 'I know him' but disobeys his commandments is a liar, and the truth is not in him; but whoever keeps his word, in him truly love for God is perfected. By this we may be sure that we are in him: he who says he abides in him ought to walk in the same way in which he walked" (1 Jn 1:5 -6; 2:3 -6).

Through the moral life, faith becomes "confession", not only before God but also before men: it becomes witness. "You are the light of the world", said Jesus; "a city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house.

Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven" (Mt 5:14-16). These works are above all those of charity (cf. Mt 25:31-46) and of the authentic freedom which is manifested and lived in the gift of self, even to the total gift of self, like that of Jesus, who on the Cross "loved the Church and gave himself up for her" (Eph 5:25). Christ's witness is the source, model and means for the witness of his disciples, who are called to walk on the same road: "If any man would come after me, let him deny himself and take up his cross daily and follow me" (Lk 9:23). Charity, in conformity with the radical demands of the Gospel, can lead the believer to the supreme witness of martyrdom. Once again this means imitating Jesus who died on the Cross: "Be imitators of God, as beloved children", Paul writes to the Christians of Ephesus, "and walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God" (Eph 5:1-2).

## AMAZING ANSWERS TO THE PRAYERS

Dear Patricks and all servants of the House,  
I am looking forward to coming to stay for a week soon with you all but wanted to tell you now, before I forget, of two amazing answers to the prayers which I requested for two friends last time I visited you.

One young man who had been homeless and in great need of a family and occupation – he is learning disabled – has now moved in with a kind landlady and found voluntary work in a charity shop.  
A young foreign student (abandoned by her boyfriend) who decided to keep her baby

even though she had no support from him, not only managed to complete her studies and did well but has finally obtained a visa to stay in England and can get work. Thank you for your prayers and sacrifices.  
God Bless you all,  
Patricia

Shh...Shh...Shh...

Shh...Shh...Shh...  
Silence needed to awaken our  
Hearts and souls to hear the Voice of  
God within.

Shh...Shh...Shh...  
Only in silence away from the world's  
Bombardment of constant noise, can we find  
Our beloved Saviour's Presence.

Shh...Shh...Shh...  
Softness of the quietness.  
Peace, calmness, isolation  
From verbal communication brings  
Closeness with the Lord.
