

...In a 'time', you shall see  
the sun set in peace  
and as it rises  
the world that you have known  
shall be no more.  
Many nations  
shall cease to exist.  
Man shall have  
all but destroyed himself...

# An Invitation to Love Jesus Newsletter Messages of Love October 2023 Issue 329

## Editorial

### **The Messages**

A very striking thing about the Messages this month is the sheer amount of times that Jesus speaks of His Houses of Prayer. He tells us that they are important to Him and that He needs our prayers and sacrifices to enable Him to get them ready. It is as though we, through our blindness or complacency, cannot see the grave importance of these. Within the Messages, we can see that the Church is dying and you can feel Jesus' Heartbreak and His desperate attempts to get us to listen and *do*. When we read these Messages, let us look for the Instructions in them and carry out the requests of our God instead of looking at the sensationalism of them.

I am sure many of us are disturbed by the things going on in the world at the minute and the evil that is being done to people on all walks of life. Jesus talks about the evil that is being done in the world at this time. He tells us not to worry but to remain in peace and pray.

### **Patricks' Writing**

The Patricks have written an article called, 'Promotion of Lies

within the Church.' This article explains a little of what Jesus is talking about in this month's Messages.

### **Houses of Prayer**

In October, a team went over to Saint Nikolaus House of Prayer in Germany. It so happened that it was this House that we were due to write about in this month's Newsletter! In the article, you can read of the state of the House and maybe better understand the Message that Jesus gave on Thursday 12 October 2023.

### **Plight of Others**

Instead of the Plight of Others this month, we have reprinted a very important Message that Jesus gave in 1999. It is an Instruction to us that, if carried out, could save many souls.

### **Feast of the Guardian Angels**

Make haste, My children, for My Houses are in need of your prayers. I have called many Prophets, Visionaries and Seers to procure Me Houses all over this world so that My remnant would have safe refuge. So few Houses have been procured because of lack of faith but those Houses that My faithful procured for Me must be made ready for the darkness encroaches ever more upon My children and they fall at an ever-increasing rate. Soon, now, My Houses will ignite and they shall be like great beacons in this world. They will call all those who are in darkness back, those who are willing to listen. Pray and sacrifice that My Houses are made ready. Prepare, My remnant, prepare! The Day of your God is near when I will show this world the Truth of what they have done in the

name of freedom. This generation are no different than the people of Sodom. They, too, descended into darkness and refused to listen to the Truth.

Wake up, generation, for the fury of your God is about to cleanse this earth of all that is evil. You have so little time left to prepare.

Make haste.

I Love you.

## **Tuesday 3 October 2023**

My children, My Love for you is great and I call you to My Truth in this world of lies. All but a few have walked this path that lucifer has inspired the peoples of this world with, from the greatest to the least, in the eyes of this world, are now caught in lucifer's web of lies.

Break free by using My Truth. My Truth will set you free.

Trust Me and walk this Path I set before you.

Trust Me and believe.

I Love you.

## **Thursday 5 October 2023**

Come to Me, little children of Mine, and do not be afraid, I am with you. I will guide you but you must show Me, by your actions, that you truly want My Help. Believe in My Words and do not

be afraid to follow Me in Truth.  
Die to self and show Me that you believe by removing the sin from your lives. Trust Me, children of Mine.  
Trust Me.  
I Love you.

**Friday 6 October 2023**

Faith is what you seek, children. To have faith you must simply know and believe I am with you. Knowing Me comes about by spending time with Me in prayer. Prayer is simply talking to Me and listening for My Guidance in the peace and silence of your heart. My Guidance is Love; it is not worldly, greedy, judgemental or full of avarice. My Guidance will always look to the good of others and will not seek to gain the things of this world. So many who say they follow Me only follow their own desires and blot out their own sin and look at the sins of others. Trust Me and come walk this Path with Me.  
Trust Me.  
I Love you.

**Sunday 8 October 2023**

Have faith in Me and believe in the Words I speak. Believe, children, for already the events in this world are culminating and I will have to intervene. My Power is My Truth and this world is about to be chastised in such a way that has never been seen from the beginning of time. Wake up, children, My Truth descends and those who think they

know My Truth but only destroy My Church from within, will be cast out for they are wolves in sheep's clothing and they walk the path to hell and try to take their flocks with them.  
Trust Me, children, and prepare.  
Trust.  
I Love you.

**Tuesday 10 October 2023**

Come to Me, children of Mine, and walk this Path of Truth I set before you in these Words. I have come in these Words to guide you through this Time of Great Tribulation where My own have turned against Me and now guide My flock towards the fires of hell. Many cardinals, bishops and priests have deserted Me and are only wolves in sheep's clothing. I speak to you who call yourselves My shepherds but only follow a gospel of lies. You blind yourselves to My Truth and think you can bless sin. The only blessing you have is the blessing of lies for your father is the father of lies. Satan is the one who guides you in your blindness. Break free or hell will be where you spend eternity. Wake up and repent and I shall forgive your sins and you shall, once again, walk the Path of Truth. These are the Words that will either save you or condemn you. Take Warning.  
I Love you.

**Wednesday 11 October 2023**

My children, do not fear the events that happen in this world

at this time. It is only the evil, that spreads ever darker, that pushes the people that have given themselves over to lucifer's lies to react. This will come to an end as My Spirit disperses the darkness and allows the lies to be seen.

Trust Me, I allow this to show this world the Truth of what is really happening around you.

Stay close to Me and allow Me to guide you through the dangers of these days.

Believe, children, My Spirit is at work and He will show the Truth. All that is hidden will be seen.

Trust Me.

I Love you.

### **Wednesday 11 October 2023**

The Day of My Houses fast approaches and My Houses are not prepared. I have asked for your help many times but, it is the same few who respond to My calls.

Children, is it too much to ask for a simple prayer for My Houses? Show Me that you want these, My Houses of Prayer and I shall respond to your prayers.

Prepare My Houses for I am about to ignite them and this world will see and many shall understand and return to the safety of My Fold.

Yes, children, this world is changing and, as you see those within My Church who have given themselves over to the lies of lucifer, now move fast to remove My Truth from My Church. They prompt their flocks to accept sin as truth and Truth as lies. They no longer follow Me but now walk the path to hell.

Pray and offer many sacrifices for these poor, blind, souls that they turn away from the path of evil before it is too late.

Prepare, children, My Houses, your refuges, are in need of your help.

I Love you.

### **Thursday 12 October 2023**

Have faith in Me, children. The age of evil is fast coming to an end. I see all that happens, I see the corruption of your governments and how they control the media to their own ends.

They lie to the people but, all this will be seen by the people, as the web of lies untangles.

Trust Me, children, and do not become involved with the anger that is about to spread across this earth. I see all the lies and, now, I must intervene because the blindness of mankind has allowed lucifer the power to destroy creation.

Prepare, children, by trusting Me and dying to self. I will guide you through this time if you are willing to try to follow Me in Truth.

Trust Me.

I Love you.

### **Thursday 12 October 2023**

#### **Saint Nikolaus House of Prayer, Colditz, Germany**

My Heart is with you; My Heart will never fail you. It is your heart that fails Me, My little children, when you let go of My Hand. I will never let you go until you choose to let go of Me.

This House you are in, My servant, is worth everything you can do in it. It is worth much to My Heart. I wish to tell all My children, who listen to My Words, that the wounds of this House, ITS wounds are My Wounds. Like My Church, it is wounded: its roof is fallen like the roof of My Church. Soon it will be ruined and left for dead. Those who are capable of repairing My Church are destroying it. What will come will not be of Me.

My House here can and will be repaired unlike My Church for those who do not repair it seek to build another church, a church that is full of hypocrisy. You will need to pluck out your eyes in order not to see the lies.

I have made and I am making provisions for what is left of My Bride. She has been severely beaten and parts of her have been removed. I will heal her.

As you bind up the wounds of this House, so I will bind up My Church but I need your help, My children, to bind the wounds of both. Help Me! Help Me to heal by being My people at last.

#### **Friday 13 October 2023**

My children, I am calling out in this time for help with My Houses all over this world. Both I and My Mother have asked through many Prophets, Visionaries and Seers throughout the countries of this world for many refuges to be procured but so few have listened. I have asked through My sons for Houses to be procured and

prepared but, so few have listened to My calls for help.

Children, the greatest help you can give is to offer many prayers and sacrifices and so then I can inspire those with the means to help physically and financially but, I need many to ask for help in free will through prayer and sacrifice.

Trust Me and help in this mission to save My people from the tide of evil that now sweeps this earth.

Trust Me and comply to My calls. I Love you.

#### **Saturday 14 October 2023**

Come, children of Mine, and listen as I call out in this world of darkness for the return of My children. I need many who are willing to help in this time for, soon, My Spirit shall descend upon this earth and those who have taken the time to prepare will be filled with the Holy Spirit.

He shall ignite true faith within you and you shall become the guiding lights that will bring many, many back from the edge of the abyss. This, children, is why I say: prepare, prepare, prepare! This is why I say, trust in Me, trust Me, trust Me for it is only Me who can guide you through this time of great darkness.

Yes, children, fires will fall from the heavens and this earth shall be consumed for three days and all that is evil shall be no more and I shall rebuild the earth in My Truth and My Love.

Only those who have taken the time to turn away from the evil of this world will be saved in this

time. The greatest majority of mankind will perish because they will be unwilling to listen to My Truth and walk away from their evil lives.

Pray, My children, pray for those poor souls who are blinded by the desires of self for they walk the path of eternal death.

Pray, My children, pray. I Love you.

**Sunday 15 October 2023**  
**Feast of Saint Teresa of Avila**  
**Weekend with the Patricks**

My children, I greet you on this Day of My beloved daughter.<sup>1</sup> I greet you with Love. I send Blessings to all of you, this Day and to My daughter<sup>2</sup> who feels the loss of a loved one: what is your loss, My daughter, is My gain. All is well.

My children, remember that you are in the darkness, you are surrounded by it, you breathe it in. But, because you still hold to the ways of sin, you do not see it for what it is. You guess at it, like one who grasps empty air. It is the ways of sin, the lack of dying to self, that blinds your eyes.

But, you can see the deceit. You can tease out the lies and see the difference but you cannot see all of it. Do not run here and there trying to find out answers that, were they given to you, you would not understand anyway. I did not give all of the answers to My Apostles but bade them wait for the right time:

<sup>7</sup> Jesus answered and said to him, "What I do you do not realize now,

but you will understand hereafter."  
**John 13:7-8**

Do not worry yourselves about anything, except to fill your hearts with My Scripture for it is there that I will help you to understand the whys and the wherefores that are difficult to know now. Your hearts could not understand what I have in store. Pray, then, for all who need prayer.

You are in darkness now but a man cannot see in the dark, he must wait for morning when the light comes to make things clear. He stumbles about in the darkness not understanding what it is that he has bumped into.

So, take My Instructions to you: Live for Me only, love for Me only. Trust in Me; trust that, what is in the darkness, I, alone can see it and, if you trust Me, I will bring you through it.

My Church is still alive and in the sheep who trust the Shepherd who has laid down His Life for His sheep. The "brigand" who pastures My sheep now tries to sell them to the "bidders" who do not love them like the Shepherd does:

<sup>7</sup> So Jesus said to them again, "Truly, truly, I say to you, I am the door of the sheep.

<sup>8</sup> "All who came before Me are thieves and robbers, but the sheep did not hear them.

<sup>9</sup> "I am the door; if anyone enters through Me, he will be saved, and will go in and out and find pasture.

<sup>10</sup> "The thief comes only to steal and kill and destroy; I came that they may have life, and have it

abundantly.

11 "I am the good shepherd; the good shepherd lays down His life for the sheep.

12 "He who is a hired hand, and not a shepherd, who is not the owner of the sheep, sees the wolf coming, and leaves the sheep and flees, and the wolf snatches them and scatters them.

13 "He flees because he is a hired hand and is not concerned about the sheep.

### **Sunday 15 October 2023**

#### **Feast of Saint Teresa of Avila**

Trust Me, children of Mine, and know I am with you as you read these Words of Truth. Have faith, children, and follow Me in Truth. Do not accept the teachings that contradict My Truth.

Remember, I have already said My Words do not change for I am the Word; I am the same yesterday, today and tomorrow. I do not change and so My Teachings do not change.

Anyone who is in sin and refuses to repent is on the road to hell and needs many prayers in order that they get many chances to repent and turn away from their evil ways. Trust Me, children, and offer many prayers for these, who are willing to accept the false teachings. Pray much for the cardinals, bishops and priests who

promote false doctrine for they are in great danger of losing their eternal lives.

My children, do not fear for, now, you live in the Time of My Justice and it builds rapidly as My Spirit untangles more and more lies. Those in power will now begin to fall into their own traps as they grow in confidence in their own power to control the people. From this day on, you will begin to see the Truth, that has been hidden.

Trust Me and prepare.

I Love you.

### **Monday 16 October 2023**

#### **Feast of Saint Margaret Mary**

Have faith, children of Mine, and know your God is with you. I see all that is happening on this earth, I see all that happens in secret within My Church, I see everything and, those who think they are in control, do not realise their reign of lies is fast coming to an end.

It is time for Me to cleanse the lies from this world and to show mankind what has been really happening around them with their leaders.

I say, again, be at peace and do not let anger consume you for you could become lost to Me in this time. Be at peace and know that the Spirit of your God is at Work, cutting through the lies to reveal the Truth.

Trust Me, children, trust Me.

I Love you.

### **Wednesday 18 October 2023**

Come to Me, children, and do not

get involved in the anger of this world. Forgive the acts of evil that you see being carried out by those who consider themselves righteous. They are blinded by lucifer and only carry out the orders of his lies.

Believe in Me and love your enemy and do not let anger consume your hearts.

Trust Me.

I Love you.

### **Wednesday 18 October 2023**

Have faith in Me and know I am with you. I will not desert My own. Children, have faith in Me and do not become embroiled in the anger of the events that now take place in this world.

Trust Me, children, and stay close to Me.

Trust Me.

I Love you.

### **Thursday 19 October 2023**

Hold on to the Truth, children, for My Truth cannot be changed. There are many evil men within My Church who try to change My Truth, they are from the top down. Now, is the time when many changes will take place.

Trust Me and do not allow yourselves to become caught up in the lies and do not allow anger to take your peace away.

Trust Me and do not fear the events of this world. I will soon put an end to the evil. Trust Me.

I Love you.

### **Friday 20 October 2023**

Have faith in Me, My children, and

do not fear the events that happen in the world at this time. If you look, you can see My Church justifying sin and the governments of this world justifying their evil actions. These are the cracks that will bring them down as the peoples of this time begin to recognise the lies of those in power.

Children, I say, again, remain at peace and do not be drawn into the anger that begins to rise. Trust Me and remain apart for many will be lost at this time as the tide of lies begins to disentangle.

Trust Me and stay with Me.

Believe.

I Love you.

### **Saturday 21 October 2023**

Have faith in Me, children, and believe in My Words of Truth, given to you to guide you through this time of great tribulation for My people. Look at the one who leads My Church into the depths of sin. He is a brigand and a thief; all he can see is his own agenda; he is but a puppet for lucifer's plans.

My Mother Warned of this but My Church refused to release Her Words of Warning to this world. If they had been obedient to Her then this man would not have been able to take control but, I tell you, his time is limited. He draws his own out and they come scuttling out of the dark places to join him in changing My Church into a dark thing but, by their own actions, they cleanse My Church.

The rot now culminates as one and I, Myself, shall remove it in one swipe of My Hand and My

Church will shine, once again,  
with My Truth.  
Trust Me and pray, children. All is  
in My Hands.  
Trust Me.  
I Love you.

**Sunday 22 October 2023**  
**Feast of Saint John Paul II**

Have faith in Me and stay close  
to Me and allow Me to guide and  
protect you from the darkness  
of this time, that you now live  
in. Allow Me to guide you in the  
Truth and show you the Path that  
leads away from sin.  
I am with you. I am calling you  
through these Words of Love to  
die to self. Trust Me, when you try  
to follow Me in Truth, I will rush  
to you. Believe and trust in Me. Do  
as I say and remove the sin from  
your lives.  
Trust.  
I Love you.

**Sunday 22 October 2023**  
**Feast of Saint John Paul II**

Have faith in Me, your God, and  
try always to follow Me in Truth.  
I am Coming soon and I will break  
the chains that hold you, My  
children, from speaking out to this  
world. I will give you a voice and  
you can then cry My Truth out  
from the rooftops. This world will  
listen for a while and My own will  
listen and return to the safety of  
their God.  
Trust Me, children, and prepare.  
I Love you.

**Monday 23 October 2023**  
Have faith in Me, My children,

and do not allow yourselves to  
become consumed with the anger  
of this world. Yes, there are many  
evil acts taking place at this time  
in this world through individuals  
and governments but, I say to you,  
My children, forgive them and  
pray for them for they know not  
what they do. They have chosen  
to remain blind to My Truth and  
only see their own ends.

I tell you the Truth, children, you  
now live in the Time of Justice,  
the Time of Cleansing, when My  
Father shall chastise this world  
for their sin. Never before in the  
history of mankind has man  
become so evil.

You look with eyes that cannot see  
the events that are taking place in  
secret all over this world. I see the  
events in this world and within  
My Church. lucifer has taken  
control. My people try to justify  
the actions of the one who leads  
My Church but, all I see is a man  
consumed with self, who is leading  
My Church into the depths of sin.  
As My Mother has told you, many  
cardinals, bishops and priests are  
on the road to perdition and they  
are taking My children with them.  
Stop justifying sin, children, if you  
want to survive this time. Begin to  
follow Me in Truth.

Sin is darkness and sin only leads  
to hell eternal. I do not lie!

Read My Scriptures and see the  
Truth of what is happening on  
this earth. All those who try to live  
in My Truth and guide My people  
on the Path of My Truth are  
rejected by those in power within  
My Church. My good cardinals,

bishops and priests are persecuted from within.

See what is happening; both I, and My Mother, have Warned you through many, many Prophets, Visionaries and Seers throughout time about this time that you now live in. My own have become blinded. When you read these Words, remember the outcome has already been prophesied; you can reject these Words and the Words of My Scriptures and My other prophesies throughout this world but, the outcome will remain the same for you shall be cast from this earth into the pit of eternal torment for what you have done to My people.

I say, repent of your evil deeds and I shall wash you in My Blood and you shall shine bright in this world and you shall reside with Me in Paradise for eternity. Wake up, mankind, and see the Truth: remain blind at your own peril.

I Love you.

### **Monday 23 October 2023**

Once again, I call you to prepare My Houses of Prayer, children. They are in great need of prayer and sacrifice.

I call to you, My children, pray and offer many sacrifices for the Day of My Houses fast approaches and they are not prepared.

Trust Me, My children, I can do all things when you turn to Me in faith. Reach out to My Houses and help, children.

Trust Me.

I Love you.

### **Wednesday 25 October 2023**

Trust, have faith in Me, children. See, I have Warned you of this time when My Church would be rejected by the wolves who have invaded its corridors. Children, do not fear them!

I use them as you would use a poultice to draw the poison out of a wound. The deceivers are coming out of hiding; now that they see those at the top, preaching a gospel of sin. They are bringing about their own downfall.

Trust Me, children, and believe in the Words I speak. Do not give in to sin and your eyes will open. Trust Me.

I Love you.

### **Thursday 26 October 2023**

My children, only look to My Truth in this time. Do not listen to the lies being promoted through those who preach a gospel of false love. Trust Me, children, I will put an end to the lies. I will show what is truly happening in this world. I need you to prepare by dying to self. Everything is about to change and My people will have a voice, once again.

Trust Me and prepare.

I Love you.

### **Friday 27 October 2023**

Have faith in Me, children. You must prepare more than ever now, as all culminates, as this world is plunged into the war against Truth. This is a time when this world and mankind will go through great changes.

I tell you: you do not understand what is coming and this world is not ready, children. I will show mankind how little he truly understands. I need you ready, children.

Trust Me.

I Love you.

### **Saturday 28 October 2023**

Have faith in Me and believe in what I say. I am your God and I am telling you of the danger you are in but, so few have taken notice of My Words. Children, already the 'Time of Justice' is upon you and you refuse to break free of the complacency you are sitting in. What must I do, you are not willing to listen?

Already, My Prophets have spread My Word throughout this world. My Mother has spread My Word through Her Visionaries around this world.

Now, children, I will show this world the Truth. I give My Truth to My two and, through them, I shall cut through the lies of this world. I will show this world the Truth, I will show all I am not a dead God and many will return. My Houses will shine bright with My Truth all over this world.

Trust Me for the Battle of Love will drive the darkness back.

Trust Me.

I Love you.

### **Sunday 29 October 2023**

Yes, children of Mine, the Chastisement of mankind has begun and My wrath shall be great as I scythe down those who are steeped in the lies of lucifer.

I tell you, My children, never before, has mankind walked a path so dark. I have spoken many Words to you through My sons. My Mother has spoken many Words through Her servants all over this world and so few of you have taken the time to listen.

Rather, you would sit in holy huddles discussing which Prophet is right and which Prophet is wrong. I have told you, My Own shall recognise My Voice, if you cannot recognise My Voice then you are on the wrong path.

Wake up and see the Truth. Your brothers and sisters are in danger of losing their Eternal Lives while you sit and do nothing. I am the Truth. My Mother's Words of Warning were not released to this world, that the man of sin would sit upon the Throne of Peter. You choose to blind yourselves to the Truth of what is happening. The Battle of Love has begun, children, it is time to choose which side you wish to follow.

Open your eyes and see the Truth. I Love you.

### **Monday 30 October 2023**

Faith, children, have faith in Me! All seems lost but, I tell you the Truth, I have given freedom to man

to follow Me or his own desires and, you can see, all but a few have chosen to follow self, which is controlled by the inspirations of lucifer. I gave freedom as a Gift to mankind but, this generation has become so evil, that I must put an end to their evil. All that you see and are told by those in power is a lie. In Truth, those in power, are being deceived by lucifer.

This Battle I have already won. I am the Alpha and the Omega, the beginning and the end. I cannot be overcome; I cannot be destroyed; I am the Creator of all and I do all this for My remnant for the few who are willing to follow Me in Truth.

Trust Me, children, I can see your hearts. I know who is Mine. You may not think you are a follower of Mine by your actions but, I go out to find the lost sheep and I will call all My own and they shall recognise My Voice and return before I destroy this world and rebuild it in three days.

Prepare, children, for this time is close. There will be a time when I call all My own to My Houses of Prayer all over this world. The Time of My Houses fast approaches. Trust Me, many, many refuges will open all over this world at My call, so do not fear for I will look after My own. Trust Me.

I Love you.

### **Tuesday 31 October 2023**

Open your eyes, children, and see the Truth of what is happening in this world. You are fast running

out of time and so few have prepared.

Children, you cannot understand what is coming and will not understand unless you prepare for, I mean to take back what has been stolen from Me in lies.

Children, if you do not prepare, you, too, shall become confused and become one of those whom I must try to rescue from the lies of lucifer.

Do not think you cannot be blinded for, yes, look at My people, Israel, are they not blind? Did they not reject Me and abandon Me to the Romans to be Crucified? They, still to this day, wander in a desert of their own making, when they rejected Me.

Remember, they saw Me raise the dead, give sight to the blind and make the lame walk but, still, they remain blind. Be Warned, children, prepare or remain blind to the Truth; the choice is yours.

Remember, I have begun to cleanse this earth, prepare.

I Love you.

### **Thursday 2 November 2023**

#### **All Souls Day, Ballina**

My children, dark is the night you travel through and darker still are the days to follow.

A cold winter is here for those who love Me, those who follow My Ways.

For those whose love for Me is a pretence, a sham, it will only be the pale light of evil that they will see through; they will think it is My Light but, they do not recognise the Voice of the Shepherd and, in

not recognising it, they will not be able to enter the sheep pen of My Heart. They will be those who enter the wedding feast and they have not the wedding garment. They will be those who have cried, "Lord, Lord..." and those whom I will spit from My Mouth for their lukewarmness.

I am calling each of My followers to come and live in the real Truth. The days are here when few will recognise My Voice in order to follow it. They will only see the things they have built for themselves; the ivory towers of self, the things that they think I have called them to but it was from the self that lies deep within them. I speak to all My followers, those who are on fire with My Love; those who are lukewarm. I speak to My Prophets, Visionaries and Seers. I speak to the cardinals, bishops, priests and nuns, I speak to the laity. I speak to all.

This is not the time to seek self, to seek your projects that stand in evidence of a life lived without Me: this is the time to stand up and follow Me. This is the time to believe in Me and only Me.

Churches lie desolate at your hand; neglected, because you drew your hand against Me, you led My sheep over the precipice where only confusion and spiritual death awaited them.

I come to clear the temple, once again. Leave your projects, leave the dead to bury the dead and follow Me.

Follow Me into the dens of the poor, the unloved, the rejected,

the forgotten, for it is only there that you will find Me, about My Fathers' Work.

You will not find Me in these ivory towers that you build for your own gratification. You will find Me in a pure heart and clean hands. Seek Me while I am to be found.

Spread My Gospel, spread My Word and not a gospel of self from your altars that have rejected Me. I am He, whom you reject in your clamouring to serve Me. You only serve yourself for your hearts are cold for lack of My Love.

These Words I speak are for you to come back to Me in Truth for you are the blind leading the blind and you fall over the precipice. Come back to Me with all your hearts and with all your souls for I await you.

Two churches emerge: one of My Light and one that has lain hidden in the dark for a long time, it casts the shadow of emptiness and darkness and many will follow it thinking they serve Me.

You who are Mine: remain in the Light of My Love. I send you out, to persecution, to love, to feed, to speak. My Word is your word, living and breathing in you for I set you on fire with My Spirit.

You have been slow to help with the refuges that I have called for. They are beacons on a hill top that, when lit, will shine My Light in a place of darkness. Leave aside the projects that you think are Mine and build these fires to save a multitude.

I Love you, follow Me!

# Writing from the two Patricks

## **PROMOTION OF LIES WITHIN THE CHURCH**

### **The Real Truth**

Jesus tells us it is time to point out the Real Truth of what is happening within His Church. This time within the Church reminds us of the story of the emperor's new clothes. Everyone was trying to justify how the emperor was wearing the finest clothes ever made but, in reality, the Emperor was naked. All are trying to justify the actions of this Pope but, the Truth is, he is promoting sin and ripping the Truths, that Jesus Died for, apart. The Truth is plainly seen if we take the time to look and not just go on hearsay. This pope is clearly going against Gods Teachings. There are plenty of places that report the news of what is happening within the Church and within Rome. Examples of these are World Over, which can be found on EWTN, Church Militant, Remnant TV, etc. All these can be found on YouTube if we but take the time to look.

### **Jesus is the Head**

The Truth is, this pope and the cardinals, bishops, priests, nuns and laity, which he has surrounded himself with, are blaspheming and speaking heresy against Jesus Christ, who is the true Head of

the Holy Roman Catholic Church. People say that the pope is the head of the Church: no, he is not the head of the Church. Jesus is the Head of the Church and the pope is the servant of Jesus. His job is to guide the people in the Truth that Jesus Died for.

### **This is heresy**

Pope Francis told the people of the Catholic Church that it was our moral duty to accept the corona virus vaccine, produced from the bodies of aborted children (*murdered children*). This clearly goes against the Catechism and breaks the fifth Commandment: 'Thou shalt not kill'. He was condoning the murder of the innocent and telling us, as Catholics, to do likewise by the acceptance of their blood into our bodies. This is heresy, mortal sin; an abomination in the sight of God. He repeatedly speaks blasphemy against the Truths of Jesus and His Church.

### **Speaks with a forked tongue**

The Truth is, Pope Francis speaks with a forked tongue. One minute he says something good and holy and, the next minute, he rips Jesus apart with his next promotion of sin. There are quite a few cardinals and bishops who are speaking out

against his teaching. Please take the time to check out the platforms mentioned above. Many will be highly shocked at the things that are happening in the Church at this time; the Truth is out there, if we want to find it.

Many of Pope Francis' teachings are false; anti-God, antichrist. Antichrist does not mean someone with horns and hooves. Antichrist means someone who is against Jesus Christ and there are many such as these in the world at this time.

### **Looking for change**

This year he has set up a Church synod looking for change within the Church. A lot of the people who have been invited to take part in this synod are those who are against Jesus' Teachings, people who are promoting the acceptance of homosexual unions, the divorced and remarried receiving the Sacraments, women's ordination. The latest announcement from Pope Francis, just before the start of the synod, has stated that priests can bless gay unions (as long as it is not a marriage blessing) and give Holy Communion to the divorced and remarried, those who are living in sin. This goes against Gods Teaching: SIN CANNOT BE BLESSED. We cannot condone sin, or we become guilty of the sin ourselves.

### **Against Church Teaching**

If we all take the time, as we have done, to look into what is actually happening within the Church synod, we will clearly see that it

is a synod discussing the things which go directly against Church Teaching. I have watched what has been happening and I am shocked that the world's mainstream media has stayed silent. We hear nothing of what is truly happening, it is all hidden but, as we say, if we take the time to do a little research then it is plain to be seen.

### **The Third Secret of Fatima**

The Third Secret of Fatima is being fulfilled, not the third secret that the church released but the real Third Secret which Jesus has shown us. The real Third Secret is, that a time would come when the Church would be taken over by a man of sin, an antichrist who would sit on the Throne of Peter and would preach a false gospel that would lead many to their eternal deaths in the fires of hell. When Pope John XXIII read the Third Secret of Fatima he was said to have paled and felt weak and said this is not for our time, resealed it and refused to release it. When we look at what the Church released as 'the third secret,' no one paled or felt weak at the lie that they released.

Mary, our Mother, the Queen of Heaven and Earth, said that it should be released no later than 1960 but, those who thought they knew better, refused and, so, now we, the people of God, must go through the tribulations that they have brought about by their disobedience. We can see the arrogance of man is great, when men think they have greater intelligence than Heaven.

### **Heaven has Warned**

The Third Secret was something the Church did not want to release because it Warned of what would happen within the hierarchy of the Church. Our Lady also Warned of this in La Salette, Garabandal, Akita and Mount Melleray in Ireland. Jesus has also Warned us in these Messages. These are, but a few, where Heaven has Warned of what is happening.

La Salette: "Rome will lose the faith and become the seat of the Antichrist".

Garabandal: "Many Cardinals, many bishops, and many priests are on the path of perdition, and they take many souls with them. To the Eucharist, there is given less and less importance".

Akita: "The work of the devil will infiltrate even into the Church in such a way that one will see cardinals opposing cardinals, bishops against bishops. The priests who venerate me will be scorned and opposed by their confreres...churches and altars sacked; the Church will be full of those who accept compromises and the demon will press many priests and consecrated souls to leave the service of the Lord".

Mount Melleray: August 22, 1985. "The world must improve and the world must believe. If the world does not improve the devil will take over the church".

### **The blasphemy and heresy**

Many will refute these words but we are not accusing, we are simply trying to draw attention to the blasphemy and heresy

Pope Francis is speaking from his own lips. He is speaking directly against the Gospel of Jesus. People keep on calling him holy father, he is not holy when he is speaking against God and promoting sin, sin is not holy.

### **In the Bible**

In the Bible, it says, when you see the man of sin sitting in the place where he should not be then you will know the time is upon you. The place he should not be is on the Throne of Peter. It is plain to be seen that we are now experiencing this and many, many Christians are falling under his blanket of sin, his blanket of deceit. His words suit the selfish lifestyle of this generation.

There are so many good cardinals, bishops and priests who have been removed from the places of power within the Church and replaced with heretics who are willing to accept all sorts of sin into the Church.

### **Excommunicate the good**

Soon, the church will start to excommunicate the good so that the bad have full control. But, what everyone has forgotten is, that the Church does not belong to the Pope, it does not belong to the cardinals, it does not belong to the bishops nor, does it belong to the priests or the people. It belongs to Jesus Christ, the Son of the Living God and He has said it is time to cleanse the Church and this earth of the evil that mankind has released in free will. We do not have to read Messages or prophecies, all we have to do

is read the Scriptures and we can see how we have been Warned of what would happen, if we turned away from God and followed the path of sin.

### **We are against his teachings**

Once again, people will say we are against the Pope. We are against his teachings. We are followers of Jesus Christ, Son of the living God and his holy Roman Catholic Church, the Church that the gates of hell shall not prevail against. The Pope is a man who needs many, many prayers for he is in danger of losing his Eternal Life for the blasphemy that he continues to promote as truth.

As Athanasius Schneider (bishop of Kazakhstan) has said, he has never prayed for anyone, in his entire life, as he has prayed for Francis because of his blasphemy. In an interview on Remnant TV on 29 October 2023, he said "...I'm simply more overwhelmed with pity for the soul of Pope Francis, imagining that he must meet the Judge, God, maybe soon. We are all already of a certain age, no one knows when God will call us..."

So many of Gods children are becoming confused and wandering onto the wrong path because of the confusion spread by Pope Francis and the cardinals and bishops he has surrounded himself with. It is time for all of us to open our eyes and see the Truth of the Messages of Jesus.

### **Very few live them**

Our Lady has spoken in Apparition sites all over the world. The Messages which Jesus and Mary

have given are Messages of Warning but, so few actually really read their Messages. Everyone talks about them but, very few live them. We are in the 'Time of Justice'; the Great Chastisement has begun.

### **Sunday 29 October 2023**

Yes, children of Mine, the Chastisement of mankind has begun and My wrath shall be great as I scythe down those who are steeped in the lies of lucifer.

I tell you, My children, never before, has mankind walked a path so dark. I have spoken many Words to you through My sons. My Mother has spoken many Words through Her servants all over this world and so few of you have taken the time to listen.

Rather, you would sit in holy huddles discussing which Prophet is right and which Prophet is wrong. I have told you, My Own shall recognise My Voice, if you cannot recognise My Voice then you are on the wrong path.

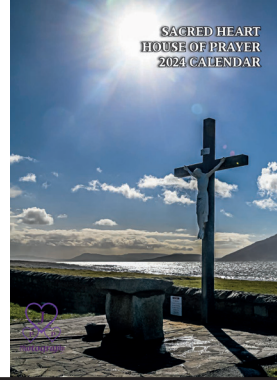

Wake up and see the Truth. Your brothers and sisters are in danger of losing their Eternal Lives while you sit and do nothing. I am the Truth. My Mother's Words of Warning were not released to this world, that the man of sin would sit upon the Throne of Peter. You choose to blind yourselves to the Truth of what is happening. The Battle of Love has begun, children, it is time to choose which side you wish to follow.

Open your eyes and see the Truth. I Love you.

# THE HOUSES OF PRAYER

## **Saint Nikolaus House of Prayer, Germany**

### **Jesus began persisting**

At some time in 2005, Jesus told the Patricks, through inspiration, that He wanted a House of Prayer in Germany. There was no Message given nor did Jesus ask them to get it yet. He seemed to want the Polish House of Prayer established first. And so, all the efforts were put into finding Saint Stanislaus House in Poland.

But then, in August 2006, out of the blue, Jesus began persisting with the German House and He seemed to want it immediately! So the Patricks began looking at Houses for sale in Germany on the internet. They saw a House that they felt was the one Jesus

wanted. They phoned the owner and arranged to view this House in Germany. While they were there, Jesus spoke.

**Thursday 10 August 2006  
Colditz, Germany**

**Patrick:**

Jesus, do You wish to speak?

**Jesus:**

Yes, My servant, I will speak. My Heart wishes to be here in the middle of this darkness; it wishes to enfold it with Light, with the warmth of its Fire. Do not feel that I have not sent you here to do My Will. Do you not feel the darkness? So many without Light, without My Light; so many that would love Me if the darkness had not swallowed them up.

This place that you are in is like the edge of an abyss and many fall into it. Proceed with this for it is what I wish. So much cleansing is needed before I can begin. Once I was the only Light here but now there is no Light. These are a people who

stumble blindly in the darkness and how I wish the Flames of My Love were Burning already.

My Heart is in Sorrow as your faith brings Me here. I have come in your heart and your soul and I am Present here with you. By your presence here, I am here because you believe in Me but you both must come here to complete it. You are My Jewel that I shine My Light through and My House stands waiting for it. The Work here will be difficult but it can and must be done. There are those here that wait for it to begin. The Light must touch them. I Love you.

#### **Take this House in faith**

The Patricks felt that this House was the right one but we didn't have the money to just go and buy it, however, Jesus wanted it so the servants began to say the Novena to the Sacred Heart for the funds to enable His request to be carried out. As the Novena progressed, Jesus made it clear that we were to take this House in faith.

So the Patricks shook hands and agreed to buy it, even though the money was not there. The money only came for this House when we went to sign for it.

Saint Nikolaus House of Prayer was signed for in early 2007, praise Jesus. It is in a place called Colditz in Germany.

#### **Work needing done**

This House had been converted in its history to have two shops on either side of its front door. We brought the kitchen and dining room from upstairs down to this

floor and so on the right side we have the kitchen and dining room. On the left is the Prayer Room.

It is an old German house. It has big cement stairs to the first floor where the previous owners had a flat.

The flat upstairs will eventually be turned into a bedroom.

In the attic, there is potential for more bedrooms but all of this is in need of renovation, electrics, bathrooms etc.

There is no heating in this House. Presently we use electric fires when we are cold.

In the attic, the windows are tiny, old fashioned roof-like windows. These all need to be replaced to allow more light into the House.

We were also aware that the main roof needed a few repairs but, as you will read, it now needs replaced.

#### **The "Year of My Houses"**

On 10 January 2023, Jesus gave the following Message to the servants of the House: "My sons and My children, let this year be the "Year of My Houses". Let this be the year that My Houses become your priority. Do not concentrate so much on those that are almost done but, instead, concentrate on those that need, not the most work, but some work that would bring them to a 'near' completion. You are slow to do these things, you are slow to believe. If you do not go to My Houses, then how will you know what they need?..." Little did we know just how desperately the Houses needed our attention.

### **Went to Germany**

On 10 October this year, a few of us went to Germany to visit the House of Prayer there. It had been four years since anyone had been there, three of these years had been due the travel restrictions around Covid. The following year, we simply did not have the money to go.

When we arrived, we noticed that, in the kitchen, part of the ceiling had fallen onto the floor. As we progressed through the House and upstairs, we realised that something was up. We opened the door to one of the main bedrooms that had been furnished with beds to accommodate the pilgrims who go on the annual Polish pilgrimage as this German House is the first stop over for the pilgrims. The ceiling had fallen in through much heavy rain and snow over the four years. It turned out that the

roof wasn't as good as we thought it was. The big attic at the back of the House had puddles of at least two to three inches deep and there were at least four big holes in the roof. The roof was caving in.

### **Work is ongoing now**

We stayed the night there, hoping that the rest of the ceiling would not fall on us.

The next day, we called our friend and solicitor to come and have a look to advise us and to set in motion getting roofers who would, at least temporarily, repair the roof by putting a tarpaulin on it, or something else, to keep the rest of the roof intact. The winters in Germany can be severe with lots of snow that forms on the roofs, up to maybe two or three feet. This roof will not stand another winter. We hope to get two to three estimates for the work needing done. If it is not repaired soon, the whole roof will cave in. This work is ongoing now and a priority.

While we were in Germany, Jesus gave the following Message.

**Thursday 12 October 2023**

**Saint Nikolaus House of  
Prayer, Colditz, Germany**

**My Heart is with you; My Heart**

will never fail you. It is your heart that fails Me, My little children, when you let go of My Hand. I will never let you go until you choose to let go of Me.

This House you are in, My servant, is worth everything you can do in it. It is worth much to My Heart.

I wish to tell all My children, who listen to My Words, that the wounds of this House, ITS wounds are My Wounds. Like My Church, it is wounded: its roof is fallen like the roof of My Church. Soon it will be ruined and left for dead. Those who are capable of repairing My Church are destroying it. What will come will not be of Me.

My House here can and will be repaired unlike My Church for those who do not repair it seek to build another church, a church

that is full of hypocrisy. You will need to pluck out your eyes in order not to see the lies.

I have made and I am making provisions for what is left of My Bride. She has been severely beaten and parts of her have been removed. I will heal her.

As you bind up the wounds of this House, so I will bind up My Church but I need your help, My children, to bind the wounds of both. Help Me! Help Me to heal by being My people at last.

#### **A simple prayer**

As you can see, Jesus likened the state of the House in Germany, to His Church. In the Message, He also asks for our help for both His Church and His House.

We really hope to be able to get back to this House as soon as possible and we ask for your continued prayers. As Jesus said on Wednesday 11 October 2023, "...I have asked for your help many times but, it is the same few who respond to My calls.

Children, is it too much to ask for a simple prayer for My Houses?..."

## John Paul II

**APOSTOLIC LETTER: NOVO MILLENNIO INEUNTE**  
*Of his Holiness Pope John Paul II to the bishops, clergy and lay faithful  
at the close of the Great Jubilee of the year 2000*

### **New energies**

15. These are only some of the elements of the Jubilee celebration. It has left us with many memories. But if we ask what is the core of the great legacy it leaves us, I would not hesitate to describe it as the *contemplation of the face of Christ*: Christ considered in his historical features and in his mystery, Christ known through his manifold presence in the Church and in the world, and confessed as the meaning of history and the light of life's journey.

Now we must look ahead, we must "put out into the deep", trusting in Christ's words: *Duc in altum!* What we have done this year cannot justify a sense of complacency, and still less should it lead us to relax our commitment. On the contrary, the experiences we have had should *inspire in us new energy*, and impel us to invest in concrete initiatives the enthusiasm which we have felt. Jesus himself warns us: "No one who puts his hand to the plough and looks back is fit for the kingdom of God" (*Lk 9:62*). In the cause of the Kingdom there is no time for looking back, even less

for settling into laziness. Much awaits us, and for this reason we must set about drawing up an effective post-Jubilee pastoral plan.

It is important however that what we propose, with the help of God, should be profoundly rooted in contemplation and prayer. Ours is a time of continual movement which often leads to restlessness, with the risk of "doing for the sake of doing". We must resist this temptation by trying "to be" before trying "to do". In this regard we should recall how Jesus reprimanded Martha: "You are anxious and troubled about many things; one thing is needful" (*Lk 10:41-42*). In this spirit, before setting out a number of practical guidelines for your consideration, I wish to share with you some points of meditation on the mystery of Christ, the absolute foundation of all our pastoral activity.

### **II**

#### **A FACE TO CONTEMPLATE**

16. "We wish to see Jesus" (*Jn 12:21*). This request, addressed to the Apostle Philip by some Greeks who had made a pilgrimage

to Jerusalem for the Passover, echoes spiritually in our ears too during this Jubilee Year. Like those pilgrims of two thousand years ago, the men and women of our own day — often perhaps unconsciously — ask believers not only to "speak" of Christ, but in a certain sense to "show" him to them. And is it not the Church's task to reflect the light of Christ in every historical period, to make his face shine also before the generations of the new millennium?

Our witness, however, would be hopelessly inadequate if we ourselves had not first *contemplated his face*. The Great Jubilee has certainly helped us to do this more deeply. At the end of the Jubilee, as we go back to our ordinary routine, storing in our hearts the treasures of this very special time, our gaze is more than ever *firmly set on the face of the Lord*.

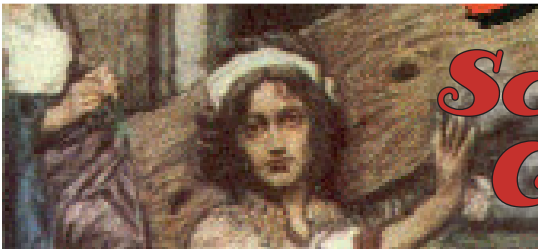

### **The witness of the Gospels**

17. The contemplation of Christ's face cannot fail to be inspired by

all that we are told about him in Sacred Scripture, which from beginning to end is permeated by his mystery, prefigured in a veiled way in the Old Testament and revealed fully in the New, so that Saint Jerome can vigorously affirm: "Ignorance of the Scriptures is ignorance of Christ". Remaining firmly anchored in Scripture, we open ourselves to the action of the Spirit (*cf. Jn 15:26*) from whom the sacred texts derive their origin, as well as to the *witness of the Apostles* (*cf. Jn 15:27*), who had a first-hand experience of Christ, the Word of life: they saw him with their eyes, heard him with their ears, touched him with their hands (*cf. 1 Jn 1:1*).

What we receive from them is a vision of faith based on precise historical testimony: a true testimony which the Gospels, despite their complex redaction and primarily catechetical purpose, pass on to us in an entirely trustworthy way.

## **Song of the Carpenter**

The following is a serialisation of the 'Song of the Carpenter,' a novel inspired by Jesus and written down by the two Patricks. It is about the Life of Jesus and is

full of spiritual teachings as well as a simply fantastic read.

If you cannot wait to read it all, then you can order it from the Sacred Heart House of Prayer. It

costs £6.99.

\*\*\*\*\*

The desert shimmered in the heat and the untrained eye would have been forgiven for thinking it was steam raising from the sand. Apart from the mountains that framed the area, the only high ground was a few dunes here and there that were forever changing their position, building here then pulling themselves down only to reappear somewhere else. In this Wilderness of Zin nothing moved or wanted to move in the intense heat. A very few animals moved about on their daily forages for what little food there was. A snake might find a hapless mouse to fill its belly for a day or two; a desert rat might find a tasty morsel in a beetle but little was to be had on this day. An enigmatic stillness hung like a portrait and nothing moved save the iridescent heat. The sand itself rippled now and again as a rare breeze tripped lightly over it.

It began as little holes, appearing suddenly in the sand. The holes were no bigger than that a twig might make if pushed into it and pulled out again. First there were a few little cave ins, here and there; then a few more and then it grew into hundreds and then into thousands. The desert seemed to break into holes as if someone had given a signal for it to begin and the floor of the desert became like a sponge.

The first locust crawled out; it was hungry. A second, then a

third, then a fourth, all crawling, walking seemingly synchronised and programmed to go the same direction. Within minutes an army of the creatures were blackening the sand with their presence and they were all hungry, ravenous and the silence evaporated into the noise. A few stopped here and there to try the odd opportunist grasses that clung to the sand trying to colonise it. The grasses disappeared as though they had never existed. They crawled, walked and hopped in a westerly direction as though some instinct were driving them, their bony bodies well equipped for the task. They were heading towards the Nile Delta.

It was the month of Kislev and all in the Nile Delta were preparing for a bumper harvest. It had been a good year. The inundation had begun in Nisan and the waters had flooded high. The triangle or D that gave this region its name was deep in water from Nisan to Sivan. In Tammuz, the water rose again. Tishri, Heshvan and Kislev saw the fields drying and the earth was soft and fertilized. The inhabitants of the Delta would live another year. The Egyptian god Hapi was pleased with the people and had given them his blessing with the high water.

The people of the Nile depended on Hapi's beneficence for their very lives and much worship was given to this god. Only a few years before he had refused to yield the waters to cover the

plains or banks of the Nile and famine had hit hard. From its two sources in Ethiopia and the great Lake Victoria, the Nile Delta was inundated with water each year. The waters begin to rise about the month of Adar. Nisan sees the rapid rise of the waters that burst the banks to provide the land with a new layer of topsoil, as well as nutrients, that it has carried with it on its long journey of some three thousand five hundred miles. Without the annual floods, Egypt would not exist for the desert on both sides of the Nile would rapidly overtake this fertile region and it was always lapping against it like the waters of a lake.

The Delta with its floods produced the papyrus that is so essential to the life of the Nile peoples. From it is made the mats for the floors of the houses, baskets, sails for their boats in order to fish the river, and the paper that they wrote their hieroglyphics upon. Hapi was good to them.

The millet was turning golden in Ra's light, shone from the sky as his fiery chariot passed across the vault each day. There were no clouds to block it on this day. People greeted one another as they worked in the fields or passed along the sandy roads. Cheeriness hung in readiness for the rich months that lay ahead. They were a glad people.

Mary was in her plot of land weeding and breaking up the soil around the base of the plants. They were ripening well and she was pleased that their efforts were

materialising in these plants that would keep them alive for another year. She marvelled at the growth and praised God. Jesus was with Joseph in the workshop, while she tended to the plot. He enjoyed the child who was in the process of cutting teeth. She wiped the sweat from her brow and straightened her back. It was good to work; it was good to be alive to see this growth that was so abundant. As she stood looking out over the plain, she could make out in the distance Absalom's crops, as green and lush as her own.

As she stood resting and admiring the growth around her with her hand shading her eyes, she realized that the sun had gone behind a cloud. She looked up and saw the cloud moving rapidly across the sky. 'It is moving very quickly', she thought, 'is it going to rain?' As she watched it, the full realisation of what it was gripped her mind. "Locusts!" she said aloud. Then she shouted it. "Locusts! Joseph, a swarm of locusts, there are millions of them. Joseph!"

# Important Message from Jesus

We recently came across this Message that was given by Jesus in 1999.

We felt that, considering the state of the world currently, the Church, all the wars etc, and in light of the recent Messages, that it would be good if as many of us as possible would *do* this Message again and offer it for the same intentions.

## **Friday 8 October 1999**

I am with you until the end of time and always for I Love you. Do Me the honour, My children, of receiving Me in earnest for the Salvation of the world. Receive Me in a state of Grace - and offering all the days in between - for the consecutive Sundays of the month of December and this will be your gift to Me to celebrate two thousand years of My coming upon the earth to make a new covenant with the world. This I ask of as many as it is possible to inform between now and the

first Sunday. This would be most precious to My Heart and I will save many souls and call them to Myself through Sanctifying Grace. I Love you.

### **Explanation**

This means that Jesus wishes as many people as possible to receive Him in Holy Communion each Sunday in a state of Grace that comes after confession and to offer it to Him for the Salvation of the world.

He also asks that we offer to Him all the weekdays through our morning offering all our works, prayers and sacrifices to Him for the same intentions.

### **What Jesus wants**

1. Go to Confession
2. Receive Jesus in a state of Grace for the four Sundays in December
3. Offer all our days in between each Sunday, for the salvation of the world; that is offer all our prayers, our sacrifices, our sufferings, our dying to self, everything, for the salvation of the world.

This is but a little gift we could give to Jesus, for His Birthday.

## Helping the Holy Souls in Purgatory

### Heartbroken

When I was 16 years old, my uncle died in a terrible tragic accident. He was my Dad's best friend, only ten months age difference between them and, naturally, my Dad was heartbroken to lose his brother so suddenly and in such an awful way.

### Pray for him

A couple of days later, I was walking past his bedroom and I saw my Dad sitting on his bed. His eyes were red and watery like he had been crying. I stopped to ask him if he was ok. He looked up at me and told me with a trembling voice that he had seen his brother and that it wasn't a dream. He said my uncle had spoken to him saying that their Mum and Dad were ok but to pray for him. I knew that Dad was telling the truth and it is something that has always stayed with me from that day. Even when I became a lapsed Catholic for a while, I always believed in the existence of God and that there was an afterlife.

### An extraordinary gift

I believe my Dad was given an extraordinary gift that day that helped him in his grief and would help him to help his brother with prayers but also eventually was a

factor that helped me to come back to my faith more than a decade later.

### One of three places

The Catholic Church teaches that after we die, our souls go to only one of three places; Heaven, Hell or Purgatory. Purgatory exists as a place of purification where souls go to be purified of any taint of sin as no sin can enter Heaven. Souls can be there for short periods of time or for many, many years, especially if they have nobody to pray for them.

### Can help shorten their stay

Souls in Purgatory cannot pray for themselves in order to shorten their time in Purgatory or alleviate their sufferings but they can pray for us. We, who are still on earth, can help shorten their stay in Purgatory and alleviate their suffering if we offer prayers for their souls.

### A vision of Purgatory

Saint Maria Faustyna Kowalska, in a vision which she recorded in her diary, tells the story of a vision of Purgatory that she had: "I saw my guardian angel, who ordered me to follow him. In a moment I was in a misty place full of fire in which there was a

great crowd of suffering souls. They were praying fervently, but to no avail, for themselves; only we can come to their aid. The flames, which were burning them, did not touch me at all. My guardian angel did not leave me for an instant. I asked these souls what their greatest suffering was. They answered me in one voice that their greatest torment was longing for God.

“I saw Our Lady visiting the souls in purgatory. The souls call her ‘The Star of the Sea.’ She brings them refreshment. I wanted to talk with them some more, but my guardian angel beckoned me to leave. We went out of that prison of suffering. [I heard an interior voice, which said] ‘My mercy does not want this, but justice demands it. Since that time I am in closer communion with the suffering souls.’” (Diary of St. Faustina 20)

### **We must empty Purgatory**

In the last few years, I have felt a greater desire to pray for the souls in Purgatory. I have had quite a few friends and family who have sadly died over these last few years and my efforts have increased as I try to remember them all at Mass and in daily prayers. I hate the thought that they may be suffering in Purgatory and that I was negligent in not aiding them by my prayers to get them to Heaven as soon as possible.

Padre Pio said: “We must empty Purgatory with our prayers.” And: “The souls in Purgatory pray for us and their prayers are even more effective than ours because they are accompanied by their

suffering. So let’s pray for them and let’s pray for them to pray for us.”

### **The most powerful prayer**

The highest form of prayer we can offer for our departed loved ones is, of course, the Holy Sacrifice of the Mass. Requests from souls in Purgatory have affirmed that the Mass is the most powerful prayer that can be offered on their behalf. There are more souls released from Purgatory during the Consecration of the Mass than at any time.

We can offer up our Holy Communion for the Souls in Purgatory. You just need to ask the Lord that the Graces you would have received at that particular Holy Communion be applied to the Poor Souls.

### **Sacrifices, alms, mortifications**

After the Mass, there are many other beautiful and powerful prayers we can recite for our loved ones in Purgatory.

When someone dies, we should not assume that they are in Heaven, even if they were “a very good person.” We should commence praying for them immediately. Pray the Rosary, especially. We are told that invoking Our Lady’s intercession under Her title of “The Immaculate Conception” can lead to a particular outpouring of Grace for the Poor Souls.

We can also offer sacrifices, alms, and mortifications. Even the smallest hidden sacrifice benefits them immediately, according to the testimony of a soul in Purgatory.

### **Get into the habit of praying**

Offer your ordinary daily work

for the poor souls. Unite your activities with the Sacred Heart of Jesus, which has been taught to be meritorious for the holy souls.

Get into the habit of praying the “Eternal Rest” prayer whenever you remember, like when you pass a cemetery, after your meals, or before you go to bed: “Eternal rest grant unto them, O Lord. And may perpetual light shine upon them. May they rest in peace. Amen.”

Saint John Macias used to sprinkle Holy Water on the Ground for the souls in Purgatory. You can say the following prayer: “By this holy water and by Thy Precious Blood, wash away all my sin, O Lord, and relieve the souls in Purgatory,” and then make the Sign of the Cross.

### **Saint Gertrude**

Also the Saint Gertrude prayer is said to release many souls from Purgatory every time it is said:

“Eternal Father, I offer you the Most Precious Blood of Your Divine Son, Jesus, in union with all the Masses said throughout the world today, for all the holy souls in Purgatory, for sinners everywhere, for sinners in the Universal Church, those in my own home and within my own family. Amen.”

### **Never wasted**

If you are praying for a particular Holy Soul that has been released and is now rejoicing in Heaven, your offering will be given to another Holy Soul in desperate need of prayer. So your prayers are never wasted.

### **Works of Mercy**

Saint Francis De Sales said “To assist the souls in Purgatory, is to

perform the most excellent of the works of Mercy.”

Saint Alphonsus Ligouri and Saint Teresa of Avila said that Christmas is the day of the year when most souls are delivered; then feast days of Our Lord, Our Lady and great Saints. Souls receive much Grace from prayers offered for them on their birthdays, day of baptism and anniversary of death.

### **Devote some time every day**

The Holy Souls are filled with an immense desire to repay their friends on earth for the prayers and Masses offered up for them by their friends. They never cease to pray for those who helped them.

The Catholic Church offers us the month of November, which begins with All Saints Day and All Souls Day, as the month of the Holy Souls in Purgatory. We should pray for the dead throughout the year, but in the month of the Holy Souls, we should devote some time every day to pray for the dead.

### **Way to the Eternal Glory**

“As we enter Heaven, we will see them, so many of them, coming toward us and thanking us. We will ask who they are and they will say: ‘A poor soul you prayed for in Purgatory.’” -Archbishop Fulton J. Sheen

So as we approach November and we think of our departed loved ones, let us renew our efforts to help as many souls as possible to be released from this place of suffering and help them on their way to the Eternal Glory of Heaven!

# Jesus speaks Purgatory

**PURGATORY IS A PLACE OF  
CLEANSING FOR THOSE WHO WISH IT  
Tuesday 8 March 2011**

...All of My children have the chance to return to Me, it is only after they have entered the gates of hell that there is no return. Yes, My son, even when you enter the spirit world there are chances to repent but very few take this freedom to cleanse themselves. Purgatory is a place of cleansing for those who wish it. It is a place where the scars of sin can be washed clean. Those that are willing to accept their wrongdoing can turn away from the fires of hell and be cleansed and purified in Purgatory. You have seen this, My son, for I have shown you. Purgatory, it is a place of waiting. It is a place where My children suffer the absence of their God and their only desire is to be with Me and so they are purified of the sin of this world.

**Patrick:**

*So You are not within Purgatory, Jesus?*

**Jesus:**

Yes, My son, I am with My children in Purgatory but they cannot feel Me nor see Me for this

is their cleansing. This is their desire to show that they truly believe and want to be with Me. They can come to Me at any time but it is they who decide the time of their cleansing for, in the spirit world, all understanding is given and they know the Truth of their sin and so only desire to offer the penance of Purgatory for the good of others and so Love and Truth is born within. When they believe they have paid the price for their sin they will come to Me in My Kingdom. If you pray for them their time will be shortened for your love shall surround them and so they shall come to Me. Prayer and sacrifice releases souls, the more that you pray and the more that you sacrifice for My children, the more they will come to believe that they are Forgiven and the Price has been paid. I Love you, My children, and My only desire is that you be with Me in My Kingdom where all Love is given from the deepest Wells of My Heart. I Love you, My little ones. I Love you.

**OFFER YOUR TIREDNESS TO ME  
Thursday 28 November 2002**

**Patrick:**

*Jesus, I am here once again with You. It is very late, Jesus, and I am*

*very tired. But I can feel the joy within my heart to be here with You.*

**Jesus:**

My little son, it also gives Me joy to be with you. Offer your tiredness to Me and I shall take a soul from Purgatory this night who is most in need. I Love you.

**Patrick:**

Jesus, I give my tiredness to You gladly. How I would love to be that soul. The excitement of entering into Your Kingdom, how I desire this, above all else. I can still remember clearly that time You showed me the souls entering Heaven. I can still remember the excitement that filled the air as they entered through the Gates...

**WHEN A SOUL BEGINS  
TO HOPE FOR HEAVEN  
Friday 28 March 2003**

...Many of My own children do not think of Heaven anymore, they feel that they will never make it there so they give up and only hope for Purgatory. I tell you that those in Purgatory hope for Heaven and that hope and many prayers will bring them to My Side.

After all that I have done for mankind many will not hope for Heaven. This hurts Me. I opened the Gates of Heaven to all who would follow in My Ways.

When a soul begins to hope for Heaven, his attitude to the world around him changes, he begins to see it with new eyes and realises that he must change to come to Me. Hoping only for Purgatory gives little hope, only that of

suffering. I tell you, My children, that you must hope for Heaven.

Look at My Little Flower. Did she not hope for My Kingdom. She believed that I would take her to Me and her life changed through many hard lessons until there was little self within her. Let her show you her Little Way if the great ways are too lofty for you. Come to Me as children whose parents are lost and hope in Me.

**THESE CAN DO MUCH FOR YOU  
Friday 4 March 2011**

...Remember your Guardian Angels, your spiritual friends, the Saints and family members that have died; these can do much for you if you ask them but you must trust and believe. Have faith, children, you are not alone, you are being watched over every heartbeat of the way. You simply have to ask and it shall be given. Do this in Truth and you shall never want. I Love you...

**CLEANSE THEMSELVES IN  
PURGATORY  
Saturday 5 December 2015**

Truth is what I seek from My children but this world has gone against My Truth. It spirals on a downward path that will only lead all who follow to the fires of hell. Yes, children, hell is a real place where the fallen reside.

A place of nightmare for, lucifer wanted Me to create a place opposite to Heaven and so I give him his wishes.

Do not despair, children, for no one goes to hell except those who do not wish to know Me.

I am not a cruel God.  
 All who have fallen short are given a chance to cleanse themselves in Purgatory, here their suffering is great for their only desire is to be in My Presence but they take their time away from Me and offer their suffering for the good of My children. They redeem themselves by their sacrifice.  
 Offer many prayers for them, that their time of exile be shortened.  
 Do all things in love and remember to make your life a prayer.  
 Remember to say many short prayers for those that you meet in your everyday lives.  
 Become a soldier of Love and begin to fight in the spiritual battle.  
 Trust in Me and We, together, will overcome the darkness of sin.  
 Believe, My children.  
 I Love you.
